READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

Bulletin before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where "no fiscal impact" is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

THE GOVERNOR

GOVERNOR'S OFFICE

Proclamation Disaster Emergency

June 2, 1998

Whereas, Ongoing investigations made at my direction have disclosed that widespread and unusually heavy winds caused by a severe weather system on or about May 31, 1998 that included a series of confirmed tornadoes, have resulted in extensive damage to private homes, businesses, public infrastructures, utility outages, road closures, and other adverse impacts upon the general population in Northeastern, South-central, and Southeastern Pennsylvania; and

Whereas, the emergency situation throughout the Commonwealth has the potential for requiring the sheltering of those citizens for their protection; and

Whereas, the emergency situation has been of such magnitude and severity as to render essential the Commonwealth's supplementation of county and municipal efforts and resources and the activation of all applicable state, county, and municipal emergency response plans.

Now Therefore, Pursuant to the provisions of Subsection 7301(c) of the Emergency Management Services Code (35 Pa.C.S. Section 7101 et. seq.), I do hereby proclaim the existence of a disaster emergency in the affected areas of Berks, Chester, Delaware, Lancaster, Monroe, Montgomery, Philadelphia, Pike and Somerset Counties, and I direct all Commonwealth departments and agencies to utilize all available resources and personnel as is deemed necessary to cope with the magnitude and severity of this emergency situation.

Further, I hereby transfer up to \$1,000,000 in unused appropriated funds to the Pennsylvania Emergency Management Agency. The aforementioned funds shall be used for disaster-related expenses incurred by various state agencies and departments. These funds shall be credited to a special account established by the Office of the Budget. The time-consuming bid and contract procedures and formalities normally prescribed by law shall be waived for the duration of the Proclamation, mandatory constitutional requirements excepted.

Further, I hereby authorize the Secretary of the Department of Transportation to use all available equipment, resources and personnel of the Department, in whatever manner that he deems necessary, obstructions resulting from this severe storm. In addition, I hereby waive any laws or regulations that would restrict the application and use of the Department's equipment, resources, and personnel to assist local jurisdictions in clearing and removal of debris and other types of obstructions from non-state-owned highways. This assistance to local jurisdictions may be provided solely at the discretion of the Secretary of the Department of Transportation. However, this assistance does not apply to privately owned highways, roads, streets, or other types of property.

Further, I have directed that the emergency response and recovery aspects of the Commonwealth and all applicable county, municipal and other disaster emergency response and recovery plans be activated and that all state, county, and municipal actions taken to implement those plans be coordinated through the Pennsylvania Emergency Management Agency; and

Further, pursuant to the powers vested in me by the Constitution and laws of this Commonwealth, I hereby authorize the Adjutant General of Pennsylvania to place on state active duty for the duration of the

emergency/disaster proclamation, such individuals and units of the Pennsylvania National Guard, as requested by the Pennsylvania Emergency Management Agency, to alleviate the danger to public health and safety caused by the aforementioned emergency.

Still Further, I hereby urge the governing bodies and executive officers of all political subdivisions affected by this emergency to act as necessary to meet the current exigencies as legally authorized under this proclamation, namely: by the employment of temporary workers, by the rental of equipment and by entering into such contracts and agreements as may be required to meet the emergency, all without regard to those time-consuming procedures and formalities normally prescribed by law, mandatory constitutional requirements excepted.

Given, under my hand and the Seal of the Governor, this second day of June in the year of our Lord one thousand nine hundred and ninety-eight and of the Commonwealth the two hundred and twenty-second.

Governor

[Pa.B. Doc. No. 98-953. Filed for public inspection June 19, 1998, 9:00 a.m.]

Amendment to Proclamation

June 3, 1998

Whereas, on May 31, 1998, a severe weather system that included a series of confirmed tornadoes struck several counties in Northeastern, South-central, and Southeastern Pennsylvania and caused extensive damage to private homes, businesses, public infrastructure and posed other adverse impacts upon the general population of those counties; and

Whereas, due to the severe weather system and resultant extensive damage in the above described areas of the Commonwealth, I declared a State of Disaster Emergency in nine counties of the Commonwealth on June 2, 1998; and

Whereas, a second severe weather system that included additional tornadoes struck other areas of the Commonwealth during the evening of June 2, 1998, causing additional damage to private homes and public infrastructure, and resulting in utility outages, road closures, and other adverse life safety impacts for the general population of Allegheny, McKean and Wyoming Counties; and

Whereas, investigations by state agencies of recently developing conditions indicate that additional resources of the Commonwealth may be needed to assist county and municipal efforts to mitigate and contend with the magnitude and severity of this expanding disaster emergency.

Now Therefore, Pursuant to the provisions of Subsection 7301(c) of the Emergency Management Services Code (35 Pa.C.S. Section 7101 et. seq.), I do hereby amend my Proclamation of June 2, 1998, as follows:

The counties of Allegheny, McKean, and Wyoming are now declared to be in a state of disaster emergency and are added to the previously designated

disaster emergency area. This Proclamation Amendment shall take effect immediately.

Given, under my hand and the Seal of the Governor, at the City of Harrisburg, this third day of June in the year of our Lord one thousand nine hundred and ninety-eight and of the Commonwealth the two hundred and twenty-second.

Amendment to Proclamation

June 5, 1998

Whereas, on May 31, 1998, a severe weather system that included a series of confirmed tornadoes struck several counties in Northeastern, South-central, and Southeastern Pennsylvania and caused extensive damage to private homes, businesses, public infrastructure and posed other adverse life safety impacts upon the general population of those counties; and

Whereas, on June 2, 1998, a second severe weather system that included additional tornadoes struck other areas of the Commonwealth and caused additional damage to private homes, businesses, public infrastructure and posed other adverse life safety impacts for the general population of the Commonwealth to the extent that Allegheny, McKean and Wyoming counties were added to the previously designated emergency area; and

Whereas, the cumulative impacts of the two severe weather systems and their accompanying tornadoes caused scattered and on occasion isolated pockets of damage and destruction to occur to private and public property in other areas of the Commonwealth not previously identified by damage assessment teams as having suffered damage or destruction; and

Whereas, there continues to be a need for the Commonwealth's augmentation of county and municipal efforts and resources and the continuing activation of all applicable state, county, and municipal emergency response plans in order to mitigate and contend with the magnitude and severity of this expanding disaster emergency; and

Whereas, the severe weather systems which struck the Commonwealth on May 31, 1998, and June 2, 1998, have resulted in the interruption of necessary utility services to a large number of Commonwealth communities.

Now Therefore, pursuant to the provisions of Subsection 7301(c) of the Emergency Management Services Code (35 Pa.C.S. Section 7101 et. seq.), I do hereby amend my Proclamation of June 2, 1998, as follows:

1. The counties of Beaver and Northumberland are now declared to be in a state of disaster emergency and are added to the previously designated disaster emergency area.
2. I direct that the Pennsylvania Emergency Management Agency coordinate the activities of the various agencies of the Commonwealth to take appropriate action aimed at the alleviation of human suffering, the removal and/or disposal of dangerous or hazardous debris or other forms of

hazardous substances or materials found to be located in disaster designated areas, the restoration of essential public services, and the preparation of damage assessment reports concerning the economic, financial, public safety, and other impacts caused to Pennsylvania by these two severe weather systems.

3. I hereby grant temporary complete reciprocity, in relation to the registration of motor vehicles and liquid fuels and fuels permits for motor vehicles, to all utility service vehicles entering this Commonwealth from other states to assist in the restoration of these necessary and vital utility services in the Commonwealth. This temporary complete reciprocity shall be retroactive to May 31, 1998.

Given, under my hand and the Seal of the Governor, at the City of Harrisburg, this fifth day of June in the year of our Lord one thousand nine hundred and ninety-eight and of the Commonwealth and the two hundred and twenty-second.

PART IV. COURT OF JUDICIAL DISCIPLINE

[207 PA. CODE CH. 7]

Amendment to the Rules of Procedure; Doc. No. 1
JD 94

Per Curiam

Order

And Now, this 3rd day of June, 1998, the Court, pursuant to Article 5, Section 18(b)(4) of the Constitution of Pennsylvania and in accordance with this Court's Order dated March 23, 1998, having: (1) Adopted proposed new Rules of Procedure 704 and 705, and (2) Re-numbered former Rules of Procedure 704, 705 and 706, *It Is Hereby Ordered*:

That Rules of Procedure 704 through 708 shall become effective immediately.

Annex A

TITLE 207. JUDICIAL CONDUCT

PART IV. COURT OF JUDICIAL DISCIPLINE

ARTICLE III. OTHER PROCEEDINGS

CHAPTER 7. OTHER RELIEF

Rule 704. Motion to Dismiss.

Any party may file a motion to dismiss the petition on any legal ground within 14 days after the service of the petition unless the Court shortens or lengthens the time for filing such motion.

The motion shall state with particularity the grounds for the motion and the facts and legal principles which support each ground. The motion shall be divided into consecutively numbered paragraphs, each containing only one material allegation as far as practicable.

Rule 705. Reply to Motion to Dismiss.

(A) Any party may file a reply to the motion to dismiss within 10 days of the filing of the motion unless the Court shortens or lengthens the time for filing such reply.

(B) The reply shall be divided into consecutively numbered paragraphs corresponding to the numbered paragraphs of the motion. The reply shall meet the allegations of the motion.

Rule 706. Preliminary Motions.

(A) Preliminary motions in a matter other than one commenced by the filing of formal charges may be decided by a Conference Judge appointed by the President Judge for that purpose. The Conference Judge may schedule a hearing or argument on the motion, as is appropriate, or may defer any ruling to be decided by the Court. No ruling on a preliminary motion shall constitute a final order for the purpose of appeal.

(B) A decision by the Conference Judge which has the effect of terminating a proceeding based on a Petition for Relief shall be reviewed by the full Court. A majority vote shall be required to sustain such a decision.

Rule 707. Verification.

A petition, answer, motion or reply which sets forth facts which do not already appear of record, shall be verified by the party filing it or by counsel for the Board, subject to penalties for unsworn falsification to authorities under the Crimes Code, 18 Pa.C.S. § 4904.

Rule 708. Hearing or Argument.

The Court may schedule argument or an evidentiary hearing on the petition.

WASHINGTON COUNTY

Local Civil Rule L-211 Mini Trials; No. 9800001

Order

And Now, this 28th day of May, 1998, *It Is Hereby Ordered* that Local Civil Rule L-211 be adopted as follows:

This amendment shall become effective thirty days after publication in the *Pennsylvania Bulletin*.

THOMAS D. GLADDEN,
President Judge

Local Rule 211. Rules for Mini-Jury Trials.

a) *Purposes*. The purpose of mini-jury trials is to establish a less formal procedure for the resolution of civil actions for money damages while preserving the right to

a jury trial in a trial de novo. As a part of the Court's pretrial procedures, the Court may refer cases for a mini-jury trial either on motion of a party or sua sponte.

b) *Preliminary Considerations.* The following shall be considered, but shall not be controlling, in determining if civil cases are amenable for mini-jury trial.

1. *Time necessary for regular trial.* The Court will determine if the regular trial time would be three (3) days or more.

2. *Consent of attorneys.* While the Court will attempt to obtain the consent of the attorneys to a mini-jury trial, the Court shall have the authority to direct a mini-jury trial as an extension of the settlement conference.

3. *Existing offer and demand.* The Court will attempt to obtain the agreement of counsel to keep any current offer and demand open for forty-eight hours after the mini-jury trial verdict.

4. *Credibility.* The Court will determine if the major issues will be resolved on the basis of credibility.

5. *Appeals from arbitration.* Cases appealed from arbitration will be presumptive candidates for mini-jury trials.

c) *Mini-jury trials.* The following procedures shall apply to all mini-jury trials.

1. *Attendance of parties.* Individual parties shall attend the mini-jury trial. An officer or other responsible lay representative of a corporate party or a claims adjuster for an insurance carrier shall attend the mini-jury trial.

2. *Non-binding effect.* Mini-jury trials are for settlement purposes only and are non-binding. Nothing done by counsel with reference to the mini-jury trial shall be binding on counsel or the parties or shall constitute a waiver, unless specifically stipulated to or agreed upon by the parties.

3. *Special verdict questions.* Cases will be submitted to the juries by way of special verdict questions. Counsel shall submit a joint statement of proposed special verdict questions for use at trial prior to the selection of the jury. If counsel cannot agree on a joint statement, the Court or special master will select the special verdict questions to be used. Special verdict questions for the mini-jury trial need not be the same as those for a regular jury trial. The jury will determine the amount of damages in all cases, regardless of whether a defendant is found to be liable or not liable. The Court or special master will determine the format to be used and make rulings on disputed questions.

4. *Size of Juries.* The number of jurors shall be six (6) and the agreement of five-sixths of the jury shall be necessary to reach a verdict. There shall be no peremptory challenges to jurors but jurors may be excused for cause.

5. *Presentation of the Case by Counsel.* Each side shall be entitled to one hour for presentation of its case unless counsel presents a compelling reason at a pretrial conference why more time for each side should be allocated. Presentation of the case by counsel may involve a combination of argument, summarization of evidence to be presented at the regular trial and a statement of the

applicable law but only to the extent it is needed to be known by the jury in answering the special verdict questions. Counsel may call witnesses but cross-examination shall only be done as part of a party's presentation of its case. Counsel may quote from depositions and/or reports to the extent that such evidence can reasonably be anticipated to be admissible at the time of trial. Counsel may use exhibits and video tapes. Counsel should not refer to evidence which would not be admissible at trial. The Plaintiff shall proceed first and shall have a five (5) minute rebuttal following the presentation of the defendant's case.

6. *Applicable law.* The judge or special master will charge the jury on the applicable law to the extent it is appropriate and needed to be known by the jury in answering the special verdict questions. The attorneys shall agree upon the points for charge. The points for charge shall be submitted to the Court or special master prior to the selection of the mini-jury. The Court or special master shall rule on any disputes on a point for charge.

7. *Jury verdict.* The jury will be asked to return a verdict if five-sixth of them agree to it. (The same five-sixth majority need not answer each special verdict question.)

8. *Length of Deliberations.* If the jury does not reach a five-sixths majority verdict within a reasonable time, the Court or special master will consider polling the jurors individually.

9. *Oral questions to mini-jury.* After the verdict, counsel may address questions in open court to the foreperson of the jury. Only questions that can be answered yes or no or by a dollar figure may be asked. The attorneys shall be limited to ten questions each unless a greater number is allowed by the Court or special master for cause shown. No questions shall be asked the answer to which will disclose the personal view of any particular member of the jury.

10. *Scheduling regular trial.* Should the mini-jury trial not result in a settlement, the regular trial shall not be held the same calendar week unless the jury is dismissed and will not come into contact with the balance of the venire.

11. *Release of verdict.* The mini-jury trial is an extension of the settlement conference and the verdict shall not be made public.

d) *Selection of Special Masters.* The Court Administrator shall maintain a roster of special masters who shall be designated from time to time by the Court from applications submitted by or on behalf of attorneys eligible to serve. To be eligible for selection by the Court, an attorney must have been admitted to practice for not less than ten (10) years, be recommended by the Committee on Alternate Dispute Resolution or be a member of the Academy of Trial Lawyers of Southwestern Pennsylvania and determined by the President Judge to be competent to perform the duties of a special master. The parties may agree upon a mediator from without the roster maintained by the Court Administrator, including a person who is not a lawyer, provided that the name of such person be submitted to, and approved by, the President Judge.

1. *Application Process.* Any lawyer possessing the qualifications set forth for a special master who desires to serve as a special master may submit an application on the form which is available in the Office of the Court Administrator. The Committee on Alternate Dispute Resolution shall submit a list of qualified persons to the Court Administrator. The President Judge shall certify as many special masters as determined to be necessary for the program.

2. *Withdrawal by Special Master.* Any person whose name appears on the roster maintained by the Court Administrator may ask at any time to have his/her name removed or, if selected to serve, decline to serve but remain on the roster.

3. *Disqualification.* Persons selected to be special masters shall be disqualified for bias or prejudice and shall disqualify themselves in any action in which they would be required to disqualify themselves if they were a judge. Each person serving as a special master shall take the prescribed oath or affirmation.

RULES AND REGULATIONS

Title 55—PUBLIC WELFARE

DEPARTMENT OF PUBLIC WELFARE

[55 PA. CODE CH. 181]

Medical Assistance Income

Statutory Authority

The Department of Public Welfare (Department), by this order, adopts an amendment to Chapter 181 (relating to income provisions for categorically needy NMP-MA and MNO-MA) to read as set forth in Annex A under the authority of sections 201(2) and 403(b) of the Public Welfare Code (code) (62 P. S. §§ 201(2) and 403(b)).

Notice of proposed rulemaking is omitted in accordance with section 204(1)(iv) of the act of July 31, 1968 (P. L. 769, No. 240) (CDL) (45 P. S. § 1204(1)(iv)) and 1 Pa. Code § 7.4(1)(iv) because the administrative regulations relate to Commonwealth grants and benefits. Additionally, notice of proposed rulemaking is omitted for good cause as unnecessary under section 204(3) of the CDL and 1 Pa. Code § 7.4(3).

The amendment affects the Federal Medical Assistance Program (MA) and is a result of a decision by the United States District Court for the Eastern District of Pennsylvania which ordered this change. The Court Order is very specific and does not allow any administrative discretion in its application. After the decision, a written directive from the Department of Health and Human Services (DHHS) was received advising that the Court Order is to be followed instead of the Federal regulations as previously interpreted by DHHS.

This amendment is a benefit to MA recipients who receive aid and attendance benefits from the Federal Department of Veterans' Affairs (VA). By order of the Court the Department implemented the required change effective retroactive to March 1, 1991.

Failure to conform State regulations with the Court Order and the written directive from DHHS will seriously jeopardize Federal Financial Participation (FFP) and might subject the Commonwealth to the imposition of legal sanctions by the Court. This would be contrary to the public interest. Both the Court Order and the directive of DHHS are very specific, allowing for no alternative means of compliance. Therefore, the Department has no discretion and must implement the requirements in this amendment to reduce the potential for quality control errors and allow continued receipt of Federal funds. Accordingly, the Department is formalizing the amendment found in Annex A with proposed rulemaking omitted.

Purpose

The purpose of the amendment is to incorporate court ordered requirements relating to the treatment of VA aid and attendance benefits when determining the posteligibility contribution toward cost of care in a nursing facility (NF) under § 181.452 (relating to posteligibility determination of income available from an MA eligible person toward the cost of care). These requirements

specify that the VA aid and attendance benefit received by an MA recipient in an NF is not counted as income when determining the amount of income a recipient is expected to pay toward the cost of care in the NF.

Previously, this benefit was only not counted as income in determining eligibility for MA, as the Department had been directed by DHHS.

The amendment also provides for a clarification to the limited exception to not counting the VA aid and attendance benefit in the posteligibility determination not at issue in the litigation, involving the VA's statutory right to decide how an incompetent veteran or an incompetent spouse or child of a veteran may use the benefit. As the VA has the legal right to determine an incompetent beneficiary's use of the benefit, the county assistance office (CAO) must count the benefit if the VA provides a written request to the CAO to count the benefit toward the cost of care. (38 U.S.C.A., Chapter 55, Minors, Incompetents, and Other Wards; 38 CFR (relating to pensions, bonuses, veterans' relief); and Section 1, *Fiduciary and Field Examination Program Manual*, Chapter 6, Adult Beneficiaries.)

Background

Prior to March 1, 1991, the VA aid and attendance benefit was not counted as income in the posteligibility determination of a nursing facility patient's contribution toward cost of care for those MA recipients receiving this benefit. The Health Care Financing Administration (HCFA) had threatened to deny FFP unless the Department changed its regulations and counted this income. An amendment was necessary to assure Federal funding for the MA Program.

As a result effective March 1, 1991, the Department implemented regulations to count as available income in the posteligibility determination that portion of VA pension identified as an aid and attendance benefit. The rulemaking was published at 21 Pa.B. 624 (February 16, 1991) amending § 181.452. The amendment had incorporated Federal requirements specified by the HCFA under 42 CFR 435.725(c) and 435.832(c).

Subsequent to the issuance of these regulations, a class action lawsuit, *Genevieve Ginley et al. v. John F. White, Jr. et al.*, Civil Action No. 91-3290, was filed against DHHS and the Department in the United States District Court for the Eastern District of Pennsylvania.

On January 29, 1992, the Court ordered the DHHS and the Department to treat VA aid and attendance benefits as income which is not counted in the posteligibility determination of the patient pay amount retroactive to March 1, 1991. The DHHS did not appeal the court decision and by letter dated February 20, 1992, instructed the Commonwealth to follow the Court Order. Accordingly, the Department is amending the treatment of these benefits. The reference to the housebound allowance is also used in the amendment in the same manner as found in the current regulations. This is because a veteran in the community who receives a housebound allowance, and who later enters a nursing facility, will continue to receive an allowance designated as aid and attendance for a veteran in an institution. However, there is a period of time before the VA converts the designation of the allowance from that of housebound to aid and attendance. The use of both terms in the regulations

clarifies that the allowance of a veteran in an institution is not counted even if it has not yet been classified by the VA.

Need for the Amendment

The amendment is needed to incorporate the court ordered change into Chapter 181. The required revisions will assure compliance with the court decision and avoid fiscal and court sanctions and possible loss of Federal funding for Pennsylvania's MA Program. Recipients who receive VA aid and attendance benefits will have more income for personal use because these benefits will not be counted as income in determining what amount the recipient must pay toward the cost of nursing facility care.

Summary

Posteligibility Determination of Income Available From an MA Eligible Person Toward The Cost of Care (§ 181.452(a)(3)(iii), (b)(3), (c), (d), (d)(2)(i), (d)(3)(iv) and (e).

Current regulations identify the VA aid and attendance benefit as an item which is defined as not income and therefore excluded when determining MA eligibility but is counted as income when determining posteligibility contribution toward cost of care. This amendment eliminates this different treatment and makes clear that VA aid and attendance benefits do not count as income in either the MA eligibility or posteligibility determination. The VA aid and attendance portion of a VA benefit is not counted as available income when determining posteligibility contribution toward cost of care.

The VA aid and attendance benefit must be counted toward cost of care only if the VA states, in writing, that the benefit is for an incompetent veteran or incompetent spouse or child of a deceased veteran who is determined incompetent by the VA and that the benefit must be counted toward cost of care.

Affected Persons and Organizations

The amendment will affect all applicants and recipients in nursing facilities who receive a VA aid and attendance benefit when determining what they are expected to contribute toward the cost of their Title XIX care and whether they are eligible for a contribution by the Department toward cost of care.

Accomplishments/Benefits

The amendment will have a positive impact on the affected persons and enable the Department to remain in compliance with the court decision and the Federal requirements. The amendment will accurately reflect the Federal requirements and thereby will eliminate the imposition of Federal Quality Control errors, preventing Federal fiscal sanctions relating to treatment of VA aid and attendance benefits.

Fiscal Impact

It is anticipated that implementation of the amendment will result in a cost to the Commonwealth during Fiscal Year 1994—1995 of approximately \$3.161 million in State funds. The amendment has been implemented under the Order of the United States District Court for the Eastern District of Pennsylvania in the class action, *Genevieve Ginley et al. v. John F. White, Jr. et al.*, Civil Action No. 91-3290 effective retroactively to March 1, 1991.

Paperwork Requirements

There will be no additional reports or new forms needed to comply with the changes, nor will there be additional legal, accounting or consulting assistance required to fulfill the requirements of the amendment.

Effective Date

The amendment will be effective upon publication in the *Pennsylvania Bulletin* as final rulemaking and apply retroactively to March 1, 1991.

Sunset Date

No sunset date is applicable. The Department continuously reviews the MA Program and regulations through the Federally monitored Quality Control process. The HCFA staff conduct audits periodically on specific aspects of the MA Program.

Public Comments

Although the amendment is being adopted without prior notice, interested persons are invited to submit written comments within 30 days from the date of this publication for consideration by the Department as to whether the amendment should be revised. The comments should be sent to the Department of Public Welfare, Patricia H. O'Neal, Director, Bureau of Policy, Room 431, Health and Welfare Building, Harrisburg, PA 17120, (717) 787-4081.

Persons with a disability may use the AT&T Relay Service by calling (800) 654-5984 (TDD users) or (800) 654-5886 (Voice users), or may use the Department's TDD by calling (800) 541-5886. Persons who require another alternative, should contact Tom Vracarich at (717) 783-2209.

Regulatory Review Act

Under section 5.1(c) of the Regulatory Review Act (71 P. S. § 745.5a(c)), on March 13, 1998, the Department submitted a copy of this amendment with proposed rulemaking omitted to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the House Committee on Health and Human Services and the Senate Committee on Public Health and Welfare. On the same date, the final-omitted regulation was submitted to the Office of Attorney General for review and approval under the Commonwealth Attorneys Act (71 P. S. §§ 732-101—732-506).

Under section 5.1(d) of the Regulatory Review Act, this final-omitted regulation was deemed approved by the House and Senate Committees on April 2, 1998, and was approved by IRRC on April 7, 1998.

Findings

The Department finds that:

(1) Public notice of intention to amend the administrative regulations amended by this order is unnecessary and omitted under section 204(1)(iv) of the CDL, and the regulations thereunder, 1 Pa. Code § 7.4(1)(iv). Proposed rulemaking is not required because the administrative regulations relate to Commonwealth grants and benefits and because the amendment has been implemented under the Order of the United States District Court for the Eastern District of Pennsylvania in the class action,

Genevieve Ginley et al. v. John F. White, Jr. et al., Civil Action No. 91-3290 effective retroactive to March 1, 1991 with the clarification of the VA statutory right of determination for incompetent beneficiaries under 38 U.S.C.A. Chapter 55.

(2) Adoption of the amendment in the manner provided in this order is necessary and appropriate for the administration and enforcement of the code.

Order

The Department, acting under the Code orders that:

(a) The regulations of the Department, 55 Pa. Code Chapter 181, are amended by amending § 181.452 to read as set forth in Annex A, with ellipses referring to the existing text of the regulation.

(b) The Secretary of the Department shall submit this order and Annex A to the Office of Attorney General and the Office of General Counsel for approval as to legality and form as required by law.

(c) The Secretary of the Department shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall take effect upon publication in the *Pennsylvania Bulletin* as final rulemaking and apply retroactively to March 1, 1991.

CHAPTER 181. INCOME PROVISIONS FOR CATEGORICALLY NEEDY NMP-MA AND MNO-MA

Subchapter D. POSTELIGIBILITY DETERMINATION OF ELIGIBILITY FOR MA PAYMENT TOWARD COST OF CARE IN INSTITUTIONS

POSTELIGIBILITY DETERMINATION PROVISIONS

§ 181.452. Posteligibility determination of income available from an MA eligible person toward the cost of care.

(a) The total gross income of an aged, blind or disabled MA eligible person's income includes:

* * * * *

(3) *Aged, blind and disabled categories.* Some income that is identified as excluded in Subchapter B (relating to aged, blind and disabled categories) is not excluded under

this subchapter and is counted when determining the MA eligible person's total gross income. This includes:

(i) The income exclusion as specified in § 181.122 (relating to earned income exclusion).

(ii) The income exclusions as specified in § 181.123 (relating to unearned income exclusions).

(4) *Income from nontrust property.* Unless the instrument specifically provides otherwise as follows:

* * * * *

(b) The total gross income of an AFDC-related category and a GA-related category MA eligible person's total income includes:

* * * * *

(3) Income that is identified as a type of income that is not counted when determining MA eligibility is counted when determining the MA eligible person's total gross income. This includes income specified in § 181.263 (relating to other types of income not counted for the AFDC and GA categories).

* * * * *

(c) For an MA eligible person in the aged, blind or disabled related categories or an MA eligible person in the AFDC-related or GA-related categories, the veterans aid and attendance and housebound allowance portion of the Veterans Affairs pension as specified in § 181.81(9) (relating to items that are not income) is excluded and is not counted when determining the MA eligible person's total gross income unless if the Veterans Administration states, in writing, that the benefit is for an incompetent veteran or incompetent spouse or child of a deceased veteran who is determined incompetent by the Veterans Administration and that the benefit shall be counted toward cost of care.

(d) The following amounts are deducted from the MA eligible person's total gross income identified in subsection (a) for persons in the aged, blind and disabled categories, or subsection (b) for persons in the AFDC- or GA-related categories and adjusted as applicable by the treatment of Veterans Administration benefits under subsection (c) for all MA eligible persons in the following order:

* * * * *

(2) If the MA-eligible person's spouse remains at home, an amount for the maintenance needs of the spouse.

(i) The maintenance need for the spouse in the community is reduced by the community spouse's available income. The available income is obtained by determining the community spouse's total gross earned income as specified in §§ 181.91—181.96 (relating to types of earned income counted for the aged, blind and disabled categories); the total gross unearned income as specified in §§ 181.101—181.109.

* * * * *

(3) If the MA-eligible person has a community spouse and dependent children, dependent parents or dependent siblings of either member of the couple living at home with the community spouse, an amount for the maintenance needs of the other family members.

* * * * *

(iv) The family member maintenance need amount is reduced by the family member's available income. The available income is obtained by determining the family

member's total gross earned income as specified in §§ 181.91—181.96; the total gross unearned income as specified in §§ 181.101—181.109. The income of a dependent child or a child regardless of age who is blind or disabled who does not receive SSI minus the exemptions specified in § 181.110(c) (relating to income deemed available from the spouse) shall also be obtained.

* * * * *

(e) The amount that the MA eligible person is expected to pay toward the cost of care is the amount that remains

and as adjusted under subsection (c), if applicable, and after the deductions in subsection (d) are applied to the person's total gross income as determined under subsections (a) and (b).

PROPOSED RULEMAKING

DEPARTMENT OF TRANSPORTATION

[67 PA. CODE CH. 255]

Messenger Service; Notice of Intent to Promulgate Regulation and Request for Public Participation

The Department of Transportation, Bureau of Motor Vehicles, under the authority of 75 Pa.C.S. §§ 6103 and 7501 (relating to promulgation of rules and regulations by department; and authorization of messenger service), and consistent with the goals of Executive Order 1996-1, February 6, 1996, Regulatory Review and Promulgation, announces its intention to amend Chapter 255 (relating to messenger service).

The purpose of this rulemaking is to revise provisions relating to qualifications and operations of messenger services. These revisions are intended to increase the accountability of messenger services to the Department and the general public.

The Department anticipates that this rulemaking will directly affect persons who apply for or are currently authorized messenger services, the Pennsylvania State Police and local law enforcement agencies. The individual public users of messenger services will be positively affected by the increased accountability of messenger service providers.

The Department requests that, within 30 days of the publication of this notice in the *Pennsylvania Bulletin*, all interested persons desiring to participate in the development of this rulemaking or having questions, suggestions, or comments on messenger service regulations, please contact Joseph Centurione, Manager, Messenger Service Center, Bureau of Motor Vehicles, 1101 South Front Street, Harrisburg, PA 17104, (717) 787-4020.

GAME COMMISSION

[58 PA. CODE CHS. 141 AND 143]

Hunting and Trapping; Hunting and Furtaker Li- censes

To effectively manage the wildlife resources of this Commonwealth, the Game Commission (Commission) at its April 21, 1998, meeting, proposed amendments to read as set forth in Annex A.

Amend § 141.6 (relating to illegal devices) to permit the use of snares in addition to using leg hold and body gripping traps for the taking of beaver; and amend §§ 141.62 and 141.63 (relating to beaver trapping; and definitions) to further define tagging requirements of traps; provide for additional beaver taking opportunities by expanding the counties where beaver restrictions are

relaxed; rearrange the unlawful acts portion and provide a definition for the type of snare to be used.

Amend §§ 143.42, 143.45, 143.51, 143.52 and 143.55, to provide for the issuance of unsold antlerless deer licenses by returning to the former definition of "surplus tags" and rewriting these sections to reflect the Commission's changes in this process. This proposed change will also provide for over the counter sales of unsold antlerless deer licenses beginning on the first Monday in November as well as by United States mail, until the supply is exhausted.

These proposed amendments will have no adverse impact on the wildlife resources of this Commonwealth.

The authority for this proposed rulemaking is 34 Pa.C.S. (relating to Game and Wildlife Code) (code).

These proposals were made public at the April 21, 1998, meeting of the Commission, and comments on these proposals can be sent to the Executive Director of the Game Commission, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797 until July 3, 1998.

(Editor's Note: A proposal to amend §§ 143.45 remains outstanding at 27 Pa.B. 6334 (December 6, 1997).)

Proposed amendments to §§ 141.6, 141.62 and 141.63

1. Introduction

To effectively manage the wildlife resources of this Commonwealth, the Commission at its April 21, 1998, meeting proposed changing §§ 141.6, 141.62 and 141.63 to allow the trapping of beaver using snares. These changes were proposed under sections 322(c)(5) and 2102(a) of the code (relating to powers of the Commission; and regulations).

2. Purpose and Authority

Currently, snares cannot lawfully be used to trap furbearers in this Commonwealth. Snares, however, are less expensive, easier to use and, if properly used, can be very effective. The Commission has therefore proposed changing §§ 141.6, 141.62 and 141.63 to authorize the use of snares, on a limited basis, to trap beavers. The snares must be completely submerged under water.

Section 322(c)(5) of the code empowers the Commission to fix the type and number of devices which may be used to take game or wildlife. Section 2102(a) of the code authorizes the Commission to promulgate regulations relating to the hunting of game or wildlife in this Commonwealth. The proposed changes would be adopted under this authority.

3. Regulatory Requirements

The proposed changes would authorize what is not currently permitted.

4. Persons Affected

Individuals wishing to trap beavers in this Commonwealth could be affected by the proposed changes.

5. *Cost and Paperwork Requirements*

None

Proposed changes to §§ 143.42, 143.45, 143.51, 143.52 and 143.55

1. *Introduction*

To effectively manage the wildlife resources of this Commonwealth, the Commission at its April 21, 1998, meeting proposed changing §§ 143.42, 143.45, 143.51, 143.52 and 143.55 to modify provisions and procedures for issuing surplus antlerless deer licenses. The proposed changes allow individuals to purchase one surplus license from unexhausted allocations remaining after the fourth Monday in August. They would also allow over the counter issuance. These changes are being proposed under authority contained in section 2722(g) of the code (relating to regulations).

2. *Purpose and Authority*

As a result of the elimination of bonus antlerless deer licenses and their replacement by very limited surplus licenses, which involved issuance only by mail, many of the allocated antlerless deer licenses were not sold in 1997. This fact could severely impact the Commission's ability to manage deer populations in this Commonwealth. The Commission has therefore proposed changes to §§ 143.42, 143.45, 143.51, 143.52 and 143.55 which would allow the sale of one surplus antlerless deer license per hunter from unexhausted allocations starting the fourth Monday in August and which would also allow over the counter sale of the licenses beginning the first Monday in November. These measures should eliminate the large discrepancy between antlerless licenses allocated and those sold.

Section 2722(g) of the code directs the Commission to adopt regulations for the administration, control and performance of licenses issuance. The proposed changes would be made under this authority.

3. *Regulatory Requirements*

The proposed changes would relax current regulatory requirements.

4. *Persons Affected*

County treasurers and their employes and those seeking bonus antlerless deer licenses would be affected by these proposed changes.

5. *Cost and Paperwork Requirements*

The proposed changes relating to over-the-counter issuance may result in slight additional costs to county treasurers which should be offset by additional license issuance fees.

6. *Effective Date*

These proposed changes would be effective on publication of final adoption in the *Pennsylvania Bulletin* and would remain in effect until changed by the Commission.

7. *Contact Person*

For further information on the proposed changes or to comment, the contact person is James R. Fagan, Director, Bureau of Law Enforcement, (717) 783-6526, 2001 Elmerton Avenue, Harrisburg, PA 17110-9797.

TITLE 58. RECREATION

PART III. GAME COMMISSION

CHAPTER 141. HUNTING AND TRAPPING

Subchapter A. GENERAL

§ 141.6. **Illegal devices.**

It is unlawful to:

* * * * *

(2) Use snares to take wildlife or furbearers **except beavers may be taken with snares completely submerged under water.**

* * * * *

Subchapter D. TRAPPING

§ 141.62. **Beaver trapping.**

(a) **General.** There shall be one durable identification tag attached to each trap or snare by means of an extension wire of sufficient length so that the name tag is completely above the water or ice level and totally visible for inspection purposes. The name tag shall visibly set forth the owner's first and last name and legal home address, or a number issued by the Commission.

(b) **Unlawful acts.** It is unlawful to:

[(a) It is unlawful to place] (1) Place, or make use of, materials or products except raw native wood or stone to direct the travel of beaver. Man-made materials may be used only to support traps or snares.

[(b) It is unlawful to place] (2) Place, check, reset or tend a trap or snare on an established beaver dam or beaver house, or within 15 feet of either a dam, or a house. Measurement shall be from directly above the trap or snare, across the water, ice or land to the nearest point of the structure.

[(c) It is unlawful to] (3) Set [set] body gripping traps larger than 10 inches × 10 inches.

[(d) It is unlawful, in] (4) In an area where beavers are known to inhabit, [to] set, tend or operate more than a combined total of ten traps or snares. No more than two of the traps may be body gripping traps [with a jaw spread not exceeding 10 inches,] except in the counties of Bradford, McKean, Potter, Susquehanna, Tioga and Wayne where the two body gripping trap limit does not apply.

[(e) It is unlawful to check] (5) Check, set, reset or otherwise maintain a beaver trap or snare, or [to] remove a beaver from a trap or snare, unless the person is identified by the attached name tag as the owner. This [subsection] paragraph does not prohibit the lending of assistance when the person whose name appears on the trap tag is present.

[(f) There shall be one durable identification tag attached to each trap or trap chain by means of an extension wire of sufficient length so that the name tag is completely above the water or ice level and totally visible for inspection purposes. The name tag shall visibly set forth the owner's first and last name and legal home address.]

(6) Equip snares with a spring-activating mechanism or any device designed to aid the closing of the snare loop.

§ 141.63. Definitions.

In addition to the definitions contained in the act and this part, the following words, when used in the enforcement of section 2361(a)(11) of the act (relating to unlawful acts concerning taking of furbearers), have the following meanings, unless the context clearly indicates otherwise:

* * * * *

Snare—A looped galvanized or stainless stranded steel cable 3/32 inches in diameter equipped with a mechanical sliding metal release lock. A metal ferule shall be crimped on the cable to prevent the snare loop from closing to a circumference less than 20 inches.

* * * * *

CHAPTER 143. HUNTING AND FUR TAKER LICENSES

Subchapter C. ANTLERLESS DEER LICENSES

§ 143.42. Definitions.

The following words and terms, when used in this subchapter, have the following meanings, unless the context clearly indicates otherwise:

* * * * *

Surplus tag—An antlerless deer license permitting properly licensed [flintlock muzzleloader hunters] persons to take an additional antlerless deer during the regular firearms antlerless deer season, archery or flintlock muzzleloader deer seasons in the county of issue.

Surplus tag application—The form contained in the *Hunting and Trapping Digest* used in applying for a surplus tag [and unlimited antlerless deer licenses in special regulations areas].

* * * * *

§ 143.45. Completing and submitting applications.

(a) Except as otherwise provided in § 143.52 (relating to procedure for [unlimited antlerless licenses] unexhausted allocation) and for those applications submitted by qualified landowners, it is unlawful for a county treasurer to accept an application in a manner other than by standard mail delivery through and by the United States Postal Service. County treasurers with unsold antlerless deer licenses shall accept applications over the counter and may immediately issue licenses beginning on the first Monday in November.

* * * * *

§ 143.51. Application and issuance of surplus tags.

(a) County treasurers shall accept and process surplus applications from applicants in possession of a current flintlock muzzleloader license (stamp) beginning the third Monday in August. Surplus applications accepted by county treasurers on the third Monday in August shall have the applicant's flintlock muzzleloader license number written in the upper corners of the surplus application. The applicant shall write or indicate "Flintlock/Muzzleloader" in the lower left corner of the official envelope.

(b) Beginning on the fourth Monday in August, remaining unsold antlerless deer licenses will be made available as surplus tags to properly licensed applicants under §§ 143.45 and 143.50 (relating to completing and submitting applications; and procedure for nonresidents of this Commonwealth). Other appropriate sections of this chapter apply.

[(b)] (c) An applicant for this tag may not use the regular antlerless deer license application. An applicant shall [only] use the surplus application contained in the *Hunting and Trapping Digest* or a reasonable facsimile thereof.

[(c)] (d) * * *

[(d)] (e) * * *

[(e) Surplus tags shall be validated by the addition of the county treasurer's signature or signature stamp, date of issue and the applicant's regular hunting license back tag number. The county treasurer shall write in ink the applicant's regular hunting license back tag number on the antlerless deer ear tag.]

(f) In a county where surplus tags become available, a person who may lawfully hunt without a license as defined in section 2706 of the act (relating to resident license and fee exemptions) may take the number of surplus antlerless deer without a license during the regular firearms antlerless deer season or the archery and flintlock muzzleloader deer season equal to the number of licenses available to a licensed individual. Deer taken shall be tagged and reported as set forth in section 2323(b) of the act (relating to tagging and reporting big game kills). The tag and report shall contain the wording "antlerless deer," along with the other information required.

(g) Surplus tags shall be validated by the addition of the county treasurer's signature or signature stamp, the date of issue and the applicant's regular hunting license back tag number. The county treasurer shall write in ink the applicant's regular hunting license back tag number on the antlerless deer ear tag.

§ 143.52. Procedure for [unlimited antlerless licenses] unexhausted allocation.

(a) A county treasurer who has unsold licenses on the fourth Monday in August and thereafter, shall accept regular antlerless, and surplus applications (see subsection (b)) by mail from residents and nonresidents of this Commonwealth and issue licenses to the applicants until the county allocation is exhausted.

(b) Beginning on the date defined in subsection (a), residents and nonresidents of this Commonwealth shall be eligible to apply for and receive one surplus tag—under the conditions in subsection (a).

(c) Beginning on the [fourth Monday in August] date defined in subsection (a), residents and nonresidents of this Commonwealth shall be eligible to

apply to any county within the special regulations areas defined in § 141.1 (relating to special regulations areas) for an unlimited number of [antlerless deer licenses by mail] surplus tags under the conditions of subsection (a). Applicants shall be limited to submitting not more than three applications per official envelope when application is made through the mail.

[(b)] (d) Beginning on the date [specified] defined in subsection (a), county treasurers within the special regulations areas defined in § 141.1 (relating to special regulations areas) shall accept regular antlerless and surplus applications over the counter and by mail from residents and nonresidents of this Commonwealth and may immediately issue licenses to applicants.

§ 143.55. Unlawful acts.

It is unlawful:

* * * * *

(5) Except as specified in §§ 143.52 [(a) and] (b) and (c) and 143.53 (relating to procedure for [unlimited antlerless licenses] unexhausted allocation; and re-application), to apply for or receive more than one [antlerless license or more than one surplus license] of the following:

(i) One antlerless license.

(ii) One surplus license.

PENNSYLVANIA EMERGENCY MANAGEMENT AGENCY

[4 PA. CODE CH. 116]

Radiation Emergency Response Fund

The Pennsylvania Emergency Management Agency (PEMA), under the authority contained in 35 Pa.C.S. § 7313 (relating to powers and duties), proposes amendments to Chapter 116 (relating to Radiation Emergency Response Fund) to read as set forth in Annex A.

The proposed amendments are intended to streamline and improve the ability of PEMA to administer and operate the Radiation Emergency Response Fund (Fund) and to carry out the many goals and objectives of the Radiation Emergency Response Program which was established to protect the health and welfare of all residents of this Commonwealth living within the vicinity of the five nuclear power plants in this Commonwealth.

Need for the Proposed Amendments

These proposed amendments are needed to change the current funding process by which State agencies, counties, municipalities, school districts and volunteer organizations receive annual funding amounts from the Fund as set forth in Chapter 116. Under the present funding process, these entities receive two equal payments during the funding year to purchase radiological protection equipment, conduct emergency responder training and

public information activities, and participate in radiation emergency response exercises and drills. The second payment is contingent upon PEMA's receipt of an interim performance report which the counties submit to PEMA by January 15 of a funding year.

Over the past 2 years, PEMA has determined that the submission of the interim performance report is an unnecessary and burdensome requirement on the counties which should be eliminated. PEMA has also determined that it is more cost effective and practical to make one grant payment to each county on an annual basis rather than the current two payment process. This will allow the counties and their subgrantees to spend their grant moneys in a more timely and effective manner.

In addition, the role of the Pennsylvania Emergency Management Council (Council) in approving the county grant applications has become an increasingly proforma or perfunctory administrative exercise over the past several years. During that time, the Council has always, without debate, accepted and approved PEMA's recommendations concerning the amounts of the annual county grants and the intended purposes for those grants. Due to scheduling problems, however, it has been difficult for the Council to meet in a timely manner to approve PEMA's grant recommendations. As a result, delays have occurred in the distribution of grant payments to the counties. This has hindered the counties' ability to perform certain functions under their radiation emergency response programs. For these reasons, it is proposed to remove the Council from its supervisory role in the grant program and to replace it with PEMA which has been the actual program administrator and implementing agency for this grant program since its inception in 1985.

PEMA also proposes to delete the section of the regulations dealing with the reimbursement of certain retroactive expenses of the counties and other eligible parties because PEMA has completed the payment of those retroactive expenses to all eligible counties and other eligible applicants. Therefore, this section of the regulations no longer serves any purpose and should be deleted because it is no longer needed.

Affected Persons

These proposed amendments should have a favorable impact on State agencies, counties, municipalities, school districts and volunteer organizations that apply for grants from the Fund because it will allow them to receive their grant moneys in one payment instead of two, will eliminate an unnecessary interim performance report, and will allow the grant recipients to receive their grant moneys in a more timely manner.

Sunset Requirement

PEMA has not set a sunset date for these regulations because the Fund operates on a continuing basis. PEMA continues to monitor the operation of this Fund and will propose improvements such as these amendments when required.

Paperwork Requirements

The proposed amendments will reduce the amount of paperwork that State agencies, counties, municipalities, school districts and volunteer organizations shall submit during the funding year as part of PEMA's administration of the Fund.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on June 9, 1998, a copy of these proposed amendments was submitted to the Independent Regulatory Review Commission (IRRC), the Senate State Government Committee and the House Veterans Affairs and Emergency Preparedness Committee. In addition to the proposed amendments, IRRC and the Committees were provided with a copy of a detailed regulatory analysis form prepared by the agency in compliance with Executive Order 1996-1, "Regulatory Review and Promulgation." A copy of the form is available to the public from the agency upon request. The agency will consider any comments or suggestions received from IRRC or the Committees, together with any comments or suggestions received from the public, prior to adopting the proposed amendments.

As provided by sections 5(c) and 6(a) of the Regulatory Review Act, the proposed amendments will be deemed approved by the Committees on June 9, 1998 and by IRRC on June 9, 1998, unless the Committees or IRRC recommend disapproval before these dates. If the Committees or IRRC recommends disapproval, the Regulatory Review Act provides detailed procedures for review by the agency, the Governor and the General Assembly.

Contact person

Interested persons are invited to submit written comments, suggestions or objections regarding these proposed amendments to Mark Goodwin, Chief Counsel, Pennsylvania Emergency Management Agency, P. O. Box 3321, Harrisburg, PA 17105, within 30 days following publication of this proposed rulemaking in the *Pennsylvania Bulletin*.

TITLE 4. ADMINISTRATION

PART V. EMERGENCY MANAGEMENT

CHAPTER 116. RADIATION EMERGENCY RESPONSE FUND

§ 116.1. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

* * * * *

[*Council*—The Pennsylvania Emergency Management Council.]

* * * * *

[*Retroactive expense*—An expense incurred by risk and support counties, risk municipalities, school districts, volunteer organizations and State agencies as a direct result of the preparation, establishment and testing of emergency response plans surrounding each nuclear electrical generation facility, and for the payment of personnel costs, training expenses, and protective supplies and equipment. The expense must have been incurred during the periods from March 28, 1979 to June 30, 1985.]

* * * * *

Risk municipality—A municipality partially or wholly within the plume exposure pathway EPZ [or] of a fixed nuclear facility.

* * * * *

Work plan—A written narrative explaining how the recipient will use funds received under the [**Emergency Management Assistance Program**] **Radiation Emergency Response Program**. It shall comply with the guidelines in the Agency's program requirements and will become part of a grant agreement.

§ 116.2 Purpose.

The purpose of this chapter is:

* * * * *

[(3) To provide reimbursement for expenses incurred during the period from March 28, 1979, to June 30, 1985, by eligible risk and support counties, risk municipalities, school districts, volunteer organizations and State agencies for costs which were required to be expended, but which were not previously reimbursed, as a direct result of the preparation, establishment and testing of radiation emergency response plans, for personnel costs, training expenses, and protective supplies and equipment.]

§ 116.4. Allocation of funds.

(a) [*Allocation of initial year funds.*

(1) The initial year/one time fees deposited into the RERF will be allocated for the reimbursement of expenses incurred by those eligible applicants set forth in section 503(b) of the act (35 P. S. § 7110.503(b)). These expenses will be reimbursed under § 116.8 (relating to reimbursement provisions for retroactive expenses).

(2) Fees not expended for the reimbursement of expenses described in paragraph (1), will be administered under subsection (b).

(b)] *Allocation of funds from annual fees.*

(1) On or before August 1 of each funding year, the Agency will obtain a **fiscal year-end balance** report [**from the Pennsylvania Treasurer's Office**] concerning the total amount of the RERF. The total amount of the fund as stated in that report shall represent the disbursement ceiling for the amount of funds that may be available for distribution to all eligible applicants, excluding the Agency, during the current funding year of July 1 to June 30.

(2) Each year, the total amount of RERF as established in paragraph (1) will be disbursed and expended in accordance with the following schedule:

* * * * *

(iii) [**Once the Agency and all other State agency allocations have been approved by the Council, the**] The total remaining amount of the RERF will be [**divided between**] dispersed to the eligible [**support and risk**] risk and support counties. [**The Council, at the recommendation of the Agency, will then approve a funding allocation for each eligible support and risk county.**

(3) The Council will approve all funding allocations for each funding year.

(4) (3) An eligible [support and risk] risk and support county will receive its approved funding allocation in [two separate and equal payments] one advance payment during the funding year. [These payments will be made in accordance with a schedule which will be furnished to an eligible support and risk county at the beginning of each funding year. These payments will be made if a county satisfactorily complies with § 116.6 (relating to application and review procedures for funding) and § 116.7 (relating to reporting requirements and disbursement of funds).]

(5) (4) An eligible State agency will receive its approved funding allocation in one advance payment during a funding year. [This payment will be made if the State agency satisfactorily complies with §§ 116.6 and 116.7 (relating to application and review procedures for funding; and reporting requirements and disbursement of funds).]

(6) (5) * * *

§ 116.5 Program requirements and eligible expenditures.

* * * * *

(b) Eligible expenditures.

(1) County and State agency expenditures shall contribute to the development of a radiation emergency response capability in conformity with the standards and criteria established by the NRC, FEMA and Annex E to the Commonwealth of Pennsylvania's [Disaster] Emergency Operations Plan [(DOP)] (EOP).

(2) The following list of activities are appropriate uses of grant funds by risk counties. If a grant applicant wishes to use grant funds for a purpose other than those listed in subparagraphs (i)–(ix), the applicant shall secure the Agency's prior written approval for the use or activity.

* * * * *

(vii) Pay the personnel costs directly involved in the development or implementation of the Radiation Emergency Response Program[, or both]. Detailed justification of personnel costs shall be included in the application work plan.

* * * * *

(3) The following list of activities are appropriate uses of grant funds by support counties. If a grant applicant wishes to use grant funds for a purpose other than those listed in this paragraph, the applicant shall secure the Agency's prior written approval for the use or activity.

* * * * *

(ii) Participate in drills and exercises[—], including remedial drills and exercises[—], scheduled by the Agency or by the Federal government.

* * * * *

(4) The following list of activities are appropriate uses of grant funds by State agencies. If a grant applicant wishes to use grant funds for a purpose other than those listed in this paragraph, the applicant shall secure the Agency's prior written approval for the use or activity.

* * * * *

(ii) Participate in drills and exercises[—], including remedial drills and exercises[—], scheduled by the Agency or by the Federal government.

* * * * *

§ 116.6. Application and review procedures for funding.

* * * * *

(b) Applicants, except State agencies, shall submit their funding requests to the appropriate [County Emergency Management Agency] county emergency management agency. The [agency] county emergency management agency shall review the request in terms of its compliance with and advancement of the county's Emergency Preparedness Plan. Upon approval by the [County Emergency Management Agency] county emergency management agency, the individual funding requests of a risk municipality, school district[,] or volunteer organization shall be incorporated into the county's application for funding from the RERF. State agencies shall submit their funding requests directly to the Agency. The request shall be submitted under the signature of the State agency's secretary/director or designee.

(c) [In order to] To be eligible for funding, a county or State agency shall submit its funding application to the Agency by June 1 preceding each applicable funding year—July 1 to June 30. [The funding application shall include the following information submitted upon forms provided by the Agency:

- (1) Funding application.
(2) Emergency preparedness work plan.
(3) Budget.
(4) Nondiscrimination clause.]

* * * * *

(f) During the review of the work plan and budget, the Agency may involve the county, its risk municipalities, school districts, volunteer organizations[,] or State agency in negotiations and revisions of part of the work plan or budget, or both, so that the goals and objectives established for the applicant's participation in the Radiation Emergency Response Program can be met. It shall be the obligation of the county to participate in negotiations and revisions concerning its work plan and budget. The county shall attempt to resolve disputes that arise between the county and its risk municipalities, school districts or volunteer organizations concerning the inclusion of their individual funding requests in the county's application. Disputes that cannot be resolved at the county level through negotiations will be resolved by the Agency during its review of the county's funding application. [During this review process, the Agency may request that the Council consider and decide the facts and issues in dispute between the county and its risk municipalities, school districts, and volunteer organizations.]

(g) Upon completion of the Agency's application review process, the Agency will [make a recommendation to the Council concerning an application received and

reviewed. Based upon the recommendation, the Council will] approve those work plans and budgets that are determined to be eligible for funding. The [Council] Agency will then approve a recommended funding allocation for an eligible applicant.

(h) After the [Council's] Agency's approval of a funding allocation, the Agency will forward the [first] payment of the allocation to an eligible applicant. This payment [and other payments] will be dependent upon the availability of funds being present in the RERF at the time of their intended disbursement.

§ 116.7. Reporting requirements and disbursement of funds.

(a) [*Required reports.* During a funding year, the following reports are required:

(1) An interim performance report and a final performance report shall be submitted by a county.

(2) A final performance report shall be submitted by a State agency.

(b) *Requirements.* The requirements for these performance reports are set forth in subsections (c) and (d).

(c) *Interim performance report.*

(1) A county that has received a funding allocation shall submit an interim performance report to the Agency by January 15 of a funding year. This report will cover the period from July 1 through December 31.

(2) The interim performance report shall supplement the county's work plan so that actual accomplishments can be compared to the work plan schedule.

(3) The interim performance report shall contain the following information:

(i) A discussion of the progress made toward accomplishing the goals and objectives of the work plan.

(ii) A discussion of changes or modifications made to the work plan during the first 6 month period—July 1 to December 31—or changes or modifications that need to be made during the second 6 month period—January 1 to June 30—of the funding year.

(iii) A description of unforeseen events or problems that have affected the performance goals of the county or its participating risk municipalities, school districts, or volunteer organizations, together with proposals to correct or eliminate those problems or events.

(iv) A financial accounting of the items either purchased or ordered to date, together with a description of remaining items, such as equipment, training, supplies, to be purchased during the second 6 month period. The accounting shall include:

(A) A list of expenditures made by the county either for its own use or on behalf of its risk municipalities, school districts, or volunteer organizations.

(B) Copies of invoices or vouchers received for those expenditures or a copy of receipts or other financial documentation that verifies the payment of the expenditures made during the reporting period.

(v) Other relevant information that the county believes supports and explains its overall performance in meeting the goals and objectives of its work plan and budget.

(4) The Agency will review the interim performance report for accuracy and completeness. The agency will then make a determination, based upon the report, that the county is or is not in satisfactory performance of the goals and objectives of its work plan. Each county will be notified of this determination in writing. The notification will state reasons for disapproving the report and will provide suggested corrective actions to be taken by those counties determined to be in unsatisfactorily performance of their goals and objectives.

(5) A county that is in satisfactory performance of its work plan will receive the second payment of its funding allocation in a reasonable period of time.

(6) A county that is not in satisfactory performance of its work plan will not receive the second payment of its funding allocation until the Agency determines that the county has taken the necessary action to bring itself into compliance with its work plan.

(d) *Final performance] Required report.* During a funding year, a final performance report shall be submitted by a county and a State agency. The requirements for this final performance report are as follows:

(1) A county and State agency that has received a funding allocation shall submit a final performance report to the Agency by July [15 of a] 30 following the funding year. The report shall cover the period [from January 1 through June 30 for each county and the period] from July 1 through June 30 [for a State agency].

(2) The final performance report shall contain the following information:

(i) A complete description of the work plan goals and objectives accomplished during the reporting [periods] period.

* * * * *

(4) [A State agency that has satisfactorily performed its work plan will be reimbursed for all verifiable expenditures listed in the final report.

(5) A State agency that has not satisfactorily performed its work plan will not be reimbursed for expenditures, whether verifiable or not, until the Agency determines that the State agency has taken the necessary action to bring itself into compliance with its work plan.] A county or State agency that has not satisfactorily performed its work plan will be required to return the funds provided under its grant agreement.

[(e)] (b) *Eligibility for future funding allocations.*

(1) [At the end of each funding year (June 30), the] The Agency will review the [overall perfor-

mance] final performance report of each county and State agency [that received a funding allocation during that funding year. The performance standard that will be applied to this review is whether or not the county or State agency satisfactorily participated] to verify satisfactory participation in the further development, improvement [,] and implementation of the Agency's Radiation Emergency Response Program.

* * * * *

§ 116.8. [Reimbursement for retroactive expenses] (Reserved).

[(a) Certain retroactive expenses incurred by eligible counties, risk municipalities, school districts, volunteer organizations, and State agencies during the period from March 28, 1979, to June 30, 1985, may be reimbursed by funds from the RERF under this section.

(b) Applicants, except State agencies, that seek reimbursement for retroactive expenses not previously reimbursed shall submit their funding requests to the appropriate County Emergency Management Agency. That agency will review the request to determine that it is eligible for a reimbursement payment from the RERF. Upon approval by the County Emergency Management Agency, the individual funding requests of a risk municipality, school district, or volunteer organization shall be incorporated into the county's application for a reimbursement payment from the RERF. A State agency shall submit funding requests directly to the Agency. That request shall be submitted under the signature of the State agency's secretary/director or his designee.

(c) In order to be eligible for a reimbursement payment, a county or State agency shall submit its funding application to the Agency by November 1, 1985. The funding application shall include the following information submitted upon forms provided by the Agency:

- (1) Retroactive expenses application.
- (2) Financial accounting statement.
- (d) The retroactive expenses application shall contain the following information:
 - (1) An itemized list of expenditures.
 - (2) The date of each expenditure.
 - (3) The purpose of the expenditure.
 - (4) A copy of the receipt or other financial documentation that verifies the payment of an itemized expenditure.

(e) A county funding application shall also include the individual funding requests of a risk municipality, school district or volunteer organization submitted to the county for review, whether or not those requests were incorporated into the county's financial accounting statement. It shall be the obligation of the county to participate in negotiations and revisions concerning its funding application. In particular, the county shall attempt to resolve disputes that arise between the county and its risk municipalities, school districts or volunteer organizations concerning the inclusion of their individual funding requests into the county's finan-

cial accounting statement. Disputes that cannot be resolved at the county level through negotiations will be resolved by the Agency during its review of the county's funding application. During this review process, the Agency may request that Council consider and decide the facts and issues in dispute between the county and its risk municipalities, school districts, and volunteer organizations.

(f) Upon receipt of a funding application, the Agency will review the application for accuracy and completeness. The Agency will apply the following standards to its application review process:

- (1) The expenditures were incurred during the period from March 28, 1979 to June 30, 1985.
- (2) The expenditures were not previously recouped or reimbursed from other sources.
- (3) The expenditures were required as a direct result of the preparation, establishment, and testing of Radiation Emergency Response Plans.
- (4) The expenditures were required for either the payment of personnel costs, training costs, or for the purchase of protective supplies and equipment.
- (5) The expenditures shall be verifiable.

(g) Upon completion of the Agency's application review process, the Agency will make a recommendation to the Council concerning an application received and reviewed. Based upon that recommendation, the Council will approve a reimbursement payment for an eligible applicant.

(h) After the Council's approval of the reimbursement payment, the Agency will forward the reimbursement payment to an eligible applicant. Payments will be dependent upon the availability of funds being present in the RERF at the time of their intended disbursement.

(i) Reimbursement payments for retroactive expenses incurred by eligible applicants will not be considered for disbursement after December 31, 1985, except in unusual circumstances that are approved by the Council.

(j) Any portion of the reimbursement of expenses fund described in § 116.4(a)(1) (relating to allocation of funds), that is not disbursed or obligated by December 31, 1985, shall revert to the RERF and shall be administered under § 116.4(b) for the allocation of funds from annual fees.]

§ 116.9. Retention of records for audit.

(a) [A county and State agency that has received a funding allocation shall retain financial records, receipts, invoices, vouchers, supporting documents, statistical records and other records that were used to support and document the following reports and applications:

- (1) Funding application.
- (2) Interim performance report.
- (3) Final performance report.
- (4) Retroactive expenses application.

(b) The] All records [described in subsection (a) shall] and supporting documents (that is, receipts, invoices, vouchers, and the like) related to grant funds must be retained for a period of 3 years.

The retention period starts at the end of the funding year—June 30—in which the funding allocation was made.

[(c)] (b) A county and State agency shall make the records described in subsection (a) available for audit by Commonwealth audits and Agency officials within 10 days after receiving a written request that those records be made available for audit. The audit request may be made at any time during the 3 year record retention period.

§ 116.10. Agency report.

On September 1 of each year, the Agency will submit a report on its operation of the RERF for the preceding funding year to the Governor **[and]**, the General Assembly **and the Pennsylvania Emergency Management Council**. The report will include a summary of the activities of the Radiation Emergency Response Program as provided for in Chapter 5 of the act (35 P.S. §§ 7110.501—7110.503). The report will also include a proposed operating budget, a financial statement, a list of applications received^[,] and the disbursements or reimbursements made to the eligible counties, risk municipalities, school districts, volunteer organizations^[,] and State agencies. An analysis of the adequacy of the fees established under section 402(c) of the act (35 P.S. § 7110.402(c)) will also be included in the report. The proposed funding formula for each subsequent funding year will be included in either an annual or a special report to the Governor **[and]**, the General Assembly **and the Pennsylvania Emergency Management Council**.

[4 PA. CODE CH. 117]

Radiation Transportation Emergency Response Fund

The Pennsylvania Emergency Management Agency (PEMA), under the authority contained in 35 Pa.C.S. § 7313 (relating to powers and duties), proposes amendments to Chapter 117 (relating to Radiation Transportation Emergency Response Fund) to read as set forth in Annex A.

The proposed amendments are intended to streamline and improve the ability of PEMA to administer and operate the Radiation Transportation Emergency Response Fund (RTERF) and to carry out the many goals and objectives of the Radiation Transportation Emergency Response Program which was established to protect the health and welfare of all residents of this Commonwealth living within the vicinity of a highway used for the shipment of spent nuclear fuel.

Need for the Proposed Amendments

PEMA has found that the role of the Pennsylvania Emergency Management Council (Council) in approving the RTERF grant applications has become an increasingly proforma or perfunctory administrative exercise over the past several years. During that time, the Council has always, without debate, accepted and approved PEMA's recommendations concerning the amounts of the RTERF grants and the intended purposes for those grants. Due to scheduling problems, however, it has been difficult for the

Council to meet in a timely manner to approve PEMA's grant recommendations. As a result, delays have occurred in the distribution of grant payments to the counties. This has hindered the counties' ability to perform certain functions under their radiation transportation emergency response programs. For these reasons, it is proposed to remove the Council from its supervisory role in the grant program and to replace it with PEMA which has been the actual program administrator and implementing agency for this grant program since its inception in 1985.

Affected Persons

These proposed amendments should have a favorable impact on all State agencies, counties, municipalities and volunteer organizations that apply for grants from the RTERF because it will allow them to receive their grant moneys in a more timely manner.

Sunset Requirement

PEMA has not set a sunset date for these regulations because the RTERF operates on a continuing basis. PEMA continues to monitor the operation of the RTERF and will propose improvements such as these amendments when required.

Paperwork Requirements

The proposed amendments will not change the amount of paperwork that State agencies, counties, municipalities and volunteer organizations submit to PEMA to receive a grant from the RTERF.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P.S. § 745.5(a)), on June 9, 1998, a copy of these proposed amendments was submitted to the Independent Regulatory Review Commission (IRRC), the Senate State Government Committee and the House Veterans Affairs and Emergency Preparedness Committee. In addition to the proposed amendments, IRRC and the Committees were provided with a copy of a detailed regulatory analysis form prepared by the agency in compliance with Executive Order 1996-1, "Regulatory Review and Promulgation." A copy of the form is available to the public from the agency upon request. The agency will consider any comments or suggestions received from IRRC or the Committees, together with any comments or suggestions received from the public, prior to adopting the proposed amendments.

As provided by sections 5(c) and 6(a) of the Regulatory Review Act (71 P.S. §§ 745.5(c) and 745.6(a)), the proposed amendments will be deemed approved by the Committees on June 9, 1998 and by the IRRC on June 9, 1998, unless the Committees or IRRC recommend disapproval before these dates. If the Committees or IRRC recommends disapproval, the Regulatory Review Act provides detailed procedures by review by the agency, the Governor and the General Assembly.

Contact Person

Interested persons are invited to submit written comments, suggestions or objections regarding these amendments to Mark Goodwin, Chief Counsel, Pennsylvania Emergency Management Agency, P. O. Box 3321, Harrisburg, Pennsylvania 17105, within 30 days following publication of this proposed amendment in the *Pennsylvania Bulletin*.

(e) A county funding application shall also include the individual funding requests of an eligible municipality, volunteer organization, or both, submitted to that county for review, whether or not those requests were incorporated into the county's financial accounting statement.]

It is the obligation of the county to participate in negotiations and revisions concerning its funding application. In particular, the county shall attempt to resolve disputes that arise between the county and its municipalities and volunteer organization, or both, concerning the inclusion of individual funding requests into the county's [financial accounting statement] application. Disputes that cannot be resolved at the county level through negotiations will be resolved by the Agency during its review of the county's funding application. [During this review process, the Agency may request that the Council consider and decide the facts and issues in dispute between the county and its municipalities and volunteer organizations, or both.

(f)] (d) * * *

* * * * *

[(g) The Agency's application review process will be completed prior to the scheduled meeting date of the Council. At the Council's meeting, the Agency will make a recommendation to the Council concerning an application received and reviewed since the last meeting of the Council. Based upon that recommendation, the Council will approve a payment for an eligible applicant.

(h) A funding application received after the close of an application review period—2 working days before a scheduled Council meeting—will be re-

viewed by the Agency and be considered by the Council for a payment at its next scheduled meeting.]

(e) Upon the completion of the application review process, the Agency will approve a funding allocation for the eligible applicant.

(f) After the Agency's approval of a funding allocation, the Agency will forward the payment to an eligible applicant.

§ 117.7. [Disbursement of funds] (Reserved).

[(a) After the Council's approval of a payment, the Agency will forward the payment to an eligible county, municipality, volunteer organization or State agency.

(b) A payment will be dependent upon the availability of funds being present in the RTERF at the time of the intended disbursement.]

§ 117.8. Retention of records for audit.

(a) [A county, municipality, volunteer organization and State agency that has received a payment shall retain financial records, receipts, invoices, vouchers, supporting documents, statistical records and other records that were used to support and document the funding application.

(b) The records described in subsection (a) shall be retained for 3 years. The retention period starts at the end of the funding year—June 30—in which the funding allocation was made.

(c) A county, municipality, volunteer organization and State agency shall make the records described in subsection (a) available for audit by Commonwealth auditors and Agency officials, or both, within 10 days after receiving a written request that those records be made available for audit. An

audit request may be made at any time during the 3-year record retention period.]

Records and supporting documents (that is, receipts, invoices, vouchers, and the like) related to grant funds shall be retained for 3 years. The retention period starts at the end of the funding year—June 30—in which the funding allocation was made.

(b) A county and State agency shall make the records described in subsection (a) available for audit by Commonwealth and Agency officials within 10 days after receiving a written request that those records be made available for audit. The audit request may be made at any time during the 3-year record retention period.

§ 117.9. Agency report.

On September 1 of a year, the Agency will submit a report on its operation of the RTERF for the preceding fiscal year to the Governor, [and] the General Assembly and the Pennsylvania Emergency Management Council. The report will include a summary of the activities of the [EOP, Hazardous Materials Program] Radiation Transportation Emergency Response Program. The report will [also] include [a proposed operating budget, a financial statement,] a list of the applications received and the amounts [made to the] allocated to eligible [jurisdictions, volunteer organizations and State agencies] applicants. An analysis of the adequacy of the fee established for the shipment of spent nuclear fuel will also be included in the report.

NOTICES

DELAWARE RIVER BASIN COMMISSION

Commission Meeting and Public Hearing

The Delaware River Basin Commission will hold a public hearing on Wednesday, June 24, 1998. The hearing will be part of the Commission's regular business meeting which is open to the public and scheduled to begin at 1:30 p.m. in the Goddard Conference Room of the Commission's offices at 25 State Police Drive, West Trenton, NJ.

An informal conference among the Commissioners and staff will be held at 9:30 a.m. at the same location and will include a presentation on loadings of PCBs from tributaries and point sources to the tidal Delaware River; discussion of DRBC advisory committee functions and 1998 DRBC meeting schedule and locations.

In addition to the subjects listed below which are scheduled for public hearing, the Commission will also address the following: Minutes of the May 27, 1998 business meeting; announcements; General Counsel's report; report on Basin hydrologic conditions; consideration of request for hearing re Glen Mills School Docket No. D-97-39; a resolution concerning funding to support the position of Delaware Estuary Program Coordinator; a resolution providing for the election of the Commission offices of Chair, Vice Chair and Second Vice Chair; and public dialogue.

The subjects of the hearing will be as follows:

Applications for Approval of the Following Projects under Article 10.3, Article 11 and/or Section 2.8 of the Compact:

1. *Evansburg Water Company D-96-57 CP.* A ground water withdrawal project to supply water to the applicant's Perkiomen Division distribution system from existing Well Nos. 201, 203, 204, and from new Well No. 202, and to increase the combined allocation of ground water from 5.5 million gallons (mg)/30 days to 6.06 mg/30 days. The project is located in Perkiomen Township, Montgomery County in the Southeastern Pennsylvania Ground Water Protected Area.

2. *New Jersey Department of Military and Veterans Affairs D-96-66 CP.* A ground water withdrawal project to supply up to 14.4 mg/30 days of water to the applicant's cemetery turf irrigation system from new Well Nos. A, B and C, and to limit the withdrawal limit from all wells to 14.4 mg/30 days. The project is located in North Hanover Township, Burlington County, NJ.

3. *Township of Buckingham D-97-49 CP.* A ground water withdrawal project to supply water to the applicant's distribution system from existing Well Nos. BV-1, BV-2, FS-1, FS-2, CS-1, CS-2 and CS-3, from acquired Well Nos. L-1 and L-2 (formerly Peddler's Village Partnership Well Nos. 1 and 3), from new Well Nos. F-1 and F-2, and to increase the existing withdrawal limit from 21.15 mg/30 days to 33.2 mg/30 days. The project is located in

Buckingham Township, Bucks County in the Southeastern Pennsylvania Ground Water Protected Area.

4. *Warwick Township Water & Sewer Authority D-98-19 CP.* An interconnection project for the transfer of an average up to 1.2 million gallons per day (mgd) of treated water from Philadelphia Suburban Water Company (PSWC) to the applicant. The water transfer will serve the projected needs of the applicant's service area in Warwick Township, Bucks County, PA. The proposed transfer will establish a conjunctive use water system for the project service area, which currently relies on ground water and is located in the Southeastern Pennsylvania Ground Water Protected Area. PSWC's Neshaminy Creek intake in Middletown Township, Bucks County, will supply the surface water via the interconnection that entails a water main extension from the PSWC system along County Line Road in Warminster Township, Bucks County north to the applicant's storage tank on Dark Hollow Road in Warwick Township, Bucks County.

5. *Moorestown Township D-98-21 CP.* A project to rerate the applicant's sewage treatment plant (STP) No. 1 from 3.5 mgd to 3.88 mgd. Located off Pine Road in Moorestown Township, Burlington County, NJ, the STP serves Moorestown Township and will continue to discharge to North Branch Pennsauken Creek.

6. *Papen Farms, Inc. D-98-24.* A ground water withdrawal project to supply up to 32.4 mg/30 days of water to the applicant's agricultural irrigation system from the Wilson Farm Well; to increase the existing withdrawal limit of 130 mg/30 days from all wells to 160.2 mg/30 days, and to increase the withdrawal limit from all wells and intakes from 176 mg/30 days to 207 mg/30 days. The project is located in Kent County, DE.

7. *Great Spring Waters of America, Inc. D-98-27.* A project to increase withdrawals from an existing spring water system from a combined total of just less than 100,000 gallons per day (gpd) to 300,000 gpd, which consists of three sources, Spring Nos. 1, 2 and 3, located in the drainage area of Ontelaunee Creek in Lynn Township, Lehigh County, PA. The springs are situated within 1,000 feet of each other and are approximately 2,000 feet east of State Route 309 and 1,000 feet west of Mountain Road. The withdrawals will be transported by tank truck to the applicant's bottling plant located near the City of Allentown, Lehigh County, PA.

Documents relating to these items may be examined at the Commission's offices. Preliminary dockets are available in single copies upon request. Contact Thomas L. Brand at (609) 883-9500 ext. 221 concerning docket-related questions. Persons wishing to testify at this hearing are requested to register with the Secretary at (609) 883-9500 ext. 203 prior to the hearing.

Under 24 Pa.C.S. § 6503(e) (relating to certification of institutions), the Department of Education (Department) will consider the application of the Susquehanna University of the Evangelical Lutheran Church for a Certificate of Authority approving the institution's amendment to and the restating of its Articles of Incorporation in their entirety.

In accordance with 24 Pa.C.S. § 6503(e), the Department will act upon the application without hearing, unless within 30 days after the publication of this notice in the *Pennsylvania Bulletin* a written request for public hearing is filed with the Department, along with a notice of intervention, a petition to intervene or protest in accordance with 1 Pa. Code §§ 35.23 and 35.24 (relating

to protest) or 1 Pa. Code §§ 35.27—35.32 (relating to intervention).

All petitions to intervene, protest and request for hearing shall be filed with Dr. Warren D. Evans, Chartering/Governance/Accreditation Specialist, 333 Market Street, Harrisburg, PA 17126-0333, (717) 787-6576 on or before 4 p.m. on the due date prescribed by this notice. Persons wishing to review the application should phone or write to the aforementioned office to schedule a time for an in-office review. Duplicate copies of the application are not available.

Persons with a disability who wish to attend the hearing, if held, and require an auxiliary aid, service or other accommodation to participate, should contact Suzanne B. Markowicz at (717) 787-6576 to discuss how the Department of Education may best accommodate their needs.

EUGENE W. HICKOK,
Secretary

APPLICATIONS

APPLICATIONS RECEIVED UNDER THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

[National Pollution Discharge Elimination System Program (NPDES)]

DISCHARGE OF CONTROLLED INDUSTRIAL WASTE AND SEWERAGE WASTEWATER

(Part I Permits)

The following parties have applied for an NPDES permit to discharge controlled wastewaters into the surface waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions. These proposed determinations are tentative.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.6E.

Persons wishing to comment on the proposed permit are invited to submit a statement to the office noted above the application within 30 days from the date of this public notice. Comments received within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the responsible office considers the public response significant.

Following the 30-day comment period, the Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, proposed effluent limitations and special conditions, comments received and other information are on file and may be inspected and arrangements made for copying at the office indicated above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

Applications under the Pennsylvania Clean Streams Law

(Part II Permits)

The following permit applications and requests for plan approval have been received by the Department of Environmental Protection (Department). Persons objecting on the grounds of public or private interest to the approval of an application or submitted plan may file a written protest with the Department at the address indicated above each permit application or plan. Each written protest should contain the following: name, address and telephone number; identification of the plan or application to which the protest is addressed; and a concise statement in sufficient detail to inform the Department of the exact basis of the protest and the relevant facts upon which it is based. The Department may conduct a fact-finding hearing or an informal conference in response to any given protest. Each writer will be notified in writing of the time and place if a hearing or conference concerning the plan, action or application to which the protest relates is held. To insure consideration by the Department prior to final action on permit applications and proposed plans, initial protests and additions or amendments to protests already filed should be filed within 15 calendar days from the date of this issue of the *Pennsylvania Bulletin*. A copy of each permit application and proposed plan is on file in the office indicated and is open to public inspection.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

INDIVIDUAL PERMITS

(PAS)

The following parties have applied for an NPDES permit to discharge stormwater from a proposed construction activity into the surface waters of this Commonwealth. Unless otherwise indicated on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain limitations set forth in the permit and special conditions. These proposed determinations are tentative. Limitations are provided in the permit as erosion and sedimentation control measures and facilities which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the Regional Office or County Conservation District Office indicated as the responsible office, within 30 days from the date of this public notice. A copy of the written comments should be sent to the County Conservation District Office. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Regional Office of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the Regional Office considers the public response significant.

Following the 30-day comment period, the Water Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application and related documents, including the erosion and sedimentation control plan for the construction activity, are on file and may be inspected at the County Conservation District Office or the Department Regional Office indicated above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should

contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

Preamble 1

Acknowledgment of Notices of Intent to Remediate submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Sections 302 and 303 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to

Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate identifies a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the background or Statewide health standard to remediate a site must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department must provide a brief description of the location of the site, a list of known contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of the cleanup standards identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department and shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

For further information concerning the content of a Notice of Intent to Remediate, contact the Department Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at 1 (800) 654-5984.

The Department has received the following Notices of Intent to Remediate:

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

Preamble 2

Acknowledgment of Notices of Intent to Remediate submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Sections 304 and 305 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to or has been required to, respond to a release of a regulated substance at a site. Persons intending to use a site-specific standard or who intend to remediate a site in a Special Industrial Area must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of the cleanup standards identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department and shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific cleanup standard, in whole or in part, and for sites determined to be located in Special Industrial Areas. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area by the person conducting remediation. For the sites identified, a municipality may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified. During this comment period a municipality may request that the person identified, as the remediator of a site, develop and implement a public involvement plan. Requests to be involved, and comments, should be directed to the remediator of a site. For further information concerning the content of a Notice of Intent to Remediate, contact the Department's Regional Office under which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at 1 (800) 654-5984.

The Department has received the following Notices of Intent to Remediate:

Southwest Field Office: John J. Matviya, Environmental Cleanup Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, (412) 442-5217.

AIR POLLUTION

Notice of Plan Approval and Operating Permit Applications

Non-Major Sources and Modifications

The Department of Environmental Protection (Department) has developed an integrated plan approval, State operating permit and Title V operating permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department has received applications for plan approvals and/or operating permits from the following facilities. Although the sources covered by these applications may be located at a major facility, the sources being

installed or modified do not trigger major new source review or prevention of significant deterioration requirements.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the Regional Offices identified in this notice. Persons interested in reviewing the application files should contact the appropriate regional office.

Persons wishing to file protests or comments on the proposed plan approval and/or operating permits must submit the protest or comment within 30 days from the date of this notice. Interested persons may also request that a hearing be held concerning the proposed plan approval and operating permit. Any comments or protests filed with the Department Regional Offices must include a concise statement of the objections to the issuance of the plan approval or operating permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior to the date of the hearing.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121—143, the Federal Clean Air Act and regulations adopted under the act.

MINING

APPLICATIONS TO CONDUCT COAL AND NONCOAL ACTIVITIES

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the

Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to the applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of the application is available for inspection at the District mining office indicated above each application. Where a 401 water quality certification is needed for any aspect of a particular proposed mining activity, the submittal of the permit application will serve as the request for the certification.

Written comments or objections, or requests for informal conferences on applications, may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication, or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34 (relating to public notices of filing of permit applications, opportunity for comment, and informal conferences).

Where any of the mining activities listed will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. The NPDES permits will contain, at a minimum, technology-based effluent limitations (as described in the Department's regulations—25 Pa. Code §§ 77.522, 87.102, 88.92, 88.187, 88.242, 89.52 and 90.102) for iron, manganese, suspended solids, settleable solids, alkalinity and pH. In addition to the above, more restrictive effluent limitations, restrictions on discharge volume, or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit when necessary for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies which have requested review of the NPDES permit requirements for a particular mining activity within the above-mentioned public comment period will be provided with a 30-day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

Ebensburg District Office, 437 South Center Street, P. O. Box 625, Ebensburg, PA 15931-0625.

APPLICATIONS RECEIVED UNDER SECTION 401: FEDERAL WATER POLLUTION CONTROL ACT ENCROACHMENTS

The following Dam Safety and Encroachment permit applications, requests for Environmental Assessment approval and requests for water quality certification have been received by the Department of Environmental Protection (Department). Section 401(a) of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)) requires the State to certify that the involved projects will not violate the applicable provisions of 33 U.S.C.A. §§ 1311—1313, 1316 and 1317, as well as relevant State requirements. Initial requests for 401 certification will be published concurrently with the permit application. Persons objecting to approval of a request for certification under section 401 or to the issuance of a Dam Safety or Encroachment Permit or the approval of Environmental Assessments must submit comments, suggestions or objections within 30 days of the date of this notice as well as any questions to the office noted above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

Southeast Regional Office: Program Manager, Water Management Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

E15-577. Encroachment. **PA DOT**, 200 Radnor-Chester Rd., St. Davids, PA 19087. To improve, modify and maintain US 202 (SR 0202), Section 400, (Phase II, Section 402) within the existing median and beyond the existing highway edge. The highway width will increase from four lanes to a minimum of six lanes. The limit of this work will begin east of North Valley Road, (Valley Forge, PA Quadrangle N: 10.4 inches; W: 15.6 inches) and will end west of Old Eagle School Road, (Valley Forge, PA Quadrangle N: 14 inches; W: 5.2 inches) in Tredyffrin Township, **Chester County**. Work will consist of: 1) Modifying an existing crossing of an unnamed tributary to Little Valley Creek (EV) at Station 563 + 50 using retaining walls or head wall modification. 2) Modifying an existing crossing of Crabby Creek tributary to Little Valley Creek (EV) at station 582 + 50 using a retaining wall or head wall modification. 3) Extending an existing 60-inch R.C.P. culvert by installing approximately 25 linear feet of 60-inch R.C.P. culvert to the down stream end left of station 658 + 00, and also to extend an existing 18-inch drainage pipe by installing approximately 20-linear feet of R.C.P. culvert at the downstream end just left of station 660 + 50 in unnamed tributaries to Little

Valley Creek (EV) and impacting de minimis 0.024 acre of Exceptional Value wetlands (PFO). 4) Modifying an existing box culvert along Trout Creek at station 696 + 00 utilizing retaining walls or head wall modifications. 5) Modifying an existing box culvert along an unnamed tributary to Trout Creek (WWF) at station 716 + 04 using retaining walls or head wall modifications. 6) Modifying an existing box culvert along an unnamed tributary to Trout Creek (WWF) at station 738 + 55 utilizing retaining walls or head wall modifications. 7) Extend an existing 6.5-foot × 6-foot R. C. box culvert by adding approximately 5 linear feet of 6.5 foot by 6-foot box culvert at the down stream end, at a point left of station 754 + 60 in the vicinity of Bay Colony ramps. Work also includes the improvement and modification to the bed of an unnamed tributary to Trout Creek for approximately 600 linear feet from the aforementioned culvert to the upstream end of the culvert under Swedesford Road.

E15-580. Encroachment. **PA DOT**, 200 Radnor-Chester Rd., St. Davids, PA 19087-5178. To remove an existing bridge and to construct and maintain a 15-foot span by 4.5-foot effective rise concrete box culvert in and along an unnamed tributary to Muddy Run (TSF, MF). This culvert is located on Cream Road (S. R. 3085 Section 40M), at a point approximately 100 feet west of the intersection of Cream Road and Union School Road (Kirkwood, PA Quadrangle N: 14.75 inches; W: 0.45 inch) in Lower Oxford Township, **Chester County**.

E15-479. Encroachment. **Judd Builders-Developers**, 1750 Walton Road, Blue Bell, PA 19422-0465. To reissue permit No. E15-479 to construct and maintain triple reinforced concrete box culverts having a cell span of 15 feet each and two cells with underclearances of 5.5 feet, and the third with an underclearance of 6.0 feet. This third cell, which receives low stream flows, will be depressed 0.5 foot below the other two cells. This culvert is associated with the construction of the Friendship Lane roadway crossing over a tributary to the East Branch White Clay Creek for the purpose of providing access from Clay Creek Road into the proposed residential Hills of Sullivan Subdivision. This project also includes placement of fill in 0.43 acre of wetlands associated with the construction of Angelica Drive to serve as a combined roadway crossing and stormwater impoundment facility, to construct two 6-foot wide wooden pedestrian bridges for wetland crossings at several locations along a proposed recreational trail, and install a 4-inch supply pipe to storm water basin No. 1. The site is located at a point approximately 800 feet east of Sullivan Road (T-327) and Clay Creek Road (S. R. 3011) (West Grove, PA-DEL Quadrangle N: 10.6 inches; W: 5.7 inches) in London Grove Township, **Chester County**.

ACTIONS

FINAL ACTIONS TAKEN UNDER THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

[National Pollution Discharge Elimination System Program (NPDES)]

DISCHARGE OF CONTROLLED INDUSTRIAL WASTE AND SEWERAGE WASTEWATER

(Part I Permits)

The Department of Environmental Protection (Department) has taken the following actions on previously received permit applications and requests for plan approval and has issued the following significant orders.

Persons aggrieved by this action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law) to the Environmental Hearing Board, 400 Market Street, Floor 2, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at 1 (800) 654-5984.

HAZARDOUS SITES CLEANUP

Under the Act of October 18, 1988

Public Notice of Proposed Consent Order and Agreement

Department of
Environmental Protection

Shaler/JTC Site

Bruin Borough, Butler County

Under Section 1113 of the Pennsylvania Hazardous Sites Cleanup Act (35 P. S. § 6020.1113), notice is hereby provided that the Department of Environmental Protection (Department) has entered into a Consent Order and Agreement with Chase Corporation (Chase) concerning the Shaler/JTC site (site). The site is located in Bruin Borough, Butler County, PA.

As the result of past operations and possible waste disposal activities, hazardous substances have contaminated the soil, surface water, groundwater and sediments at the site, as well as other media in tanks, drums, vats and buildings at the site. The Department has incurred approximately \$7 million in response costs at the site. However, the Department has determined that Chase is a

de minimis settlor, based upon the Department's determination that: the amount of hazardous substances contributed by Chase is minimal compared to the amount of the other hazardous substances at the site; the toxic or other hazardous effects of these hazardous substances are minimal compared to the effects of the other hazardous substances at the site; and these hazardous substances have caused and will cause only a minor portion of the response costs at the site. Accordingly, the Department has agreed to enter into a de minimis financial settlement with Chase to, among other things, pay \$259,468 to the Commonwealth of Pennsylvania Hazardous Sites Cleanup Fund. The specifics of the Department's de minimis settlement with Chase are set forth in the Consent Order and Agreement.

The Department will receive and consider comments relating to the Consent Order and Agreement for 60 days from the date of this Public Notice. The Department may withdraw its consent to the settlement with Chase if the comments concerning the Consent Order and Agreement disclose facts or considerations which indicate that the settlement is inappropriate, improper, inadequate or not in the public interest. After the public comment period, the Department's settlement with Chase shall become final upon the filing of the Department's response to any significant comments to the Consent Order and Agreement.

Copies of the Consent Order and Agreement are available for inspection at both the Department's Northwest Regional Office, located at 230 Chestnut Street, Meadville, PA, and at the Department's Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA. Comments may be submitted, in writing, to Harold Nye, Project Manager, Department of Environmental Protection, Hazardous Sites Cleanup, 230 Chestnut Street, Meadville, PA 16335-3481. Further information may be obtained by contacting Harold Nye at (814) 332-6648. TDD users may contact the Department through the Pennsylvania Relay Service at 1 (800) 654-5984.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

Preamble 3

The following final reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Provisions of Chapter 3 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of submission of any final reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed, and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected.

For further information concerning the final report, contact the Environmental Cleanup Program in the Department Regional Office under which the notice of

receipt of a final report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following final reports:

ACTIONS TAKEN UNDER SECTION 401: FEDERAL WATER POLLUTION CONTROL ACT

ENCROACHMENTS

The Department of Environmental Protection (Department) has taken the following actions on previously received Dam Safety and Encroachment permit applications, requests for Environmental Assessment approval and requests for Water Quality Certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)).

Persons aggrieved by this action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law) to the Environmental Hearing Board, 400 Market Street, Floor 2, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of the written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

Actions on applications filed under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and sections 5 and 402 of The Clean Streams Law (35 P. S. §§ 691.5 and 691.402) and notice of final action for certification under section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)). (Note: Permits issued for Small Projects do not include 401 Certification, unless specifically stated in the description.)

Northeast Regional Office, Regional Soils and Waterways Section, 2 Public Square, Wilkes-Barre, PA 18711-0790, (717) 826-5485.

E40-490. Encroachment. Heritage Pittston Realty Co., Inc., 1 Commerce Road, Pittston Township, PA 18640. To construct and maintain a stream enclosure of Lidy Creek, consisting of approximately 210 linear feet of 54-inch CMP, and to place fill in a de minimis area of wetlands equal to 0.03 acre, for the purpose of expanding the Berkley Publishing Group facility. The project is located within the Eastern Distribution Center industrial park, on the east side of Commerce Road, approximately 1.0 mile southeast of Interchange 49 of Interstate 81 (Avoca, PA Quadrangle N: 14.0 inches; W: 13.4 inches), in Pittston Township, **Luzerne County**.

E45-352. Encroachment. Camelback Ski Corporation, P. O. Box 168, Tannersville, PA 18372. To construct and maintain 18 24-inch diameter concrete piers in the reservoir of Dam No. D45-233 to support two water slides and place fill having a surface area of approximately 1,235 S. F. in the reservoir for the construction of a landing pool. The project is located at Camelback Ski Resort, approximately 0.5 mile south of the intersection of S. R. 4006 and Township Road T539 (Mount Pocono, PA Quadrangle N: 9.2 inches; W: 14.5 inches) in Pocono Township, **Monroe County**.

E48-261. Encroachment. Lehigh University—Facilities Section, 461 Webster Street 3, Bethlehem, PA 18015-3039. To construct and maintain twin 60-inch R.C.P. culverts with concrete headwalls in a tributary to Saucon Creek at two locations approximately 1,000 feet apart. This work is associated with the proposed realignment of Seidersville Road to correct deficient roadway geometry and improve access to the southern campus from S. R. 0078. The project is located at Lehigh University between South Mountain Drive and S. R. 0412 (Hellertown, PA Quadrangle N: 16.7 inches; W: 15.0 inches) in the City of Bethlehem, **Northampton County**.

E48-267. Encroachment. City of Bethlehem, 10 East Church Street, Bethlehem, PA 18018. To place and maintain fill in the 100-year floodplain and floodway of Saucon Creek and excavate a portion of the 100-year floodway for the purpose of constructing a riprap lined trapezoidal channel having a bottom width of 6 feet and berm heights of 2 feet with 2 H:1V sideslopes. The outfall channel will convey combined sewage overflow from an existing 48-inch R.C.P. bypass pipe directly to Saucon Creek. The project is located on the south side of Saucon Creek, just east of S. R. 2014 (Shimersville Road) (Hellertown, PA Quadrangle N: 21.4 inches; W: 11.7 inches) in the City of Bethlehem, **Northampton County**.

SPECIAL NOTICES

102/NPDES/Stormwater Construction Activities

Notice is hereby given that the Department of Environmental Protection (DEP) Water Management Program will be holding a fact finding hearing on the following Stormwater NPDES permit application: SR 202, Section 402, and US Route 202 Improvement Project, PAS10-G324.

The hearing is scheduled for July 21, 1998, at 1:30 p.m. at Chester County Conservation District Office, Government Services Center, Conference Room 240, 610 Westtown Road, West Chester, PA 19382-4519, Chester County. The hearing is being held to solicit pertinent comments on this application. The application is for stormwater construction activities, with a discharge to Little Valley and Trout Creeks. A copy of this application is available for review in the Southeast Regional Office's Record Management Section, (610) 832-6268. Those interested in reviewing the application should call to schedule a date to review the file. The project sponsor is: PA Department of Transportation, Engineering District 6-0, 200 Radnor-Chester Roads, St. Davids, PA 19087.

Comments received will be considered by DEP in completing its review and prior to taking final action concerning the application. The hearing will not be a question and answer session.

Anyone intending to make a presentation at the hearing should submit written notice to the Regional Manager, Water Management Program at the above address. The notice should include your name, address and phone number, whether you are opposed or in favor of the project and a brief statement about your presentation. Comments should be kept brief and, depending on the number of speakers, may be limited to 10 minutes per speaker. Where groups are represented, a spokesperson is requested to present the group's concerns. Anyone wishing to present written material directly to DEP may do so within 30 days following the hearing.

If you are a person with a disability and wish to attend the hearing and you require an auxiliary aid, service or other accommodations to participate in the proceedings, please contact Sharon Moore, at (610) 832-6073. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Availability of Technical Guidance

Technical guidance documents are on DEP's World Wide Web site (<http://www.dep.state.pa.us>) at the Public Participation Center. The "January 1998 Inventory" heading is the Governor's List of Non-regulatory Documents. The "Search the Inventory of Technical Guidance Documents" heading is a database of the Inventory. The "Final Documents" heading is the link to a menu of the various DEP bureaus and from there to each bureau's final technical guidance documents. The "Draft Technical Guidance" heading is the link to DEP's draft technical guidance documents.

DEP will continue to revise its documents, as necessary, throughout 1998.

Ordering Paper Copies of DEP Technical Guidance

Persons can order a bound paper copy of the latest Inventory or an unbound paper copy of any of the final documents listed on the Inventory by calling DEP at (717) 783-8727.

In addition, bound copies of some of DEP's documents are available as DEP publications. Persons should check with the appropriate bureau for more information about the availability of a particular document as a publication.

Changes to Technical Guidance Documents

Here is the current list of recent changes. Persons who have any questions or comments about a particular document should call the contact person whose name and phone number is listed with each document. Persons who have questions or comments in general should call Jonathan Brightbill at (717) 783-8727.

Environmental Education Grants Applications

The Department of Environmental Protection (Department) announces that applications for the 1999 Environmental Education Grants Program under the Environmental Education Act (35 P. S. §§ 7521—7523) (act) are available.

The act created an Environmental Education Fund (Fund) from the annual deposit of 5% of the pollution fines and penalties collected by the Department. The Fund is used to support new environmental education programs in Department of Conservation and Natural Resources' Bureau of State Parks; provide grants to schools, conservation organizations, educational organizations and county conservation districts. Some administrative costs associated with administering the grants program are also covered by this Fund.

The purpose of this grants program is to stimulate environmental education in this Commonwealth through direct instruction, or through teacher training. Grants can be used to develop new programs, or to significantly improve the quality of existing programs. Projects may be large, comprehensive endeavors affecting many teachers, students, or both, or they may be small, focused efforts to help an individual teacher or school implement an environmental education program.

This is a reimbursement program with grant awards to \$10,000. Grantees must provide a minimum of 25% in matching funds from non-State sources. Eligible applicants are as follows:

- Public and private schools for youth environmental education (kindergarten through secondary levels)
- Nonprofit conservation and education organizations and institutions, including public and private schools, for teacher training and pre-service training in environmental education
- County conservation districts for youth education, teacher training, or community education

Other interested parties may form partnerships or consortiums with an eligible applicant.

A one page pre-application letter, a new requirement, must be postmarked between July 1, 1998, and September 21, 1998. Upon receiving approval notification, final applications must be posted by November 12, 1998. Applications posted after that date will not be considered. Applications must be on the Department provided forms. Grant awards will be announced during Earth Week, 1999. Awarded projects may not begin until July 1, 1999, or after.

Inquiries concerning this notice or requests for grants manuals should be directed to the Department of Environmental Protection, Environmental Education Grants

Program, P. O. Box 8454, Harrisburg, PA 17105-8454, (717) 772-1828; Heidi Haertsch (717) 705-3767 or E-mail Haertsch.Heidi@a1.dep.state.pa.us.

Tributary to Chester Creek, Delaware County; Acceptance of Rulemaking Petition for Study

At the May 21, 1998, meeting of the Environmental Quality Board (EQB), the EQB accepted a rulemaking petition for further study under 25 Pa. Code Chapter 23 (relating to Environmental Quality Board policy for processing petitions—statement of policy).

The petition was submitted by Frank Akutowicz on behalf of local residents and himself, and requests that a

2-mile portion of a tributary to Chester Creek in Delaware County be designated as Exceptional Value (EV) Waters. This section of stream is referred to by the Department of Environmental Protection (DEP) as Unnamed Tributary #00595 and is currently designated as Trout Stocking.

As part of its study, the DEP will hold a public hearing to obtain additional information concerning the action requested in the petition. The hearing will be held on Wednesday, August 5, 1998, at 6:30 p.m. at the following location: Cheyney University of Pennsylvania, The World Culture Room, Duckrey Social Science Building, Cheyney and Creek Roads, Cheyney, Pennsylvania.

The Department invites comments on the merits of this petition. The hearing will be fact-finding in nature where interested persons may submit information to the DEP for its consideration in the development of its technical recommendation to the EQB on the appropriate designation of this stream. A public comment period will be open to accept written comments following the hearing. Written comments must be received by August 19, 1998, and may be submitted to the following address: Edward R. Brezina, Department of Environmental Protection, Bureau of Watershed Conservation, P. O. Box 8555, Harrisburg, PA 17105-8555, Telephone: (717) 787-9637.

Electronic comments may be submitted to Brezina.Edward@a1.dep.state.pa.us and must also be received by August 19, 1998. Comments received by facsimile will not be accepted.

Persons wishing to present testimony at the hearing are requested to contact Edward Brezina at least 1 week in advance of the hearing to reserve a time to present testimony. Oral testimony is limited to 10 minutes for each witness. Witnesses are requested to submit three written copies of their testimony to the hearing chair. Each organization is limited to designating one witness to present testimony on its behalf.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate should contact Edward Brezina at (717) 787-9637, or through the Pennsylvania AT&T Relay Service at (800) 654-5984 (TDD), to discuss how their needs may be accommodated.

Following the DEP's review of the petition and additional information received during the public comment period, the DEP will evaluate the stream through site visits and biological assessment and prepare a draft report. The draft report will be submitted to the petitioners, local municipalities, and those who provided comments at the hearing or during the public comment period before it is submitted to the EQB. The report will include a recommendation on whether or not the stream should be redesignated. When the report is submitted to the EQB, it will be processed as a proposed rulemaking with an opportunity for additional public comment.

Copies of the petition are available from the Bureau of Watershed Conservation at the above address and telephone number.

The scope of work includes, but is not limited to, interior renovations providing new building systems, including HVAC, electrical, plumbing, fire suppression and installation of a new elevator. The renovations will provide for seminar rooms, lecture hall, student lounge and locker area, student organization offices, faculty/administrative offices and construction of a 400 square foot main entrance. The renovations will convert the 29,769 square foot College Hall for use by the School of Law.

Requirements and Information

Note—Project Program

A Project Program, prepared by the Using Agency, for the above advertised projects may be available and can be obtained upon request to the Selections Committee, Department of General Services, Room 104, 18th and Herr Streets, Harrisburg, PA 17125, (717) 783-8468.

Instructions for Filing Application

Professionals will not be considered by the Committee until all of the following requirements are met.

(a) Signed Revised 1994 Form 150, not more than 1 year old as of the deadline date stated in paragraph (d), must be filed with the Department for the requesting professional firm and the designated key consultants listed on the requesting professional firm's application (Form 150-S). All signatures on Form 150 must be original signatures. Consultants listed on the requesting professional firm's application (Form 150-S) shall be deemed to be designated key consultants. If these documents are not on file with the Department, the requesting professional firm must submit them with the firm's application (Form 150-S). A photocopy of Form 150 without an original signature of a principal of the firm is not acceptable. Revised 1994 Form 150, Architect/Engineer Questionnaire, may be obtained upon request to the

Selections Committee, Department of General Services, Room 104, 18th and Herr Streets, Harrisburg, PA 17125, (717) 783-8468.

(b) The requesting professional firm shall obtain from each consultant listed in the requesting professional firm's application (Form 150-S) a signed letter of certification on the consultant's letterhead, attesting to the firm's consent to participate in the requesting professional firm's application (Form 150-S) for the specific project. Signed letters of certification from consultants are required and constitute a part of the requesting professional firm's application (Form 150-S) for the specific project. All signatures on letters of certification must be original signatures.

(c) The requesting professional firm must submit six signed copies of Revised 1994 Form 150-S, Specific Project Form, for each project herein advertised in which the firm is interested and qualified to perform. All signatures on Form 150-S must be original signatures. For architectural projects and, when appropriate, for engineering projects, the Professional shall supply photographs showing a maximum of two different views of each of the three projects described in Question 14, Page 5 of the application (Form 150-S). The requesting professional firm or Joint Venture members must be the Professional of Record for the projects described in Question 14, Page 5 of the application (Form 150-S). It is not acceptable to list work performed by key consultants. The identification and appropriate supportive information concerning each photograph shall include the name, project title, location and the name of the Professional of Record. Renderings and brochures will not be accepted in lieu of photographs. The photographs shall be attached to each copy of the application (Form 150-S). The pages of each copy of revised 1994 Form 150-S must be stapled with photographs and consultant's letters of certification followed by photocopies of licenses of registered professionals included as the last section of the application. Do not bind the application (Form 150-S) in any way to any other documentation. Do not bind the application (Form 150-S) in a binder of any type. Revised 1994 Form 150-S may be obtained upon request to the Selections Committee, Department of General Services, Room 104, 18th and Herr Streets, Harrisburg, PA 17125, (717) 783-8468.

(d) A complete project submission, which consists of documents described in paragraphs (a)—(c), must be received on or before the close of business (5 p.m.) Thursday, July 2, 1998, and addressed to the Selections Committee, Department of General Services, Room 104, 18th and Herr Streets, Harrisburg, PA 17125. Fax applications are not acceptable.

Project submissions must be made on the current 1994 forms. Outdated forms are not acceptable.

(e) The Selections Committee may at its discretion establish interviews with any or all of the Professionals who have requested consideration for appointment as designer for the above projects. If an interview is required, the Professional will be notified by the Committee as to the date, time and location.

(f) Additional information, in writing, may be requested by the Committee as required. Additional services—indoor air quality assessment program and hazardous materials.

The Professional firm selected to design a project will be expected to perform and administer, when required by the Department as Additional Services, an Indoor Air Quality Assessment Program during Building or Renova-

tion Commissioning and the sampling, testing, inspection and monitoring for removal of any asbestos, other hazardous waste or contaminants encountered during project design or construction, unless otherwise stated in the Scope.

The professional agrees to comply with the terms of the Agreement and specifically as it relates to the Professional Liability Insurance and the General Liability Insurance Requirements.

The Selections Committee encourages responses from small firms, minority firms, women-owned firms and firms who have not previously performed State work, and will consider Joint Ventures, which will enable them to participate in this program.

All applications submitted are subject to review by the Selections Committee. The Selections Committee disclaims any liability whatsoever as to its review of the applications submitted and in formulating its recommendations for selection. All recommendations for selection made by the Committee shall be final under the act of July 22, 1975 (P. L. 75, No. 45).

DEPARTMENT OF TRANSPORTATION

Finding

Somerset County

Pursuant to the provisions of 71 P. S. Section 2002(b), the Secretary of Transportation makes the following written finding:

The Department of Transportation plans to replace the existing Paint Creek Bridge carrying Somerset Avenue over Paint Creek and reconfigure the existing 17th and 18th Street intersections with Somerset Avenue in the Borough of Windber, Somerset County. The existing Paint Creek Bridge is a contributing element to the National Register listed Windber Historic District. The effect of this project on the Windber Historic District will be

mitigated by the mitigation measures outlined in the Categorical Exclusion Evaluation/Section 4(f) Evaluation. The Section 4(f) Evaluation meets the same requirements as section 2002 of Pennsylvania Act 120.

I have considered the environmental, economic, social, and other effects of the proposed project as enumerated in Section 2002 of the Administrative Code, and have concluded that there is no feasible and prudent alternative to the project as designed, and all reasonable steps have been taken to minimize such effect.

No adverse environmental effect is likely to result from the replacement of this bridge.

FISH AND BOAT COMMISSION

Triploid Grass Carp Permit Applications

Under 58 Pa. Code § 71.7, the Fish and Boat Commission (Commission) may issue permits to stock triploid grass carp in Commonwealth waters. Triploid grass carp are sterile fish that may, in appropriate circumstances, help control aquatic vegetation. The Commission has determined consistent with 58 Pa. Code § 71.7(e)(3) to seek public input with respect to any proposed stockings of triploid grass carp in waters having a surface area of more than 5 acres. Interested persons are invited to submit written comments, objections or suggestions about the notice to the Executive Director, Pennsylvania Fish and Boat Commission, P. O. Box 67000, Harrisburg, PA 17106-7000, within 10 days after publication of this notice in the *Pennsylvania Bulletin*. Comments submitted by facsimile will not be accepted.

The following applications to stock triploid grass carp in waters having a surface area of more than 5 acres are currently undergoing staff review:

INDEPENDENT REGULATORY REVIEW COMMISSION

Actions Taken by the Commission

The Independent Regulatory Review Commission met publicly at 10:45 a.m., Thursday, June 4, 1998, and took the following action:

Regulation Approved:

#1801 State Architects Licensure Board #16A-413: General Revisions (amends 49 Pa. Code Chapter 9)

Commissioners Present: John R. McGinley, Jr., Chairperson; Alvin C. Bush, Vice Chairperson; Arthur Cocodrilli; Robert J. Harbison, III ; John F. Mizner

Public Meeting held
June 4, 1998

State Architects Licensure Board—General Revisions; Regulation No. 16A-413

Order

On March 13, 1997, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Architects Licensure Board (Board). This rulemaking amends 49 Pa. Code Chapter 9. The authority for this regulation is found in sections 5(a); 6(a), (b), (c) and (d); 8(b) and (c); 10(b); 11(a); 12(a) and (c); 13(h); and 14 of the Architects Licensure Law (63 P. S. §§ 34.5(a); 34.6(a), (b), (c) and (d); 34.8(b) and (c); 34.10(b); 34.11(a); 34.12(a) and (c); 34.13(h); and 34.14). The proposed regulation was published in the March 29, 1997 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on April 20, 1998.

The Board is revising its existing regulations to clarify and simplify requirements for licensure by examination and reciprocity. The Board is eliminating provisions which reflect outdated standards and procedures of the National Council of Architectural Registration Boards. Finally, the Board is amending its regulations regarding complaints to conform to court decisions regarding the separation of prosecutorial and adjudicatory functions.

The Senate Consumer Protection and Professional Licensure Committee approved the regulation on April 28, 1998. The House Professional Licensure Committee approved the regulation on May 6, 1998.

We have reviewed this regulation and find it to be in the public interest. The proposed regulation eliminates obsolete provisions and improves the clarity of the regulation.

Therefore, It Is Ordered That:

1. Regulation No. 16A-413 from the State Architects Licensure Board, as submitted to the Commission on April 20, 1998, is approved; and

2. The Commission will transmit a copy of this Order to the Legislative Reference Bureau.

LIQUOR CONTROL BOARD

Products Registered by Manufacturers as Malt or Brewed Beverages

The Liquor Control Board publishes the following list to identify those products that have been registered by their manufacturers as "malt or brewed beverages" under section 445 of the Liquor Code (47 P. S. § 4-445). "Malt or brewed beverages" are defined as "any beer, lager beer, ale, porter or similar fermented malt beverage containing one-half of one percentum or more of alcohol by volume." (47 P. S. § 1-102).

The fact that a given product is not found on this list does not mean it is not a "malt or brewed beverage" as that term is used in the Liquor Code.

PENNSYLVANIA PUBLIC UTILITY COMMISSION

Service of Notice of Motor Carrier Applications

The following temporary authority and/or permanent authority applications for the right to render service as a common carrier or contract carrier in this Commonwealth have been filed with the Pennsylvania Public Utility Commission. Publication of this notice shall be considered as sufficient notice to all carriers holding authority from this Commission. Applications will be considered without hearing in the absence of protests to the application. Protests to the applications published herein are due on or before July 13, 1998, as set forth at 52 Pa. Code § 3.381 (relating to applications for transportation of property and persons). The protest shall also indicate whether it applies to the temporary authority application or the permanent application or both.

Applications of the following for *amendment to the certificate of public convenience approving the operation of motor vehicles as common carriers for transportation of persons as described under each application.*

A-00112962, F. 1, Am-A (Amended). L-J-L Trucking, Inc., t/d/b/a Med-Van Transport (1311 Philadelphia Avenue, Barnesboro, Cambria County, PA 15714), a corporation of the Commonwealth of Pennsylvania—persons in paratransit service between points in the borough of Barnesboro, Cambria County, and points within 15 airline miles of the limits of said borough, and from points in the said territory, to points in Pennsylvania, and return; subject to the following conditions: (a) That the service shall be restricted to trips to and from medical facilities, using vans equipped with lifts, ramps and other specialized facilities for passengers in wheelchairs, and (b) That service from points in Indiana County shall be limited to persons who, at the time of transportation, are subscribers to the carrier's ambulance service: *so as to permit* the transportation of persons in paratransit service, between points in the borough of Barnesboro, Cambria County, and points within an airline distance of 50 statute miles of the limits of said borough; subject to the following condition: That the service shall be restricted to trips to and from medical facilities and offices, rehabilitation and physical therapy facilities and offices, and physician, dental and chiropractic facilities and offices. *Attorney:* Robert W. Lambert, 1001 Philadelphia Street, Indiana, PA 15701.

Applications of the following for approval of the right and privilege to partially discontinue/abandon operating as *common carriers* by motor vehicle for the transportation in use as described under each application.

A-00106056, F. 1, Am-A. Central Transportation, Inc. (Route 22 East, Ebensburg, Cambria County, PA 15931)—discontinuance of service, and cancellation of a permit, as a contract carrier, by motor vehicle, of all the authority held at A-00106056, which permits the transportation of residents and employes of Ebensburg Center for the Pennsylvania Department of Public Welfare, from the Ebensburg Center in the borough of Ebensburg, Cambria County, to the Portage Elementary School located in the borough of Portage, Cambria County and return.

A-00107135, F. 2, Am-A. Frank J. Castelli, t/d/b/a Frank J. Castelli Transport (Route 22 East, Ebensburg, Cambria County, PA 15931)—discontinuance of service, and cancellation of a certificate, as a common carrier, by motor vehicle, of all the paratransit authority held at A-00107135, F. 2, which permits the transportation of persons, from the facilities of the Federal Correctional Institution located in the borough of Loretto, Cambria County, and the Pennsylvania State Correctional Institution located in the township of Cresson, Cambria County, to points in Pennsylvania, and vice versa; subject to the following conditions: That no right, power or privilege is granted to provide service to points in the boroughs of Cresson, Ebensburg and Loretto, and the townships of Cambria, Munster, Allegheny and Cresson, all in Cambria County, and vice versa; and that no right, power or privilege is granted to provide service to points in the city of Altoona, the boroughs of Duncansville and Hollidaysburg, and the townships of Logan and Allegheny, all in Blair County, and vice versa.

Motor Carrier Applications—Property, Excluding Household Goods in Use

The following applications for the authority to transport property, excluding household goods in use, between points in Pennsylvania, have been filed with the Pennsylvania Public Utility Commission. Public comment to these applications may be filed, in writing with the Secretary, Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265 on or before July 6, 1998.

STATE CONTRACTS INFORMATION

DEPARTMENT OF GENERAL SERVICES

Notices of invitations for bids and requests for proposals on State contracts for services and commodities for which the bid amount is reasonably expected to be over \$10,000, are published in the State Contracts Information Section of the *Pennsylvania Bulletin* prior to bid opening date. Information in this publication is intended only as notification to its subscribers of available bidding and contracting opportunities, and is furnished through the Department of General Services, Vendor Information and Support Division. No action can be taken by any subscriber or any other person, and the Commonwealth of Pennsylvania is not liable to any subscriber or any other person, for any damages or any other costs incurred in connection with the utilization of, or any other reliance upon, any information in the State Contracts Information Section of the *Pennsylvania Bulletin*. Interested persons are encouraged to call the contact telephone number listed for the particular solicitation for current, more detailed information.

EFFECTIVE JULY 1, 1985, A VENDOR'S FEDERAL IDENTIFICATION NUMBER (NUMBER ASSIGNED WHEN FILING INCOME TAX DOCUMENTS) OR SOCIAL SECURITY NUMBER IF VENDOR IS AN INDIVIDUAL, MUST BE ON ALL CONTRACTS, DOCUMENTS AND INVOICES SUBMITTED TO THE COMMONWEALTH.

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". A qualified small business concern is an independently owned, operated for profit, business employing 100 or fewer employes and is not a subsidiary or affiliate of a corporation otherwise not qualified.

Such penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter. The small business concern must include on every invoice submitted to the Commonwealth: "(name of vendor) is a qualified small business concern as defined at 4 Pa. Code § 2.32".

For information on the required payment date and annual interest rate, please call the Pennsylvania Department of Commerce, Small Business Action Center, 483 Forum Building, 783-5700.

GET A STEP AHEAD IN COMPETING FOR A STATE CONTRACT!

The Treasury Department's Bureau of Contracts and Public Records can help you do business with state government agencies. Our efforts focus on guiding the business community through the maze of state government offices. The bureau is, by law, the central repository for all state contracts over \$5,000. Bureau personnel can supply descriptions of contracts, names of previous bidders, pricing breakdowns and other information to help you submit a successful bid on a contract. We will direct you to the appropriate person and agency looking for your product or service to get you "A Step Ahead." Services are free except the cost of photocopying contracts or dubbing a computer diskette with a list of current contracts on the database. A free brochure, "Frequently Asked Questions About State Contracts," explains how to take advantage of the bureau's services.
