READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

There are no restrictions on the republication of official documents appearing in the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted

proposal must be published in the *Pennsylvania Bulletin* before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where "no fiscal impact" is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

THE COURTS

Title 249—PHILADELPHIA RULES

PHILADELPHIA COUNTY

Amendment to Family Court Administrative Regulation 90-1; Juvenile Cases Dismissed or Withdrawn at Bar of Court

Where a juvenile petition has been dismissed without prejudice or prosecution withdrawn without prejudice, the procedure for reinstatement of said petition or appeal by way of re-arrest, is as follows:

1. *Administrative Judge to Entertain Petition:* A Petition to Reinstate Juvenile Petition/Petition to Re-Arrest and Rule to Show Cause shall be filed with Clerk of Courts, Juvenile Branch, who shall time-stamp, record and transmit said Petition, with the original petition, to the Administrative Judge of the Family Division, Court of Common Pleas, or his/her designee.

2. The Administrative Judge or his/her designee, without a hearing, shall grant or deny the Rule to Show Cause.

3. *If Rule denied by Administrative Judge:* If the Rule is denied, the Court shall state on the Rule the reason(s) for said denial and no further proceeding shall be held on the matter;

4. *If Rule issued by Administrative Judge:* If the Rule is issued:

(a) The Commonwealth shall serve by personal service or certified mail a copy of the Petition and the Rule to Show Cause, with a date, place, time of hearing and the name of the designated Judge upon the attorney of record and juvenile, within five (5) days of the date of the hearing.

(b) The designated presiding Judge shall take testimony and decide the issue of Reinstatement of Petition and/or Re-Arrest;

5. If the designated presiding Judge grants Reinstatement of Petition and/or Re-Arrest, the Certification/Adjudicatory Hearing shall proceed in accordance with the Rules of Court and the Juvenile Act.

6. *Contents of the Petition to Reinstate Juvenile Petition/Petition to Re-Arrest:* The Petition to Reinstate Juvenile Petition/Petition to Re-Arrest shall state the following:

a. Prior to disposition of the case, reason(s) for said disposition, date of disposition, name of presiding Judge;

b. The relief requested and specific reason(s) why said relief should be granted;

c. The present custody/commitment status of the juvenile.

7. *Time of Petition to Reinstate Juvenile Petition/Petition to Re-Arrest:* The Petition to Reinstate Juvenile Petition/Petition to Re-Arrest shall be filed and served within thirty (30) days after a juvenile petition has been dismissed without prejudice or prosecution with-

drawn without prejudice unless the time of filing has been extended by the Court for cause shown.

Family Court Administrative Regulation No. 96-6; Juvenile Court Detention and Pre-Trial Procedures

And Now, this 6th day of June, 1996, in order to maintain an efficient Juvenile Pre-Trial and Detention procedure, it is hereby *Ordered* and *Decreed* that:

1. Effective June 17, 1996, all Juvenile Pre-Trials shall be scheduled for hearing in Courtroom "A", 1801 Vine Street, Philadelphia, PA. Further, detention hearings shall be scheduled in Courtroom "A" on days listed for Pre-Trials.

2. All discovery shall be completed prior to or at Pre-trial listing.

3. Counsel for juveniles will be appointed promptly and counsel shall be prepared to discuss all issues at Pre-Trial Conference, including number of witnesses, length of trial, discovery and pre-trial motions.

4. Counsel shall make every effort to resolve the case at the Pre-Trial Conference by way of Consent Decree, Admission or Plea Agreement.

5. Pre-trial Conferences and detention hearings shall be scheduled on Tuesday, Wednesday and Thursday of each week, except as shall be modified by the Administrative Judge.

6. The Juvenile Master shall hear detentions the entire day at the Youth Study Center on Monday (or first day of week if a holiday) and Friday, except as shall be modified by the Administrative Judge.

7. The Master shall be available for further assignment at the discretion of the Administrative Judge.

8. All Violation of Probation Motions shall be listed before the Judge who entered the Order or the presiding Judge in "J" Court. No Master shall hear Violation of Probation Motions.

9. All Status of Transfer cases that involve commitment by a Judge shall be listed before the sentencing Judge.

10. Master at Detention Hearing shall order cases with multiple petitions to be scheduled for "A" Court for possible disposition and/or consolidation of cases. The cases will be placed on a Pre-trial list for the Court to resolve outstanding petitions and, if necessary, assign the cases to appropriate Courtroom(s).

11. Courtroom "A" shall be a general supervisory room. In the event the Master has inquiry regarding any procedure, he or she shall consult with Judge in Courtroom "A", 1801 Vine Street, Philadelphia, PA. This is

intended primarily for detention review inquiries by the Master.

12. All miscellaneous motions and requests of Master, ADA, Public Defender or counsel shall be made to the Judge presiding in "A" Court or a designee to be named by the Administrative Judge.

This Order is issued in accordance with Pa. Juvenile Act and Pa.R.C.P. No. 6 and shall become effective June 17, 1996. As required by Pa.R.C.P. No. 6, the original Order shall be filed with the Prothonotary and copies shall be distributed as provided by said Rule and shall be submitted to The Legal Intelligence, Jenkins Memorial Law Library and the law library for the First Judicial District.

Title 255—LOCAL COURT RULES

LEHIGH COUNTY

Amendment to Local Rule CR-101A: Approval of Police Complaints and Arrest Warrant Affidavits by Attorney for the Commonwealth; File No. 288-M-96

Order

And Now, this 6th day of June, 1996, *It Is Ordered* that the local rule for Approval of Police Complaints and Arrest Warrant Affidavits by Attorney for the Commonwealth in the 31st Judicial district composed of Lehigh County be, and the same is, hereby amended, to become effective thirty (30) days after the publication of the rule in the *Pennsylvania Bulletin*; that seven (7) certified copies shall be filed with the Administrative Office of Pennsylvania Courts; that two (2) certified copies shall be filed with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*; that one (1) certified copy shall be filed with the Criminal Procedural Rules Committee; and that one (1) copy shall be filed with the Clerk of Courts of Common Pleas of Lehigh County.

By the Court

JAMES N. DIEFENDERFER,
President Judge

Rule CR-101A. Approval of Police Complaints and Arrest Warrant Affidavits by Attorney for the Commonwealth.

The District Attorney of Lehigh County having filed a certification pursuant to Pa.R.Crim.P. 107:

1. Enumerated Offenses.

Criminal complaints and arrest warrant affidavits by police officers, as defined in the Rules of Criminal Procedure, charging one or more of the following offenses shall not hereafter be accepted by any judicial officer unless the complaint and affidavit has the approval of an attorney for the Commonwealth prior to filing:

(a) Criminal homicide in violation of 18 Pa.C.S. § 2501; murder of any degree in violation of 18 Pa.C.S. § 2502;

voluntary manslaughter in violation of 18 Pa.C.S. § 2503; involuntary manslaughter in violation of 18 Pa.C.S. § 2504; homicide by vehicle in violation of 75 Pa.C.S. § 3732; or homicide by vehicle while driving under influence in violation of 75 Pa.C.S. § 3735;

(b) Rape in violation of 18 Pa.C.S. § 3121; statutory sexual assault in violation of 18 Pa.C.S. § 3122.1; or involuntary deviate sexual intercourse in violation of 18 Pa.C.S. § 3123;

(c) Any offense enumerated in Act No. 1995-33 (SS1) which is *not* a "delinquent act" as defined in § 6302¹(2)(i), (ii), and (iii) (delinquent act), and which is now treated as an adult offense.

2. Re-Arrests and Refilings.

Police criminal complaints or arrest warrant affidavits shall not hereafter be accepted by any judicial officer unless the complaint and affidavit has the approval of an attorney for the Commonwealth prior to filing where the complaint or arrest warrant are for the rearrest of a defendant previously discharged, or to reinstitute a charge or charges previously dismissed by an issuing authority for failure to prove a prima facie case, provided the current and the former cases arise out of the same criminal episode.

3. Arrest Warrant Affidavits Requiring Sealing.

Arrest warrant affidavits shall not hereafter be accepted by any judicial officer unless the arrest warrant affidavit has the approval of an attorney for the Commonwealth prior to filing in any case where the affidavit contains information the disclosure of which, in the opinion of the police, would endanger the safety of an informant, jeopardize the integrity of an ongoing criminal investigation, or which for any other reason should not be disclosed at or about the time of the execution of the warrants. The judicial officer shall ask the police, prior to accepting an affidavit, whether it contains any such information, and if the police indicate it does, the judicial officer shall require that it be submitted to an attorney for the Commonwealth for approval in accordance with

¹ 6302(2) The term shall not include:

(i) The crime of murder.

(ii) Any of the following prohibited conduct where the child was 15 years of age or older at the time of the alleged conduct, and a deadly weapon as defined in 18 Pa.C.S. § 2301 (relating to definitions) was used during the commission of the offense, which, if committed by an adult, would be classified as:

(A) Rape as defined in 18 Pa.C.S. § 3121 (relating to rape).

(B) Involuntary deviate sexual intercourse as defined in 18 Pa.C.S. § 3123 (relating to involuntary deviate sexual intercourse).

(C) Aggravated assault as defined in 18 Pa.C.S. § 2702(a)(1) or (2) (relating to aggravated assault).

(D) Robbery as defined in 18 Pa.C.S. § 3701(a)(1)(i), (ii) or (iii) (relating to robbery).

(E) Robbery of motor vehicle as defined in 18 Pa.C.S. § 3125 (relating to robbery of motor vehicle).

(F) Aggravated indecent assault as defined in 18 Pa.C.S. § 3125 (relating to aggravated indecent assault).

(G) Kidnapping as defined in 18 Pa.C.S. § 2901 (relating to kidnapping).

(H) Voluntary manslaughter.

(I) An attempt, conspiracy or solicitation to commit murder or any of these crimes, as provided in 18 Pa.C.S. §§ 901 (relating to criminal attempt), 902 (relating to criminal solicitation) and 903 (relating to criminal conspiracy).

(iii) Any of the following prohibited conduct where the child was 15 years of age or older at the time of the alleged conduct, and has been previously adjudicated delinquent of any of the following prohibited conduct, which, if committed by an adult, would be classified as:

(A) Rape as defined in 18 Pa.C.S. § 3121.

(B) Involuntary deviate sexual intercourse as defined in 18 Pa.C.S. § 3123.

(C) Robbery as defined in 18 Pa.C.S. § 3701(a)(1)(i), (ii) or (iii).

(D) Robbery of motor vehicle as defined in 18 Pa.C.S. § 3702.

(E) Aggravated indecent assault as defined in 18 Pa.C.S. § 3125.

(F) Kidnapping as defined in 18 Pa.C.S. § 2901.

(G) Voluntary manslaughter.

(H) An attempt, conspiracy or solicitation to commit murder or any of these crimes as provided in 18 Pa.C.S. §§ 901, 902 and 903.

this Rule. If the police indicate it does not, the judicial officer shall accept the affidavit.

This Rule shall become effective on June 17, 1996.

NORTHAMPTON COUNTY
Rules of Civil Procedure; 1996-CM-4699

Order of Court

And Now, this 7th day of June, 1996, Northampton County Rule of Civil Procedure N1915.8—Disclosure of Expert Evaluations of Persons and Residences in Custody, Partial Custody or Visitation Actions—is hereby adopted as follows, effective thirty (30) days after publication in the *Pennsylvania Bulletin*.

Northampton County Rule of Civil Procedure N2064—Compromise Settlement and Physician's Statement of Extent of Injury—is hereby amended as follows, effective thirty (30) days after publication in the *Pennsylvania Bulletin*.

Seven (7) certified copies of the within rules shall be filed with the Administrative Office of Pennsylvania Courts; two (2) certified copies shall be distributed to the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*; one (1) certified copy shall be filed with the Pennsylvania Civil Procedural Rules Committee and one (1) certified copy shall be filed with the Pennsylvania Domestic Relations Committee. One (1) copy of this rule shall be kept available in the Office of the Clerk of

Courts. A copy is directed to be published in the *Northampton County Reporter*.

By the Court

ROBERT A. FREEDBERG,
President Judge

Rule N1915.8. Disclosure of Expert Evaluations of Persons and Residences in Custody, Partial Custody or Visitation Actions.

A party to a custody, partial custody, or visitation action shall not disclose the contents of an expert report prepared pursuant to Pa.R.C.P. 1915.8, including home study evaluations, and physical, mental and drug and/or alcohol evaluations, to anyone except an attorney, a party, or an expert consultant. Disclosure to an unauthorized person, including the child who is the subject of the action, may result in sanctions. An attorney who provides said report to a party whom he represents or the Custody Conference Officer who provides said report to an unrepresented party shall advise the party of the limits on disclosure imposed by this rule.

Rule N2064. Compromise Settlement and Physician's Statement of Extent of Injury.

In cases involving personal injury, a written statement by the attending physician as to the nature and extent of the incapacitated person's injuries, the present condition, and prognosis shall be annexed to said petition, and no compromise order shall be entered by the Court unless said incapacitated person shall have appeared in court or shall have been excused from such appearance by the Court.

RULES AND REGULATIONS

Title 13—COMMERCE AND TRADE

DEPARTMENT OF COMMERCE

[13 PA. CODE CH. 57]

Private Activity Bonds—Allocation

The Department of Commerce (Department) amends § 57.1 (relating to allocations) to read as set forth in Annex A. The regulation is amended under authority of section 7(4) of the Tax-Exempt Bond Allocation Act (act) (73 P. S. § 397.7(4)).

Background

The Federal Internal Revenue Code of 1986 (IRC) imposes a State ceiling on the aggregate amount of private activity bonds that may be issued in each calendar year by or on behalf of the Commonwealth and its political subdivisions.

The General Assembly adopted the act in 1985 to provide for the allocation of the State ceiling. Section 7(4) of the act authorizes the Secretary of Commerce to promulgate regulations as may be necessary to carry out the purposes set forth in the act.

This amended regulation provides for the 1996 allocation of the State ceiling. The amendment is needed because the current regulation provides allocations only for calendar year 1995.

Amendment

Section 57.1 is amended to establish the private activity bond allocations for calendar year 1996.

Notice

Notice of proposed rulemaking has been omitted under section 204(3) of the act of July 31, 1968 (CDL) (P. L. 769, No. 240) (45 P. S. § 1204(3)), which specifies that a regulation may be adopted without notice of proposed rulemaking if proposed rulemaking procedures are "in the circumstances impracticable, unnecessary, or contrary to the public interest." The proposed rulemaking procedures are unnecessary, since the regulation simply establishes the private activity bond allocations for calendar year 1996. Since the allocations are made under the formula set forth in the act, public comments will have no impact upon the allocation.

Fiscal Impact

This amendment has no fiscal impact on the Commonwealth, political subdivisions or the public. The amendment does not affect the total dollar amount of private activity bonds, as these ceilings are determined by Federal law. No Commonwealth funds are involved in the issuance of private activity bonds. All costs of bond issuance are paid for by bond proceeds or through funds of the issuer or borrower. The amendment will result in the use of private activity bonds to their maximum benefit, thereby increasing available resources.

Paperwork Requirements

Additional paperwork requirements are not imposed as a result of the amendment.

Regulatory Review

Under section 5(f) of the Regulatory Review Act (71 P. S. § 745.5(f)), the Department submitted a copy of this regulation with proposed rulemaking omitted on April 5, 1996, to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the House Committee on Business and Commerce and the Senate Committee on Community and Economic Development. On the same date, the amendment was submitted to the Office of Attorney General for review and approval under the Commonwealth Attorneys Act (71 P. S. §§ 732-101—732-506). In accordance with section 5(c) of the Regulatory Review Act, this regulation was approved by the House Committee on May 1, 1996, and was deemed approved by the Senate Committee on May 6, 1996. IRRC approved the regulation on May 2, 1996.

Contact Person

For further information regarding the amended regulation, contact Jill Busch, Deputy Chief Counsel, Office of Chief Counsel, Department of Commerce, Room 416 Forum Building, Harrisburg, PA 17120, (717) 783-8452.

Findings

The Department finds that:

(1) The proposed rulemaking procedures in sections 201 and 202 of the CDL (45 P. S. §§ 1201 and 1202), are unnecessary, since the regulation simply establishes the private activity bond allocations for calendar year 1996. Since the allocations are made under the formula set forth in the act, public comments will have no impact upon the allocation.

(2) Public notice of intention to adopt the regulation has been omitted under section 204 of the CDL and the regulations thereunder, 1 Pa. Code § 7.4.

(3) Delay in implementing the regulation will have a serious adverse impact on the public interest.

Order

The Department, acting under the authorizing statute, orders that:

(a) The regulations of the Department, 13 Pa. Code Chapter 57, are amended by amending § 57.1 to read as set forth in Annex A.

(b) The Secretary of Commerce shall submit this order and Annex A to the Office of General Counsel and the Office of Attorney General for approval as to form and legality as required by law.

(c) The Secretary of Commerce shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall take effect upon publication in the *Pennsylvania Bulletin*.

THOMAS B. HAGEN,
Secretary

(Editor's Note: For the text of the order of the Independent Regulatory Review Commission relating to this document, see 26 Pa.B. 2369 (May 18, 1996).)

Fiscal Note: 4-58. No fiscal impact; (8) recommends adoption.

Annex A

TITLE 13. COMMERCE AND TRADE
PART I. DEPARTMENT OF COMMERCE
CHAPTER 57. PRIVATE ACTIVITY
BONDS—ALLOCATION

§ 57.1. Allocations.

(a) *Authority for allocations.* The State unified volume cap for the issuance of qualified private activity bonds provided by section 146(d) of the Internal Revenue Code (26 U.S.C.A. § 146(d)) for calendar year 1996 will be allocated utilizing the authority provided by section 146(e) of the Internal Revenue Code and section 7(4) of the Tax-Exempt Bond Allocation Act (73 P. S. § 397.7(4)) in the manner provided by this chapter.

(b) *Housing related bonds.* An amount equal to \$175 million will be allocated for housing related bonds, including qualified residential rental projects and qualified mortgage bonds as defined by sections 142(d) and 143(a) of the Internal Revenue Code (26 U.S.C.A. §§ 142(d) and 143(a)). Requests to apply the housing related bond allocation to specific projects or uses, including mortgage credit certificate programs, will be reviewed and may be approved or disapproved by the Board of the Housing Finance Agency. Applications for housing related bond allocations shall be made to the Executive Director of the Housing Finance Agency.

(c) *Qualified student loan bonds.* No amount will be allocated to the Higher Education Assistance Agency for qualified student loan bonds provided by section 144(b) of the Internal Revenue Code (26 U.S.C.A. § 144(b)).

(d) *Qualified small issue bonds.*

(1) An amount equal to \$152,600,000 will be allocated for qualified small issue bonds under section 144(a) of the Internal Revenue Code. Of this amount, \$26,800,000 will be used to allocate \$400,000 to each county. The remaining \$125,800,000 will be allocated among the counties in accordance with the following formula:

(i) The Secretary will determine the ratio of the county's total 1994 and 1995 allocation usage to the sum of every county's 1994 and 1995 allocation usage.

(ii) The Secretary will multiply the ratio determined in subparagraph (i) by \$125,800,000.

(2) Requests to apply this allocation to specific projects or uses will be reviewed and may be approved or disapproved by the Secretary. Applications for allocations shall be made to the Bonds Office in the Department. The Secretary will provide allocations for qualified small issue bonds utilizing the procedures and subject to the requirements imposed by § 55.6 (relating to allocation procedures).

(e) *Other qualified private activity bonds.* An amount equal to \$225 million will be allocated to other qualified private activity bonds, including qualified redevelopment bonds as defined by section 144(c) of the Internal Revenue Code, exempt facility bonds as defined by section 142 (excluding section 142(d)) of the Internal Revenue Code, and enterprise zone bonds as defined by section 1394 of the Internal Revenue Code, all of which are subject to the unified volume cap provided by section 146 of the Internal Revenue Code. Requests to apply this allocation to specific projects or uses will be reviewed and may be approved or disapproved by the Secretary. Applications for allocations shall be made to the Bonds Office in the Department. The Secretary will provide allocations for qualified private activity bonds utilizing the procedures and subject to the requirements imposed by § 57.3 (relating to procedures). An allotment of at least 25% of the total amount for other qualified private activity bonds is reserved for solid waste disposal projects.

(f) *Special allocation pool.* The Secretary may utilize not more than \$50 million for a special allocation pool for projects which require more bond authority than a given county currently has available to it. To qualify for consideration to use this pool, local issuing authorities shall demonstrate to the Secretary's satisfaction that they have acted responsibly in selecting projects which maximize long-term net new job creation, consistent with the intent of the Tax-Exempt Bond Allocation Act (73 P. S. §§ 397.1—397.8). Decisions regarding use of the special allocation pool for small issue purposes will be based upon the characteristics and merits of individual projects proposed, and upon the record of the issuing authority in utilizing industrial development financing to create or retain jobs. A project may be considered if the entire allocation for the county in which the project is proposed has been obligated. In determining approval or disapproval of allocation requests from this pool, the Secretary will consider the following:

- (1) The amount of the allocation available.
- (2) The size of the project.
- (3) The level of economic distress.
- (4) The number of net new jobs to be created.
- (5) The ability to undertake the project without approval.
- (6) The amount of private funds leveraged.
- (7) The project's consistency with the economic development plans of the Commonwealth and of municipalities and regions.
- (8) The date the bonds are to be issued.

PROPOSED RULEMAKING

STATE POLICE

[37 PA. CODE CH. 55]

Megan's Law

As a requirement of 42 Pa.C.S. Chapter 97, Subchapter H (relating to registration of sexual offenders) (act), these proposed regulations are necessary for the general administration of the act (relating to Megan's Law). The effective date of the act was April 21, 1996. As set forth, the proposed regulations define what a neighbor will be for the purposes of community notification when sexually violent predators are released from incarceration or change residences.

Effect

The proposed regulations will affect all Commonwealth law enforcement agencies.

Fiscal Impact

The proposed regulations will not impose costs on State and local government.

Paperwork Requirements

The proposed regulations will not require the completion of additional forms, reports or other paperwork.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), the State Police submitted a copy of these proposed regulations on June 4, 1996, to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the House Judiciary Committee and the Senate Law and Justice Committee. In addition to submitting the proposed regulations, the State Police has provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the Department in compliance with Executive Order 1982-2, "Improving Government Regulations." A copy of the material is also available to the public upon request.

If IRRC has objections to any portion of the proposed regulations, it will notify the State Police within 30 days of the close of the public comment period. The notification shall specify the regulatory review criteria which have not been met by that portion. The Regulatory Review Act specifies detailed procedures for review, prior to final publication of the proposed regulations, by the State Police, the General Assembly and the Governor of objections raised.

Sunset Date

No sunset date has been assigned. However, due to the sensitivity and emotion that crimes like this evoke in people and communities, every facet of these proposed regulations will be continuously reviewed for effectiveness, clarity and whether they are serving the greater interests of citizens of this Commonwealth.

Public Comment

Interested parties wishing to comment are invited to submit a written statement within 30 days of the publication of this notice in the *Pennsylvania Bulletin*. Each written statement must include the name, address and telephone number of the interested party and a concise statement with sufficient detail on the subject. Written statements may be directed to the State Police, Attention:

Director, Bureau of Research and Development, 1800 Elmerton Avenue, Harrisburg, PA 17110.

Contact Person

The contact person is Trooper R. M. Van Buskirk, State Police, Bureau of Research and Development, 1800 Elmerton Avenue, Harrisburg, PA 17110, (717) 772-4898.

TITLE 37. LAW

PART I. STATE POLICE

Subpart H. MEGAN'S LAW

CHAPTER 55. MEGAN'S LAW—NEIGHBOR NOTIFICATION

Sec.	
55.1.	Policy.
55.2.	Legislative finding.
55.3.	Immunity for good faith conduct.
55.4.	Definitions.
55.5.	Notification.

§ 55.1. Policy.

(a) The General Assembly has declared its intention to protect the safety and general welfare of the people of this Commonwealth by providing for registration and community notification regarding sexually violent predators who are about to be released from custody and will live in or near their neighborhood.

(b) The General Assembly further declared it to be the policy of the Commonwealth to require the exchange of relevant information about sexually violent predators among public agencies and officials and to authorize the release of necessary and relevant information about sexually violent predators to members of the general public as a means of assuring public protection and that the same is not to be construed as punitive.

(c) The General Assembly has determined and declared as a matter of legislative finding that the release of information about sexually violent predators to public agencies and the general public will further the governmental interests of public safety and public scrutiny of the criminal and mental health systems so long as the information is rationally related to the furtherance of those goals.

(d) Information gathered for 42 Pa.C.S. Chapter 97, Subchapter H (relating to registration of sexual offenders) will not be disclosed outside the established criminal justice system, except as allowed by law.

§ 55.2. Legislative finding.

(a) The General Assembly has determined and declared that if the public is provided adequate notice and information about sexually violent predators and certain other offenders, the community can develop constructive plans to prepare themselves and their children for the offender's release. This allows communities to meet with law enforcement agencies to prepare and obtain information about the rights and responsibilities of the community and to provide education and counseling to their children.

(b) Persons found to have committed sexually violent offenses have a reduced expectation of privacy because of

the public's interest in public safety and in the effective operation of government.

(c) Release of information about sexually violent predators to public agencies and the general public will further the governmental interests of public safety and public scrutiny of the criminal and mental health systems so long as the information released is rationally related to the furtherance of those goals.

§ 55.3. Immunity for good faith conduct.

The General Assembly has also declared that the following entities are immune from liability for good faith conduct under 42 Pa.C.S. Chapter 97, Subchapter H (relating to registration of sexual offenders):

- (1) The State Police and local law enforcement agencies and employes of law enforcement agencies.
- (2) District Attorneys and their agents and employes.
- (3) Superintendents, administrators, teachers and employes engaged in the supervision of children in a public, private or parochial school.
- (4) Directors and employes of county children and youth agencies.
- (5) Presidents or similar officers of universities and colleges, including community colleges.
- (6) The Board of Probation and Parole and its agents and employes.
- (7) Directors of licensed day care centers.
- (8) Directors of licensed preschool programs.

§ 55.4. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

Neighbor—For the purposes of 42 Pa.C.S. Chapter 97, Subchapter H (relating to registration of sexual offenders), those persons occupying residences or places of employment, or both, located within a 1,000 foot radius of a sexually violent predator's residence, or the 25 most immediate residences or places of employment, or both, in proximity to the sexually violent predator's residence, whichever is greater.

Sexually violent predator—A person who has been convicted of a sexually violent offense as set forth in 42 Pa.C.S. § 9793(b) (relating to registration of certain offenders for ten years) and who is determined to be a sexually violent predator under 42 Pa.C.S. § 9794(e) (relating to designation of sexually violent predators) due to a mental abnormality or personality disorder that makes the person likely to engage in predatory sexually violent offenses.

§ 55.5. Notification.

Chief law enforcement officers, or the State Police where no municipal police jurisdiction exists, shall provide written notices of the current address of sexually violent predators to neighbors within 72 hours of receipt. Notwithstanding other provisions, verbal notification may be used if written notification would delay meeting this time requirement. See Chapter 56 (relating to guidelines for administration of Megan's Law—statement of policy).

Standards and Billing Practices

The Pennsylvania Public Utility Commission (Commission) adopted a proposed rulemaking to clarify, simplify and remove excessive and burdensome requirements from parties dealing with the Bureau of Consumer Services. The proposed changes redefine the term "dispute" to allow a more in-depth investigation of an initial inquiry by a utility and provide for a deadline for filing disputes. The proposed changes account for increased reliability in metering devices reducing the frequency of required actual readings. The proposed changes remove the administrative burdens imposed: (1) where less than \$25 is involved; (2) where a customer breaks a payment agreement; (3) where a customer is satisfied with the utility's resolution of a dispute; or (4) where a personal contact is required. The proposed changes eliminate the use of composite credit groups. The proposed changes eliminate regulations which are in conflict with other regulations. The proposed changes require customers to attempt to resolve disputes with their utility before they file a complaint with the Pennsylvania Public Utility Commission. The contact persons are Kathryn G. Sophy, Assistant Counsel, Law Bureau, (717) 772-839 and Louis Sauers, Bureau of Consumer Services, (717) 783-6688.

Executive Summary

On June 3, 1995, this Commission published an Advance Notice of Proposed Rulemaking (ANPR) in the *Pennsylvania Bulletin* inviting public comments, 25 Pa.B. 2188. The ANPR generated numerous constructive comments from interested parties. The Commission reviewed all the comments and has incorporated many of them into this revised proposed rulemaking.

The comments illuminated the need to evaluate and update the procedures set forth in Chapter 56. After careful and meticulous review of Chapter 56, the Commission approved proposed changes designed to clarify, simplify and remove excessive and burdensome requirements from parties dealing with our Bureau of Consumer Services.

Section 56.2 has been revised to allow a utility to call a customer back or to allow contact with more than one utility employe without escalating the matter to the

level of a "dispute." The chapter has been revised to require less frequent actual meter readings, to remove the use of composite credit groups and to revise utility recordkeeping requirements.

Chapter 56 has been revised further to modify the requirements associated with termination of service. The revisions clarify when a utility may terminate service and what steps are required to be taken before termination may occur.

Finally, § 56.211 has been modified to require customers to attempt to resolve their disputes with their utilities before bringing their complaints to the Commission.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), the Commission submitted a copy of these proposed amendments on June 11, 1996, to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the House Committee on Consumer Affairs and the Senate Committee on Consumer Protection and Professional Licensure. In addition to submitting the proposed amendments, the Commission has provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the Commission in compliance with Executive Order 1996-1. A copy of this material is available to the public upon request.

If the Committees have objections to any portion of the proposed amendments, they will notify the Commission within 20 days of the close of the public comment period. If IRRC has objections to any portion of the proposed amendments, it will notify the Commission within 30 days of the close of the public comment period. The notification shall specify the regulatory review criteria which have not been met by that portion. The Regulatory Review Act specifies detailed procedures for review, prior to final publication of the amendments, by the Commission, the General Assembly and the Governor of any objections raised.

Proposed Rulemaking Order

By the Commission:

By Order entered May 23, 1995, we issued an ANPR to review and rescind all obsolete and excessive rules and regulations at Docket No. L-950103. The advance notice was published in the *Pennsylvania Bulletin* on June 3, 1995, 25 Pa.B. 2188, and a 60-day comment period set.

In addition to the many useful suggestions received from our own Bureau of Consumer Services, we received comments from several utilities which point to the need to evaluate and update the procedures contained in Chapter 56. We are setting forth proposed changes which we believe will clarify, simplify and remove excessive and burdensome requirements from the parties dealing with our Bureau of Consumer Services.

Our review of Chapter 56 was careful and meticulous. We are well aware of our duty to ensure that the quality

of utility service remain high while not crippling the efforts of the utility companies to collect amounts due to them.

What follows is a summary of the proposed changes to which we invite comments from any interested party. In addition to the specific modifications set forth in this Preamble, the Commission is very interested in receiving comment from parties on whether Chapter 56 adequately provides for the special circumstances of customers with disabilities. Specifically, the Commission requests comment on the following questions. Do the procedures and standards in Chapter 56 adequately serve and provide sufficient protections for customers with disabilities? Are current regulations adequate or are more specific requirements necessary? For instance, are the proposed amendments adequate to serve the hearing impaired? Should braille notices be required for the visually impaired? Is in-person customer contact necessary to convey the required information to customers with certain disabilities? Interested parties are encouraged to address these and related questions, and to give concrete suggestions for specific revisions to Chapter 56 which the Commission should incorporate to better address the special needs of Pennsylvanians with disabilities.

Chapter 56. Standards and Billing Practices for Residential Utility Service

§ 56.2. *Definition of "dispute."* The definition is amended to allow a utility to call a customer back without the matter being classified as a dispute and to define an initial inquiry so as to permit contact with more than one utility employe.

§ 56.2. *Definition of "utility."* This definition is expanded to specifically claim Commission jurisdiction over the employes or agents of a utility.

§ 56.12. *Meter reading; estimated billing; ratepayer readings.* The new language allows gas, water and electric utilities which use remote reading devices to do an actual reading every 5 years instead of every 2, which reflects the increasing reliability of meters used in each utility field. To balance the chance that any underbilling discovered may be proportionately higher, language is added to require that the utility comply with the requirements of § 56.14.

§ 56.14. *Previously unbilled utility service.* To remove an unfair administrative burden for utilities when less than \$25 is involved, this section now requires that companies comply with § 56.14 only if the billing or rebilling exceeds otherwise normally estimated bills by at least 50% and \$25, whichever is greater.

§ 56.33. *Composite credit group; cash deposits; third-party guarantors.* Composite credit groups are eliminated as an option to payment of a deposit.

§ 56.35. *Payment of outstanding balance.* Under the proposed language, a utility must maintain account records in accordance with § 56.202.

§ 56.53. *Refund of deposit.* Paragraph (3) is eliminated to remove the use of composite credit groups.

§§ 56.61—56.65. *Composite credit groups.* These sections have been eliminated to remove the use of composite credit groups.

§ 56.91. *General notice provisions.* This section is changed to reflect proposed changes to § 56.93.

§ 56.93. *Personal contact.* The proposed language changed the actions constituting personal contact to a more efficient and less burdensome approach for the utilities.

§ 56.95. *Deferred termination when no prior contact.* New language in this section incorporates the definition changes in section § 56.93.

§ 56.97. *Procedures upon ratepayer or occupant contact prior to termination.* This section is modified to provide that the authorized utility employe explain the reasons for the proposed termination, how to avoid termination, and the medical emergency procedures before discussing a settlement or payment agreement.

§ 56.101. *Limited notice upon noncompliance with report or order.* Language is altered to eliminate the distinction between mediation and other than mediation formal complaints and to allow the use of limited notice on a restricted basis during the nonwinter period whenever a customer breaks a payment agreement entered after the company issued a 10-day notice.

§ 56.114. *Length of postponement; renewals.* Language is added to allow a ratepayer to renew a medical certification only twice in situations when the ratepayer is not fully meeting the obligation under § 56.116 to equitably arrange to make payment on all bills.

§§ 56.121—56.126. *Termination at residential dwellings where service is in the name of the landlord.* These sections are eliminated in light of the specific requirement in 66 Pa.C.S. §§ 1523—1528.

§ 56.140. *Follow-up response to inquiry.* This section is added to provide that a utility may not terminate service during the period that a customer is awaiting a response to an inquiry which does not yet fall into the category of "dispute."

§ 56.142. *Time for filing a termination dispute or informal complaints.* Language is added to eliminate the possibility that a dispute may be filed with the representative of the utility company when that representative shows up to terminate service. Disputes must be filed prior to that time.

§ 56.151. *General rule and § 56.152. Contents of the utility company report (Utility company dispute procedures)* The section reflects the general change that if a customer is satisfied with the dispute resolution the company does not need to provide all of the information in § 56.152. If, however, the customer is not satisfied, then the company would adhere to the current full requirements at § 56.152.

§ 56.162. *Informal complaint filing procedures.* The list of requested information now includes the telephone number of the complainant.

§ 56.191. *General rule. (Restoration of service)* This section is modified to allow companies to require the catch-up amount on a payment agreement or, if conditions warrant, request a higher amount for restoration of service.

§ 56.202. *Record maintenance.* This section is modified to require that a company which seeks to recoup an outstanding balance of a bill must maintain records for that period of time covering the accrual of the unpaid debt.

§ 56.211. *Informal complaints.* This section is modified so as to require customers to attempt to resolve disputes with their utility providers before bringing their complaints to the Bureau of Consumer Services.

In proposing these changes, we believe that our efficiency as a regulatory agency will be enhanced. We are eliminating those sections which no longer serve a useful purpose and we are modifying others to promote the ease

of application as well as fairness. We encourage those affected by these changes to file comments.

Accordingly, under sections 501, 504, 505, 506, 1301 and 1501 of the Public Utility Code, 66 Pa.C.S. §§ 501, 504, 505, 506, 1301 and 1501, and the Commonwealth Documents Law (45 P. S. § 1201 et seq.), and the amendments promulgated thereunder, we shall institute a rulemaking proceeding to accomplish the objectives described in the body of this order. *Therefore,*

It is Ordered That:

1. A rulemaking proceeding is hereby instituted at this docket.

2. The Commission's regulations are hereby proposed to be amended by:

(a) adding § 56.135

(b) deleting §§ 56.61—56.65 and 56.121—56.126

(c) amending §§ 56.2, 56.12, 56.14, 56.33, 56.35, 56.53, 56.91, 56.93, 56.95, 56.97, 56.101, 56.114, 56.142, 56.151, 56.152, 56.162, 56.191, 56.202 and 56.211

3. The Secretary shall submit this order and Annex A to the Office of Attorney General for approval as to legality.

4. The Secretary shall submit this order and Annex A to the Governor's Budget Office for review of fiscal impact.

5. The Secretary shall submit this order and Annex A for informal review by the designated standing committees of both houses of the General Assembly, and for informal review and approval by the Independent Regulatory Review Commission.

6. The Secretary shall deposit this order and Annex A with the Legislative Reference Bureau for publication in the *Pennsylvania Bulletin*. Interested persons may submit written comments, an original and 10 copies, to John G. Alford, Secretary, Pennsylvania Public Utility Commission, and shall have 30 days from the date this order is published to submit comments.

7. A copy of this order shall be served upon all persons who submitted comments in this rulemaking proceeding.

JOHN G. ALFORD,
Secretary

Statement of Chairperson John M. Quain

I respectfully dissent from the Motions offered today by my colleagues which delete sections from the Law Bureau's recommendation regarding this rulemaking.

It was my hope that this Commission could have gained some important perspectives by at least publishing these sections for comments. Unfortunately, that input will not be possible at this time.

Many of these recommendations, in fact, were suggested and supported by the Bureau of Consumer Services for the purpose of soliciting comments on whether modifications to our procedures are appropriate.

Statement of Commissioner John Hanger

Some of the proposals put forth in this proposed Rulemaking go far beyond the intended limited purpose of this Rulemaking to eliminate obsolete or excessive regulations. Indeed, some of the proposals would have reduced or eliminated basic consumer protections at a time when reductions in LIHEAP funding already make safe and

affordable utility service difficult to maintain for hundreds of thousands of Pennsylvanians.

Such overreaching changes are not necessary, and fortunately a majority of this Commission has rejected the most overreaching proposals. Pennsylvania gas and electric utilities are not experiencing a worsening collections problem at this time. Although the dollar amount of gas residential debt rose by 28% from 1990 to 1994, gas rates and revenues also increased by 28% over the same period. Gas industry residential debt as a percent of revenues actually decreased from 6.72% in 1990 to 6.67% in 1994. In the electric industry, residential debt decreased from 7.15% of revenues in 1992 to 6.67% of revenues in 1994. Both industries experienced a 5% decrease in gross residential billings written off as uncollectible from 1992 to 1994. These modest improvements have come at a time of large reductions in the availability of energy assistance dollars.

In such circumstances, this Commission should not be cutting back on its commitment to consumer services. Yet, Bureau of Consumer Services (BCS) staffing has been reduced from 61 to 52 during the last year. About 90% of all consumer calls to the BCS concerning payment arrangements are from low-income households. Because of inadequate staffing, only about 13% of all incoming calls are even answered. Just imagine the outcry if this Commission only answered 13% of incoming calls from utilities!

The facts indicate that BCS is a well run Bureau efficiently and fairly doing a great deal of work with tight resources. Fortunately, Chapter 56 provides sound standards and procedures, making such performance possible. No major changes in Chapter 56 are needed at this time. While most of the proposals for major changes have been rejected by a majority of this Commission, I strongly dissent from the following proposals which have been included because they seriously undermine the health and safety of hundreds of thousands of Pennsylvanians without justification.

The Law Bureau has proposed expanding the definition of "utility" in § 56.2 to include "employees or agents" of the utility in order to claim Commission jurisdiction over a utility's employees, contractors and agents. Several utilities in recent years have hired outside contractors to perform activities required under Chapter 56 despite current language in our regulations which specify that "employees" must perform Chapter 56 functions. Thus, the proposed changes do not expand Commission jurisdiction over outside contractors at all. To the contrary, the proposed changes provide a stamp of approval for the hiring of outside contractors.

This Commission recently has settled cases with three utilities concerning numerous Chapter 56 violations by contractors hired by the utilities to perform required Chapter 56 functions. Chapter 56 contains vital consumer protections. Proper implementation of Chapter 56 requires well-trained personnel who are directly under the control of the utility. Experience shows that outside contractors have not been able to perform certain Chapter 56 functions effectively. At this point, the record of violations by personnel who are not utility employees mandates opposition to any modification of the existing language in § 56.2. The proposal also should not be included in this rulemaking because it is a policy decision which is presently being addressed by this Commission in other ways.

I agree in part to the changes to the definition of "dispute" in § 56.2. Presently, most utilities categorize an inquiry as a dispute if it appears to be a dispute at the end of the first customer contact. While this practice is not mandated by existing regulations, the proposed Rulemaking changes the definition of "dispute" to clearly permit a utility, with the consumer's agreement, to end the phone call without deciding whether or not a dispute exists. This is intended to provide an opportunity for utility personnel to investigate the matter and respond to the customer with appropriate information. At that point in time, the matter can properly be characterized as a dispute or not. This change is useful, and I support it.

However, the additional proposed language goes too far in that it could permit a customer to be bounced around from employe to employe, receive inconsistent responses from different employes, or permit utilities to negotiate results by passing the call on to supervisors. The customer could be thoroughly confused. The proposed language makes the definition of dispute less clear, and could encourage substantial customer service problems. I dissent from this proposal.

The proposed changes require a customer to attempt to resolve a matter with the utility prior to contacting the Bureau of Consumer Services for assistance. While this proposal is not onerous in most cases, neither is it necessary. BCS routinely encourages potential complainants to seek to resolve differences with the utility before accepting a complaint. BCS turned away over 4400 potential disputes in 1995, requiring utility contact first. Only 2% of electric cases and 1% of gas cases accepted by BCS involved situations in which the customer did not first seek resolution with the utility. Additionally, a complainant indicated that attempts to resolve the matter with the utility first but the utility indicated that it had no record of any contact characterized as a dispute in 8% of electric cases and 6% of gas cases.

BCS has been extremely effective in resolving disputes. Historically, less than 2% of all cases handled by BCS have been appealed as Formal Complaints before an Administrative Law Judge. Such a record documents that both utilities and consumers have been quite satisfied with the results from BCS. No changes are needed since the vast majority of BCS contacts involve prior attempts to resolve the matter with the utility and BCS voluntarily encourages such contacts. When BCS does take a case, it successfully resolves them expeditiously and cost-effectively. BCS participation is consistent with this Commission's policies discouraging litigation and encouraging mediation and alternative dispute resolution. There is no problem here that needs to be solved.

The proposed changes to these sections are designed to make it easier for a utility to terminate service. The changes to §§ 56.93 and 56.95 make personal contact unnecessary at the time of termination if personal contact had previously been made during the 3 day notice. The proposed changes to § 56.101 allow a utility to begin the termination process with a 3 day notice, skipping the 10 day notice, when the customer has broken an existing payment arrangement.

The present regulations provide great flexibility and balance to enable utilities to collect past due amounts, prevent terminations, and complete service terminations when necessary. Gas and electric utilities terminated 118,000 customers in 1993 and 85,000 customers in 1994. Electric terminations increased 21% from 1992 to 1994. Peco Energy more than doubled the number of customers terminated in a single year, from 1992 to 1993. The facts

indicate that the procedural safeguards in Chapter 56 do not prevent utilities from terminating service when they seek to do so. Loss of service creates a significant health and safety crisis for the household involved, as well as for the public. Each termination notice or customer contact provides an opportunity to collect arrearages and prevent terminations. Eliminating such steps eliminates these opportunities as well. Existing safeguards should not be eliminated without facts demonstrating that it is necessary and not counter-productive to do so.

While I do not now disagree with the proposed changes to § 56.191, I will review the comments concerning these changes carefully. The proposed changes to § 56.191 give a utility greater flexibility in demanding higher restoration payments than a catch-up of amounts due under an existing agreement. A reasonable reconnection fee already is required. While higher restoration amounts are appropriate for non-low-income customers who have been terminated for non-payment of bills despite adequate income to do so, utilities must use a great deal of common sense in not demanding higher restoration payments from low-income customers. It would be tragic if requiring excessive restoration amounts precluded service or payment of reasonable portions of existing arrearages. The revision as drafted requires consideration of such factors. Are additional specifications useful?

Fiscal Note: 57-171. No fiscal impact; (8) recommends adoption.

Annex A

TITLE 52. PUBLIC UTILITIES

PART I. PUBLIC UTILITY COMMISSION

Subpart A. PRELIMINARY PROVISIONS

CHAPTER 56. STANDARDS AND BILLING PRACTICES FOR RESIDENTIAL UTILITY SERVICE

Subchapter A. PRELIMINARY PROVISIONS

§ 56.2. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

* * * * *

Dispute—A grievance of a ratepayer or occupant about a utility's application of a provision covered by this chapter, including **[but not limited to]** subjects such as credit determinations, deposit requirements, the accuracy of meter readings or bill amounts or the proper party to be charged. **A utility, with the consent of the ratepayer or occupant, may offer to review pertinent records or other information and call back the ratepayer or occupant with a response to the inquiry.** If, at the conclusion of an initial inquiry **or, when applicable, a follow-up response,** the ratepayer or occupant indicates satisfaction with the resulting resolution or explanation, the contact **[may] will** not be considered a dispute. **An initial inquiry is defined as the complete process even if it involves more than one utility person during the initial contact.**

* * * * *

Utility—A public utility, **its employes or its agents,** or a municipality, subject to Commission jurisdiction, which provides electric, gas, steam heat, **[sewer] wastewater** or water service.

Subchapter B. BILLING AND PAYMENT STANDARDS

§ 56.12. Meter reading; estimated billing; ratepayer readings.

Except as provided in this section, a utility shall render bills based on actual meter readings by utility company personnel.

* * * * *

(5) *Remote reading devices for water, gas and electric utilities.* A utility may render a bill on the basis of readings from a remote reading device under the following conditions:

(i) When a **gas, electric or** water utility uses readings from a remote reading device to render bills, the utility shall obtain an actual meter reading at least once every **[3] 5** years to verify the accuracy of the remote reading device. **If the ratepayer of record at the dwelling changes during the 5-year period between actual meter readings, the utility shall make a bona fide attempt to schedule an appointment with the departing ratepayer and, if necessary, the new occupant, to secure an actual meter reading.**

[(ii) When a gas or electric utility uses readings from a remote reading device to render bills, the utility shall obtain an actual meter reading at least once every 2 years to verify the accuracy of the remote reading device.

(iii) Where] (ii) When the actual meter reading establishes that the customer was underbilled due to an error in the registration of the remote reading device, the utility may **[not]** render a bill for the uncollected amount **[and may not recover a loss resulting from this underbilling in subsequent rate proceedings unless there is evidence that the underbilling resulted from tampering with the remote reading device].** **If the rebilling exceeds the otherwise normal estimated bill by at least 50% and at least \$25, the utility shall comply with § 56.14 (relating to previously unbilled utility service).**

* * * * *

§ 56.14. Previously unbilled utility service.

When a utility renders a make-up bill for previously unbilled utility service resulting from utility billing error, meter failure, leakage that could not reasonably have been detected or loss of service, or four or more consecutive estimated bills and the make-up bill exceeds the otherwise normal estimated bill by at least 50% **and at least \$25:**

* * * * *

Subchapter C. CREDIT AND DEPOSITS STANDARDS POLICY

PROCEDURES FOR NEW APPLICANTS

§ 56.33. Composite credit group; cash deposits; third-party guarantors.

If an applicant does not establish **[his]** credit under § 56.32 (relating to credit standards), the utility shall provide residential service when one of the following requirements is satisfied:

[(1) Composite credit group. The applicant becomes a member in good standing of a composite

credit group as defined in § 56.61 (relating to general rule) with which the utility has entered into an agreement.

(2)] (1) ***

[(3)] (2) ***

* * * * *

§ 56.35. Payment of outstanding balance.

A utility may require, as a condition of the furnishing of residential service to an applicant, the payment of any outstanding residential account with the utility which accrued within the past 4 years for which the applicant is legally responsible and for which the applicant was billed properly. In addition, the utility shall maintain account records in accordance with § 56.202 (relating to record maintenance). However, any such outstanding residential account with the utility may be amortized over a reasonable period of time. Factors to be taken into account include [but are not limited to] the size of the unpaid balance, the ability of the applicant to pay, the payment history of the applicant, and the length of time over which the bill accumulated. A utility may not require, as a condition of the furnishing of residential service, payment for residential service previously furnished under an account in the name of a person other than the applicant unless a court, district justice[,] or administrative agency has determined that the applicant is legally obligated to pay for the service previously furnished. Examples of [such] situations include a separated spouse or a cotenant. This section does not affect the credit rights and remedies of a utility otherwise permitted by law.

CASH DEPOSITS

§ 56.53. Refund of deposit.

A cash deposit shall be refunded under the following conditions:

* * * * *

[(3) Member of composite credit group. When a ratepayer becomes a bona fide member of a composite credit group, the utility shall refund any cash deposit plus accrued interest unless the ratepayer requests that it be transferred to the credit group.]

[(4)] (3) ***

[(5)] (4) ***

[(6)] (5) ***

COMPOSITE CREDIT GROUP DEPOSITS

§ 56.61. [General rule] (Reserved).

[A utility shall enter into an agreement with a composite credit group that can demonstrate its ability to meet the deposit requirements of the members of the group.

(1) Composite credit group. A composite credit group is a group, association, corporation or similar body with 25 or more members formed for the purpose of, among other things, providing a composite cash deposit for its members in lieu of individual cash deposits from each applicant or ratepayer who is a bona fide member of the group. A composite credit group shall designate a person to represent that group to the utility and shall

provide the utility with an address and telephone number where that person may be contacted during business hours. Communications received from that representative by the utility shall be binding upon the group.

(2) Unilateral termination prohibited. A utility may not unilaterally terminate a composite cash deposit arrangement, so long as the group maintains a composite cash deposit determined in accordance with § 56.62 (relating to maximum composite cash deposit).

(3) Discontinuance of cash deposit arrangement. When a composite cash deposit arrangement is discontinued, the utility shall:

(i) Apply an applicable portion of the composite cash deposit to the accounts of the individual members of the group in accordance with § 56.52 (Reserved) and return the remainder of the composite deposit to the representative of the group.

(ii) Notify the individual members of their obligation to place an individual cash deposit, join another composite credit group or provide a third-party guarantor in accordance with §§ 56.41—56.43 (relating to procedures for existing ratepayers).]

§ 56.62. [Maximum composite cash deposit] (Reserved).

[Initially, the maximum composite cash deposit requested by the utility may not exceed 50% of the aggregate deposit requirements of the individual members. Thereafter, composite cash deposit requirements shall be adjusted at the request of either the utility or the group to be not greater than twice the average monthly assessment against the composite cash deposit of the group, to compensate for nonpayment of utility bills of the individual members.]

§ 56.63. [Written authority to become a member of a group] (Reserved).

[A utility may not apply a composite cash deposit to a past due bill of a ratepayer unless it has received prior written authority from the group to include the individual ratepayer or applicant as a member of the group.]

§ 56.64. [Renewal of authority] (Reserved).

[A utility shall require of the group a written renewal of authorization in the following circumstances:

(1) Application of composite case deposit to more than two billing periods. Prior to the application of a composite case deposit to the payment of the bills of a member for more than two billing periods, each renewal of authorization shall entitle the utility to apply the composite cash deposits to the bills of the individual for two billing periods.

(2) Reconnection of service. Whenever service is reconnected following a termination of service.

(3) Refusal to renew authority. Where renewal of authority is refused, a utility shall provide service to the individual ratepayer in accordance with the provisions of § 56.65 (relating to service without continued group membership).]

§ 56.65. [Service without continued group membership] (Reserved).

[A utility shall provide utility service to a former member of a composite credit group under one of the following provisions:

(1) *Establishment of credit.* The member establishes his credit in accordance with § 56.32 (relating to credit standards).

(2) *Cash deposit; third-party guarantor.* The member posts an individual cash deposit or furnishes a written guarantee in accordance with § 56.33 (relating to composite credit group; cash deposits; third-party guarantors).

(3) *Prompt payment of bills.* The member has paid bills for service for 12 consecutive months without having service terminated or having paid his bill subsequent to the due date or other permissible period as stated in this chapter on two or more occasions so long as the ratepayer is not currently delinquent.]

Subchapter E. TERMINATION OF SERVICE

NOTICE PROCEDURES PRIOR TO TERMINATION

§ 56.91. General notice provisions.

Prior to a termination of service, the utility shall mail or deliver written notice to the ratepayer at least 10 days prior to the date of the proposed termination. In the event of a taking or acceptance of utility service without the knowledge or approval of the utility, other than unauthorized use of service as defined in § 56.2 (relating to definitions), the utility shall comply with § 56.93 [(1)] (relating to personal contact) [or shall hand deliver written notice to the ratepayer or occupant at least 3 days prior to the date of the proposed termination, as well as complying with the provisions of §§ 56.94]—56.97 (relating to procedures upon ratepayer or occupant contact prior to termination), but need not otherwise provide notice 10 days prior to termination.

§ 56.93. Personal contact.

Except when authorized by §§ 56.71, 56.72 or 56.98 (relating to interruption of service; discontinuance of service; and exception for terminations based on occurrences harmful to person or property), a utility may not interrupt, discontinuance or terminate service without personally contacting the ratepayer or a responsible adult occupant at least 3 days prior to the interruption, discontinuance or termination, in addition to provide [such] other notice as specified by the properly filed tariff of the utility or as required by this chapter or other Commission directive. For purposes of this section, personal contact shall mean:

(1) [Contacting the ratepayer or responsible adult occupant in person or by telephone.

(2) Contacting another person whom the ratepayer has designated to receive a copy of a notice of termination, other than a member or employe of the Commission.

(3) If the ratepayer has not made the designation noted in paragraph (2), contacting a community interest group or other entity, including a local police department, which previously shall have agreed to receive a copy of the notice of termination and to attempt to contact the ratepayer.

(4) If the ratepayer has not made the designation noted in paragraph (2) and if there is no community interest group or other entity which previously has agreed to receive a copy of the notice of termination, contacting the Commission in writing.]

Actual contact with the ratepayer or responsible adult occupant by telephone.

(2) Actual contact with the ratepayer or responsible adult occupant in person at the affected dwelling.

(3) After an unsuccessful attempt to contact the ratepayer or responsible adult in person at the affected dwelling, posting a written 72-hour notice, at the affected dwelling. After the expiration of the 72-hour notice the company may terminate service without application of § 56.95 (relating to deferred termination when no prior contact).

(4) After two unsuccessful attempts at contacting the ratepayer or responsible adult occupant by telephone, mailing a written 72-hour notice to the ratepayer. After the expiration of the 72-hour notice, the company shall comply with § 56.95 if prior contact is not made as required under § 56.94 (relating to procedures immediately prior to termination).

§ 56.95. Deferred termination when no prior contact.

If [a prior] personal contact has not been made [with a responsible adult either at the residence of the ratepayer], as required by § 56.93(1), (2) or (3) (relating to personal contact) or § 56.94 (relating to procedures immediately prior to termination) or at the affected dwelling, the employe may not terminate service but shall conspicuously post a termination notice at the residence of the ratepayer and the affected dwelling, advising that service will be disconnected not less than 48 hours from the time and date of the posting.

§ 56.97. Procedures upon ratepayer or occupant contact prior to termination.

(a) If, after the issuance of the initial termination notice and prior to the actual termination of service, a ratepayer or occupant contacts the utility concerning a proposed termination, an authorized utility employe shall fully explain:

* * * * *

(3) [The right of the ratepayer to file a dispute with the utility and, thereafter, an informal complaint with the Commission.

(4) The procedures for resolving disputes and informal complaints, including the address and telephone number of the Commission: Public Utility Commission, Box 3265, Harrisburg, Pennsylvania, 17120, telephone number 1 (800) 692-7380.

(5) The duty of the ratepayer to pay a portion of a bill which he does not honestly dispute.

(6)] The medical emergency procedures.

(b) The utility, through its employes, shall exercise good faith and fair judgment in attempting to enter a reasonable settlement or payment agreement or otherwise equitably to resolve the matter. Factors to be taken into account when attempting to enter into a reasonable settlement or payment agreement may include [but not be limited to] the size of the unpaid balance, the ability

of the ratepayer to pay, the payment history of the ratepayer and the length of time over which the bill accumulated. **If a settlement or payment agreement is not established the company shall further explain the following:**

(1) The right of the ratepayer to file a dispute with the utility and, thereafter, an informal complaint with the Commission.

(2) The procedures for resolving disputes and informal complaints, including the address and telephone number of the Commission: Public Utility Commission, Box 3265, Harrisburg, Pennsylvania, 17105-3265, telephone number (800) 692-7380.

(3) The duty of the ratepayer to pay any portion of a bill which he does not honestly dispute.

NOTICE PROCEDURES AFTER DISPUTE FILED

§ 56.101. Limited notice upon noncompliance with report or order.

(a) Except during the winter period identified at § 56.100 (relating to winter termination procedures), the original grounds for terminations may be revived if a 10-day termination notice was previously issued to the ratepayer. Utilities may proceed with termination as provided in paragraphs (1) and (2) [Upon] upon the failure to timely appeal from or comply with [a]:

(1) A utility company report required by § 56.151 (relating to [the] general rule)[,].

(2) [an] An informal complaint report required by § 56.161 (relating to general rule; time for filing)[, or].

(3) [an] An order from a formal complaint [under § 56.173 (relating to formal complaint procedures other than appeals from mediation decisions of the Bureau of Consumer Services), the original grounds for termination shall be revived and the].

(4) A company negotiated payment or settlement agreement if a customer fails during the first 120 days to maintain the agreement and this failure reflects payments of less than 50% of the overdue balance during this same time period.

(b) The utility may not be required to give further written notice so long as within 10 business days of the failure to appeal or comply with subsection (a):

(1) The ratepayer is personally contacted as described in § 56.93(1), (2) or (3) (relating to personal contact), at least 3 days prior to termination; if the utility is unable to make personal contact as described in § 56.93(1), (2) or (3), it shall proceed with the posting procedure described in § 56.95 (relating to deferred termination when no prior contact).

EMERGENCY PROVISIONS

§ 56.114. Length of postponement; renewals.

Service may not be terminated for the time period specified in a medical certification; the maximum length of the certification shall be 30 days.

* * * * *

(2) Renewals. Certifications may be renewed in the same manner and for the same time period as provided in §§ 56.112 and 56.113 (relating to postponement of termination pending receipt of certificate; and medical certifi-

cations) and this section if the ratepayer has met the obligation under § 56.116 (relating to duty of ratepayer to pay bills). **In instances where a ratepayer has not met the obligation at § 56.116 to equitably make payments on all bills, the number of renewals is limited to two thirty-day certifications.** If a utility wishes to contest the renewal, it shall follow § 56.118(3) (relating to the right of utility to petition the Commission).

[TERMINATION AT RESIDENTIAL DWELLINGS WHERE SERVICE IS IN THE NAME OF THE LANDLORD]

§ 56.121. [Notices before terminating service to landlord-ratepayer] (Reserved).

[(a) Nonpayment of charges. Except when required to prevent or alleviate an emergency as defined by the Commission or except in the case of danger to life or property, before termination of service to a landlord-ratepayer for nonpayment of charges, a public utility shall comply with the following:

(1) Notify the landlord-ratepayer of the proposed termination, in writing, as prescribed in § 56.123 (relating to delivery and contents of termination notice to the landlord-ratepayer) at least 37 days before the date of termination of service.

(2) Notify the following agencies which serve the community in which the affected premises are located, in writing, at the time of delivery of notice to the tenants of the proposed termination of service:

(i) The Department of Licenses and Inspections of any city of the first class.

(ii) The Department of Public Safety of any city of the second class, second class A or third class.

(iii) The city or county public health department or, in the event that such a department does not exist, the Department of Health office responsible for that county.

(iv) The grantees of emergency energy funds from the Department of Public Welfare or Department of Community Affairs.

(3) Notify each dwelling unit reasonably likely to be occupied by an affected tenant of the proposed termination, in writing, as prescribed in § 56.124 (relating to delivery and contents of first termination notice to tenants) at least 7 days after the notice to the landlord-ratepayer under this section and at least 30 days before the termination of service. If within 7 days of the receipt of the notice issued under paragraph (1), the landlord-ratepayer files a complaint with the Commission disputing the right of the utility to terminate service, the notices to tenants may not be rendered until the complaint has been adjudicated by the Commission.

(b) Discontinuance of service. Before a discontinuance of service by a public utility to a landlord-ratepayer one of the following shall be met:

(1) The landlord-ratepayer shall state in a form bearing his notarized signature that the affected dwelling units are unoccupied or that the tenants affected by the proposed discontinuance have consented, in writing, to the proposed discontinuance, which form shall conspicuously bear a notice that

the information provided by the landlord-ratepayer will be relied upon by the Commission in administering a system of uniform service standards for public utilities and that false statements are punishable criminally.

(2) The tenants affected by the proposed discontinuance shall inform the utility orally or in writing of their consent to the discontinuance.

(3) The landlord-ratepayer shall provide the utility with the names and addresses of the affected tenants under § 56.122 (relating to request to landlord-ratepayer to identify tenants) and the utility shall notify the community service agencies and each dwelling unit under this section and § 56.124.

(c) *Rights of tenants.* Under the discontinuance procedures of subsection (b)(3), the tenant shall have the rights provided in § 56.125 (relating to right of tenants to continued service).]

§ 56.122. [Request to landlord-ratepayer to identify tenants] (Reserved).

[(a) *Duty of landlord.* Upon receiving a lawful request for the names and addresses of the affected tenants under this subchapter, the landlord-ratepayer shall provide the utility or Commission with the name and address of every affected tenant of any residential building or mobile home park for which the utility is proposing to discontinue or terminate service unless within 7 days of receipt of the notice the landlord-ratepayer pays the amount due the utility or makes an arrangement with the utility to pay the balance.

(b) *Time for providing information.* The information shall be provided by the landlord-ratepayer:

(1) Within 7 days of receipt of the notice to the landlord-ratepayer required by § 56.121 (relating to notices before terminating service to landlord-ratepayer).

(2) Within 3 days of an adjudication by the Commission that the landlord-ratepayer shall provide the requested information if the landlord files a complaint with the Commission within 7 days of receipt of the notice to the landlord disputing the right of the utility to terminate service.

(c) *Duty of public utility.* It shall be the duty of a public utility to pursue an appropriate legal remedy it has in order to obtain from the landlord-ratepayer the names and addresses of affected tenants of a residential building for which the utility is proposing discontinuance or termination of service to the landlord-ratepayer. The Commission may order the public utility to obtain the information from the landlord-ratepayer.]

§ 56.123. [Delivery and contents of termination notice to the landlord-ratepayer] (Reserved).

[(a) *General rule.* In addition to other requirements of this chapter for a notice or termination notice the notice required to be given to a landlord-ratepayer under § 56.121 (relating to notices before terminating service to landlord-ratepayer) shall contain the following information:

(1) The amount owed the utility by the landlord-ratepayer for each affected account.

(2) The date on or after which the service will be terminated.

(3) The date on or after which the company will notify tenants of proposed termination of service and of their rights under § 56.125 (relating to right of tenants to continued service) and 66 Pa.C.S. §§ 1529 and 1531 (relating to right of tenant to recover payments; and retaliation by landlord prohibited).

(4) The obligation of the landlord-ratepayer under § 56.122 (relating to request to landlord-ratepayer to identify tenants) to provide the utility with the names and addresses of every affected tenant, to pay the amount due the utility, or to make an arrangement with the utility to pay the balance, including a statement:

(i) That the list shall be provided or payment or arrangements shall be made within 7 days of receipt of the notice.

(ii) Of the penalties and liability which the landlord-ratepayer may incur under 66 Pa.C.S. § 1532 (relating to penalties), by failing to comply.

(5) The right of the landlord-ratepayer to stay the notification of the tenants by filing a complaint with the Commission disputing the right of the utility to terminate service.

(b) *Service of notice.* Any of the following procedures shall constitute effective notice to the landlord under subsection (a):

(1) Notice by certified mail if the utility receives a return receipt signed by the landlord-ratepayer or his agent.

(2) Notice by personal service on the landlord-ratepayer or his agent.

(3) After unsuccessful attempts at personal delivery on 2 separate days, notice by first class mail and conspicuously posting at the landlord-ratepayer's principal place of business, the business address which the landlord provided the utility as the address for receiving communications or the landlord's residence.]

§ 56.124. [Delivery and contents of first termination notice to tenants] (Reserved).

[(a) *General rule.* The notice required to be given to a tenant under § 56.121 (relating to notices before terminating services to landlord-ratepayer) shall be mailed or otherwise individually hand delivered to the address of each affected tenant by unit number is possible and shall contain the following information:

(1) The date on which the notice is rendered.

(2) The date on or after which service will be discontinued or terminated.

(3) The bill for the billing period immediately preceding the notice to the tenants.

(4) The circumstances under which service to the affected tenants may be continued which shall be in the following form:

**NOTICE TO TENANTS
YOUR UTILITIES MAY BE SHUT OFF
PLEASE READ THIS NOTICE ABOUT YOUR
RIGHTS**

THIS NOTICE DOES NOT APPLY TO ANY UTILITY SERVICE NOW IN YOUR NAME AND FOR WHICH YOU ALREADY PAY THE BILL.

THE [NAME OF THE UTILITY AND TYPE OF SERVICE] BILL FOR YOUR BUILDING HAS NOT BEEN PAID. YOUR [TYPE OF SERVICE] WILL BE SHUT OFF ON OR AFTER [] UNLESS THIS BILL IS PAID.

**AS A TENANT YOU HAVE THE FOLLOWING
RIGHTS:**

1. You can join with the other tenants to pay the utility bill for the last thirty (30) days preceding this notice, or you can pay the total bill yourself. If you pay either way, you do not have to pay a deposit or get credit granted in your name. You will not have to pay your landlord's other debts or the debts of prior tenants, and utility service will remain in the name of the landlord.

2. You may deduct your payment to the utility company from your rent due now or from future rent. The utility company will tell your landlord how much you paid for that utility service.

3. If your building has one meter for more than one tenant, the utility bill is for all tenants and must be paid in full. If you only pay part of the last monthly billing, your utility service will be shut off and the utility company will return your money.

4. Your landlord cannot punish you if you pay the utility bill. Your landlord cannot raise your rent, cannot evict you, and cannot take action against you in any other way for paying the utility bill and deducting it from the rent. You have a right to recover money damages from the landlord for any damages or injury he causes you for exercising your rights as a result of this Notice.

5. You can get your utility service billed in only your name if your unit has its own meter. Or, you can get your own service if a meter can be put in with only a few changes in pipes, wires, and land. Please call the utility company if you want further information.

6. Payments must be made by check or money order to the company. The utility will tell your landlord how much you paid for service.

7. You will be told that the shut-off is cancelled if your landlord pays the bills.

First, if you have any questions about your rights and responsibilities, please telephone your utility company at []. If, after discussing your problem with the utility you remain dissatisfied, call the Public Utility Commission at 1-800-692-7380 or write Service Termination Mediation Unit, Bureau of Consumer Services, Public Utility Commission, P. O. Box 3265, Harrisburg, Pennsylvania, 17120. **YOU SHOULD CALL OR WRITE BEFORE THE TERMINATION DATE.**

(b) *Information posted by utility.* The information in subsection (a) shall be posted by the utility in those common areas of the residential building or mobile home park where it is reasonably likely to be seen by the affected tenants. Any officer or

employee of the utility may, at any reasonable time, enter the common hallways and common areas of such building for the purpose of complying with this section.]

§ 56.125. [Right of tenants to continued service] (Reserved).

(a) *Application for continued service.* At any time before or after service has been discontinued or terminated by a public utility, the affected tenants may apply to the utility to have service continued or resumed.

(b) *Payment of charges by tenants.* A public utility may not discontinue or terminate service or shall promptly resume service previously discontinued or terminated if it receives from the tenants an amount equal to the bill of the landlord-ratepayer for the 30 days preceding the notice to the tenants. Thereafter, the utility shall notify each tenant of the total amount of the bill for the second and each succeeding billing period; and, if the tenants fail to make payment of a bill within 30 days of the delivery of the notice to tenants, the utility may commence termination procedures consistent with this chapter; however, no termination may occur until 30 days after each tenant has received written notice of the proposed termination in addition to the other notice provisions required under § 56.126 (relating to additional notice procedures prior to termination). Payments of charges by tenants to the utility on account of nonpayment by the landlord-ratepayer shall be made by check or money order drawn by the tenant to the order of the utility.

(c) *Delivery of termination notices.* Termination notices issued under this section shall be individually mailed to each affected tenant by first class mail or individually hand-delivered to the address of each affected tenant by unit number if possible and shall contain information required under § 56.2 (relating to definitions).

(d) *Disposition of payment by utility.* Upon receiving a payment the utility shall notify the landlord-ratepayer who is liable for the utility service of the amount paid by a tenant and the amount credited to the landlord's bill for each tenant under subsection (b). If the tenants fail to satisfy the requirements of subsection (b) to maintain or restore service and service to the affected dwelling unit is terminated, the utility shall refund to each tenant the amount paid by the tenant toward the bill which the tenants failed to pay, either upon the request of the tenants or after holding the tenants' payment during 60 consecutive days of terminated service, whichever occurs first.

(e) *Agreement for individual service.* A tenant of a residential building or mobile home park who has been notified of a proposed termination of utility service, under § 56.121 (relating to notices before terminating service to landlord-ratepayer) shall have the right to agree to subscribe for future service individually if this can be accomplished without a major revision of distribution facilities or additional right-of-way acquisitions.]

§ 56.126. [Additional notice procedures prior to termination] (Reserved).

[At least 10 days prior to a proposed termination under §§ 56.121—56.125, the utility shall again con-

spicuously post and hand-deliver notice of the termination at the affected dwelling. If possible, the notices shall be posted in common areas of the dwelling and individually hand-delivered to the address of each affected tenant by unit number.

(1) Notices under this section shall contain the information and be in the form prescribed by § 56.124 (relating to delivery and contents of first termination notice to tenants) for terminations under § 56.121 (relating to notices before terminating service to landlord-ratepayer).

(2) Notices under this section shall contain the information required in § 56.125(c) for terminations under § 56.125(b).]

FOLLOW-UP RESPONSES

§ 56.135. Follow-up response to inquiry.

When a customer is waiting for a follow-up response to an inquiry under § 56.2 (relating to definitions), termination or threatening termination of service for the subject matter in question shall be prohibited until the follow-up response, and when applicable, subsequent dispute resolution is completed by the utility.

Subchapter F. DISPUTES; TERMINATION DISPUTES; INFORMAL AND FORMAL COMPLAINTS

GENERAL PROVISIONS

§ 56.142. Time for filing a termination dispute or informal complaints.

To be timely filed, a termination dispute—which may not include disputes under §§ 56.35 and 56.191 (relating to payment of outstanding balance; and general rule)—and informal complaints shall be filed prior to the [actual termination of service] day on which the utility arrives to terminate service. If the utility arrives to terminate service and posts a deferred termination notice in lieu of termination or otherwise fails to terminate service, then the time for filing a termination dispute or informal complaint shall be extended until the end of the business day prior to the utility again arriving to terminate service.

UTILITY COMPANY DISPUTE PROCEDURES

§ 56.151. General rule.

Upon initiation of a dispute covered by this section, the utility shall:

* * * * *

(5) Within 30 days of the initiation of the dispute, issue its report to the complaining party[;]. [the reports shall be in writing and shall be sent to the complaining party if requested]

(i) If the informal complainant is not satisfied with the dispute resolution, the utility company report shall be in writing and conform to § 56.152 (relating to contents of the utility company report). In these instances, the written report shall be sent to the complaining party if requested or if the utility deems it necessary.

(ii) If, however, the complaining party is satisfied with the orally conveyed dispute resolution, the written utility company report may be limited to

the information at § 56.152(1) and (2) and, if applicable, § 56.152(7)(ii) or (8)(ii).

(iii) If the complaining party expresses satisfaction but requests a written report, the report shall conform with § 56.152, in its entirety.

§ 56.152. Contents of the utility company report.

A utility company report shall include the following:

* * * * *

(6) A full and complete explanation of procedures for filing an informal complaint with the Commission [including]. See § 56.162 (relating to informal complaint filing procedures). If a written report is not requested by the complaining party or deemed necessary by the utility, the utility shall provide the information at § 56.162(1), (2) and (5). In addition, the utility should always provide the telephone number and address of the [nearest regional] office of the Commission where an informal complaint may be filed.

* * * * *

INFORMAL COMPLAINT PROCEDURES

§ 56.162. Informal complaint filing procedures.

An informal complaint may be filed orally or in writing and shall include the following information:

(1) The name and address of the ratepayer and, if different, the address at which service was provided.

(2) The [address] telephone number of the ratepayer [and, if different, the address at which service provided].

* * * * *

Subchapter G. RESTORATION SERVICE

§ 56.191. General rule.

(a) When service to a dwelling has been terminated, the utility shall reconnect service by the end of the first full working day after receiving one of the following:

(1) Full payment of an outstanding charge plus a reasonable reconnection fee. Outstanding charges and the reconnection fee may be amortized over a reasonable period of time. Factors to be taken into account shall include[, but not be limited to,] the size of the unpaid balance, the ability of the ratepayer to pay, the payment history of the ratepayer, and the length of time over which the bill accumulated[; or].

(2) Payment of amounts currently due according to a settlement or payment agreement, plus a reasonable reconnection fee, which may be a part of the settlement or payment agreement[; or]. The utility, if warranted, may request a higher amount than the current amount due according to a settlement or payment agreement, but only after reviewing the factors outlined in paragraph (1), and after considering the number of defaulted agreements, including informal and formal complaint decisions.

(3) Adequate assurances that any unauthorized use or practice will cease, plus full payment of the reasonable reconnection fee of the utility, which may be subject to a payment agreement[; and].

(b) When service to a dwelling has been terminated, the utility shall reconnect service by the end of the first full working day after receiving[]:

(4) **Compliance] compliance** or adequate assurance of compliance with an applicable provision for the establishment of credit or the posting of deposits or guarantees.

Subchapter H. PUBLIC INFORMATION PROCEDURES; RECORD MAINTENANCE

§ 56.202. Record maintenance.

A utility shall preserve for [a period of] at least 2 years written or recorded disputes and complaints[,]. **If a company maintains a record of a final account balance to possibly request payment of the outstanding balance in accordance with § 56.35 (relating to payment of outstanding balance), records shall be maintained for the period of time covering the accrual of the unpaid debt. The utility shall keep the records within this Commonwealth at an office located in the territory served by it, and shall make the records available for examination by the Commission or its staff. Information to be maintained shall include the following:**

* * * * *

Subchapter I. INFORMAL COMPLAINTS

§ 56.211. Informal complaints.

(a) The Bureau of Consumer Services (**Bureau**) will have primary jurisdiction over ratepayer, applicant or occupant complaints arising under this chapter. The Bureau [of Consumer Services], through its Director and with the concurrence of the Commission, shall establish appropriate internal procedures to implement [the provisions of] this chapter.

(b) **The Bureau should only handle those Chapter 56 informal complaints in which the customer first attempted to resolve the matter with the utility. The Bureau should initiate an investigation only after the customer and the utility have unsuccessfully attempted to resolve the dispute.**

[Pa.B. Doc. No. 96-1011. Filed for public inspection June 21, 1996, 9:00 a.m.]

missions, the several departmental administrative boards and commissions, are hereby empowered to prescribe rules and regulations, not inconsistent with law, for the government of their respective departments, boards, or commissions, the conduct of their employes and clerks, the distribution and performance of their business, and the custody, use, and preservation of the records, books, documents, and property pertaining thereto."

Currently, the Department's interpretation of section 3 of the act of July 1, 1994 (P. L. 413, No. 67) section 2301 of the Tax Reform Code (TRC) (72 P. S. § 9301), which replaced 74 Pa.C.S. § 1314 (repealed by the act of June 16, 1994 (P. L. 279, No. 48)) relating to public transportation assistance fund taxes and fees, is set forth as a pronouncement and codified in Chapter 9. Revenue Pronouncements—Statements of Policy, § 9.4. By setting forth its interpretation in a pronouncement, the Department was able to provide taxpayers and tax practitioners an immediate source of information on which they could rely.

The Department has concluded that the issues relating to public transportation assistance fund taxes and fees should be set forth as a regulation. Therefore, in addition to proposing to add § 47.19, this proposed rulemaking is also proposing to delete the pronouncement that appears at § 9.4. To assist taxpayers prior to the adoption of this proposal, the Department has amended § 9.4 to bring it into conformity with 72 P. S. § 9301.

Section 47.19(a) provides general information regarding the authorizing tax statute; registration; returns; payment of taxes and fees; imposition of tax; exemption certificates; direct payment permit and applicability of the TRC.

Details regarding the tire fee are explained in subsection (b). Paragraph (1) provides definitions for use in the subsection of the terms "highway use" and "sale." Paragraph (2) establishes the scope of taxation effective October 1, 1991. Though there is no exclusion for exempt organizations or businesses engaged in manufacturing, processing, farming, dairying, printing, mining or rendering a public utility service, paragraph (3) enumerates specific instances which are exempt from taxation. Paragraph (4) sets forth examples of sales subject to the tire fee and paragraph (5) sets forth examples of sales not subject to the tire fee.

Subsection (c) provides information regarding motor vehicle lease tax. Paragraph (1) provides definitions for use in the subsection of the terms "lease," "lease price" and "motor vehicle." Paragraph (2) details the scope of taxation effective October 1, 1991. It also provides that lease payments made on or after April 1, 1995, for the use of trucks in Class 4 or higher as defined in 75 Pa.C.S. § 1916(a)(1) are not subject to the tax. Paragraph (3) relating to exclusion provides that if the lease of a motor vehicle is exempt from sales and use tax imposed by Article II of the TRC (72 P. S. §§ 7201—7282), the lease is exempt from the tax imposed under this subsection.

Information regarding motor vehicle rental fee is set forth in subsection (d). Definitions of "motor vehicle" and "rental" for use in this subsection are set forth in paragraph (1). Paragraph (2) provides the scope of taxation effective October 1, 1991. If the rental of a motor vehicle is exempt from sales and use tax imposed by Article II of the TRC, paragraph (3), relating to exclusions, provides that the rental is exempt from the fee imposed under this subsection. Examples of rentals subject to the rental fee are enumerated in paragraph (4).

DEPARTMENT OF REVENUE

[61 PA. CODE CHS. 9 AND 47]

Public Transportation Assistance Fund Taxes and Fees

The Department of Revenue (Department), under authority contained in section 506 of The Administrative Code of 1929 (71 P. S. § 186), proposes to delete § 9.4 (relating to public transportation assistance fund taxes and fees) and to adopt § 47.19 (relating to public transportation assistance fund taxes and fees) as set forth in Annex A. Section 506 of The Administrative Code of 1929 provides, "The heads of all administrative departments, the several independent administrative boards and com-

Subsection (e)(1) relating to utility realty additional tax establishes the scope of taxation effective October 1, 1991. Paragraph (2) provides that returns shall be reported on the public utility realty tax report required by Article XI-A of the TRC (72 P. S. §§ 8101-A—8108-A). Paragraph (3) provides that payment of the tax imposed by this subsection shall be under Article XI-A of the TRC. Paragraph (4) specifies that unless otherwise provided, Article XI-A of the TRC and regulations promulgated thereunder apply to the tax imposed under this subsection.

Subsection (f) relates to periodical tax. For the period from October 1, 1991, to December 31, 1991, paragraph (1) provides that under the act of August 5, 1991 (P. L. 238, No. 26), the sale at retail of periodicals was subject to a 6% public transportation assistance tax. Paragraph (2) provides that under the act of December 13, 1991 (P. L. 373, No. 40) (Act 40), effective January 1, 1992, the periodical tax was deleted from 74 Pa.C.S. § 1314(d) (relating to Public Transportation Assistance Fund). The paragraph further provides that Act 40 also deleted the exclusion from the TRC, effective January 1, 1992; therefore, periodicals are subject to the sales and use tax.

Fiscal Impact

The Department has determined that the proposed amendments will have no significant fiscal impact on the Commonwealth.

Paperwork

The proposed amendments will not generate additional paperwork for the public or the Commonwealth.

Effectiveness/Sunset Date

The amendments will become effective upon final publication in the *Pennsylvania Bulletin*. The regulations will be monitored annually. No sunset date has been assigned.

Contact Person

Interested persons are invited to submit in writing comments, suggestions or objections regarding the proposed amendments to Anita M. Doucette, Office of Chief Counsel, Department of Revenue, Dept. 281061, Harrisburg, PA 17128-1061, within 30 days from the date of the publication of this notice in the *Pennsylvania Bulletin*.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), the Department submitted a copy of these proposed amendments on June 12, 1996, to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the House Committee on Finance and the Senate Committee on Finance. In addition to submitting the proposed amendments, the Department has provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the agency in compliance with Executive Order 1982-2, "Improving Government Regulations." A copy of this material is available to the public upon request.

If IRRC has objections to any portion of the proposed amendments, it will notify the agency within 30 days from the close of the public comment period. The notification shall specify the regulatory review criteria which have not been met by that portion. The Regulatory Review Act specifies detailed procedures for review, prior to final publication of the regulation, by the agency, the General Assembly and the Governor of objections raised.

PRONOUNCEMENTS—STATEMENTS OF POLICY

(Editor's Note: The Department of Revenue is proposing to delete the current version of 61 Pa. Code § 9.4 as it appears at *Pennsylvania Code* pages 9-6—9-11 (Serial pps. 203018—203023).

§ 9.4. Reserved.

CHAPTER 47. RENTALS

§ 47.19. Public Transportation Assistance Fund taxes and fees.

(a) General provisions.

(1) *General.* This section is promulgated to administer section 2301 of the TRC (72 P. S. § 9301).

(2) *Registration.* A person who makes sales, rentals or leases subject to a tax or fee under subsection (b), (c) or (d) is required to apply for a Public Transportation Assistance Tax License Number on a form prescribed by the Department. The registration is separate from sales tax registration required under Article II of the TRC (72 P. S. §§ 7201—7282).

(3) *Returns.* The taxes and fees collected under subsection (b), (c) or (d) shall be reported on a return prescribed by the Department. The returns shall be filed under sections 217—220 of the TRC (72 P. S. §§ 7217—7220) and § 34.3 (relating to tax returns).

(4) *Payment.* Payment of the taxes and fees under subsection (b), (c) or (d) shall be made under sections 221—224 of the TRC (72 P. S. §§ 7221—7224).

(5) *Imposition of tax.* The taxes and fees imposed under subsection (b), (c) or (d) are in addition to sales or use tax and are excluded from the computation of tax for sales and use tax purposes.

(6) *Exemption certificates.* Claims for exemption from the taxes and fees imposed under subsection (b), (c) or (d) shall be supported by the use of a valid Pennsylvania Exemption Certificate.

(7) *Direct payment permit.* A direct payment permit issued under § 34.4 (relating to direct payment permit) may be used in conjunction with the taxes and fees imposed under this section.

(8) *Applicability of the TRC.* Unless otherwise specifically noted, Article II of the TRC and regulations promulgated thereunder apply to the taxes and fees imposed under subsection (b), (c) or (d).

(b) Tire fee.

(1) *Definitions.* The following words and terms, when used in this subsection, have the following meanings, unless the context clearly indicates otherwise:

Highway use—The use of a tire on a vehicle which is required to be licensed for highway use. If a tire is of the type used on a vehicle normally required to be licensed for highway use under 75 Pa.C.S. (relating to the Vehicle Code), the tire shall be presumed to be for highway use.

Sale—A transfer of the ownership of new tires for a consideration whether the transfer is absolute or condi-

tional and by whatever means the transfer has been effected. The term does not include a rental or lease.

(2) *Scope.* Effective October 1, 1991, the sale of a new tire which is delivered to a location in this Commonwealth for highway use is subject to a \$1 fee. The fee shall be collected by the vendor from the purchaser. If the vendor fails to collect, report or remit the tire fee, the vendor shall be assessed the fee. If the purchaser does not pay the fee to the vendor, the purchaser shall be assessed the tire fee. The sale of new tires in conjunction with the sale of other property shall be subject to the tire fee.

(3) *Exclusions.* There is no exclusion for exempt organizations or businesses engaged in manufacturing, processing, farming, dairying, printing, mining or rendering a public utility service. The following are exclusions:

- (i) The sale of tires not for highway use.
- (ii) The sale of new tires to governmental entities.
- (iii) The rental or lease of new tires. The lessor is required to pay the tire fee on the purchase of tires to be rented or leased.
- (iv) The sale of used tires including retreads or recaps.
- (v) The sale of tires when delivered to the purchaser at an out-of-State location. The subsequent use of the tires within this Commonwealth is not subject to the tire fee.

(4) *Examples of sales subject to the tire fee.*

(i) A purchaser buys a new or used automobile with four new tires and one spare tire. A tire fee of \$5 is due on the sale of five new tires.

(ii) A leasing company buys new tires to use as replacements on its leased licensed vehicle fleet. Since the tires are for highway use, the purchase of the tires by the leasing company is subject to the tire fee.

(iii) A church buys a new tire to replace a tire on a vehicle registered in the name of the church. The purchase of the tire by the church is subject to the tire fee.

(iv) A trucking company buys tires from an out-of-State vendor. The tires are delivered to the trucking company in this Commonwealth. The sale of the tires is subject to the tire fee.

(v) A new car dealer withdraws an automobile from inventory and makes a taxable use of the automobile for sales and use tax purposes. The dealer is required to pay the tire fee directly to the Department.

(vi) A garage replaces a tire in connection with the repair of a damaged motor vehicle. The sale of the tire is subject to the tire fee regardless of whether the cost of the repair is covered by an insurance contract.

(5) *Examples of sales not subject to the tire fee.*

(i) A used car dealer buys new tires to place on a vehicle to be resold. The purchase of tires by the dealer is not subject to the tire fee. The subsequent sale of the vehicle with the new tires to a purchaser for highway use is subject to the tire fee.

(ii) A lessee rents a vehicle with new tires from a leasing company. A tire fee is not due on the rental. The lessor is liable for paying the tire fee on the purchase of the tires.

(iii) A manufacturer purchases new tires for use on forklifts not required to be licensed for highway use. The purchase is not subject to the tire fee.

(iv) A trucking company buys new tires from an out-of-State vendor. The tires are delivered to the trucking

company at an out-of-State location. The sale or use of the tires is not subject to the tire fee even though the tires are subsequently used in this Commonwealth.

(v) A retail tire dealer purchases tires from a tire manufacturer for resale. As the retail tire dealer is not purchasing the tires for highway use, the purchase is not subject to the tire fee. The retail tire dealer's subsequent sale of the tire to a customer for highway use is subject to the tire fee.

(c) *Motor vehicle lease tax.*

(1) *Definitions.* The following words and terms, when used in this subsection, have the following meanings, unless the context clearly indicates otherwise:

Lease—A contract for the use of a motor vehicle for 30 days or more.

Lease price—Full consideration paid or delivered or promised to be paid or delivered to the lessor for a lease period under a lease agreement, whether it is money or otherwise, even though the consideration is separately stated and designated as a payment for downpayment, service, maintenance, insurance, repairs, depreciation, excess mileage fees or similar charges.

(i) The term also includes an accelerated lease payment or buy out purchase price made whether or not made in connection with the termination of the lease.

(ii) The term does not include the option purchase price, penalty fees for early termination of lease, damage fees or similar charges.

(iii) The term does not include sales tax imposed on the lease price.

(iv) Credits or refunds which reduce the lease price reduce the amount subject to tax even though the credits or refunds are issued after termination of the lease.

(v) If the lessor fails to separately state the lease price of other property, such as a trailer, from the lease of a motor vehicle, the total lease price is subject to tax.

Motor vehicle—A self-propelled vehicle required to be licensed for highway use. The term does not include trucks in Class 4 or higher as defined in 75 Pa.C.S. § 1916(a)(1) (relating to trucks and truck tractors). Title 75 Pa.C.S. § 1916(a)(1) currently defines trucks in Class 4 as those having a registered gross or combination weight between 9,001 and 11,000 pounds.

(2) *Scope.* Effective October 1, 1991, each lease of a motor vehicle subject to the tax imposed by Article II of the TRC is subject to an additional tax of 3% of the total lease price charged. This tax will be imposed upon lease payments due on or after October 1, 1991, regardless of the date upon which the lease was executed. Lease payments made on or after April 1, 1995, for the use of trucks in Class 4 or higher as defined in 75 Pa.C.S. § 1916(a)(1) are not subject to the tax. The tax shall be collected by the lessor from the lessee. If the lessor fails to collect, report or remit the tax, the lessor shall be assessed the tax. If the lessee does not pay the tax to the lessor, the lessee shall be assessed the tax.

(3) *Exclusions.* If the lease of a motor vehicle is exempt from sales and use tax imposed by Article II of the TRC, the lease is exempt from the tax imposed under this subsection.

(d) *Motor vehicle rental fee.*

(1) *Definitions.* The following words and terms, when used in this subsection, have the following meanings, unless the context clearly indicates otherwise:

Motor vehicle—A self-propelled vehicle required to be licensed for highway use.

Rental—A contract for the use of a motor vehicle for less than 30 days. If a motor vehicle is rented for less than 30 days, and the use of the motor vehicle subsequently extends beyond a 29-day period, the transaction remains a rental, and the rental payments continue to be subject to the tax until the rental contract is terminated.

(2) *Scope.* Effective October 1, 1991, each rental of a motor vehicle subject to the tax imposed by Article II of the TRC is also subject to a fee of \$2 for each day or part of a day for which the lessor charges the lessee for rental of the vehicle. The fee shall be collected by the lessor from the lessee. If the lessor fails to collect, report or remit the fee, the lessor shall be assessed the fee. If the lessee does not pay the fee to the lessor, the lessee shall be assessed the fee.

(3) *Exclusions.* If the rental of a motor vehicle is exempt from sales and use tax imposed by Article II of the TRC, the rental is exempt from the fee imposed under this subsection.

(4) *Examples of rentals subject to the rental fee.*

(i) A lessee rents a motor vehicle from a rental company for 5 hours. The rental is subject to a \$2 rental fee.

(ii) A lessee rents a motor vehicle from a rental company for 1 day. The vehicle is returned to the lessor 5 hours after the end of the rental period. If the lessee is charged the daily rental rate plus an additional charge for the period after the end of the rental period, a rental fee of \$4 is due.

(e) *Utility realty additional tax.*

(1) *Scope.* Effective October 1, 1991, every entity required to pay the public utility realty tax imposed under Article XI-A of the TRC (72 P.S. §§ 8101-A—8108-A) shall pay an additional tax of 12 mills upon each dollar of the State taxable value of its utility realty at the end of the preceding calendar year.

(2) *Returns.* The tax under this subsection shall be reported on the public utility realty tax report required by Article XI-A of the TRC.

(3) *Payment.* Payment of the tax imposed by this subsection shall be under Article XI-A of the TRC.

(4) *Applicability of the TRC.* Unless otherwise specifically noted, Article XI-A of the TRC and regulations promulgated thereunder apply to the tax imposed under this subsection.

(f) *Periodical tax.*

(1) Under the act of August 5, 1991 (P. L. 238, No. 26), the sale at retail of periodicals was subject to a 6% public transportation assistance tax from October 1, 1991, to December 31, 1991.

(2) Under the act of December 13, 1991 (P. L. 373, No. 40) (Act 40), effective January 1, 1992, the periodical tax was deleted from 74 Pa.C.S. § 1314(d) (relating to Public Transportation Assistance Fund). Act 40 also deleted the exclusion from the TRC, effective January 1, 1992; therefore, periodicals are subject to the sales and use tax.

STATEMENTS OF POLICY

Title 13—COMMERCE AND TRADE

DEPARTMENT OF COMMERCE

[13 PA. CODE CH. 55]

Private Activity Bonds

The Department of Commerce (Department) amends § 55.5 (relating to allocations of tax-exempt bond authority) to read as set forth in Annex A. The statement of policy is amended under authority of section 7(4) of the Tax-Exempt Bond Allocation Act (act) (73 P. S. § 397.7(4)).

Background

The Federal Internal Revenue Code of 1986 (IRC) imposes a State ceiling on the aggregate amount of private activity bonds that may be issued in each calendar year by or on behalf of the Commonwealth and its political subdivisions.

The General Assembly adopted the act in 1985 to provide for the allocation of the State ceiling. The act authorizes the Secretary of Commerce to publish as statements of policy the county-by-county allocations.

The amended statement of policy provides for the 1996 allocation of the State ceiling. The amendment is needed because the current statement of policy provides allocations only for calendar year 1995.

Amendments

Section 55.5 is amended to establish the private activity bond allocations for calendar year 1996.

Fiscal Impact

The amended statement of policy has no fiscal impact on the Commonwealth, political subdivisions or the public. The amended statement of policy does not affect the total dollar amount of private activity bonds, as these ceilings are determined by Federal law. No Commonwealth funds are involved in the issuance of private activity bonds. All costs of bond issuance are paid for by bond proceeds or through funds of the issuer or borrower. The amended statement of policy will result in the use of private activity bonds to their maximum benefit, thereby increasing available resources.

Paperwork Requirements

Additional paperwork requirements are not imposed as a result of the amended statement of policy.

Contact Person

For further information regarding the amended statement of policy, contact Jill B. Busch, Deputy Chief Counsel, Office of Chief Counsel, Department of Commerce, Room 416 Forum Building, Harrisburg, PA 17120, (717) 783-8452.

Finding

The Department finds that delay in implementing the statement of policy will have a serious adverse impact on the public interest.

Order

The Department, acting under the authorizing statute, orders that:

(a) The statement of policy of the Department, 13 Pa. Code Chapter 55, is amended by amending § 55.5 to read as set forth in Annex A, with ellipses referring to the existing text of the section.

(b) The Secretary of Commerce shall submit this order and Annex A to the Office of General Counsel for approval as to form and legality as required by law.

(c) The Secretary of Commerce shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall take effect upon publication in the *Pennsylvania Bulletin*.

THOMAS B. HAGEN,
Secretary

Fiscal Note: 4-59. No fiscal impact; (8) recommends adoption.

Annex A

TITLE 13. COMMERCE AND TRADE

PART I. DEPARTMENT OF COMMERCE

CHAPTER 55. PRIVATE ACTIVITY BONDS—STATEMENT OF POLICY

§ 55.5. Allocations of tax-exempt bond authority.

The act allocates the Commonwealth's tax-exempt bond authority to five categories as follows:

(1) *Housing related bonds.* An amount equal to \$175 million will be allocated for housing related bonds, including qualified residential rental projects and qualified mortgage bonds as defined by sections 142(d) and 143(a) of the Internal Revenue Code (26 U.S.C.A. §§ 142(d) and 143(a)). Requests to apply the housing related bond allocation to specific projects or uses, including mortgage credit certificate programs, will be reviewed and may be approved or disapproved by the Board of the Housing Finance Agency. Application for housing related bond allocations shall be made to the Executive Director of the Housing Finance Agency.

(2) *Qualified student loan bonds.* No amount will be allocated to the Pennsylvania Higher Education Assistance Agency for qualified student loan bonds provided by section 144(b) of the Internal Revenue Code (26 U.S.C.A. § 144(b)).

(3) *Qualified small issue bonds.* An amount equal to \$152,600,000 will be allocated for qualified small issue bonds under section 144(a) of the Internal Revenue Code. This amount will be allocated in accordance with the formula in § 57.1(d) (relating to allocations). Requests to apply this allocation to specific projects or uses will be reviewed and may be approved or disapproved by the Secretary. Application for allocations shall be made to the Bonds Office in the Department. The Secretary will provide allocations for qualified small issue bonds utilizing the procedure and subject to the requirements in § 57.3 (relating to procedures).

NOTICES

COMMISSION ON CRIME AND DELINQUENCY

Drug Control and System Improvement Strategy

The Commission on Crime and Delinquency (PCCD) submitted an FFY-1996 state application for \$19.808 million provided through the Federal Edward Byrne Memorial State and Local Law Enforcement Assistance Formula Grant Program. It is this program which totally supports Pennsylvania's Drug Control and System Improvement (DCSI) Program.

The application, entitled *Pennsylvania's FFY-1996 Statewide Drug Control and System Improvement Strategy*, identifies the priority program areas that PCCD has designated and the allocation of FFY-1996 DCSI funds anticipated to be available to support these initiatives.

Persons desiring to review and comment on the strategy may submit their requests to the following address: Commission on Crime and Delinquency, Attn: Drug Control and System Improvement Program, P. O. Box 1167, Harrisburg, PA 17108-1167.

DELAWARE RIVER BASIN COMMISSION

Commission Meeting and Public Hearing

The Delaware River Basin Commission will hold a public hearing on Wednesday, June 26, 1996. The hearing will be part of the Commission's regular business meeting which is open to the public and scheduled to begin at 11 a.m. in the Goddard Conference Room of the Commission's offices at 25 State Police Drive, West Trenton, New Jersey.

An informal conference among the Commissioners and staff will be held at 10 a.m. at the same location and will include an update on proposed revisions to the Commission's Water Code and Water Quality Regulations concerning toxic pollutants, and status reports on the Commission's new computer program, Water Quality Zone 2 wasteload allocations and Special Protection Waters' watershed prioritization.

The subjects of the hearing will be as follows:

Applications for Approval of the Following Projects Under Article 10.3, Article 11 and/or Section 3.8 of the Compact:

1. *New York State Department of Environmental Conservation D-77-20 CP (Revision No. 2)*. A request to extend the experimental release program Docket No. D-77-20 CP (Revision No. 2), "Modification To The Schedule Of Released Rates From Pepacton and Neversink Reservoirs," for up to 1 year.

2. *Zee Orchards, Inc. D-80-33 Renewal 3*. An application for the renewal of a groundwater withdrawal project

to supply up to 26.5 million gallons (mg)/30 days of water to the applicant's agricultural irrigation system from well no. 1. Commission approval on March 27, 1991 was limited to 5 years. The applicant requests that the total withdrawal from all wells remain limited to 26.5 mg/30 days. The project is located in Harrison Township, Gloucester County, NJ.

3. *Philadelphia Park Race Track D-85-72 Renewal 2*. An application for the renewal of a groundwater withdrawal project to supply up to 10.6 mg/30 days of water to the applicant's irrigation system from wells nos. 1, 2, 3 and 4. Commission approval on March 27, 1991 was limited to 5 years. The applicant requests that the total withdrawal from all wells remain limited to 10.6 mg/30 days. The project is located in Bensalem Township, Bucks County, PA.

4. *Borough of Bellmawr D-90-82 CP Renewal*. An application for the renewal of a groundwater withdrawal project to supply up to 60 mg/30 days of water to the applicant's distribution system from wells nos. 3, 4, 5 and 6. Commission approval on March 27, 1991, was limited to 5 years and will expire unless renewed. The applicant requests that the total withdrawal from all wells remain limited to 60 mg/30 days. The project is located in Bellmawr Borough, Camden County, NJ.

5. *UNISYS Corporation D-92-82 (D)*. A proposed groundwater remediation project consisting of the treatment of up to 367,000 gallons per day (gpd) of groundwater withdrawn at the applicant's computer manufacturing plant site situated in both East Whiteland and Tredegar Townships, Chester County, in the Southeastern Pennsylvania Groundwater Protected Area. Withdrawal will be accomplished by wells nos. MW-6D (7,200 gpd), MW-11D (72,000 gpd) and MW-21 (288,000 gpd) previously approved by Docket No. D-92-82 (G). The treatment facilities will consist of a chromium removal system with microfiltration as well as a prefiltration, and a carbon adsorption system for removal of volatile organic compounds. Treated effluent will be discharged to Little Valley Creek, in Tredegar Township.

6. *Pennsylvania American Water Company D-95-53 CP*. A project to increase the applicant's surface water withdrawal from 2.0 million gallons per day (mgd) to 6.0 mgd by new intake facilities (to replace its existing intake) on the Delaware River, located just south of Yardley Borough in Lower Makefield Township, Bucks County, PA. The applicant's distribution system will continue to serve Yardley Borough and portions of Lower Makefield and Falls Townships. The Mill Road Filtration Plant will be expanded to treat the raw water.

7. *Honesdale Consolidated Water Company D-95-57 CP*. An application for approval of a groundwater withdrawal project to supply up to 54.22 mg/30 days of water to the applicant's distribution system from existing wells nos. 1 and 2, and new wells nos. 3 through 6, and to limit the withdrawal from all wells to 54.22 mg/30 days. The project is located in Honesdale Borough and Texas Township, Wayne County, PA.

8. *Township of Moorestown D-95-59 CP*. An application for approval of a groundwater withdrawal project to supply up to 64.8 mg/30 days of water to the applicant's distribution system from existing well no. 7, and to increase the existing withdrawal of 110 mg/30 days from all wells to 150 mg/30 days. The project is located in Moorestown Township, Burlington County, NJ.

9. *Borough of Quakertown D-96-1 CP.* A revised application to replace wells nos. 13 and 14 in the applicant's water supply system that have become unreliable sources of supply with two new wells nos. 13A and 14A. The withdrawal from all wells will remain limited to 51.1 mg/30 days. The project is located in the Borough of Quakertown, Bucks County, in the Southeastern Pennsylvania Groundwater Protected Area.

10. *Jim Thorpe Municipal Authority D-96-19 CP.* A project to expand the rated capacity of the applicant's sewage treatment plant (STP) from 0.65 mgd to 0.92 mgd. The STP will serve existing and new development in the Borough of Jim Thorpe, Carbon County, PA. The STP, located on the east side of the Lehigh River near the southern boundary of the Borough, will continue to

discharge to the Lehigh River after providing secondary biological treatment utilizing the activated sludge process and chlorine disinfection.

Documents relating to these items may be examined at the Commission's offices. Preliminary dockets are available in single copies upon request. Please contact George C. Elias concerning docket-related questions. Persons wishing to testify at this hearing are requested to register with the Secretary prior to the hearing.

DEPARTMENT OF COMMUNITY AFFAIRS

Consolidated Plan Public Meetings and Regional Housing Advisory Committee Meetings

The Department of Community Affairs, or successor agency, is preparing the 1997 Annual Plan which supplements the Commonwealth's Consolidated Plan for Federal fiscal years 1995-1999. These documents must be submitted to and approved by the U. S. Department of Housing

and Urban Development (HUD) in order for the Commonwealth and organizations within the State to receive funding under most HUD housing and community development programs. The Consolidated Plan creates a unified strategy for housing and community development programs as well as the necessary linkages for building successful neighborhoods and communities.

The Commonwealth's 1997 Annual Plan will address how the Commonwealth intends to allocate funds under the following programs: Community Development Block Grant, HOME Investment Partnerships, Emergency Shelter Grant, and Housing Opportunities for Persons with AIDS.

Any individual or organization may give testimony or comments at one of three public meetings. Comments will be accepted on topics related to community development, housing, the content of the Commonwealth's Annual Plan, and the process by which the public's input is gathered. The Commonwealth encourages public participation in this process.

Anyone who wants to speak must call to schedule a time to give oral testimony at the meeting. These public meetings will be shortened if no one is scheduled to testify or if there is minimal response. To schedule your oral testimony at the public meeting, you must contact Shirley Rohrer at (717) 787-8169 at least 24 hours prior to the applicable meeting date.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Applications, Actions and Special Notices

APPLICATIONS

The following parties have applied for an NPDES permit to discharge controlled wastewaters into the surface waters of this Commonwealth. Unless otherwise indicated on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions. These proposed determinations are tentative.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.6E.

Persons wishing to comment on the proposed permit are invited to submit a statement to the office noted above the application within 30 days from the date of this public notice. Comments received within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the responsible office considers the public response significant.

Following the 30-day comment period, the Water Management Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, proposed effluent limitations and special conditions, comments received and other information are on file and may be inspected and arrangements made for copying at the office indicated above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodations to participate in the proceeding should contact the Secretary to the Board at (717) 787-3483. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

Applications for National Pollutant Discharge Elimination System (NPDES) Permit to discharge to State waters.

Southeast Regional Office: Regional Manager, Water Management, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428, telephone (610) 832-6130.

PA 0052035. Sewage, **Upper Makefield Township**, 1076 Eagle Road, Newtown, PA 18940.

This application is for renewal of an NPDES permit to discharge treated sewage from Upper Makefield Township Sewage Treatment Plant in Upper Makefield Township, **Bucks County**. This is an existing discharge to Delaware River.

The receiving stream is classified for cold water fish, warm water fish, migratory fish, potable water supply, industrial water supply, livestock water supply, wildlife water supply, irrigation, boating, fishing, water contact sports, navigation and esthetics.

The proposed effluent limits for Outfall 001 based on an average flow of 0.1 mgd are as follows:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Average Weekly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
CBOD ₅	25	40	50
Suspended Solids	30	45	60
Total Residual Chlorine (from issuance through year 1)	1.0		2.5
(from year 2 through expiration)	0.5		1.6
Fecal Coliforms	200 colonies/100 ml as a geometric average		
pH	within limits of 6.0—9.0 standard units at all times		

Other Conditions:

Conditions for future permit modification.

Effective disinfection.

The EPA waiver is in effect.

PA 0056804. Industrial waste, **Forest Park Water**, 144 Park Avenue, P. O. Box 317, Chalfont, PA 18914-0317.

This application is for issuance of an NPDES permit to discharge treated process from a water filtration plant which supplies potable water to residents in Bucks County in Chalfont Borough, **Bucks County**. This is a new discharge to Pine Run.

The receiving stream is classified for trout stocking, migratory fish, potable water supply, industrial water supply, livestock water supply, wildlife water supply, irrigation, boating, fishing, water contact sports and esthetics.

The proposed effluent limits for Outfall 001, based on an average flow of 0.454 mgd are as follows:

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Suspended Solids	30	60	75
pH	within limits of 6.0—9.0 standard units at all times

Total Aluminum	4.0	8.0	10.0
Total Manganese	1.0	2.0	2.5
Total Residual Chlorine	0.25		0.6
Phosphorus as P (4-1 to 10-31)	2.0	4.0	5.0

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Maximum Daily (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>
Chloroform	monitor/report		
Dichlorobromomethane	monitor/report		
Chlorodibromomethane	monitor/report		

The EPA waiver is in effect.

Southwest Regional Office: Water Management Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, telephone (412) 442-4000.

PA 0002917. Industrial waste, SIC: 4911, **West Penn Power Company**, 800 Cabin Hill Drive, Greensburg, PA 15601.

This application is for renewal of an NPDES permit to discharge treated process water, sewage stormwater leachate and untreated cooling water stormwater from Armstrong Power Station in Washington Township, **Armstrong County**.

The following effluent limitations are proposed for discharge to the receiving waters of the Allegheny River and its unnamed tributary classified as warm water fishery with existing and/or potential uses for aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics the existing/proposed downstream potable water supply (PWS) considered during the evaluation is Western Pennsylvania Water Company, located at Kittanning, 10 miles below the discharge point.

PA 0102652. Sewage, **Countryside II**, Limited Partnership, 10215 Perry Lake Road, Clarkston, MI 48348.

This application is for renewal of an NPDES permit to discharge treated sanitary sewage to an unnamed tributary to Elk Creek in McKean Township, **Erie County**. This is an existing discharge.

The receiving water is classified for cold water fishery plus migratory fishery, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing proposed downstream potable water supply (PWS) considered during the evaluation is none before Elk Creek reaches Lake Erie.

The proposed effluent limits for Outfall 001 based on average design flow of 0.06 mgd, are:

<i>Parameter</i>	<i>Effluent Concentration (mg/l)</i>	
	<i>Average Monthly</i>	<i>Instantaneous Maximum</i>
CBOD ₅	25	50

The EPA waiver is in effect.

PA 0035661. Sewage, **Renick Brothers Construction Company**, P. O. Box 94, Route 173, Slippery Rock, PA 16057.

This application is for a renewal of a Part I NPDES permit to discharge treated sewage to an unnamed tributary to Christy Run in Washington Township, **Butler County**. This is an existing discharge.

The receiving water is classified for the following uses: cold water fishes, aquatic life, water supply and recreation. For the purpose of evaluating effluent requirements for TDS, NO₂-NO₃, fluoride and phenolics, the existing/proposed downstream potable water supply considered during the evaluation is the Camp Allegheny intake on Slippery Rock Creek located at Wayne Township, Lawrence County, approximately 34 miles below the discharge.

The proposed discharge limits, based on a design flow of 0.00064 mgd, are:

Outfall No. 001

<i>Parameter</i>	<i>Average Monthly (mg/l)</i>	<i>Instantaneous Maximum (mg/l)</i>

The following parties have applied for an NPDES permit to discharge stormwater from a proposed construction activity into the surface waters of the Commonwealth. Unless otherwise indicated on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection proposes to issue a permit to discharge, subject to certain limitations set forth in the permit and special conditions. These proposed determinations are tentative. Limitations are provided in the permit as erosion and sedimentation control measures and facilities which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the Regional Office or County Conservation District Office indicated as the responsible office, within 30 days from the date of this public notice. A copy of the written comments should be sent to the County Conservation District Office. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Regional Office of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the Regional Office considers the public response significant.

Following the 30-day comment period, the Water Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealable to the Environmental Hearing Board.

The application and related documents, including the erosion and sedimentation control plan for the construction activity, are on file and may be inspected at the County Conservation District Office or the Department Regional Office indicated above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

The following permit applications and requests for plan approval have been received by the Department of Environmental Protection.

Persons objecting on the grounds of public or private interest to the approval of an application or submitted plan may file a written protest with the Department of

Environmental Protection at the address indicated above each permit application or plan. Each written protest should contain the following: name, address and telephone number, identification of the plan or application to which the protest is addressed and a concise statement in sufficient detail to inform the Department of the exact basis of the protest and the relevant facts upon which it is based. The Department may conduct a fact-finding hearing or an informal conference in response to any given protest or protests. Each commentator will be notified in writing of the time and place if a hearing or conference concerning the plan, action or application to which the protest relates is held. To insure consideration by the Department prior to final action on permit applications and proposed plans, initial protests and additions or amendments to protests already filed should be filed within 15 calendar days from the date of this issue of the *Pennsylvania Bulletin*. A copy of each permit application and proposed plan is on file in the office indicated and is open to public inspection.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceeding should contact the Secretary to the Board at (717) 787-3483. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

Acknowledgment of Notices of Intent to Remediate

Acknowledgment of Notices of Intent to Remediate submitted to the Department of Environmental Protection under the Land Recycling and Environmental Remediation Standards Act (35 P. S. § 6026.101 et seq.).

Sections 304 and 305 of the Land Recycling and Environmental Remediation Standards Act (the act) require the Department of Environmental Protection to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use a site-specific standard or who intend to remediate a site in a Special Industrial Area must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known contaminants at the site, the proposed remediation measures for the site, and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of the cleanup standards identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department and shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific cleanup standard, in whole or in part, and for sites determined to be located in Special Industrial Areas. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area by the person conducting remediation. For the sites identified below, a municipality may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified below. During this comment period, a municipality may request that the person identified below, as the remediator of a site, develop and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of a site. For further information concerning the content of a Notice of Intent to Remediate, please contact the Department of Environmental Protection Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office listed. TDD users may telephone the Department through the AT&T Relay Service at 1 (800) 654-5984.

Notice of Plan Approval Application Minor Source

The following stationary sources have filed a request for a plan approval with the Department of Environmental Protection (DEP), Bureau of Air Quality. Persons wishing to file protests or comments on the proposed plan approval have 30 days to submit the protests or comments to the Regional Office at the address listed below. Interested persons may also request that a hearing be held concerning the plan approval application by filing a request with the Regional Office stating the reason for the request.

The Department will evaluate and consider all protests and comments received. The Department will, where appropriate, modify the proposed plan approval based on the protests and comments received.

The final plan approval will contain terms and conditions to ensure that the source is constructed and operated in compliance with the Department's regulations contained in 25 Pa. Code Chapters 121 through 143 and the requirements of the Federal Clean Air Act. A notice of the Department's final decision on the proposed plan approval will be published in the *Pennsylvania Bulletin*. Air contaminants emitted from these sources are less than the amounts that would trigger major new source review requirements. For additional information on the following applications, contact Devendra Verma, Engineering Services Chief, (814) 332-6940.

Reasonably Available Control Technology; Public Hearings

The Department of Environmental Protection will conduct a public hearing on Thursday, August 1, 1996, beginning at 1 p.m. in the main floor conference room at the Department of Environmental Protection, Northwest Regional Office, 230 Chestnut Street, Meadville, PA 16335.

The hearing is for DEP to accept testimony concerning the Department's decision to approve, with conditions, Reasonably Available Control Technology (RACT) plans by:

Urick Foundry, 1501 Cherry Street, Erie, Erie County

EMI Company, 603 West 12th Street, Erie, Erie County

to meet the requirements under 25 Pa. Code §§ 129.91—129.95 (RACT), concerning the emissions of oxides of volatile organic compounds (VOC) from various air contamination sources. The final RACT proposals will be submitted to the U. S. Environmental Protection Agency (EPA) as a revision to Pennsylvania's State Implementation Plan. All of these facilities are located in Erie County.

The proposed SIP revisions do not adopt any new regulations. They incorporate the provisions and requirements contained in RACT approvals for these facilities to comply with current regulations.

The preliminary RACT determinations, if finally approved, will be incorporated into Plan Approvals and/or operating permits for the facilities and will be submitted to the U. S. Environmental Protection Agency (EPA) as a revision to Pennsylvania's State Implementation Plan.

The following is a summary of the preliminary VOC RACT determinations for the above listed facilities (major sources only):

The Jackson and East Taylor Township approved 537 revision provides for the abandonment of package treatment facilities and the abatement of onlot problems in the primarily residential areas along Route 271 north of Johnstown and south of Route 22. The project includes the construction of sewers, pump stations and force mains. Treatment is to be provided at the Dornick Point (Johnstown) Sewage Treatment Plant. Facilities are to be constructed and operated by the Jackson/East Taylor Sewer Authority (Authority).

The Authority proposes to use Pennsylvania's State Revolving Fund administered by the Pennsylvania Infrastructure Investment Authority (PENNVEST) for the construction of these sewerage facilities. The Department's review of the Sewage Facilities Update Revision has not identified any significant environmental impact resulting from this proposal.

The Department of Environmental Protection has taken the following actions on previously received permit applications, requests for Environmental Assessment approval, and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).

Any person aggrieved by this action may appeal, under section 4 of the Environmental Hearing Board Act (35

P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law) to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rule of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

Actions on applications filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27), section 302 of the Flood Plain Management Act (32 P. S. § 679.302), sections 5 and 402 of the act of June 22, 1937 (P. L. 1987, No. 394) (35 P. S. §§ 691.5 and 691.402) and notice of final action for certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. 1341(a)), (Note: Permits issued for Small Projects do not include 401 Certification, unless specifically stated in the description).

Registered and Certified Emission Reduction Credits

The following emission reduction credits (ERCs) have been approved, registered and certified by the Department of Environmental Protection (Department), Commonwealth of Pennsylvania and Department of Public Health, City of Philadelphia. An ERC is a surplus, permanent, quantifiable and Federally enforceable emissions reduction used to offset emission increases of the following criteria pollutants: oxides of nitrogen (NOx), volatile organic compounds (VOCs), particulate matter (PM), PM-10, particulate, carbon monoxide (CO), lead (Pb) and oxides of sulfur (SOx).

Under 25 Pa. Code § 127.209, the Department has established a computerized registry system to provide for the registration, certification and tracking of ERCs. Prior to registration of the credits, the Department reviews and approves ERC registry applications which meet the requirements of 25 Pa. Code §§ 127.206—208. Registration of the credits in the ERC registry system constitutes certification that the ERCs satisfy applicable requirements and that the credits are available for use. Certified ERCs may be used for the following purposes: (1) To satisfy new source review (NS. R.) offset ratio requirements; (2) To "net-out" of NS. R. at ERC-generating facilities; or (3) To sell or trade the ERCs to major facilities to offset proposed increases in emissions of criteria pollutants from proposed new or modified major facilities.

The ERCs shown below, expressed in tons per year (tpy) satisfy the applicable requirements contained in 25 Pa. Code §§ 127.206—208. For additional information concerning this listing of certified ERCs, contact Division of Permits, Department of Environmental Protection, Bureau of Air Quality, 12th Floor, Rachel Carson State Office Building, P. Proposed Revision to the Pennsylvania State Implementation Plan for Ozone; Public Hearing

Bucks, Chester, Delaware, Montgomery and Philadelphia Counties

The Department of Environmental Protection proposes to submit to the Federal Environmental Protection Agency a revision of the Pennsylvania State Implementation Plan (SIP) for ozone to meet the 15% Rate of Progress requirement (also known as the Reasonable Further Progress Plan) under section 182(b) of the Clean Air Act. This public hearing and comment period is intended to solicit comments on a revised 15% Rate of Progress Plan for the Pennsylvania portion of the Philadelphia severe ozone nonattainment area including the counties of Bucks, Chester, Delaware, Montgomery and Philadelphia. This revision updates the SIP and 1990 Baseline Inventory submitted to EPA on January 13, 1995. The Commonwealth is working with local stakeholders to help the southeast Pennsylvania area meet the health-related ground level ozone standards over the long term. More information is available at the DEP website described below.

The public hearing will be held at 1 p.m. on Monday, July 22, 1996, at the following location: Department of Environmental Protection, Southeast Regional Office, Lee Park—Suite 6010, 555 North Lane, Conshohocken, PA.

Persons wishing to present testimony at the hearing must contact Karen Matter at (717) 787-9495 or at the address given within this notice no later than July 18, 1996, to reserve a time to present testimony. Oral testimony will be limited to 10 minutes for each witness and 3 written copies of the oral testimony must be submitted at the hearing. Each organization should designate one witness to present testimony on its behalf.

Persons interested in submitting written comments should send the comments to J. Wick Havens, Chief, Division of Air Resource Management, at the address given within this notice on or before July 22, 1996. Copies of the proposed revision may be obtained from the Bureau of Air Quality, Rachel Carson State Office Building, 12th Floor, P. O. Box 8468, Harrisburg, PA 17105-8468 or by telephone at (717) 787-4310 (e-mail: Havens.Wick@A1.dep.state.pa.us). This proposal is also available on the DEP Web site at <http://www.dep.state.pa.us> (choose Public Participation Center/Proposals Open for Comment).

Persons with a disability who wish to attend the hearing, and require an auxiliary aid, service or other accommodation to participate in the proceeding, should

contact J. Wick Havens at the above address or telephone number; or for TDD users, the AT&T Relay Service at 1 (800) 654-5984 to discuss how the Department can best accommodate their needs.

Submission Date for Environmental Education Grants Applications under The Environmental Education Act

The Department of Environmental Protection announces that applications for the 1997 Environmental Education Grants Program are available.

The Environmental Education Act created an Environmental Education Fund from the annual deposit of 5% of the pollution fines and penalties collected by DEP. The fund is used to support new environmental education programs in DCNR's Bureau of State Parks; provide grants to schools, conservation organizations, educational organizations and county conservation districts. Some administrative costs associated with administering the grants program are also covered by this fund.

The purpose of this grants program is to stimulate environmental education in Pennsylvania through direct instruction, or through teacher training. Grants can be used to develop new programs, or to significantly improve the quality of existing programs. Projects may be large, comprehensive endeavors affecting many teachers and/or students, or they may be small, focused efforts to help an individual teacher or school implement an environmental education program.

This is a reimbursement program with grant awards to \$10,000. Grantees must provide a minimum of 25% in matching funds from non-State sources. Eligible applicants are as follows:

- Public and private schools for youth environmental education (kindergarten through secondary levels)
- Nonprofit conservation and education organizations and institutions, including public and private schools, for teacher training and preservice training in environmental education
- County conservation districts for youth education, teacher training or community education

Other interested parties may form partnerships or consortiums with an eligible applicant.

Applications may be submitted on or after July 1, 1996 and must be received by DEP, or postmarked, no later than November 1, 1996. Applications must be on the Department provided forms. Grant awards will be announced in April 1997. Awarded projects may begin July 1, 1997 or after.

Inquiries concerning this notice should be directed to Helen Olena at the Department of Environmental Protection, Environmental Education Grants Program, P. O. Box 8454, Harrisburg, PA 17105-8454, telephone number (717) 772-1828, or olena.helen@1.dep.state.pa.us.

Retention of Engineering Firms

**Columbia, Lycoming, Montour, Northumberland,
Snyder, Sullivan, Tioga, Union and
Bradford Counties
Reference No. 08430AG2000**

The Department of Transportation will retain an engineering firm for an open-end contract to provide supplementary construction inspection staff under the Department's Inspectors-in-Charge to perform construction inspection services on various projects in Engineering District 3-0, that is Columbia, Lycoming, Montour, Northumberland, Snyder, Sullivan, Tioga, Union and Bradford Counties. The contract will include roadway and bridge construction projects, and material plant inspection. The contract will be for a period of 30 months with a maximum cost of \$750,000.

It is anticipated that a maximum supplementary construction inspection staff of 25 inspectors will be required for this assignment.

The Department will establish an order of ranking of a minimum of three firms for the purpose of negotiating an open-end contract based on the Department's evaluation of the acceptable letters of interest received in response to this solicitation. The ranking will be established directly from the letters of interest. Technical proposals will not be requested prior to the establishment of the ranking.

The following factors, listed in order of importance, will be considered by the Department during the evaluation of the firms submitting letters of interest:

- a. Number of available inspectors in each payroll classification.
- b. Number of NICET certified inspectors in each payroll classification.
- c. Review of inspectors' resumes with emphasis on construction inspection capabilities and specialized experience in the maintenance and protection of traffic, soils, structures, concrete, asphalt paving and drainage.
- d. Understanding of Department's requirements, policies and specifications.
- e. Ability to provide CPM scheduling.
- f. Past performance.
- g. Workload.

The qualifications and experience required of the firm's inspectors will be established by the Department, and the qualifications of the firm's proposed employes will be reviewed and approved by the Department.

It is anticipated that the supplementary construction inspection staff for this assignment will consist of the following number of inspectors who meet the requirements for the following inspection classifications:

<i>Classification</i>	<i>No. of Inspectors</i>
Transportation Construction Manager 1 (TCM-1) (NICET Highway Construction Level 4 or equivalent)	1 (1)
Transportation Construction Insp. Super. (TCIS) (NICET Highway Construction Level 3 or equivalent)	10 (6)
Transportation Construction Inspector—Materials (TCI—Materials) (NICET Highway Materials Level 2 or equivalent)	2 (2)
Transportation Construction Inspector (TCI) (NICET Highway Construction Level 2 or equivalent)	10 (6)
Technical Assistant (TA) (NICET Highway Construction Level 1 or equivalent)	2 (2)

The numbers in parenthesis above indicate the number of inspectors in each Classification that must meet at least one of the following requirements:

- 1. Be certified by the National Institute for Certification in Engineering Technologies (NICET) in the field of Transportation Engineering Technology, subfield of Highway Construction, or subfield of Highway Materials, at the level required for the Inspection Classification.
- 2. Be registered as a Professional Engineer by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.

3. Be certified as an Engineer-in-Training by the Commonwealth of Pennsylvania with the required highway experience specified for the Inspection Classification.

4. Hold a Bachelor of Science degree in Civil Engineering or a Bachelor of Science degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

5. Hold an Associate degree in Civil Engineering Technology with the required highway experience specified for the Inspection Classification.

The maximum reimbursement of direct payroll cost for each Department Payroll Classification for calendar year 1996 will be limited to the actual direct salary of the individual employe, or the following rates, whichever is less:

<i>Payroll Classification</i>		<i>Direct Payroll Rate</i>
Transportation Construction Manager 1	(TCM-1)	\$19.79
Transportation Construction Inspector Supervisor	(TCIS)	\$17.34
Transportation Construction Inspector—Materials	(TCI—Materials)	\$15.68
Transportation Construction Inspector	(TCI)	\$15.18
Technical Assistant	(TA)	\$10.43

Maximum reimbursable direct payroll rates for subsequent calendar years, if applicable, will be established at the scope of work meeting.

The firm selected may be required to attend a preconstruction conference with the Department and the construction contractor for this project. Under the supervision and direction of the Department, the selected firm will be required to keep records and document the construction work; prepare current and final estimates for payment to the construction contractor; assist the Department in obtaining compliance with the labor standards, safety and accident prevention, and equal opportunity provisions of the contract item; and perform other duties as may be required. Firms applying must have qualified personnel capable of climbing structures during painting, rehabilitation or construction.

Letters of interest for this project must include a letter, signed by the individuals proposed for all TCM-1 and/or TCIS positions, giving their approval to use their names in the letter of interest for this specific project.

Technical questions concerning the requirements for this project should be directed to John P. Ryan, P.E., District 3-0, at (717) 368-5651.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

**Tioga County
Reference No. 08430AG2001**

The Department of Transportation will retain an engineering firm to complete and prepare final design plans and engineering services during construction for the structures on State Route 6015, Section D53, a new section of Traffic Route 15 in Liberty, Bloss and Hamilton Townships and Blossburg Borough, Tioga County. Improvements will include construction of a four lane limited access highway (to be designed by District 3-0

Roadway Unit) and one single and three dual grade separation structures. The estimated construction cost of this project is \$26.5 million.

The selected firm will be required to provide services within the multipart contract including: type, size and location; soils borings; foundation design; preparation of bridge plans, specifications and estimates; hydraulics studies and joint waterway permit applications as applicable; maintenance and protection of traffic as applicable; erosion and sediment pollution control; and engineering services during construction. Coordination with the District Roadway Unit will be vital.

The goal for Disadvantaged Business Enterprise (DBE) participation in this agreement shall be 15% of the total contract price. Additional information concerning DBE participation in this agreement is contained in the General Requirements and Information section after the advertised projects.

Technical questions concerning the requirements for this project should be directed to John W. Elwell, P.E., Consultant Liaison Engineer, District 3-0, at (717) 368-4256.

Questions concerning the submittal of the letter of interest can be directed to the Consultant Agreement Division at (717) 783-9309.

General Requirements and Information

Firms interested in performing any of the above services are invited to submit letters of interest to: Director, Consultant Selection Committee, Room 1118, Transportation and Safety Building, Harrisburg, PA 17120.

A separate letter of interest and required forms must be submitted for each project for which the applicant wishes to be considered. The letter of interest and required forms must be received within 13 calendar days of this notice. The deadline for receipt of a letter of interest at the above address is 4:30 p.m. of the thirteenth day.

If the project advertisement indicates that the Department will retain an engineering firm, letters of interest will only be accepted from individuals, firms or corporations duly authorized to engage in the practice of engineering. If an individual, firm or corporation not authorized to engage in the practice of engineering desires to submit a letter of interest, said individual, firm or corporation may do so as part of a joint venture with an individual, firm or corporation which is permitted under State law to engage in the practice of engineering.

If a goal for Disadvantaged Business Enterprise (DBE) participation is established for an advertised project, firms expressing interest in the project must agree to ensure that Disadvantaged Business Enterprise (DBE) firms as defined in the Intermodal Surface Transportation Efficiency Act of 1991 and currently certified by the Department of Transportation shall have the maximum opportunity to participate in any subcontracting or furnishing supplies or services approved under Form 442, Section 1.10(a). The act requires that firms owned and controlled by women (WBEs) be included, as a presumptive group, within the definition of Disadvantaged Business Enterprise (DBE). The goal for DBE participation shall be as stated in the individual project advertisement. Responding firms shall make good faith efforts to meet the DBE goal using DBEs (as they were defined prior to the act), WBEs or combinations thereof. Proposed DBE firms must be certified at the time of submission of the

letter of interest. If the selected firm fails to meet the goal established, it shall be required to demonstrate its good faith efforts to attain the goal. Failure to meet the goal and to demonstrate good faith efforts may result in being barred from Department contracts in the future.

Responses are encouraged by small engineering firms, disadvantaged business enterprise engineering firms and other engineering firms who have not previously performed work for the Department of Transportation.

Each letter of interest must include in the heading, the firm's Federal Identification Number and the Project Reference Number indicated in the advertisement. The letter of interest must also include the following:

1. Standard Form 255, "Architect-Engineer and Related Services Questionnaire for Specific Project."

2. Standard Form 254, "Architect-Engineer and Related Services Questionnaire" not more than 1 year old as of the date of this advertisement, must accompany each letter of interest for the firm, each party to a joint venture and for each subconsultant the firm or joint venture is proposing to use for the performance of professional services regardless of whether the subconsultant is an individual, a college professor or a company. Please disregard the statements on Standard Form 255 that indicate a Standard Form 254 is only required if not already on file with the contracting office. The Department does not maintain a file for Standard Form 254 for contracting purposes; therefore, this Form is required for the prime consultant and each subconsultant as stated above.

3. Two copies of the Department's Form D-427 (Rev. 6-89), "Current Workload" for the firm submitting the letter of interest. At least one copy of Form D-427 must remain free and not bound in any way to any other portion of the letter of interest or accompanying documentation. Copies of Form D-427 are available upon request from the above address or by contacting the Department's Consultant Agreement Division at (717) 783-9309.

4. Firms with out-of-State headquarters or corporations not incorporated in Pennsylvania must include with each letter of interest a copy of their registration to do business in the Commonwealth as provided by the Department of State. Firms who are not registered to do business in Pennsylvania at the time of this advertisement must document that they have applied for registration to the Department of State, Corporation Bureau. The telephone number for the Corporation Bureau is (717) 787-1057 or (717) 787-2004.

The Standard Form 255 must be filled out in its entirety including Item No. 6 listing the proposed subconsultants and the type of work or service they will perform on the project. If a Disadvantaged Business Enterprise (DBE) goal is specified for the project, the DBE must be presently certified by the Department of Transportation, and the name of the firm and the work to be performed must be indicated in Item 6. If a Women Business Enterprise (WBE) firm is substituted for the DBE, the WBE firm must also be presently certified by the Department of Transportation and indicated in Item 6.

The Standard Form 254 must be signed and dated and must be less than 1 year old as of the date of this advertisement. A Standard Form must accompany each letter of interest for the firm submitting the letter of interest, each party to a joint venture, and for each

subconsultant shown under Item 6 of the Standard Form 255.

Unless other factors are identified under the individual project reference number, the following factors, listed in their order of importance, will be considered by the Committee during their evaluation of the firms submitting letters of interest:

- a. Specialized experience and technical competence of firm.
- b. Past record of performance with respect to cost control, work quality, and ability to meet schedules. The specific experience of individuals who constitute the firms shall be considered.
- c. Current workload and capacity of firm to perform the work within the time limitations.
- d. Location of consultant.
- e. Special requirements of the project.
- f. Other factors, if any, specific to the project.

The Department currently limits its participation in the remuneration of principals or consultant employees performing work on projects to \$72,800 per annum or \$35 per hour or their actual audited remuneration, whichever is less. The Department currently limits its participation in the consultant's indirect payroll costs (overhead) on design and miscellaneous projects to 130% of the direct payroll cost or the consultant's actual audited overhead rate, whichever is less. The Department currently limits its participation in the consultant's indirect payroll costs (overhead) on construction inspection projects to 85.2% of the direct payroll cost or the consultant's actual audited overhead rate, whichever is less. The Department's limitations will apply to the projects advertised above unless the Department policy is revised prior to the negotiation of an agreement or contract.

The assignment of the above services will be made to one of the firms responding to this notice, but the Committee reserves the right to reject all letters of interest submitted, to cancel the solicitations requested under this notice, and/or to readvertise solicitation for these services.

INDEPENDENT REGULATORY REVIEW COMMISSION

Actions Taken by the Commission

The Independent Regulatory Review Commission met publicly at 11 a.m., Thursday, June 6, 1996, and took the following actions:

Regulations Approved:

Department of Transportation #18-339: Work Zone Traffic Control (amends 67 Pa. Code Chapter 203)

Commissioners Present: John R. McGinley, Jr., Chairperson; Robert J. Harbison, III, Vice Chairperson; Arthur Coccodrilli; John F. Mizner; Irvin G. Zimmerman

Public meeting held
June 6, 1996

*Department of Transportation—Work Zone Traffic Control;
Doc. No. 18-339*

Order

On May 7, 1996, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of Transportation (Department). This rulemaking would amend 67 Pa. Code Chapter 203 relating to Work Zone Traffic Control and, specifically, section 203.83 relating to arrow panels. The statutory authority for this rulemaking is found in sections 6103, 6109(a)(15), 6121 and 6123 of the Motor Vehicle Code (Vehicle Code) (75 Pa.C.S. §§ 6103, 6109(a)(15), 6121 and 6123). Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This rulemaking would conform the Department's system of traffic control devices used in road work zones more closely to the National standard for traffic control devices on all highways open to public travel. That standard is set in the *Manual on Uniform Traffic Control Devices for Streets and Highways* (MUTCD), as approved by the Federal Highway Administration (FHWA). Section 6121 of the Vehicle Code, relating to uniform system of traffic control devices, requires the Department to devise a uniform system of traffic control devices which conform, as nearly as possible, to Federal standards.

The MUTCD standard was amended by the FHWA on April 11, 1995 (at 60 *Federal Register* 18520) to, *inter alia*, allow an additional "caution" signal to be used on arrow panels located at road work sites. It would allow four or more flashing horizontal lights, arranged in a straight line or "bar" across the center of an arrow panel, with no illumination of the accompanying right and left directional arrows. Under the current regulation, the only permissible "caution" signal consists of four illuminated lamps arranged in a rectangular pattern that do not indicate a direction of travel (commonly known as "four-corners").

The Department seeks approval of this rulemaking as soon as possible to conform to the MUTCD standard, especially to assure continuation of funding for Federally-aided highway construction projects. As a consequence, the Department has omitted Notice of Proposed Rulemaking under section 204 of the Commonwealth Documents Law (45 P. S. § 1204(3)) because it states that the proposed rulemaking procedures are, in the circumstances, impractical, unnecessary, and contrary to the public interest.

The FHWA amended the MUTCD standard to include the "bar" caution mode after it was discovered that arrow display panels currently in use could not easily be converted to the four-corners lamp display pattern; converting the programming electronics for each panel would cost about \$850. The FHWA announced that permitting only the use of the four-corners display would cause an undue financial hardship on many public agencies. Following the FHWA action, the Department has determined that the time and expense of converting arrow panels to the four-corners pattern, or purchasing new panels with this capability, cannot be justified and the regulation should be amended to include a provision for the "bar" caution mode.

This rulemaking will affect the Department, its officials and employees, other Commonwealth agencies which hire or affect the hiring of private contractors to perform work on public roadways, local governments, utility companies, private contractors that perform work for the Commonwealth and its political subdivisions, and companies that manufacture or repair the arrow panels used at road work sites in the Commonwealth.

We have reviewed this regulation and find it to be in the public interest. It will allow the use of an additional "caution" mode symbol, consistent with the Federal MUTCD standard, to be displayed as a warning to motorists approaching road work sites. Its implementation will also enable the Department to meet its statutory obligations under section 6121 of the Vehicle Code.

We also urge the Department, however, to institute a campaign to educate the motoring public to readily associate the flashing horizontal bar and four-corners symbols with "caution." We make this recommendation because we were surprised to discover that none of the representatives of the various entities we contacted about this amendment knew that flashing "bar" and "four-corners" light configurations are intended to denote "caution" to approaching motorists. Consequently, ignorance and confusion about the meaning of "bar" and "four-corners" light configurations will be counterproductive to the Department's efforts in making this regulatory change.

We suggest that one way to educate the public would be to utilize larger, computerized message display panels to display the word "caution" in combination with the "bar" or "four-corners" light configurations. This will help the greatest number of motorists associate "caution" with these symbols in other road work situations where the symbols appear alone. Other important educational steps the Department can take include: updating the driver's manual; highlighting these "caution" mode symbols in the curriculum for driver's education; updating brochures dealing with how to drive safely in or near road work projects; adding the "caution" symbols to placements in restaurants along the turnpike and interstate highways; and explaining what these symbols mean in the publication of this rulemaking in the *Pennsylvania Bulletin*.

Therefore, It Is Ordered That:

1. Regulation No. 18-339 from the Department of Transportation, as submitted to the Commission on May 7, 1996, is approved; and

2. The Commission will transmit a copy of this Order to the Legislative Reference Bureau.

INSURANCE DEPARTMENT

Application and Request for a Certificate of Authority

UPMC HMO has applied for a Certificate of Authority to operate as a health maintenance organization in Pennsylvania. The initial filing was received on March 1, 1996 and was made under the requirements set forth under the Business Corporation Law of 1988, 15 Pa.C.S. § 1 *et seq* and the Insurance Laws, 40 P. S. § 1551 *et seq*. Persons wishing to comment on the grounds of public or private interest to the issuance of the Department's order approving this Certificate of Authority are invited to submit a written statement to the Insurance Department within 15 days from the date of this issue of the *Pennsylvania Bulletin*. Each written statement must include name, address and telephone number of the interested party, identification of the application to which the statement is addressed and a concise statement with sufficient detail and relevant facts to inform the Insurance Department of the exact basis of the statement. Written statements should be directed to Carolyn Smith, Insurance Company Licensing Specialist, Insurance Department, 1345 Strawberry Square, Harrisburg, PA 17120, (717) 787-2735.

STATE CONTRACTS INFORMATION

DEPARTMENT OF GENERAL SERVICES

Notices of invitations for bids and requests for proposals on State contracts for services and commodities for which the bid amount is reasonably expected to be over \$10,000, are published in the State Contracts Information Section of the *Pennsylvania Bulletin* prior to bid opening date. Information in this publication is intended only as notification to its subscribers of available bidding and contracting opportunities, and is furnished through the Department of General Services, Vendor Information and Support Division. No action can be taken by any subscriber or any other person, and the Commonwealth of Pennsylvania is not liable to any subscriber or any other person, for any damages or any other costs incurred in connection with the utilization of, or any other reliance upon, any information in the State Contracts Information Section of the *Pennsylvania Bulletin*. Interested persons are encouraged to call the contact telephone number listed for the particular solicitation for current, more detailed information.

EFFECTIVE JULY 1, 1985, A VENDOR'S FEDERAL IDENTIFICATION NUMBER (NUMBER ASSIGNED WHEN FILING INCOME TAX DOCUMENTS) OR SOCIAL SECURITY NUMBER IF VENDOR IS AN INDIVIDUAL, MUST BE ON ALL CONTRACTS, DOCUMENTS AND INVOICES SUBMITTED TO THE COMMONWEALTH.

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". A qualified small business concern is an independently owned, operated for profit, business employing 100 or fewer employes and is not a subsidiary or affiliate of a corporation otherwise not qualified.

Such penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter. The small business concern must include on every invoice submitted to the Commonwealth: "(name of vendor) is a qualified small business concern as defined at 4 Pa. Code § 2.32".

For information on the required payment date and annual interest rate, please call the Pennsylvania Department of Commerce, Small Business Action Center, 483 Forum Building, 783-5700.

GET THAT COMPETITIVE EDGE—FOR FREE!

Do you want to do business with your state government? The Treasury Department's office of Contract Information Services can assist you by providing you with information that may be helpful to you in successfully bidding on State contracts.

Act 244 of 1980 requires Commonwealth departments and agencies to file with the Treasury Department a copy of all contracts involving an expenditure of \$5,000 or more.

These fully executed contracts usually contain the vendor's name, dollar value, effective and termination dates and contract specifications. Some contracts also include the names of other bidding vendors and the bid proposal compiled by the awarded vendor. There is a minimal cost for photocopying contracts.

Allow the Treasury Department to "make a difference for you." For contract information call the office of Contract Information Services TOLL-FREE (in Pennsylvania) at 1-800-252-4700 or (717) 787-4586. Or you may write or visit the office at Room G13, Finance Building, Harrisburg, Pa. 17120.

SP281360 The Dept. of Revenue has a need to access demographic information stored in the data base of a private credit bureau reporting service to locate taxpayers who cannot be found through other means. Access to this service is to be made by placing a telephone call to the contractor's data base location. A terminal at the Department will then transmit a request for a specific credit agency report. A credit bureau report, when available, will be transmitted back to the Department for terminal display. Also, the Department wishes to have two printers connected to the terminal to make hard copies of the report. It is estimated that 500 reports per month will be made from two locations: 5th Floor, Strawberry Square, Harrisburg, PA and 6th Floor, Strawberry Square, Harrisburg, PA. The Department would like the option to renew the contract for one active year.

RFP No. 6-96 This RFP is to provide for Management, Administration and Operation of Cresson Secure Treatment Unit and South Mountain Secure Treatment Unit. These units are 50 bed highly secure facilities for serious and habitual delinquent males and will be situated in newly constructed, stand alone buildings on the grounds of State Correctional Institution—Cresson (Cambria County) and South Mountain Restoration Center (Franklin County). This service is to provide a highly secure program that is designed to serve adjudicated delinquents between the ages of 16 and 20 years who are serious offenders, extremely aggressive runaway risks who may have serious emotional problems. Students committed to the unit have had prior contacts with the courts, have had several placements and are most often lacking in the internal control necessary to cope in less secure settings, and thus require controls provided by a maximum security setting. Cresson Security Treatment Unit—(CSTU). South Mountain Secure Treatment Unit—(SMSTU).

Department: Public Welfare
Location: CSTU—grounds of State Correctional Institution—Cresson (Cambria County) and SMSTU—grounds of South Mountain Restoration Center (Franklin County)
