READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

There are no restrictions on the republication of official documents appearing in the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted

proposal must be published in the *Pennsylvania Bulletin* before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where "no fiscal impact" is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Title 204—JUDICIAL SYSTEM GENERAL PROVISIONS

PART V. PROFESSIONAL ETHICS AND CONDUCT [204 PA. CODE CHS. 85 AND 89]

Amendments to the Rules of Organization and Procedure of The Disciplinary Board of the Supreme Court of Pennsylvania; Doc. R-108

Order No. 48

Adopting Amendments to the Rules and Procedures of the Board relating to Recusal and Reinstatement

In this Order, The Disciplinary Board of the Supreme Court of Pennsylvania is adopting amendments to its Rules of Organization and Procedure relating to the procedures for (i) recusal of members of the Board or a hearing committee or a special master and (ii) reinstatement of formerly admitted attorneys.

Pa.R.D.E. 220 provides for the recusal of members of the Board or hearing committees or special masters under certain circumstances. The amendment to 204 Pa. Code § 85.11 being adopted by this Order establishes the procedures to be followed when such a motion is made.

Pa.R.D.E. 208(g)(1) provides that when the expenses of a formal proceeding are taxed against a respondent-attorney the expenses must be paid within 30 days after the entry of the order taxing the expenses. Pa.R.D.E. 531 provides that a respondent-attorney may not be reinstated until the Lawyers Fund for Client Security has been reimbursed for any disbursements it has made as a result of the conduct of the respondent-attorney. Notwithstanding those rules, the Board has encountered situations where formerly admitted attorneys have sought reinstatement before the taxed costs have been paid or the Lawyers Fund for Client Security has been reimbursed. This Order is accordingly amending several provisions of the Rules of the Board to provide expressly that reinstatement may not be sought until all taxed costs have been paid and reimbursement has been made.

A Notice of Proposed Rulemaking regarding the changes being adopted by this Order was published in the *Pennsylvania Bulletin* on January 22, 1996. No comments were received in response.

The Disciplinary Board of the Supreme Court of Pennsylvania hereby finds that the amendments to the Rules of Organization and Procedure of the Board adopted hereby are not inconsistent with the Pennsylvania Rules of Disciplinary Enforcement and are necessary and appropriate for the administration of the affairs of the Board.

The Board, acting pursuant to Rule 205(c)(10) of the Pennsylvania Rules of Disciplinary Enforcement, orders:

- (1) Title 204 of the *Pennsylvania Code* is hereby amended as set forth in Annex A hereto.
- (2) The Secretary of the Board shall duly certify this Order, and deposit the same with Administrative Office of Pennsylvania Courts as required by Pa.R.J.A. 103(c).

(3) The amendments adopted hereby shall take effect upon publication in the *Pennsylvania Bulletin* and shall apply to all disciplinary proceedings thereafter commenced and, insofar as just and practical, to proceedings pending at the time.

(4) This order shall take effect immediately.

By The Disciplinary Board of the Supreme Court of Pennsylvania

ELAINE BIXLER,
Secretary

(d) *Commonwealth Appeals in Criminal Cases.* In a criminal case, under the circumstances provided by law, the Commonwealth may take an appeal as of right from an order that does not end the entire case [**but**] where the Commonwealth [**asserts**] **certifies in the notice of appeal** that the order will terminate or substantially handicap the prosecution.

* * * * *

The official Note to Rule 311 is rescinded and replaced with the following:

Official Note: Authority—This rule implements 42 Pa.C.S. § 5105(c) (interlocutory appeals), which provides:

(c) **Interlocutory appeals.** There shall be a right of appeal from such interlocutory orders of tribunals and other government units as may be specified by law. The governing authority shall be responsible for a continuous review of the operation of section 702(b) (relating to interlocutory appeals by permission) and shall from time to time establish by general rule rights to appeal from such classes of interlocutory orders, if any, from which appeals are regularly allowed pursuant to section 702(b).

The appeal rights under this rule, and under Rule 312 (interlocutory appeals by permission), Rule 313 (collateral orders), Rule 341 (final orders generally), and Rule 342 (final distribution orders), are cumulative; and no inference shall be drawn from the fact that two or more rules may be applicable to an appeal from a given order.

Subdivision (a)—If an order falls under Rule 311, an immediate appeal may be taken as of right simply by filing a notice of appeal. The procedures set forth in Rules 341(c) and 1311 do not apply to an appeal under Rule 311.

Subdivision (a), Paragraph (a)(1) (Affecting judgments)—The 1989 amendment to paragraph (a)(1) eliminated interlocutory appeals of right from orders opening, vacating, or striking off a judgment while retaining the right of appeal from an order refusing to take any such action.

Paragraph (a)(2) (Attachments, etc.)—The 1987 Amendment to paragraph (a)(2) is consistent with appellate court decisions disallowing interlocutory appeals in matrimonial matters. *Fried v. Fried*, 509 Pa. 89, 501 A.2d 211 (1985); *O'Brien v. O'Brien*, 359 Pa. Super. 594, 519 A.2d 511 (1987).

Paragraph (a)(3) (Change of criminal venue or venire)—Under prior practice, either a defendant or the Commonwealth could appeal an order changing venue. See former Pa.R.Crim.P. 311(a) (Third sentence) before amendment of June 29, 1977, 471 Pa. XLIV. An order refusing to change venue is not appealable. *Commonwealth v. Swanson*, 424 Pa. 192, 225 A.2d 231 (1967). This rule makes no change in existing practice.

Change of venire is authorized by 42 Pa.C.S. § 8702 (impaneling jury from another county). Pa.R.Crim.P. 312 (motion for change of venue or change of venire) treats changes of venue and venire the same. Thus an order changing venire is appealable by the defendant or the Commonwealth, while an order refusing to change venire is not.

See also Rule 903(c)(1) regarding time for appeal.

Paragraph (a)(4) (Injunctions)—The 1987 amendment to paragraph (a)(4) is consistent with appellate court decisions disallowing interlocutory appeals in matrimonial matters. *Fried v. Fried*, 509 Pa. 89, 501 A.2d 211 (1985); *O'Brien v. O'Brien*, 359 Pa. Super. 594, 519 A.2d 511 (1987).

The 1996 amendment to paragraph (a)(4) reconciled two conflicting lines of cases by adopting the position that generally an appeal may not be taken from a decree nisi granting or denying a permanent injunction. *Humphreys v. Cain*, 84 Pa. Cmwlth. 222, 474 A.2d 353 (1984). To the extent that *Agra Enterprises Inc. v. Brunozzi*, 302 Pa. Super. 166, 170, 448 A.2d 579, 581 (1982); *Martin Industrial Supply Corp. v. Riffert*, 366 Pa. Super. 89, 91, 530 A.2d 906, 907 (1987); *Bolus v. Ryder Truck Rental, Inc.*, 258 Pa. Super. 387, 388, 517 A.2d 995, 996 (1986); *Commonwealth ex. rel. Lewis v. Allowill Realty Corp.*, 330 Pa. Super. 32, 35, 478 A.2d 1334, 1336 (1984); and *Neshaminy Constructors, Inc. v. Philadelphia, Pennsylvania Building and Construction Trades Council, AFL-CIO*, 303 Pa. Super. 420, 422 n.1, 449 A.2d 1389, 1390 n.1 (1982) permit an immediate appeal from a decree nisi granting or denying prospective injunctive relief, they are overruled.

The 1996 amendment to paragraph (a)(4) simultaneously recognized two exceptions to the non-appealability of a decree nisi; these exceptions, identified as phrases (a)(4)(i) and (ii), permit an appeal from a decree nisi if the order has the immediate effect of changing the status quo. Thus, if the decree nisi grants or denies permanent injunctive relief to become effective when the decree nisi is made final, no appeal is possible. If, however, the decree nisi provides for permanent injunctive relief upon entry of the decree nisi, or strikes a previously granted preliminary injunction upon entry of the decree nisi, the decree nisi is appealable pursuant to phrase (a)(4)(i) or (ii).

Paragraph (a)(5) (Peremptory judgment in mandamus)—Paragraph (a)(5), added in 1996, authorizes an interlocutory appeal as of right from an order granting a motion for peremptory judgment in mandamus without the condition precedent of a motion to open the peremptory judgment in mandamus. Under prior practice established in *Hamby v. Stoe*, 448 Pa. 483, 295 A.2d 309 (1972), an order granting peremptory judgment in mandamus was not appealable; only the order denying a motion to open the peremptory judgment in mandamus was appealable. The 1996 amendment eliminated the need to move to open. The January 1, 1996 amendment to Pa.R.C.P. 1098 eliminates the former practice of filing a petition to open a peremptory judgment in mandamus. The 1996 amendment overrules *Hamby v. Stoe* and other decisions that quashed appeals that were taken from the peremptory judgment in mandamus rather than the order denying the motion to open the judgment, e.g., *Butler v. Emerson*, 76 Pa. Cmwlth. 156, 463 A.2d 109 (1983); *Mertz v. Lakatos*, 21 Pa. Cmwlth. 291 (1975); *Ellenbogen v. Larsen*, 16 Pa. Cmwlth. 353, 328 A.2d 587 (1974). An order denying a motion for peremptory judgment in mandamus remains unappealable.

Paragraph (a)(8) (Other cases)—Paragraph (a)(8) is directed primarily to statutes and general rules hereafter enacted or promulgated. The current text

of the Pennsylvania Rules of Civil Procedure, the Pennsylvania Rules of Criminal Procedure, etc., should be consulted to identify any interlocutory appeal rights provided for therein. See also, e.g., 42 Pa.C.S. § 7320 (appeals from court orders), concerning appeals from certain orders in nonjudicial arbitration proceedings, which section is not suspended by these rules. See Rule 5102(a) (Judicial Code unaffected).

Subdivision (b) (Order sustaining venue or personal or in rem jurisdiction)—Subdivision (b) is based in part on the Act of March 5, 1925, P. L. 23 (order ruling on question of jurisdiction). The term “civil action or proceeding” is broader than the term “proceeding at law or in equity” under the prior practice and is intended to include orders entered by the orphans’ court division. Cf. In the Matter of Phillips, 471 Pa. 289, 370 A.2d 307 (1977).

In paragraph (b)(1), a plaintiff is given a qualified (because it can be overridden by petition for and grant of permission to appeal under Rule 312 (interlocutory appeals by permission)) option to gamble that the venue of the matter or personal or in rem jurisdiction will be sustained on appeal. Paragraph (g)(ii) provides that if the plaintiff timely elects final treatment, the failure of the defendant to appeal constitutes a waiver. The appeal period under Rule 903 (time for appeal) ordinarily runs from the entry of the order, and not from the date of filing of the election, which procedure will ordinarily afford at least 20 days within which to appeal. See Rule 903(c) as to treatment of special appeal times. If the plaintiff does not file an election to treat the order as final, the case will proceed to trial unless (1) the trial court makes a finding under Paragraph (b)(2) of the existence of a substantial question of jurisdiction and the defendant elects to appeal, (2) an interlocutory appeal is permitted under Rule 312 or (3) another basis for appeal appears, e.g., under paragraph (a)(1), and an appeal is taken. Presumably a plaintiff would file such an election where he desires to force the defendant to decide promptly whether the objection to venue or jurisdiction will be seriously pressed. Subdivision (b) does not cover orders that do not sustain jurisdiction because they are, of course, final orders appealable under Rule 341.

Subdivision (b)(2) (Substantial issue of venue or jurisdiction)—The 1989 amendment to paragraph (b)(2) permits an interlocutory appeal as of right where the trial court certifies that a substantial question of venue is present. This eliminated an inconsistency formerly existing between subdivision (b) and paragraph (b)(2).

Subdivision (c) (Changes of venue, etc.)—Subdivision (c) is based in part on the act of March 5, 1925 (P. L. 23, No. 15) (order ruling on question of jurisdiction). The term “civil action or proceeding” is broader than the term “proceeding at law or in equity” under the prior practice and is intended to include orders entered by the orphans’ court division. Cf. In the Matter of Phillips, 471 Pa. 289, 370 A.2d 307 (1977).

Subdivision (c) covers orders that do not sustain venue, e.g., orders under Pa.R.C.P. 1006(d) and (e).

However, the subdivision does not relate to a transfer under 42 Pa.C.S. § 933(c)(1) (concurrent

and exclusive jurisdiction), 42 Pa.C.S. § 5103 (transfer of erroneously filed matter) or under any other similar provision of law, because such a transfer is not to a “court of coordinate jurisdiction” within the meaning of this rule; it is intended that there shall be no right of appeal from a transfer order based on improper subject matter jurisdiction. Such orders may be appealed by permission under Rule 312, or an appeal as of right may be taken from an order dismissing the matter for lack of jurisdiction. See *Balshy v. Rank*, 507 Pa. 384, 388, 490 A.2d 415, 416 (1985).

Other orders relating to subject matter jurisdiction (which for this purpose does not include questions as to the form of action, e.g., as between law and equity, or divisional assignment, see 42 Pa.C.S. § 952 (status of court divisions)) will be appealable under Rule 341 if jurisdiction is not sustained, and otherwise will be subject to Rule 312.

Subdivision (d) (Commonwealth appeals in criminal matters)—In subdivision (d), the 1992 amendment permits appeals by the Commonwealth from certain interlocutory orders that were previously treated as final orders under the pre-1992 version of Rule 341(c). See, e.g., *Commonwealth v. Dugger*, 506 Pa. 537, 486 A.2d 382 (1985); *Commonwealth v. Deans*, 530 Pa. 514, 610 A.2d 32 (1992); and *Commonwealth v. Cohen*, 529 Pa. 552, 605 A.2d 1212 (1992). The 1996 amendment to Rule 904(e) requires that the Commonwealth assert in the notice of appeal that the trial court’s order will terminate or substantially handicap the prosecution.

Subdivision (e) (Orders overruling preliminary objections in eminent domain cases)—In subdivision (e), the 1992 amendment permits interlocutory appeals from orders overruling preliminary objections in eminent domain cases. These orders were previously appealable as final orders under Rule 341 even though such orders did not dispose of all claims and all parties. See *In Re Certain Parcels of Real Estate*, 420 Pa. 289, 216 A.2d 774 (1966); and *Central Bucks Joint School Bldg. Authority v. Rawls*, 8 Pa. Cmwlth. 491, 303 A.2d 863 (1973).

Subdivision (f) (Administrative remand)—In subdivision (f), the 1992 amendment permitted an immediate appeal as of right from an order of a common pleas court or government unit remanding a matter to an administrative agency or hearing officer for execution of the adjudication of the reviewing tribunal in a manner that does not require the exercise of administrative discretion. Examples of such orders include: (1) a remand by a court of common pleas to the Department of Transportation for removal of points from a drivers license; and (2) an order of the Workmen’s Compensation Appeal Board reinstating compensation benefits and remanding to a referee for computation of benefits.

Subdivision (f) further permits immediate appeal from an order of a common pleas court or government unit remanding a matter to an administrative agency or hearing officer that decides an issue that would ultimately evade appellate review if an immediate appeal is not allowed. See *Department of Environmental Resources v. Big B Mining Co., Inc.*, 123 Pa. Cmwlth. 591, 554 A.2d 1002 (1989) (order of Environmental Hearing Board reversing D.E.R.’s denial of a surface mining permit and remanding to

D.E.R. for re-evaluation of effluent limitations); *Phila. Commission On Human Relations v. Gold*, 95 Pa. Cmwlth. 766, 503 A.2d 1120 (1986) (court of common pleas order reversing a Philadelphia Human Relations Commission finding of discrimination on ground the commission impermissibly commingled prosecutorial [or] and adjudicative functions). The 1992 amendment overrules, in part, *FMC Corporation v. Workmen's Compensation Appeal Board*, 116 Pa. Cmwlth. 527, 542 A.2d 616 (1988) to the extent that it is inconsistent with subdivision (f).

Subdivision (h) (Further proceedings in lower court)—See note to Rule 1701(a) (effect of appeal generally).

TITLE 210. APPELLATE PROCEDURE

PART I. RULES OF APPELLATE PROCEDURE

ARTICLE I. PRELIMINARY PROVISIONS

CHAPTER 1. GENERAL PROVISIONS

DOCUMENTS GENERALLY

Rule 121. Filing and Service.

(a) *Filing.* Papers required or permitted to be filed in an appellate court shall be filed with the prothonotary. Filing may be accomplished by mail addressed to the prothonotary, but except as otherwise provided by these rules filing shall not be timely unless the papers are received by the prothonotary within the time fixed for filing. Paperbooks shall be deemed filed on the day of

mailing if first class mail is utilized. If an application under these rules requests relief which may be granted by a single judge, the judge in extraordinary circumstances may permit the application and any related papers to be filed with [him] that judge, in which event [he] that judge shall note thereon the date of filing and shall thereafter transmit such papers to the clerk.

(b) *Service of all papers required.* Copies of all papers filed by any party and not required by these rules to be served by the prothonotary shall, concurrently with their filing, be served by a party or person acting [for him] on behalf of that party or person on all other parties to the matter. Service on a party represented by counsel shall be made on [his] counsel.

* * * * *

(e) *Additional time after service by mail.* Whenever a party is required or permitted to do an act within a prescribed period after service of a paper upon [him] that party (other than an order of a court or other government unit) and the paper is served by mail, three days shall be added to the prescribed period.

* * * * *

Rule 123. Application for Relief.

* * * * *

(e) *Power of single judge to entertain applications.* In addition to the authority expressly conferred by these rules or by law or rule of court, a single judge of an appellate court may entertain and may grant or deny any request for relief which under these rules may properly be sought by application, except that an appellate court may provide by order or rule of court that any application or class of applications must be acted upon by the court. The action of a single judge may be reviewed by the court except for actions of a single judge under Rule 3102(c)(2) (relating to a quorum in Commonwealth Court in any election matter).

Official Note: The 1996 amendment precludes review by the Commonwealth Court of actions of a single judge in election matters. Based on former Supreme Court Rules 62, 63, and 66, former Superior Court Rules 53, 54, and 57, former Commonwealth Court Rule 112A and Pa.R.Crim.P. 304.

CHAPTER 3. ORDERS FROM WHICH APPEALS MAY BE TAKEN

INTERLOCUTORY APPEALS

Rule 313. Collateral Orders.

* * * * *

The Official Note to Rule 313 is rescinded and replaced with the following:

Official Note: Rule 313 is a codification of existing case law with respect to collateral orders. See *Pugar v. Greco*, 483 Pa. 68, 73, 394 A.2d 542, 545 (1978) (quoting *Cohen v. Beneficial Industrial Corp.*, 337 U. S. 541 (1949)). Examples of collateral orders include an order denying a pre-trial motion to dismiss based on double jeopardy, *Commonwealth v. Brady*, 510 Pa. 363, 508 A.2d 286, 289-91 (1986) (allowing an immediate appeal from denial of double jeopardy claim under collateral order doctrine where trial court makes a finding that motion is not frivolous); an order denying a petition to

permit the payment of death taxes, *Hankin v. Hankin*, 338 Pa. Super. 442, 487 A.2d 1363 (1985); and an order denying a petition for removal of an executor, *Re: Estate of Georgianna*, 312 Pa. Super. 339, 458 A.2d 989 (1983), *aff'd*, 504 Pa. 510, 475 A.2d 744. Thorough discussions of the collateral order doctrine as it has been applied by Pennsylvania appellate courts are found in the following sources: *Darlington, McKeon, Schuckers and Brown*, 1 Pennsylvania Appellate Practice Second Edition, §§ 313:1—313:201 (1994) and *Byer*, *Appealable orders under the Pennsylvania Rules of Appellate Procedures in Practice and Procedures in Pennsylvania Appellate Courts* (PBI No. 1994-869); *Pines, Pennsylvania Appellate Practice: Procedural Requirements and the Vagaries of Jurisdiction*, 91 *Dick. L. Rev.* 55, 107—115 (1986). If an order falls under Rule 313, an immediate appeal may be taken as of right simply by filing a notice of appeal. The procedures set forth in Rules 341(c) and 1311 do not apply under Rule 313.

FINAL ORDERS

Rule 341. Final Orders Generally.

* * * * *

(b) *Definition of Final Order.* A final order is any order that:

- (1) disposes of all claims [or] and of all parties; or
- (2) any order that is expressly defined as a final order by statute; or
- (3) any order entered as a final order pursuant to [subsection] subdivision (c) of this rule.

(c) *Determination of finality.* When more than one claim for relief is presented in an action, whether as a claim, counterclaim, cross-claim, or third-party claim or when multiple parties are involved, the trial court or other governmental unit may enter a final order as to one or more but fewer than all of the claims [or] and parties only upon an express determination that an immediate appeal would facilitate resolution of the entire case. Such an order becomes appealable when entered. In the absence of such a determination and entry of a final order, any order or other form of decision that adjudicates fewer than all the claims [or] and parties shall not constitute a final order.

(1) ***

(2) The trial court or other governmental unit is required to act on an application for a determination of a finality under subdivision (c) within 30 days of entry of the order. During the time an application for determination for finality is pending, the action will be stayed. Any denial of such an application shall be reviewable only for abuse of discretion pursuant to Chapter 15. **Unless the trial court or other governmental unit acts on the application within 30 days after it is filed the trial court or other governmental unit shall no longer consider the application and it shall be deemed to have been denied.**

* * * * *

Official Note:

* * * * *

Orders which are separable from and collateral to the main cause of action where the right involved is too important to be denied review, and the question pre-

sented is such that if review is postponed until final judgment in the case, the claim will be irreparably lost, previously appealable as final orders under Rule 341, are now appealable under Rule 313. See *Pugar v. Greco*, 483 Pa. 68, 73, 394 A.2d 543, 545 (1978) (quoting *Cohen v. Beneficial Industrial Loan Corp.*, 337 U.S. 541 (1949)).

* * * * *

Orders formerly appealable under Rule 341 by the Commonwealth in criminal cases as heretofore provided by law, but which do not dispose of the entire case, are now appealable as interlocutory appeals as of right under Subdivision [(e)] (d) of Rule 311.

The 1996 amendments to subdivisions (a) and (c), substituting the conjunction “and” for “or” are not substantive. The amendments merely clarify that by definition any order which disposes of all claims will dispose of all parties and any order that disposes of all parties will dispose of all claims.

The 1996 amendment to subdivision (c)(2) provides for a deemed denial where the trial court or other governmental unit fails to act on the application within 30 days. Under such circumstances, a party may need to praecipe for entry of the deemed denial pursuant to Rule 301(d) to perfect an appeal.

Rule 343. [Order Determining Challenge to a Plea of Guilty.] Rescinded.

[If a timely motion has been filed pursuant to Rule 321 of the Pennsylvania Rules of Criminal Procedure (challenge to guilty plea), any appeal taken as of right shall be from the final order disposing of such motion. Such timely motion shall have the effect, for the purposes of Rule 1701(b)(3) (authority of lower court or agency after appeal), of an order expressly granting reconsideration of the judgment previously entered on the plea of guilty.]

Official Note: [Pa.R.Crim.P. 321 provides a procedure whereby a timely motion challenging the validity of a plea of guilty, or the denial or a motion to withdraw a plea of guilty, shall be heard by the lower court. In such event, the time for filing an appeal from the judgment on the plea does not begin to run until such motion is decided by the lower court.

In the event an appeal from the judgment on a plea of guilty has been filed before a timely motion under Pa.R.Crim.P. 321 has been made, the filing of such motion acts as an automatic grant of reconsideration under Rule 1701(b)(3) (authority of lower court or agency after appeal), so as to render inoperative the prior appeal. In such event, an appeal could be filed anew after disposition of the Pa.R.Crim.P. 321 motion.]

The Supreme Court rescinded this Rule in 1996 as obsolete in view of the changes to the Rules of Criminal Procedure rescinding Pa.R.Crim.P. 321 and adopting new Pa.R.Crim.P. 1401, effective as to cases in which the determination of guilt occurs on or after January 1, 1994. (b) *Content of application; answer.* The application shall contain a statement of the facts necessary to an understanding of the same or related questions of fact, law or discretion; a statement of the questions themselves; and a statement of the reasons why joint consideration of the appeals would be desirable. The application shall be served on all other parties to all appeals or other matters involved, and shall include or have annexed thereto a copy of each order from which any appeals involved were taken and any findings of fact, conclusions of law and opinions relating thereto. **[Within seven days after service of the application any]** Any other party to any appeal or other matter involved may file an answer in opposition **in accordance with Rule 123(b).** The application and answer shall be submitted without oral argument unless otherwise ordered.

Rule 904. Content of the Notice of Appeal.

* * * * *

(c) **[Order] Request for transcript.** The **[order] request** for transcript **[, if any,]** contemplated by Rule 1911 (order for transcript) **or a statement signed by counsel that there is either no verbatim record of the proceedings or the complete transcript has been lodged of record,** shall accompany the notice of appeal, but the absence of or defect in the order for transcript shall not affect the validity of the appeal.

* * * * *

(e) **Content in criminal cases.** When the Commonwealth takes an appeal pursuant to Rule 311(d), the notice of appeal shall include a certification by counsel that the order will terminate or substantially handicap the prosecution.

Official Note: [The former requirement that the appellant swear that the appeal is not taken for the purpose of delay has been omitted. The appeal to the Commonwealth Court was governed by former Commonwealth Court Rule 20A.]

The Offense Tracking Number (OTN) is required only in an appeal in a criminal proceeding. It enables the Administrative Office of the Pennsylvania Courts to collect and forward to the Pennsylvania State Police information pertaining to the disposition of all criminal cases as provided by the Criminal History Record Information Act, 18 Pa.C.S. § 9101 *et seq.*

[The form of the notice of appeal provided by subdivision (a) has been revised to include the required certification.]

The 1986 amendment requires that the notice of appeal include a statement that the order appealed from has been entered in the docket. The 1986 amendment deletes the requirement that the appellant certify that the order

has been reduced to judgment. This omission does not eliminate the requirement of reducing an order to judgment before there is a final appealable order where required by applicable practice or case law.

An order for transcript is a request by the appellant of the court reporter to prepare a transcript of the verbatim record of the proceedings. It is not an order of the court, and no court order is required to obtain a transcript of the proceedings. See Pa.R.J.A. 5005.5 and the 1996 amendment to subdivision (a) of Rule 1911.

With respect to subdivision (e), in Commonwealth v. Dugger, 506 Pa. 537, 486 A.2d 382 (1985) the Supreme Court held that the Commonwealth's certification that an order will terminate or substantially handicap the prosecution is not subject to review as a prerequisite to the Superior Court's review of the merits of the appeal. Thus, the need for a detailed analysis of the effect of the order, formerly necessarily a part of the Commonwealth's appellate brief, was eliminated. See also Commonwealth v. Deans, 530 Pa. 514, 610 A.2d 32 (1992); Commonwealth v. Cohen, 529 Pa. 552, 605 A.2d 1212 (1992) (allowing appeals by the Commonwealth from adverse rulings on motions in limine). Accordingly, the 1996 amendment added subdivision (e) as a requirement when the Commonwealth takes an appeal pursuant to Rule 311(d).

Rule 906. Service of Notice of Appeal.

(a) ***

(1) All parties to the matter in the trial court, **including parties previously dismissed pursuant to an interlocutory order.**

(2) The judge of the court below, whether or not the reasons for the order appealed from already appear of record.

(3) The official court reporter of the trial court, whether or not an order for transcript accompanies the papers.

(4) The district court administrator or other person designated by the administrator pursuant to Rule **[5000.5(a)(4)] 5000.5(a)(3)** of the Pennsylvania Rules of Judicial Administration (requests and orders for transcripts).

(b) ***

Official Note: See Rule 908 (Parties on Appeal).

Rule 907. Docketing of Appeal.

(a) *Docketing of appeal.* Upon the receipt of the papers specified in Rule 905(b) (transmission to appellate court) the prothonotary of the appellate court shall immediately enter the appeal upon the docket, note the appellate docket number upon the notice of appeal, and give written notice of the docket number assignment in person or by first class mail to the clerk of the lower court, to the appellant[,] **and to the persons named in the proof of service accompanying the notice of appeal [and to the Administrative Office].** An appeal shall be docketed under the caption given to the matter in the lower court, with the appellant identified as such, but if such caption does not contain the name of the appellant, his name, identified as appellant, shall be added to the caption in the appellate court.

(b) *Entry of appearance.* Upon the docketing of the appeal the prothonotary of the appellate court shall note on the record as counsel for the appellant the name of [his] counsel, if any, set forth in or endorsed upon the notice of appeal, and, as counsel for other parties, counsel, if any, named in the proof of service. The prothonotary of the appellate court shall upon praecipe of any such counsel for other parties, filed within 30 days after filing of the notice of appeal, strike off or correct the record of appearances. Thereafter **[an entry of appearance may be withdrawn only by leave of the appellate court] a counsel's appearance for a party may not be withdrawn without leave of court, unless another lawyer has entered or simultaneously enters an appearance for the party.**

Official Note: The transmission of a photocopy of the notice of appeal, showing a stamped notation of filing and the appellate docket number assignment, without a letter of transmittal or other formalities, will constitute full compliance with the notice requirement of Subdivision (a) of this rule.

With regard to subdivision (b) and withdrawal of appearance without leave of the appellate court, counsel may nonetheless be subject to trial court supervision pursuant to Pa.R.Crim.P. 1504 (Appointment of Counsel; Forma Pauperis).

CHAPTER 11. APPEALS FROM COMMONWEALTH COURT AND SUPERIOR COURT

PETITION FOR ALLOWANCE OF APPEAL

Rule 1112. Appeals by Allowance.

* * * * *

(b) *Definition. Final Order.* A final order of the Superior Court or Commonwealth Court is any order that concludes an appeal, including an order that remands an appeal, in whole or in part, unless the appellate court remands and retains jurisdiction.

[(b)] (c) ***

[(c)] (d) ***

[(d)] (e) ***

[(e)] (f) *Entry of appearance.*—Upon the filing of the petition for allowance of appeal the Prothonotary of the Supreme Court shall note on the record as counsel for the petitioner the name of his counsel, if any, set forth in or endorsed upon the petition for allowance of appeal, and, as counsel for other parties, counsel, if any, named in the proof of service. The Prothonotary shall upon praecipe of any such counsel for other parties, filed at any time within 30 days after filing of the petition, strike off or correct the record of appearance. Thereafter **[an entry of appearance may be withdrawn only by leave of court] a counsel's appearance for a party may not be withdrawn without leave of court unless another lawyer has entered or simultaneously enters an appearance for the party.**

* * * * *

With regard to subdivision (f) and withdrawal of appearance without leave of the appellate court, counsel may nonetheless be subject to trial court supervision pursuant to Pa.R.Crim.P. 1504 (Appointment of Counsel; Forma Pauperis).

CHAPTER 13. INTERLOCUTORY APPEALS BY PERMISSION

Rule 1311. Interlocutory Appeals by Permission.

* * * * *

(b) *Petition for permission to appeal.* Permission to appeal from an interlocutory order containing the statement prescribed by 42 Pa.C.S. § 702(b) may be sought by filing a petition for permission to appeal with the prothonotary of the appellate court within 30 days after entry of such order in the lower court or other government unit with proof of service on all other parties to the matter in the lower court or other government unit and on the government unit or clerk of the lower court, who shall file the petition of record in such lower court. An application for an amendment of an interlocutory order to set forth expressly the statement specified in 42 Pa.C.S. § 702(b) shall be filed with the lower court or other government unit within 30 days after the entry of such interlocutory order and permission to appeal may be sought within 30 days after entry of the order as amended. **[The trial court must act on the application within 30 days.] Unless the trial court or other governmental unit acts on the application within 30 days after it is filed, the trial court or other governmental unit shall no longer consider the application and it shall be deemed denied.** If the petition for permission to appeal is transmitted to the prothonotary of the appellate court by means of first class mail, the petition shall be deemed received by the prothonotary for the purposes of Rule 121(a) (filing) on the date deposited in the United States mail, as shown on a U. S. Postal Service Form 3817 certificate of mailing. The certificate of mailing shall show the docket number of the matter in the lower court or other government unit and shall be either enclosed with the petition or separately mailed to the prothonotary. Upon actual receipt of the petition for permission to appeal the prothonotary of the appellate court shall immediately stamp it with the date of actual receipt. That date, or the date of earlier deposit in the United States mail as prescribed in this subdivision, shall constitute the date when permission to appeal was sought, which date shall be shown on the docket. The prothonotary of the appellate court shall immediately note the appellate docket number assignment upon the petition for permission to appeal and give written notice of the docket number assignment in person or by first class mail to the government unit or clerk of the lower court, to the petitioner and to the other persons named in the proof of service accompanying the petition.

* * * * *

(d) *Entry of appearance.* Upon the filing of the petition for permission to appeal the prothonotary of the appellate court shall note on the record as counsel for the petitioner the name of [his] counsel, if any, set forth in or endorsed upon the petition for permission to appeal, and, as counsel for other parties, counsel, if any, named in the proof of service. The prothonotary shall upon praecipe of any such counsel for other parties, filed at any time within 30 days after filing of the petition, strike off or correct the record of appearance. Thereafter **[an entry of appearance may be withdrawn only by leave of court] a counsel's appearance for a party may not be withdrawn without leave of court, unless another lawyer has entered or simultaneously enters an appearance for the party.**

Official Note:

* * * * *

The 1996 amendment provides for a deemed denial where the trial court or other governmental unit fails to act on the application within 30 days. Under such circumstances, a party may need to praecipe for entry of the deemed denial pursuant to Rule 301(d).

With regard to subdivision (d) and withdrawal of appearance without leave of the appellate court, counsel may nonetheless be subject to trial court supervision pursuant to Pa.R.Crim.P. 1504 (relating to Appointment of Counsel; Forma Pauperis).

CHAPTER 15. JUDICIAL REVIEW OF GOVERNMENTAL DETERMINATIONS IN GENERAL

Rule 1501. Scope of Chapter.

(c) Unsupended statutory procedures. This chapter does not apply to any appeal pursuant to the following statutory provisions, which are not suspended by these rules:

PETITION FOR REVIEW

Rule 1513. Petition for Review.

* * * * *

(d) Notice [of demand for evidentiary hearing] to plead.—If under the applicable law the questions raised by the petition for review may be determined in whole or in part upon the record made before the court, the petition shall contain or have endorsed upon it a notice to plead.

Official Note:

* * * * *

The 1996 amendment to subdivision (d) remedies what had been an inconsistency between the former heading and the text of the rule.

Rule 1514. Filing and Service of the Petition for Review.

* * * * *

(d) Entry of appearance.—Upon the filing of the petition for review the prothonotary shall note on the record as counsel for the petitioner the name of [his] counsel, if any, set forth in or endorsed upon the petition for review, and, as counsel for other parties, counsel, if any, named in the proof of service. The prothonotary shall upon praecipe of any such counsel for other parties, filed within 30 days after filing of the petition, strike off or correct the record of appearances. Thereafter [an entry of appearance may be withdrawn only by leave of court] a counsel's appearance for a party may not be withdrawn without leave of court, unless another lawyer has entered or simultaneously enters an appearance for the party.

* * * * *

Rule 1515. Answer to Petition.

Where under the applicable law the questions raised by the petition for review may be determined in whole or in

part upon the record made before the court, and the right to an evidentiary hearing has been claimed by inclusion or endorsement of a notice to plead as prescribed by Rule 1513(d) [(notice of demand for evidentiary hearing)] (notice to plead), any adverse party may file an answer to the petition controverting any factual allegation of the petition.

* * * * *

Rule 1532. Special and Summary Relief.

* * * * *

(b) Summary relief.—At any time after the filing of a petition for review in an appellate or original matter the court may on application enter judgment if the right of the applicant thereto is clear. [A party against whom judgment is entered under this subdivision may apply to open or vacate the judgment within 30 days after entry, or within such lesser time as may be fixed by the court under Rule 105 (waiver and modification of rules) after reasonable notice to the parties.]

Official Note:

* * * * *

The 1996 amendment to subdivision (b) is analogous to the 1996 amendment to Pa.R.C.P. 1098.

The deletion of the last sentence of Rule 1532(b) is intended to eliminate the requirement of filing a motion to open or vacate the order granting summary relief. Under prior practice, a party was required to file a motion to open or vacate the order granting summary relief before an appeal could be taken. To the extent that Zemprelli v. Scranton, 102 Pa. Commw. 637, 519 A.2d 518 (1986) suggest that an aggrieved party may appeal only from an order denying a motion to open or vacate an order granting summary relief, rather than the order granting summary relief, it is overruled. An order denying an application for summary relief is not appealable as of right.

REVIEW OF DETERMINATIONS OF THE BOARD OF FINANCE AND REVENUE

Rule 1571. Determinations of the Board of Finance and Revenue.

* * * * *

(d) Service.—In the case of a petition for review by a taxpayer or similar party, a copy of the petition shall be served on the Board of Finance and Revenue and on the Attorney General by the petitioner in accordance with Rule 1514(c). All other parties before the Board shall be served as prescribed by Rule 121(b) (service of all papers required).

The clerk may transfer or negotiate such bills or certificates for the purposes of this chapter. [The clerk shall be entitled to receive commission or poundage with respect to such bills or certificates only when the deposit is made pursuant to Rule 1782 (security on review on tax matters).]

**CHAPTER 19. PREPARATION AND TRANSMISSION OF RECORD AND RELATED MATTERS
RECORD ON APPEAL FROM LOWER COURT**

Rule 1911. [Order] Request for Transcript.

* * * * *

Official Note: [The order under this rule constitutes the "formal request" under] The 1996 amendment deletes the reference to order for transcript. See Pa.R.J.A. 5000.5 and 1996 amendment to Rule 904(c).

* * * * *

**CHAPTER 21. BRIEFS AND REPRODUCED RECORD
CONTENT OF BRIEFS**

Rule 2132. References in Briefs to the Record.

(a) *General rule.* References in the briefs to parts of the record appearing in a reproduced record filed with the brief of the appellant (see Rule 2154(b) (large records)) shall be to the pages in the reproduced record where those parts appear, e.g.: "(R. 26a)." If the record is reproduced after the briefs are [filed] served in advance typewritten or page proof form (see Rule 2185(c) (definitive copies)), the brief may also contain references to the pages of the parts of the original record, e.g.: "(Tr. 279—280; R. 26a—27a)."

* * * * *

Rule 2136. Briefs in Cases Involving Cross Appeals.

If a cross appeal is filed, the plaintiff or moving party in the court or other government unit below shall be deemed the appellant for the purposes of this chapter and Chapter 23 (sessions and argument), unless the parties

otherwise agree or the appellate court otherwise orders. Where the nature of the matter is such that the identity of the appellant for the purposes of this chapter and Chapter 23 is not readily apparent the prothonotary of the appellate court shall designate the appellant for the purposes of this chapter and Chapter 23 when giving notice under Rule 1934 (filing of the record). The brief of the appellee shall contain the issue and argument involved in [his] the cross appeal, as well as the answer to the brief of the appellant, and the appellant may file a brief in answer to the brief of the appellee on the cross appeal.

Official Note: Ordinarily there will be three briefs in a case involving a cross appeal: appellant's main brief, appellee's main brief, and appellant's reply brief directed to the issues on the cross appeal. However, [if the case is submitted without oral argument,] Rule 2113 permits a fourth brief: appellee's reply to appellant's answer on the cross appeal.

Rule 2140. Brief on Remand or Following Grant of Reargument or Reconsideration.

* * * * *

(b) [**Caption**] **Cover on brief.** The brief (whether new or refiled) shall be appropriately [**captioned**] titled to reflect the current status of the case (e.g., brief on remand, supplemental brief on remand, brief on reargument, supplemental brief on reargument).

* * * * *

CONTENT OF REPRODUCED RECORD

Rule 2153. Docket Entries and Related Matter.

* * * * *

[**Official Note:** Based on former Supreme Court Rules 42 and 43; former Superior Court Rules 34 and 35, and (in the case of Subdivision (a)) former Commonwealth Court Rule 87, without change in substance. As to the type of matters contemplated by Subdivision (b) see *Steel v. Levy*, 282 Pa. 338, 343, 127 A. 766, 768 (1925).]

Rule 2154. Designation of Contents of Reproduced Record.

* * * * *

Explanatory Note—1979

The principal criticism of the new Appellate Rules has been the provisions for deferred preparation of the reproduced record, and the resulting procedure for the filing of advance copies of briefs (since the page citations to the reproduced record pages are not then available) followed by the later preparation and filing of definitive briefs with citations to the reproduced record pages. It has been argued that in the typical state court appeal the record is quite small, with the result that the pre-1976 practice of reproducing the record in conjunction with the preparation of appellant's definitive brief is entirely appropriate and would ordinarily be followed if the rules did not imply a preference for the deferred method. The Committee has been persuaded by these comments, and the rules have been redrafted to imply that the deferred method is a secondary method particularly appropriate for longer records.

[**Also, the number of briefs to be filed under the in forma pauperis procedure has been increased from ten to 15 in the Commonwealth and Superior Courts.]**

FILING AND SERVICE

Rule 2185. Time for Serving and Filing Briefs.

(a) *General rule.* The appellant shall serve [his] **appellant's** brief not later than the date fixed pursuant to Subdivision (b) of this rule, or within 40 days after the date on which the record is filed, if no other date is so fixed. The appellee shall serve [his] **the appellee's** brief within 30 days after service of the **appellant's** brief [**of the appellant**] **and reproduced record if proceeding under Rule 2154(a).** A party may serve a reply brief permitted by these rules within 14 days after service of the preceding brief but, except for good cause shown, a reply brief must be served and filed so as to be received at least three days before argument. Except as prescribed by Rule 2187(b) (advance text of briefs), each brief shall be filed not later than the last day fixed by or pursuant to this rule for its service.

* * * * *

Official Note: Former Supreme Court Rule 57 and former Superior Court Rule 47 provided that the brief of the appellant was to be filed within 60 days after the issuance of the writ of certiorari. Former Commonwealth Court Rule 32A provided that the brief of the appellant was to be filed within 30 days of mailing of notice of the filing of the record. To avoid paperwork relating to continuances because the record is not ready, the time under these rules commences to run from the filing of the record. The time for filing the brief of the appellee is the same as under the prior practice, except that formerly only 25 days was allowed in the Commonwealth Court.

Subdivision (b) is necessary because approximately one year can elapse under existing practices before an appellate court hears a case filed in the Middle or Harrisburg districts, and briefing the case far in advance permits intervening decisions and legislation to render the briefs stale.]

Unlike the provision for filing other papers, Rule 121(a) provides "paperbooks shall be deemed filed on the day of mailing if first class mail is utilized." "Paperbooks" are defined in Rule 102 as briefs and reproduced records, but "the term does not include applications for reconsideration of denial of allowance of appeal under Rule 1123(b) (reconsideration) or applications for reargument under Chapter 25 (post-submission proceedings)."

Rule 2186. Time for Serving and Filing Reproduced Record.

(a) *General rule.* The reproduced record shall be served and filed not later than:

(1) the date of service of the **appellant's** brief [**of the appellant**]; or

(2) [**51 days after the date of service of the brief of appellant in advance form**] **21 days from the date of service of the appellee's brief in advance form**, if the record is being reproduced pursuant to Rule 2154(b) (large records).

* * * * *

Official Note: Former Supreme Court Rule 57, former Superior Court Rule 47 and former Commonwealth Court Rule 32A provided that the appellant was to serve and file the reproduced record with his brief, which continues

to be the rule under Paragraph [(a)(2)] (a)(1) of this rule. The delayed filing of the reproduced record results in the designation and reproduction of the minimum amount of the original record since the parties will then know exactly the portions of the original record mentioned in their briefs and may accordingly limit the amount of record reproduced.

Rule 2187. Number of Copies to be Served and Filed.

(a) General rule. [Twenty-five copies of each definitive brief and of each reproduced record shall be filed with the Prothonotary of the Supreme Court, and fifteen copies of each definitive brief and of each reproduced record shall be filed with the Prothonotary of the Commonwealth Court and ten copies shall be filed with the Superior Court, unless the appellate court by order in a particular case shall direct a lesser number, and two copies of each definitive brief and of each reproduced record shall be served on each party separately represented.] Unless the appellate court directs otherwise, each party shall file:

- (i) twenty-five (25) copies of each definitive brief and reproduced record in the Supreme Court;
- (ii) fifteen (15) copies of each definitive brief and eight (8) copies of each reproduced record in the Commonwealth Court;
- (iii) seven (7) copies of each definitive brief and reproduced record in the Superior Court.

Each party shall serve two (2) copies of its definitive brief and reproduced record on every other party separately represented.

* * * * *

(c) *In forma pauperis*. [A party who has been permitted to proceed in forma pauperis shall file fifteen copies of his brief with the prothonotary of the appellate court and shall serve one copy on each party separately represented.] Unless the appellate court directs otherwise, a party who has been permitted to proceed in forma pauperis shall file:

- (i) fifteen (15) copies of each definitive brief with the Supreme Court;
- (ii) fifteen (15) copies of each definitive brief with the Commonwealth Court;
- (iii) seven (7) copies of each definitive brief with the Superior Court.

Each party who has been permitted to proceed in form pauperis shall serve one copy of each definitive brief on every other party separately represented.

SCHEDULING OF ARGUMENT**

Rule 2311. Submission on Briefs.

* * * * *

(b) *Post conviction [hearing] relief cases*. All parties shall submit post conviction [hearing] relief cases on the briefs unless otherwise directed by the court on its own motion or upon application.

* * * * *

Rule 2313. Advancement or Continuance.

* * * * *

Official Note: [Based on former Supreme Court Rules 27 and 72, former Superior Court Rules 16 and 17, and former Commonwealth Court Rule 71. The omitted procedural provisions are covered by Rule 123 (applications for relief). Obviously, when all parties join in an application, the court may act upon it without waiting the seven-day period for answer. The Supreme Court formerly permitted two automatic extensions of time for filing briefs (usually resulting in corresponding continuance to a later argument list) by consent of the parties; the Superior Court formerly permitted one such automatic extension. Generally the only justifiable basis for such automatic extensions was the difficulty in securing the preparation and transmission of the original record. Since under Rule 2185 (time for serving and filing briefs) the usual briefing schedule commences no earlier than the filing of the record in the appellate court, there is no longer any need for the automatic extension machinery.

The rule does not, as did former Supreme Court Rule 72 and former Superior Court Rule 17, contain any specific deadline for the filing of an application for continuance. Obviously, the later the party files such an application the greater the risk (1) that the court will not be able to act upon it in time, or (2) if it is denied, that the unsuccessful applicant will find it difficult or impossible to comply with these rules, with the adverse consequences which flow therefrom.

In the Supreme Court, continuances are handled by the Chief Justice.] Rule 3305 provides that in the Supreme Court, the prothonotary may dispose of motions generally relating to calendar control. In the Superior Court, continuances are handled by the presiding judge of the panel. In the Commonwealth Court, continuances are handled by the president judge or the duty judge. In each [Appellate Court] appellate court, the application is to be submitted to the prothonotary and not to an individual judge of the appellate court.

**CHAPTER 25. POST-SUBMISSION PROCEEDINGS
APPLICATION FOR REARGUMENT**

Rule 2543. Considerations Governing Allowance of Reargument.

Reargument before an appellate court is not a matter of right, but of sound judicial discretion, and reargument will be allowed only when there are compelling reasons therefor. An application for reargument is not permitted from a final order of an intermediate appellate court under (1) the Pennsylvania Election Code; or (2) the Local Government Unit Debt Act or any similar statute relating to the authorization of public debt.

Official Note: The following, while neither controlling nor fully measuring the discretion of the court, indicate the character of the reasons which will be considered:

* * * * *

The 1996 amendment eliminates the prior practice of permitting application for reargument in matters arising under the Pennsylvania Election Code, the act of June 3, 1937, P. L. 1333, 25 P. S. §§ 2600—3591, [et seq.,] or the Local Government Unit Debt Act, the act of July 12, 1972, P. L. 781, 53

P. S. §§ 6780-1—6780-609. [et seq.] Matters involving elections and authorization of public debt require expeditious treatment. See, e.g., Rule 1113(c).

Rule 2546. Transmission of Papers to and Action by the Court.

* * * * *

Official Note: See Rule 2140 regarding the filing and content of briefs following the grant of reargument or reconsideration.

Where there is a deemed denial of an application for reargument, a party seeking a further appeal must follow subdivision (d) of Rule 301 and praecipe for entry of the deemed denial on the docket, if the prothonotary has failed to do so.

[(5) An order enforcing or refusing to enforce a subpoena issued by or otherwise affecting the existence or operation of the Pennsylvania Crime Commission existing under the Pennsylvania Crime Commission Act (71 P. S. § 1199.1 et seq.)]

[(6)] (5) ***

Official Note: This rule is intended to provide a simple and expeditious method for Supreme Court supervision of special prosecutions and investigations, e.g. orders of the supervising judge of an investigating grand jury, findings of contempt (whether civil or criminal) by witnesses called before such a grand jury, etc. Rule 702([b]c) (supervision of special prosecutions or investigations) and 42 Pa.C.S. § 722(5) (direct appeals from courts of common pleas) vest jurisdiction over such matters in the Supreme Court. However, this rule is not applicable to review of investigating grand jury issues which collaterally arise in plenary criminal prosecution initiated by complaint, information or indictment. Rule 1512(b)(3) (special provisions) requires that review be sought within ten days. Essentially the procedure is analogous to the review of a bail order under Rule 1762 (release in criminal matters). The last brief is due not later than 21 days after the entry of the order sought to be reviewed. There is no delay for certification of the record, oral argument is ordinarily not available, and the matter is ready for final disposition by the Supreme Court immediately upon completion of the briefing schedule. The term "investigating grand jury" in Subdivision (a) includes a "multicounty investigating grand jury" convened under 42 Pa.C.S. § 4544 (convening multicounty investigating grand jury).

The "independent grounds" referred to in Subdivision (d) include grounds for relief in the nature of mandamus, prohibition, etc. and cases where the order is reviewable under the standards of 42 Pa.C.S. § 702(b) (interlocutory appeals by permission). Failure to petition for review under this rule from an interlocutory order will ordinarily

not constitute a waiver of objections to the order since, except as prescribed by Rule 311 ([d]g)(1)(ii) (waiver of objections), there is no requirement under these rules that a party seek available interlocutory relief.

Under Rule 1702(a) (stay ancillary to appeal) the Supreme Court or a justice thereof will not entertain an application for relief under Rule 1781 (stay pending action on petition for review) in connection with a special prosecution or investigation order until a petition for review has been filed under this rule.

CHAPTER 51. PROVISIONS OF LAW SAVED AND ABROGATED

Rule 5101 is rescinded and replaced with the following:

Rule 5101. Statutes and Other Authorities Suspended or Abrogated.

(a) **The Statute of 13 Edw. 1, c. 31 (3 Binney 606) (1 Ruffhead 99) is hereby suspended absolutely insofar as it is in force in this Commonwealth as supplied by Rule 1923 of these rules.**

L. 202, No. 53), and which are now part of the common law of this Commonwealth by virtue of Section 3(b) of JARA (42 P. S. § 20003(b)) are hereby abolished and shall not continue as part of the common law of this Commonwealth.**

(2) **With respect to all statutes relating to practice and procedure, repeal of which will become effective June 27, 1980 as provided by Section 4(b) of JARA (42 P. S. § 20004(b)), these rules are a general rule within the meaning of Section 3(b) of JARA and the practice and procedure provided in those statutes, so far as relates to appellate procedure within the scope of these rules, shall not continue as part of the common law of this Commonwealth.**

(c) **These rules are intended to provide a complete and exclusive procedure relating to appellate practice and procedure and:**

(1) **Except as provided in Rule 5102 (statutes saved from suspension), all statutes relating to practice and procedure finally enacted prior to January 1, 1981 are hereby suspended to the extent inconsistent with these rules.**

(2) **All local rules of court relating to appellate practice and procedure are hereby abrogated, except where these rules expressly authorize the adoption of a local rule of court supplementary to a provision of these rules applicable to appeals generally.**

Explanatory Comment

Introduction: The Appellate Court Rules Committee originally published Recommendation 28 at 24 Pa.B. 2289—2296 (April 30, 1994) following comments the Committee withdrew proposed amendments to Rules 2113, 2315 and 2542. In addition, the Committee has added proposed amendments to Rules 313, 341, 343, 752, 1514, 1911, 2153 and 2154, 2313, 2543, 2546 and 3331. Because of the extensive revisions to Recommendation 28 the Committee has republished it for comment.

Rule 121 (Filing and Service)

The proposed amendment substitutes gender neutral language.

Rule 123 (Application for Relief)

The proposed amendment to Rule 123 specifies that actions of a single judge acting as a quorum of the Commonwealth Court in an election matter, *see* Pa.R.A.P. 3102(c)(2), are not subject to review by that court. The proposed amendment to Rule 2543 is to specify that no application for reargument will be entertained in cases under either the Pennsylvania Election Code or the Local Government Debt Act. The proposed amendments to Rules 123 and 2543 will expedite final determination of Election Code matters and matters under the Local Government Unit Debt Act. It is inconsistent to permit reargument or reconsideration in such cases while maintaining a ten day time limit for a petition for allowance of appeal. *See* Rule 1113(c). *See also* Rule 903(c)(2) and (3) (ten day appeal period for matters arising under Election Code and Local Government Unit Debt Act) and Rule 1512(b)(1) (15 day petition for review period from determination of the Department of Community Affairs in any matter arising under the Local Government Unit Debt Act).

Rule 313 (Collateral Orders)

The Official Note to Rule 313 is amended to correct typographical errors and to update citations.

Rule 341 (Final Orders; Generally)

The 1996 amendments to subdivisions (a) and (c) of Rule 341 substitute the conjunction "and" for "or". These amendments are not substantive; they merely clarify that by definition any order which disposes of all claims will dispose of all parties and any order that disposes of all parties will dispose of all claims. Use of the conjunction "or" mistakenly implies that it is possible to dispose of all claims, but not all parties, or all parties, but not all claims. Also, the Official Note to Rule 341 is amended to correct a typographical error in a citation.

The proposed 1996 amendment to subdivision (c)(2) provides for a deemed denial where the trial court or

other governmental unit fails to act on the application within 30 days. Under such circumstances, a party may need to praecipe for entry of the deemed denial pursuant to Rule 301(d) to perfect an appeal.

Rule 343 (Order Determining Challenge to a Plea of Guilty)

Rule 343 is rescinded as obsolete in view of prior rescission of Pa.R.Crim.P. 321 and adoption of Pa.R.Crim.P. 1410 (Post-Sentence Procedures; Appeal).

Rule 752 (Transfers Between Superior and Commonwealth Courts)

Rule 752 is amended to require a party filing an answer opposing an application for transfer to proceed in accordance with Rule 123(b).

Rule 904 (Content of the Notice of Appeal)

The proposed amendment to subdivision (c) provides for a statement signed by counsel that there is either no verbatim record of the proceedings or that the complete transcript has been lodged of record. The proposed amendment to subdivision (c) also explains that the order of transcript is, in fact, a request by appellant and not an order of court. The proposed note cross-references Rule 1911(a) (Order for Transcript; General Rule), which explains that the transcript is "ordered" by appellant. The proposed amendment to the note remedies a problem where some common pleas court judges have required that an order for transcript be entered by the Court.

The proposed amendment to subdivision (e) requires certification in the notice of appeal when the Commonwealth takes an appeal pursuant to Rule 311(d).

The proposed amendment adding subdivision (e) provides that when the Commonwealth takes an appeal pursuant to Rule 311(d), the notice of appeal shall include a certification by counsel that the order will terminate or substantially handicap the prosecution.

The proposed amendment to the Official Note to Rule 904 deletes the penultimate sentence of the last paragraph which is not useful.

The proposed amendment to the Note to Rule 904 adds an explanation of *Commonwealth v. Dugger*, 506 Pa. 537, 486 A.2d 382 (1985) and its progeny.

Rule 906 (Service of Notice of Appeal)

The proposed amendment to Rule 906 provides for service of a notice of appeal to parties previously dismissed from an action where the dismissal was nonappealable or where an interlocutory appeal as of right is optional and an immediate appeal was not taken. The interests of such dismissed parties may be directly affected by such appeals and they should receive notices of appeal. Because an order dismissing one party in a multiparty case is no longer appealable immediately as of right, a defendant dismissed by an interlocutory order from a case prior to entry of a final order dismissing all claims and all parties may be brought back into the case by a plaintiff/appellant appealing the earlier order of dismissal.

Rule 907 (Docketing of Appeal)

The proposed amendment to subdivision (a) deletes the requirement of docket number assignment notice to the Administrative Office.

The proposed amendment to subdivision (b) deletes the requirement that substitution of counsel not delay proceedings. The Official Note is to be amended to cross-reference Pa.R.Crim.P. 1504.

Subsection (b) is amended to prohibit withdrawal of appearance without leave of court unless another attorney has entered or simultaneously enters an appearance.

Rule 1112 (Appeals by Allowance)

The proposed amendment adds a new subdivision (b) is added defining a final order for purposes of appeals by allowance as "any order that concludes an appeal including an order that remands an appeal, in whole or in part, unless the appellate court remands and retains jurisdiction." The proposed new subdivision (b) also clarifies that where an intermediate appellate court remands a matter, but retains jurisdiction, there is no final order from which to petition for allowance of appeal. The proposed amendment is needed because of some confusion in the bar that order of an intermediate appellate court such as a remand for trial is interlocutory. In fact, such an order of an intermediate appellate court is final for purposes of an appeal or petition for allowance of appeal to the Supreme Court.

The proposed amendment to subdivision (f) provides that a counsel's appearance can be withdrawn without leave of court where another lawyer has entered or simultaneously enters an appearance for the party.

The proposed amendment to the Official Note cross-references Pa.R.Crim.P. 1504.

Rule 1311 (Interlocutory Appeals by Permission)

Subdivision (b) is amended as follows: "The trial court or other government unit must act on the application within 30 days."

Subdivision (d) is amended to prohibit withdrawal of appearance without leave of court unless another attorney has entered or simultaneously enters an appearance.

The proposed 1996 amendment provides for a deemed denial where the trial court or other governmental unit fails to act on the application within 30 days. Under such circumstances, a party may need to praecipe for entry of the deemed denial pursuant to Rule 301(d).

Rule 1501 (Scope of Chapter)

This is a technical amendment to paragraph (c)(1) to correct a code citation as follows: "Section [135] 137 of Title 15 . . ." This is to conform to legislative renumbering of Title 15 of the Pennsylvania Consolidated Statutes.

Rule 1513 (Petition for Review)

The proposed amendment redesignates subdivision (d) as "Notice to Plead" instead of "Notice of Demand for Evidentiary Hearing," when a matter is within the original jurisdiction of Commonwealth Court. This remedies an inconsistency between the heading and the text of rule.

Rule 1514 (Filing and Service of the Petition for Review)

The proposed amendment clarifies that a counsel's appearance can be withdrawn without leave of court where another lawyer has entered or simultaneously enters an appearance for the party.

Rule 1515 (Answer to Petition)

The proposed amendment conforms the reference to "Notice To Plead." See proposed amendment to Rule 1513(d).

Rule 1532 (Special and Summary Relief)

The proposed amendment deletes the last sentence of subdivision (b) to eliminate the requirement of filing a motion to open or vacate an order granting summary relief. The proposed amendment overrules *Zemprelli v. Scranton*, 102 Pa. Cmwlth. Ct. 637, 519 A.2d 518 (1986). The proposed amendment to subdivision (b) is explained in the proposed amendment to the Official Note. This change is similar to amendment to Pa.R.C.P. 1098 effective January 1, 1996. See also proposed amendment to Rule 311(a)(5) in Recommendation 28-A.

Rule 1571 (Determinations of the Board of Finance and Revenue)

The proposed amendment requires that service of a petition for review from a Board of Finance and Review determination must be served on the Attorney General *in accordance with Rule 1514(c)*, i.e., service in person or by certified mail.

Rule 1734 (Appropriate Security)

The proposed amendment to Pa.R.A.P. 1734 adds as appropriate security irrevocable letters of credit and uses language comparable to that applicable to certificates of deposit.

Rule 1751 (Form of Bond)

The proposed amendment to Pa.R.A.P. 1751 substitutes plain English for the legalese in the second paragraph of the bond form.

Rule 1782 (Security on Review in Tax Matters)

The proposed amendment simplifies the second paragraph of subdivision (b) which sets forth the form of bond on a petition for review in tax matters.

Rule 1911 ([Order] Request for Transcript)

The Proposed amendment deletes the reference to an order for transcript. Since the order for transcript is, in fact, a request by a party and not an order of court, the use of the term order is misleading. See proposed amendment to Rule 904.

Rule 2132 (References in Briefs to the Record)

The proposed amendment corrects a reference to advance forms of brief. Advance briefs are to be served, but not filed.

Rule 2136 (Briefs in Cases Involving Cross Appeals)

The proposed amendment to the rule substitutes gender neutral language. The proposed amendment to the note is necessary because based on the 1987 amendments waiver of oral argument is no longer a prerequisite before an appellee may file a reply to appellant's answer on a cross-appeal.

Rule 2140 (Brief on Remand or Following Grant of Reargument or Reconsideration)

The proposed amendment reflects that the title on the cover of the brief (not the caption) should reflect the current status of the case.

Rule 2153 (Docket Entries and Related Matter)

The proposed amendment deletes the Official Note. The Official Note is a historical reference that does not assist in application of the rule.

Rule 2154 (Designation of Contents of Reproduced Record)

The proposed amendment deletes an inaccurate reference in the note of the number of briefs to be filed under the *in forma pauperis* procedure.

Rule 2185 (Time for Serving and Filing Briefs)

The proposed amendment requires that reproduced record be filed before the appellee's brief is due.

Rule 2186 (Time for Serving and Filing Reproduced Record)

The proposed amendment sets the time for service of the reproduced record as 21 days after service of appellee's brief rather than 51 days after service of appellant's advance brief. The proposed amendment to the official note corrects an erroneous reference to paragraph (a)(2). The proper reference is to paragraph (a)(1).

Rule 2187 (Number of Copies to be Served and Filed)

The proposed amendment conforms the number of briefs required by Commonwealth Court and Superior Court to actual practice.

Rule 2311 (Submission on Briefs)

The proposed amendment changes "PCHA" to "PCRA".

Rule 2313 (Advancement or Continuance)

The proposed amendment deletes historical references in the Official Note which do not assist in application of the rule. The Official Note is further amended to cross-reference Rule 3305 and explain that "*in the Supreme Court the prothonotary may dispose of motions generally relating to calendar control.*"

Rule 2543 (Considerations Governing Allowance of Reargument)

Rule 2543 is amended to provide that: "An application for reargument is not permitted from a final order of an appellate court under (1) the Pennsylvania Election Code; or (2) the Local Government Unit Debt Act or any similar statute relating to the authorization of public debt." See summary to Rule 123 (explaining why reargument is anomalous to the expedited appeal period for such cases).

Rule 3331 (Review of Special Prosecutions or Investigations)

Paragraph (a)(5) ("An order enforcing or refusing to enforce a subpoena issued by or otherwise affecting the existence or operation of the Pennsylvania Crime Commission existing under the Pennsylvania Crime Commission Act (71 P. S. § 1190.1 et seq.)" is deleted.

Rule 5101 (Statutes and Other Authorities Suspended or Abrogated)

The proposed amendment to Rule 5101 deletes subdivisions (a) and (c) because the legislature has repealed the statutory provisions which previously had been suspended by this Rule. The proposed amendment also deletes subdivision (d) which is obsolete.

Rule 5102 (Statutes Saved from Suspension)

The proposed amendment corrects the Rule to conform legislative renumbering of Title 15 of the *Pennsylvania Consolidated Statutes*.

d. A filing fee of twenty-five (\$25.00) dollars shall be paid to the Clerk of Courts upon filing of the motion for continuance and receipt received prior to the Clerk of Courts' time stamp and prior to presentation to this Court.

e. The Clerk of Courts shall remit said filing fee on a monthly basis to the Court Administrator for expenditure on the Greene County Law Library.

MONROE COUNTY Civil Court Rules

Order

And Now, April 4th, 1996, the following Civil Court Rules 206 and 207 are adopted to be effective June 1, 1996. Local Civil Rules 206 and 207 heretofore adopted are rescinded effective June 1, 1996.

This is a certified copy of the proposed Civil Court Rules 206 and 207 to be adopted June 1, 1996.

By the Court

RONALD E. VICAN,
President Judge

Rule 206. Petition and Rule to Show Cause Practice.

1. A petition and rule to show cause may be used to bring before the court any proper matter for which no other specific procedure is authorized or in which only a petition is prescribed as the authorized procedure for bringing such matter before the court for disposition.

2. A rule to show cause shall be issued at the discretion of a judge of the court as contemplated by Pa.R.C.P. 206.5. The court, upon its own initiative, may schedule an evidentiary hearing on disputed issues of material fact and may, in its discretion, provide for disposition of the matter on briefs, without the necessity of oral argument. In such instances, the court shall establish a briefing schedule in its initial order.

3. All petitions shall contain a certification by counsel for the moving party that concurrence in the petition has been sought from all opposing counsel and that such concurrence has been granted or denied. Where concurrence has been granted, the written concurrence of opposing counsel shall be attached to the petition.

4. All petitions, except those made in the course of trial or hearing, shall be in writing. All written petitions shall be signed by counsel and may be filed at any time during regular business hours with the prothonotary (civil division), clerk of courts (criminal division), or clerk of

orphans' court¹ or presented to the motions court judge at a time specified on the court calendar. Counsel's signature upon a petition shall constitute a certification that counsel has read the petition and that, to the best of counsel's knowledge, information and belief, it is supported by sufficient legal or factual grounds and that it is not interposed merely for delay. The prothonotary/clerk of courts shall deliver daily a petitions list with accompanying petitions to the court administrator to monitor and assign to a judge.

5. All petitions and answers thereto, shall comply with the provisions of Pa.R.C.P. 206.1 through 206.3.

6. The party obtaining the issuance of a rule to show cause shall forthwith serve a true and correct copy of the court order entering the rule and specifying a return date, along with a copy of the underlying petition, upon each attorney of record and unrepresented party in the manner prescribed by Pa.R.C.P. 440. An affidavit of service shall be filed within five (5) days with the prothonotary/clerk of courts and court administrator.

7. If no answer is filed on or before the return date, the moving party may file a motion to make the rule absolute. A motion to make the rule absolute shall evidence compliance with the service requirements of Pa. R.C.P. 440, setting forth the time, place and nature of service. No rule shall be made absolute without certification that the petition and rule to show cause have been served in compliance with Pa.R.C.P. 440. Counsel or the moving party shall make such certification under oath or in conformance with Pennsylvania Rules of Civil Procedure.

8. Failure to comply with any provision of this rule may constitute sufficient grounds for the court to dismiss the petition and/or deny any requested relief.

Rule 207. Motion Practice.

1. All motions, except those made in the course of trial or hearing, shall be in writing. All written motions shall be signed and presented at motions court or filed with the prothonotary (civil division), clerk of courts (criminal division), or clerk of orphans' court.¹ Counsel's signature upon a motion shall constitute a certification that counsel has read the motion and that, to the best of counsel's knowledge, information and belief, the underlying circumstances which give rise to the filing of the motion are based upon either sufficient legal or factual grounds and that it is not interposed merely for delay.

2. All motions shall state with particularity those grounds upon which relief is sought and, where written, shall be in paragraph form in conformity with Pa.R.C.P. 207. Further, all written motions shall cite any statute or procedural rule authorizing the grant of such relief.

3. Except for motions enumerated in subsection (4), all motions shall contain a certification by counsel for the moving party that concurrence in the motion has been sought from all opposing counsel and that such concurrence has been granted or denied. Where concurrence has been granted, the written concurrence of opposing counsel shall be attached to the motion.

4. At the time of filing motions authorized by Pa. R.C.P. 1028 (preliminary objections), 1034 (judgment on the pleadings), 1035 (summary judgment), and 1509 (preliminary objections), the moving party shall also file a praecipe to place the matter on the first argument list set

¹ The form and substance of Petition and Rule to Show Cause Practice will be adhered to in criminal court and orphans' court.

¹ The form and substance of Motion Practice will be adhered to in criminal court and orphans' court.

forth on the court calendar occurring more than thirty (30) days following the date of filing the motion. Briefs in support of legal propositions shall be filed in accordance with 43 J.D.R.C.P. 210 and 211.

5. At the time of presentation at motions court or filing with the prothonotary, clerk of courts, or clerk of orphans' court, the party filing the motion shall forthwith serve a true and correct copy of the motion, proposed order, praecipe for argument (if applicable), upon each attorney of record and unrepresented party in the manner prescribed by Pa.R.C.P. 440. Within seven (7) days, the party filing the motion shall file with the court an affidavit of service indicating the time, place and manner of service.

6. The legibility of all attachments, exhibits and photocopies shall be the sole responsibility of counsel initiating the motion.

7. Failure to comply with any provision of this rule may constitute sufficient grounds for the court to deny the motion.

RULES AND REGULATIONS

Title 49—PROFESSIONAL AND VOCATIONAL STANDARDS

STATE BOARD OF NURSING [49 PA. CODE CH. 21] Student Health Programs

The State Board of Nursing (Board) amends §§ 21.111 and 21.222 (relating to health program; and student services) pertaining to student services health programs for both registered and practical nursing students, as set forth in Annex A.

The amendments are made under the authority of section 2.1(k) of the Professional Nursing Law (63 P. S. § 212.1(k)), and under section 17.6 of the Practical Nurse Law (63 P. S. § 667.6), which empower the Board to establish rules and regulations for the administration of the respective acts.

The amendments will remove outdated requirements of student health programs which are unduly restrictive and unnecessary.

Consideration of Suggestions During Proposed Rulemaking

Notice of proposed rulemaking was published at 24 Pa.B. 4697 (September 17, 1994), following which the Board accepted public comment for 30 days. The Independent Regulatory Review Commission (IRRC), the Senate Committee on Consumer Protection and Professional Licensure (Senate Committee) and the House Committee on Professional Licensure (House Committee) made no comment to the proposal.

The Pennsylvania Nurses Association recommended that the Board amend §§ 21.111(d)(1) and 21.222(1)(i) by adding the term "advanced practice nurse" as another appropriate health care practitioner to administer the physical examination. The Board, however, felt that that practitioner is already included in the term "qualified nurse clinician."

The Hospital Association of Pennsylvania wrote in support of the amendments. The Board did not receive any other public comments.

Fiscal Impact and Paperwork Requirements

The amendments will have no fiscal impact and will require no additional paperwork by the Commonwealth, its political subdivisions or the private sector.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), the Board submitted for review and comment a copy of the notice of proposed rulemaking, published at 24 Pa.B. 4697 to IRRC and to the House and Senate Committees. In compliance with section 5(b.1) of the Regulatory Review Act, the Board has provided IRRC and the House and Senate Committees with a copy of the comments received as well as other documentation.

In preparing these amendments, the Board has considered comments received from IRRC and the House and Senate Committees and the public.

The final-form regulations were approved by the Senate Committee on November 14, 1995, the House Committee on November 15, 1995, and were deemed approved by IRRC on November 15, 1995, in accordance with section 5(b.3) of the Regulatory Review Act.

Findings

The Board finds that:

(1) Public notice of the Board's intention to adopt the amendments was given under sections 201 and 202 of the act of July 31, 1968 (P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202) and the regulations thereunder, 1 Pa. Code §§ 7.1 and 7.2.

(2) The amendments are necessary and appropriate for the administration of section 2.1(k) of the Professional Nursing Law and section 17.6 of the Practical Nurse Law.

Order

The Board orders that:

(a) The regulations of the Board, 49 Pa. Code Chapter 21, are amended by amending §§ 21.111 and 21.222 to read as set forth in Annex A.

(b) The Board shall submit copies of this order and Annex A to the Office of General Counsel and Office of Attorney General for approval as required by law.

(c) The Board shall certify this order and Annex A and deposit them with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin* as required by law.

(d) The amendments shall take effect upon publication in the *Pennsylvania Bulletin*.

Chairperson

PROPOSED RULEMAKING

DEPARTMENT OF REVENUE

[61 PA. CODE CHS. 9 AND 47] Passenger Car Rental Tax

The Department of Revenue (Department), under the authority contained in section 270 of the Tax Reform Code of 1971 (TRC) (72 P. S. § 7270), proposes to delete § 9.14 (relating to passenger car rental tax) and add § 47.20 (relating to passenger car rental tax) as set forth in Annex A. Section 1603-A of the TRC (72 P. S. § 8603-A) provides in subsection (c) that unless otherwise noted, the provisions of Article II of the TRC (72 P. S. §§ 7201—7281.2) applies to the tax required under Article XVI-A of the TRC (72 P. S. §§ 8601-A—8604-A). This proposal is therefore being promulgated under the authority contained in section 270 of the TRC. Section 270(a) of the TRC specifically provides that the Department is authorized and empowered to prescribe, adopt, promulgate and enforce, rules and regulations consistent with the provisions of Article II of the TRC, Tax For Education, relating to any matter or thing pertaining to the administration and enforcement of the provisions of Article II and the collection of taxes, penalties and interest imposed by Article II.

This proposal sets forth the Department's interpretation of Article XVI-A of the TRC.

Section 47.20(a) relates to definitions. The Department has developed several definitions to assist in the interpretation of this section. Though the act defined the term "motor vehicle" in section 1601-A of the TRC, the Department has created the term "passenger car" because the term "motor vehicle" has a specific meaning and using it in this section would create confusion.

Section 47.20(b) relates to general provisions. This subsection provides taxpayers with information regarding statutory authority for the collection of passenger car rental tax, registration, returns, payments, including direct payment permits, and the applicability of the TRC.

Section 47.20(c) relates to scope. In accordance with section 1604-A of the TRC, paragraph (1) provides that, with respect to rental contracts entered into on or after July 1, 1994, a tax of 2% is imposed upon rental payments made on or after August 15, 1994. Paragraph (2) sets forth examples of transactions that are and are not subject to the passenger car rental tax.

Section 47.20(d) relates to exclusions and provides that, if the rental of a passenger car is exempt from State sales or use tax, the rental is also exempt from passenger car rental tax. The subsection also details the use of an exemption certificate to support a claim for exemption.

In accordance with section 1603-A of the TRC, subsection (e)(1) provides that the initial annual reconciliation report shall be due on or before February 15, 1995, and subsequent annual reconciliation reports shall be due on February 15 of each subsequent calendar year. Paragraph (2) provides for the date of filing, paragraph (3) sets forth the information the reconciliation report must contain,

paragraph (4) details the particulars regarding refunds, and paragraph (5) provides an example of how the refund process works.

To assist taxpayers prior to the adoption of this proposal, the Department has also set forth its interpretation in a pronouncement codified at § 9.14. This pronouncement has provided taxpayers and tax practitioners with an immediate source of information on which they can rely. Upon adoption of this proposal, § 9.14 will be deleted.

Fiscal Impact

The Department has determined that the proposed amendments will have no significant fiscal impact on the Commonwealth.

Paperwork

The proposed amendments will not generate additional paperwork for the public or the Commonwealth.

Effectiveness/Sunset Date

The proposed amendments will become effective upon final publication in the *Pennsylvania Bulletin*. The proposed amendments will be monitored annually. No sunset date has been assigned.

Contact Person

Interested persons are invited to submit in writing any comments, suggestions or objections regarding the proposed amendments to Anita M. Doucette, Office of Chief Counsel, Department of Revenue, Dept. 281061, Harrisburg, PA 17128-1061, within 30 days after the date of the publication of this notice in the *Pennsylvania Bulletin*.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), the Department submitted a copy of these proposed amendments on April 11, 1996, to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the House Committee on Finance and the Senate Committee on Finance. In addition to submitting the proposed amendments, the Department has provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the Department in compliance with Executive Order 1982-2, "Improving Government Regulations." A copy of this material is available to the public upon request.

If IRRC has objections to any portion of the proposed amendments, it will notify the Department within 30 days of the close of the public comment period. The notification shall specify the regulatory review criteria that have not been met by that portion of the proposed amendments to which an objection is made. The Regulatory Review Act specifies detailed procedures for review of objections raised, prior to final publication of the regulation, by the agency, the General Assembly and the Governor.

If a passenger car is rented for less than 30 days, and the use of the passenger car subsequently extends beyond a 29-day period, the transaction remains a rental, and the rental payments continue to be subject to the PCRT until the rental contract is terminated.

Rental payment—Full consideration paid or delivered or promised to be paid or delivered to the vehicle rental company under a rental contract, excluding charges for local sales or use tax, State sales or use tax and PTA fees.

State sales or use tax—Sales or use tax imposed by Article II of the TRC (72 P. S. §§ 7201—7281.2).

Vehicle rental company—A business entity engaged in the business of renting passenger cars in this Commonwealth which owns or has available for rental five or more passenger cars.

(b) *General provisions.*

(1) *General.* This section is promulgated to administer the provisions of Article XVI-A of the TRC relating to the PCRT.

(2) *Registration.* A vehicle rental company renting passenger cars that are subject to the PCRT shall register with the Department.

(3) *Returns.* A vehicle rental company shall report the PCRT on a return prescribed by the Department. The initial return was due on or before October 20, 1994, and subsequent returns will be due thereafter on a quarterly basis.

(4) *Payment.* A vehicle rental company shall make payment with the return.

(5) *Direct payment permit.* A purchaser cannot use a direct payment permit issued under § 34.4 (relating to direct payment permit) in conjunction with the PCRT because the vehicle rental company may be entitled to a refund of the tax collected.

(6) *Applicability of TRC.* Unless otherwise specifically noted, Article II of the TRC and regulations promulgated thereunder apply to the PCRT.

(c) *Scope.*

(1) *General.* With respect to rental contracts entered into on or after July 1, 1994, a tax of 2% is imposed upon rental payments made on or after August 15, 1994. If the vehicle rental company fails to collect the applicable tax, the purchaser shall pay the tax directly to the Department.

(2) *Examples.*

(i) The following are examples of transactions that are subject to the PCRT:

(A) "A" rents a passenger car from a vehicle rental company for 14 days. Due to circumstances unforeseen at the commencement of the rental, "A" uses the car for 36 days before returning it. Because the transaction continues to be governed by the rental contract for the entire 36-day period, the rental payment is subject to the PCRT.

(B) "B" rents a passenger car from a vehicle rental company for 10 days. The rental contract provides for an additional charge for excess mileage as well as a pick up and drop off fee. In addition, under the rental contract, "B" elects to obtain a vehicle damage waiver, a child's car seat and a car top carrier. Because the charges for excess mileage, a pick up and drop off fee, a vehicle damage waiver, a child's car seat and a car top carrier are all part of the rental payment, the cost of these items is subject to the PCRT.

(C) "P" rents a passenger car for 7 days from "R." "R" owns two and leases 28 of the 30 passenger cars that it rents to others. Because "R" has five or more passenger cars available for rental, "R" is a vehicle rental company, and the rental payment made by "P" is subject to the PCRT.

(ii) The following are examples of transactions that are not subject to the PCRT:

(A) "Y" rents a passenger car from "E" vehicle rental company for 28 days. Due to circumstances unforeseen at the commencement of the rental, "Y" wishes to use the car for a longer period of time. After using the car for 28 days, "Y" returns the car to "E," and pays the PCRT on the rental payment, and the parties terminate the rental contract. They then enter into a lease agreement under which "Y" leases the same car from "E" for 2 years. Because the second transaction is a lease agreement and not a rental, the lease payments are not subject to the PCRT.

(B) "Z" rents a passenger car from "D" car dealership, which has only three passenger cars available for rental. Because "D" has fewer than five passenger cars available for rental, "D" is not a vehicle rental company and the rental payment is not subject to the PCRT.

(C) On June 15, 1994, "S" rents a passenger car from a vehicle rental company for 21 days. Due to circumstances unforeseen at the commencement of the rental, "S" does not return the car until August 24, 1994. Although the transaction is governed by a rental contract, the rental payment is not subject to the PCRT because the rental contract was entered into prior to July 1, 1994.

(d) *Exclusions.* If the rental of a passenger car is exempt from State sales or use tax, the rental is also exempt from the PCRT. A purchaser shall support a claim for exemption from the PCRT by submitting a completed Pennsylvania exemption certificate setting forth a valid basis for exemption. A purchaser may use the same exemption certificate used to claim an exemption from State sales or use tax, but the exemption certificate shall clearly indicate that the purchaser is claiming an exemption from the PCRT. The purchaser shall make that indication either by checking the appropriate blocks for the PCRT on the recently revised exemption certificate form or by checking the paragraph labeled "other" on the older exemption certificate form and explaining that an exemption is being claimed from the PCRT.

(e) *Annual reconciliation reports.*

(1) *General.* A vehicle rental company that has remitted the PCRT and is claiming a refund shall file an annual reconciliation report. An annual reconciliation report shall be on a form prescribed by the Department. An annual reconciliation report is not required if the vehicle rental company is not claiming a refund. The initial annual reconciliation report shall be due on or before February 15, 1995, and subsequent annual reconciliation reports shall be due on February 15 of each calendar year.

(2) *Date of filing.* The United States Postal Service postmark date will be used to determine the date of filing of an annual reconciliation report.

(3) *Contents.* An annual reconciliation report shall set forth the amount of both:

(i) The PCRT remitted during the previous calendar year.

(ii) The total amount of licensing and title fees imposed by the Commonwealth on a vehicle rental company's passenger cars and paid to the Department of Transportation by the vehicle rental company in the previous calendar year.

(4) *Refund.* The Department will refund to a vehicle rental company that has remitted the PCRT an amount, not including interest or penalties that may have been paid by the vehicle rental company, equal to the total amount of licensing and title fees paid to the Department of Transportation on the passenger cars that the vehicle rental company owns or has available for rental. The amount of refund cannot exceed the amount of the PCRT remitted by the vehicle rental company in the previous calendar year.

(5) *Example.* "R" owns a vehicle rental company that "R" sells to "S" on July 30, 1995. Prior to the sale, "R" pays licensing and title fees on a portion of its fleet of vehicles. "R" also files tax returns and remits the PCRT on January 20, April 20 and July 20, 1995. Under paragraph (4), "R" may claim a refund up to the amount of the PCRT remitted by "R" with the three tax returns. After acquiring ownership of the vehicle rental company, "S" pays the licensing and title fees due between August 1 and December 31, 1995, on the other vehicles in the fleet, and remits the PCRT for the third quarter on October 20, 1995. "S" may claim a refund of the licensing and title fees paid from August to December. The amount of the refund to "S" may not exceed the amount of the PCRT "S" remitted in October. To claim a refund, both "R" and "S" shall file their respective annual reconciliation reports on or before February 15, 1996.

The following parties have applied for an NPDES permit to discharge stormwater from a proposed construction activity into the surface waters of the Commonwealth. Unless otherwise indicated on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection proposes to issue a permit to discharge, subject to certain limitations set forth in the permit and special conditions. These proposed determinations are tentative. Limitations are provided in the permit as erosion and sedimentation control measures and facilities which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the Regional Office or County Conservation District Office indicated as the responsible office, within 30 days from the date of this public notice. A copy of the written comments should be sent to the County Conservation District Office. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Regional Office of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the Regional Office considers the public response significant.

Following the 30-day comment period, the Water Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealable to the Environmental Hearing Board.

The application and related documents, including the erosion and sedimentation control plan for the construction activity, are on file and may be inspected at the County Conservation District Office or the Department Regional Office indicated above the application.

Acknowledgment of Notices of Intent to Remediate

Acknowledgment of Notices of Intent to Remediate submitted to the Department of Environmental Protection under the Land Recycling and Environmental Remediation Standards Act, act of May 19, 1995 (P. L. 4, No. 2).

Sections 304 and 305 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use a site-specific standard or who intend to remediate a site in a Special Industrial Area must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known contaminants at the site, the proposed remediation measures for the site, and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of the cleanup standards identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department and shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific cleanup standard, in whole or in part, and for sites determined to be located in Special Industrial Areas. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area by the person conducting remediation. For the sites identified below, a municipality may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified below. During this comment period, a municipality may request that the person identified below, as the remediator of a site, develop and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of a site. For further information concerning the content of a Notice of Intent to Remediate, please contact the Department of Environmental Protection Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office listed. TDD users may telephone the Department through the AT&T Relay Service at 1 (800) 654-5984.

Consent Order and Agreement

Avtex Fibers, Inc. Site
Vernon Township, Crawford County

Under section 1113 of the Hazardous Sites Cleanup Act (35 P. S. § 6020.1113), notice is hereby given that the Department of Environmental Protection (Department) has entered into a Consent Order and Agreement dated April 2, 1996, with the Meadville Redevelopment Authority (MRA) concerning the Avtex Fibers, Inc. Site (site). The site encompasses approximately 170 acres in Vernon Township. At various times from the 1920s through the mid-1980s, wastes containing hazardous substances were disposed throughout the site. Site response actions have been conducted, either by the Department or with the Department's approval, to protect the public health, public welfare and the environment.

The MRA operated a portion of the site when there was a release of hazardous substances into the environment. Based on information available to the Department, the Department has determined that MRA's contribution of hazardous substances to the site were minimal compared to the nature, volume and extent of hazardous substances attributable to other known responsible persons. Accordingly, the Department has agreed to settle any claims it may have against MRA in consideration of MRA's performance of future Operation and Maintenance (O&M) activities to be implemented at the site. The O&M activities which the MRA will perform include maintenance of the substation encapsulation area, flyash landfill, waste disposal cell, soil cover areas, asphalt cover areas, riprap area and regraded area along French Creek, riprap areas at the north and south outfall, perimeter fence and site monitoring wells.

The specifics of the Department's settlement with MRA are set forth in the Consent Order and Agreement. The Department will receive and consider comments relating to the Consent Order and Agreement for 60 days from the date of this public notice. The Department may withdraw its consent to the settlement with MRA if the comments concerning the Consent Order and Agreement disclose facts or considerations which indicate that the settlement is inappropriate, inadequate or not in the public interest.

The Department's settlement with MRA shall become final upon the filing of the Department's response to significant comments that it receives during the 60-day public comment period.

Copies of the Consent Order and Agreement are available for review at the Department's Northwest Regional Office, located at 230 Chestnut Street, Meadville, PA 16335-3481. Comments may be submitted in writing, to Anita Stainbrook, Project Manager, at the above address. Further information may be obtained by contacting Anita Stainbrook at (814) 332-6648. General Permit WMGR025: Aerobic composting of agricultural waste, food processing waste, food processing sludge, raw vegetables and raw fruits, uncontaminated and untreated wood waste, source-separated newsprint, source-separated corrugated paper, yard waste and the beneficial use of the produced compost.

The Department of Environmental Protection, Bureau of Land Recycling and Waste Management, authorizes by General Permit WMGR025, aerobic composting of agricultural waste, manure, food processing waste, food processing sludge, raw vegetables and raw fruits from food markets, grocery stores, food banks, and food distribution centers, uncontaminated and untreated wood waste, source-separated newsprint, source-separated corrugated paper, yard waste, and the beneficial use of the produced compost through marketing and distribution as soil substitute, soil conditioner, soil amendment, fertilizer, or mulch. This is a Statewide general permit.

Under the terms and conditions of the general permit, persons who are approved to compost waste and market or distribute the compost for beneficial use will be required to meet, at a minimum, the following: compliance with The Clean Streams Law, compliance with the Solid Waste Management Act, conformance with compost quality standards, conformance with minimum isolation distances, maintenance of operating records, and submission of an annual summary report to the Department.

The Department is authorized under the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003), and section 287.611 of the residual waste management regulations to issue general permits for any category of beneficial use or processing that results in beneficial use of the residual waste on a regional or Statewide basis when the Department determines that such use does not harm or present a threat of harm to the health, safety or welfare

of the public or the environment and the activity can be adequately regulated using standard conditions. The Department has determined the following: compost from wastes processed under this general permit can be used as soil substitute, soil amendment, soil conditioner, fertilizer or mulch; organic waste processed under this general permit is a category of residual waste which is substantially similar in physical and chemical characteristics; the compost can be used for the same or similar beneficial uses, and the processing and beneficial use can be adequately regulated using standard conditions.

The Department's interpretation of the term "normal farming operation" allows farmers to compost agricultural waste and source-separated recyclables (e.g. newspaper) in normal farming operations without a permit, regardless of whether the compost is used on farms or marketed for off-site use. If the farmer who operates a normal farming operation proposes to take wastes other than agricultural waste for purposes of composting, he will need to apply for a Determination of Applicability under this general permit, as indicated below.

Persons requesting approval to operate under the terms and conditions of the general permit will be required to obtain a "Determination of Applicability" from the Regional Office of the Department which has jurisdiction for waste related activities in the county where the proposed composting facility will be located. The following minimum information will be required in order to obtain the Determination of Applicability:

- (a) Name and address of applicant
- (b) Name, location and type of waste received for composting from a waste generator
- (c) Number and title of general permit
- (d) Proof that proposed composting activities are consistent with the general permit
- (e) A signed statement accepting all conditions of the general permit
- (f) Proof of municipal notification
- (g) Proof of identification of interests
- (h) Compliance history information
- (i) An application fee in the amount of \$200
- (j) A financial bond guaranteeing operation of the entire facility if larger than 5 acres

Persons interested in obtaining further information or a copy of this general permit may contact Dawn Snyder in the Division of Municipal and Residual Waste, Bureau of Land Recycling and Waste Management, P. O. Box 8472, Harrisburg, PA 17105-8472. Persons interested in obtaining a copy of the comment/response document prepared on comments received on the proposed general permit may contact the Division at (717) 787-7381. Request for Variance

The Bureau of Deep Mine Safety has received a request for variance from the Mon-View Mining Company. The following notification contains a summary of this request. Complete copies of the variance request may be obtained from Glen Ziegler by calling (717) 787-1376.

The Department is publishing a summary of the request in order to solicit comments from affected parties on the proposed variance request. Comments may be used by the Bureau to assist in its investigation of the variance request. Comments will be accepted for 30 days following the publication of this notice. Comments should be addressed to Thomas J. Ward, Jr., Director, Bureau of Deep Mine Safety, P. O. Box 8463, Harrisburg, PA 17105-8463.

Section 702 of the Bituminous Coal Mine Act, 52 P. S. §§ 701—702, provides a mechanism for operators to obtain variances from specific requirements of the act to accommodate the adoption of new machinery, equipment, tools, supplies, methods or processes.

Section 268(b) of the Bituminous Coal Mine Act, entitled Clearances and Shelter Holes, requires that shelter holes be provided on the clearance side along designated travelingways that are also used as haulage entries, other than belt conveyor haulage entries. Such shelter holes shall be spaced not more than 80 feet apart.

Summary of the request: Mon-View Mining Company's plan calls for a 165 foot maximum distance between shelter holes along track haulage roads in panel development sections of the Mathies Mine. The variance would apply only to panels developed for retreat mining utilizing Mobile Roof Support (MRS) methods. The cross-cuts, which are proposed to be used as shelter holes, are projected on 150 foot centers in these sections to maximize the safety and efficiency features of the MRS. All coal haulage from these sections will be done by conveyor belt. All track haulage covered by the variance will be battery powered. Track haulage will provide for the transportation of personnel, supplies and equipment.

Available Draft Technical Guidance

DEP ID: 012-0700-001 TITLE: Implementation of the History Code: Policy and Procedures for Applicants for DEP Permits and Plan Approvals.

During the last session of the General Assembly, Pennsylvania legislators amended the History Code (37 Pa.C.S. § 101 *et seq.*). As a result, the Department of Environmental Protection (DEP) has drafted a revised technical guidance document, which includes (as appendices) a revised Cultural Resources Notice form, a revised List of Exemptions and a new work flow chart explaining what the Historical and Museum Commission's time frames now are under the law.

Any proposed activity which involves a lot of earth disturbance has the potential for damaging archaeological resources that may be buried there. A large number of the

activities which involve such earth disturbance also require DEP plan approvals and permits. Therefore, these changes represent a major change in the way DEP handles a large number of its permit and plan approval reviews. For most project applicants, this also represents a simplification of the process.

This draft document has been placed on DEP's World Wide Web site. To request a paper copy of the draft document (including the appendices), please contact Nina Huizinga at (717) 783-8727 or via e-mail at huizinga.nina@A1.dep.state.pa.us.

The deadline for comments on the draft is 30 days after the publication of this notice (that is, May 27, 1996). The anticipated effective date is June 1, 1996.

(b) *Eligibility for Semifinal Grand Prize Drawings.* To be eligible for a Semifinal Grand Prize Drawing, a winner having a free winning ticket shall timely claim it at a participating Lottery sales retailer and properly complete the back of the ticket. The ticket claimed shall meet the ticket criteria under 61 Pa. Code § 819.213 (relating to ticket validation and requirements) to be eligible for a Semifinal Grand Prize Drawing.

(1) The Lottery will make a reasonable effort to ensure that a redeemed free winning ticket is entered into one of the Semifinal Grand Prize Drawings. The Lottery assumes no responsibility for a lost or misplaced ticket not entered into a Semifinal Grand Prize Drawing.

(2) A redeemed free winning ticket is eligible for only one Semifinal Grand Prize Drawing. A ticket that is not in one eligible group of redeemed free winning tickets may, at the discretion of the Director, remain eligible for a subsequent Semifinal Grand Prize Drawing.

(3) If a ticket is rejected during or following a Semifinal Grand Prize Drawing, the sole remedy is to select another ticket to replace the rejected ticket in accordance with Lottery procedure.

(4) Determination of winners will be made by the Secretary, whose judgment will be final and binding.

(c) *Manner of conducting Semifinal Grand Prize Drawings.*

(1) Periodically, as determined by the Secretary and announced by the Director, a Semifinal Grand Prize Drawing will be held using eligible redeemed free winning tickets. Ten finalists will be selected from an eligible group of tickets entered in the drawing. For the purpose of the drawing, each of the eligible groups of redeemed free winning tickets will be further divided into subgroups and placed in containers, with each container assigned a code depending on the number of containers used.

(2) With the aid of mechanical or automatic drawing equipment, ten container codes will be selected. The codes will determine the containers from which the ten finalists' tickets will be ultimately selected. One winning finalist ticket will be drawn from the first container selected. One winning ticket will then be selected from the second selected container and this procedure will be repeated until ten finalists have been selected for each Grand Prize Drawing.

(d) *Manner of conducting Grand Prize Drawings.*

(1) Following the selection of the ten finalists as described in subsection (c), there will be Grand Prize Drawings held at the discretion of the Director.

(2) The Lottery will award the following prizes to the eligible finalists in each of the Grand Prize Drawings:

<i>Grand Drawing Prizes</i>	<i>No. of Winners</i>	<i>Amount</i>
Grand Prize	1	\$1 million—annuity, or \$100,000, or \$75,000, or \$50,000
Consolation Prize	9	\$5,000

(e) *Procedure for conducting Grand Prize Drawings.*

(1) At a Grand Prize Drawing, a mechanical device in the shape of two concentric wheels will be used, a smaller wheel directly in front of a larger wheel. The larger wheel will have ten spaces each marked with a letter, "a" through "j", inclusive, inscribed clockwise in alphabetical order. The names of the selected ten finalists will be placed on the larger wheel in the order that they were selected beginning with the space marked letter "a" and continuing alphabetically through the letter "j", inclusive.

(2) The smaller wheel will contain designated amounts of \$1 million—annuity, \$100,000, \$75,000 and \$50,000.

(3) The wheels will be spun and when the wheels stop, the name of the finalist on the larger wheel will be identified as the Grand Prize Drawing winner and will be entitled to the prize indicated on the smaller wheel.

(4) The nine finalists whose names remain will receive a consolation prize of \$5,000 each.

(5) The Grand Prize Drawing winner shall receive the amount indicated, and if that amount is the top grand prize of an annuity worth \$1 million, that prize will be payable in 20 equal annual installments of \$50,000. The payment of a top grand prize to a person who dies before receiving a prize or to a person 17 years of age or younger shall be paid according to 61 Pa. Code §§ 811.16 and 811.27 (relating to prizes payable after death of a prize winner; and payment of prizes to persons under 18 years of age).

(6) Prizes chosen in the Grand Prize Drawing shall be claimed within 1 year of the date of the Grand Prize Drawing.

(7) The determination of a winner will be made by the Secretary, whose judgment will be final, conclusive and binding on the finalists.

(8) Prizes are subject to Federal withholding tax provisions.

(9) Number and Description of Prizes and Approximate Odds: The following table sets forth the approximate

number of winners, amounts of prizes, and approximate odds of winning:

DEPARTMENT OF TRANSPORTATION

Finding

Chester and Montgomery Counties

Under the provisions of section 2002(b) of The Administrative Code of 1929 (71 P. S. § 512(b)), the Secretary of Transportation makes the following written finding:

The Department of Transportation plans to improve S. R. 0202, Section 400, in Chester and Montgomery Counties. The proposed improvements consist of a combination of widening of S. R. 0202 and other additions and alterations to S. R. 0202 covering 5.4 miles from the King of Prussia Interchange (U. S. 202/I-76) in Montgomery County to the Swedesford Road Interchange with S. R. 0202 in Chester County. Other modifications and alterations are also proposed for the local roadway network. The purpose of the project is to improve traffic flow, operations and safety by reducing congestion and improving levels of service of the highway facilities involved.

Besides the acquisition of 28.72 acres of private land for the project right-of-way, the project involves the King of Prussia Inn which is listed on the National Register of Historic Places. A Memorandum of Agreement (MOA) has been executed among the Department of Transportation, the Federal Highway Administration, the Historical and Museum Commission, and the Advisory Council on Historic Preservation to mitigate the project impacts on the King of Prussia Inn. Relocation of the King of Prussia Inn to a new site or stabilizing the Inn's condition on site are the proposed measures to mitigate the adverse effect, as well as supplemental recordation of existing historical documentation.

On April 2, 1996, the following written findings were made:

1. There is no feasible and prudent alternative that could avoid the adverse project impact on the King of Prussia Inn and
2. The project is planned so as to minimize harm to the historic resource by implementing the mitigation measures contained in the executed MOA.

No adverse environmental effect is likely to result from the reconstruction of this section of highway.

Retention of Engineering Firms

Armstrong County Reference No. 08430AG1990

The Department of Transportation will retain an engineering firm for the preliminary engineering and environmental studies for two major bridge replacement projects, both located in Armstrong County.

S. R. 0028, Section 153, locally known as Pine Creek Bridge, carries PA Route 28/66 over the B & P Railroad and Pine Creek, located in Rayburn Valley and Boggs

Townships, north of Kittanning Borough. This project is approximately 0.3 mile in length. The required design services will provide for the replacement and relocation of the existing eight span concrete girder structure, total length of 362 feet. This structure must be designed in order to maintain traffic during construction because no detour is feasible. The estimated total cost for this project is \$4.5 million.

S. R. 1038, Section 150, locally known as West Kittanning Bridge, carries existing S. R. 1038 over the P & S Railroad, located on the municipal line between East Franklin Township and Applewold Borough, west of Kittanning Borough. This project is approximately 0.3 mile in length. The required design services will provide for the replacement of the existing eight span, steel and concrete girder structure, total length 398 feet, on existing alignment along with the replacement of a 23 foot long structure on S. R. 4025 that is physically attached to the S. R. 1038 structure (each structure shares common abutments). A detour of traffic during construction will be considered for this project. The estimated cost for this project is \$2.0 million.

Required tasks will include, but not be limited to, field surveys; plot and check survey data; utilities; cross-sections, alternate studies/analysis; design field view submissions; preliminary type, size and location plan; Step 9 approval; reconnaissance soils and geologic engineering reports; hydrologic and hydraulic studies; geotechnical exploration; preliminary erosion and sediment pollution control plan; PUC involvement; and public meetings.

The selected firm will be required to provide the necessary work and services to obtain all environmental clearances for the projects in the form of a Categorical Exclusion addressing impacts to but not limited to these structures; cultural resources, wetlands, farmlands, air quality, noise investigations, socio-economic impacts, flood plains, aquatic and terrestrial habitats, threatened or endangered species, erosion and sedimentation control, groundwater resources, hazardous waste, aesthetic, scenic river involvement, DEP Chapter 105 permit/USACOE section 404 permit.

The goal for Disadvantaged Business Enterprise (DBE) participation in this agreement shall be 15% of the total contract price. Additional information concerning DBE participation in this agreement is contained in the General Requirements and Information section after the advertised project.

Technical questions concerning the requirements for this project should be directed to Craig Chelednik, District 10-0, at (412) 357-2842.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

General Requirements and Information

Firms interested in performing any of the above services are invited to submit letters of interest to: Director, Consultant Selection Committee, Room 1118, Transportation and Safety Building, Harrisburg, PA 17120.

A separate letter of interest and required forms must be submitted for each project for which the applicant wishes to be considered. The letter of interest and required forms must be received within 13 calendar days of this notice. The deadline for receipt of a letter of interest at the above address is 4:30 p.m. of the thirtieth day.

If the project advertisement indicates that the Department will retain an engineering firm, letters of interest will only be accepted from individuals, firms or corporations duly authorized to engage in the practice of engineering. If an individual, firm or corporation not authorized to engage in the practice of engineering desires to submit a letter of interest, said individual, firm or corporation may do so as part of a joint venture with an individual, firm or corporation which is permitted under State law to engage in the practice of engineering.

If a goal for Disadvantaged Business Enterprise (DBE) participation is established for an advertised project, firms expressing interest in the project must agree to ensure that Disadvantaged Business Enterprise (DBE) firms as defined in the Intermodal Surface Transportation Efficiency Act of 1991 and currently certified by the Department of Transportation shall have the maximum opportunity to participate in any subcontracting or furnishing supplies or services approved under Form 442, Section 1.10(a). The act requires that firms owned and controlled by women (WBEs) be included, as a presumptive group, within the definition of Disadvantaged Business Enterprise (DBE). The goal for DBE participation shall be as stated in the individual project advertisement. Responding firms shall make good faith efforts to meet the DBE goal using DBEs (as they were defined prior to the act), WBEs or combinations thereof. Proposed DBE firms must be certified at the time of submission of the letter of interest. If the selected firm fails to meet the goal established, it shall be required to demonstrate its good faith efforts to attain the goal. Failure to meet the goal and to demonstrate good faith efforts may result in being barred from Department contracts in the future.

Responses are encouraged by small engineering firms, disadvantaged business enterprise engineering firms and other engineering firms who have not previously performed work for the Department of Transportation.

Each letter of interest must include in the heading, the firm's Federal Identification Number and the Project Reference Number indicated in the advertisement. The letter of interest must also include the following:

1. Standard Form 255, "Architect-Engineer and Related Services Questionnaire for Specific Project."

2. Standard Form 254, "Architect-Engineer and Related Services Questionnaire" not more than 1 year old as of the date of this advertisement, must accompany each letter of interest for the firm, each party to a joint venture and for each subconsultant the firm or joint venture is proposing to use for the performance of professional services regardless of whether the subconsultant is an individual, a college professor or a company. Please disregard the statements on Standard Form 255 that indicate a Standard Form 254 is only required if not already on file with the contracting office. The Department does not maintain a file for Standard Form 254 for contracting purposes; therefore, this Form is required for the prime consultant and each subconsultant as stated above.

3. Two copies of the Department's Form D-427 (Rev. 6-89), "Current Workload" for the firm submitting the letter of interest. At least one copy of Form D-427 must remain free and not bound in any way to any other portion of the letter of interest or accompanying documentation. Copies of Form D-427 are available upon request from the above address or by contacting the Department's Consultant Agreement Division at (717) 783-9309.

4. Firms with out-of-State headquarters or corporations not incorporated in Pennsylvania must include with each letter of interest a copy of their registration to do business in the Commonwealth as provided by the Department of State. Firms who are not registered to do business in Pennsylvania at the time of this advertisement must document that they have applied for registration to the Department of State, Corporation Bureau. The telephone number for the Corporation Bureau is (717) 787-1057 or (717) 787-2004.

The Standard Form 255 must be filled out in its entirety including Item No. 6 listing the proposed subconsultants and the type of work or service they will perform on the project. If a Disadvantaged Business Enterprise (DBE) goal is specified for the project, the DBE must be presently certified by the Department of Transportation, and the name of the firm and the work to be performed must be indicated in Item 6. If a Women Business Enterprise (WBE) firm is substituted for the DBE, the WBE firm must also be presently certified by the Department of Transportation and indicated in Item 6.

The Standard Form 254 must be signed and dated and must be less than 1 year old as of the date of this advertisement. A Standard Form must accompany each letter of interest for the firm submitting the letter of interest, each party to a joint venture, and for each subconsultant shown under Item 6 of the Standard Form 255.

Unless other factors are identified under the individual project reference number, the following factors, listed in their order of importance, will be considered by the Committee during their evaluation of the firms submitting letters of interest:

- a. Specialized experience and technical competence of firm.
- b. Past record of performance with respect to cost control, work quality, and ability to meet schedules. The specific experience of individuals who constitute the firms shall be considered.
- c. Current workload and capacity of firm to perform the work within the time limitations.
- d. Location of consultant.
- e. Special requirements of the project.
- f. Other factors, if any, specific to the project.

The Department currently limits its participation in the remuneration of principals or consultant employees performing work on projects to \$72,800 per annum or \$35 per hour or their actual audited remuneration, whichever is less. The Department currently limits its participation in the consultant's indirect payroll costs (overhead) on design and miscellaneous projects to 130% of the direct payroll cost or the consultant's actual audited overhead rate, whichever is less. The Department currently limits its participation in the consultant's indirect payroll costs (overhead) on construction inspection projects to 85.2% of the direct payroll cost or the consultant's actual audited overhead rate, whichever is less. The Department's limitations will apply to the projects advertised above unless the Department policy is revised prior to the negotiation of an agreement or contract.

The assignment of the above services will be made to one of the firms responding to this notice, but the Committee reserves the right to reject all letters of

interest submitted, to cancel the solicitations requested under this notice, and/or to readvertise solicitation for these services.

Risk-Based Capital Reporting Requirements; Notice No. 1996-04

On April 8, 1996, the Insurance Commissioner (Commissioner) issued an Order exempting the insurers described in this notice from reporting RBC results in annual financial statement blanks.

Statutory Authority

The Commissioner has the statutory authority under section 320(a)(2) of the Insurance Company Law, 40 P.S. § 443(a)(2), to provide by order that insurers may deviate from the annual and quarterly statement instructions and accounting practices and procedures manuals prescribed by the National Association of Insurance Commissioners (NAIC).

Basis and Effect of the Order

The NAIC annual statement blank and instructions require insurers to report RBC as calculated using a prescribed formula. Analysis performed by the Insurance Department shows that the results produced by the RBC formula for the insurers identified in the Order have limited value as a tool for monitoring the financial solvency of those insurers. Therefore, the Order provides that, effective April 8, 1996, domestic property and casualty insurers that are licensed to do business only in the Commonwealth, write only homeowners and farmowners multi-peril coverages (including property lines only), and write direct annual premium volume of \$2,000,000 or less are exempt from reporting RBC results in annual statement blanks. The Order remains in effect unless and until modified or revoked by the Commissioner.
