# READER'S GUIDE TO THE *PENNSYLVANIA BULLETIN* AND THE *PENNSYLVANIA CODE*

## *Pennsylvania Bulletin*

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Pennsylvania Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

### **Adoption, Amendment or Repeal of Regulations**

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances when the agency may omit the proposal step; it still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania Bulletin* before it can take effect. If the agency

wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, it must repropose.

### **Citation to the *Pennsylvania Bulletin***

Cite material in the *Pennsylvania Bulletin* by volume number, a page number and date. Example: Volume 1, *Pennsylvania Bulletin*, page 801, January 9, 1971 (short form: 1 Pa.B. 801 (January 9, 1971)).

### ***Pennsylvania Code***

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa. Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

### **How to Find Documents**

Search for your area of interest in the *Pennsylvania Code*. The *Pennsylvania Code* is available at [www.pacode.com](http://www.pacode.com).

Source Notes give the history of regulations. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

A chronological table of the history of *Pennsylvania Code* sections may be found at [www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde\\_index.cfm](http://www.legis.state.pa.us/cfdocs/legis/CH/Public/pcde_index.cfm).

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred. The *Pennsylvania Bulletin* is available at [www.pabulletin.com](http://www.pabulletin.com).

GENERAL INFORMATION AND FINDING AIDS: (717) 783-1530**

#### **Printing Format**

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from a rule or regulation is enclosed in brackets [ ] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

#### **Fiscal Notes**

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised. A fiscal note provides the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the 5 succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the 5 succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

#### **Reproduction, Dissemination or Publication of Information**

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

##### **§ 3.44. General permission to reproduce content of Code and Bulletin.**

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

[ **Rule 406-12 ] Rule \*122-7. Experience Exception to Standards.**

A. If any applicant fails to meet any of the above specified standards, the Screening Committee, after

conducting a personal interview with the applicant, may rate the applicant to be qualified if the applicant's experience, knowledge and training are clearly equivalent to the standards for the category in which applicant seeks qualification, except as otherwise required by Pa.R.Crim.P. 801.

B. If the applicant refused to undergo those measures, or if after completing the measures, the Selection Committee still rejects the application, then the applicant may appeal the disapproval as provided in Rule [ **406-14** ] \*122-8.

*Editor's note:* Adopted by the Board of Judges, General Court Regulations 89-3, May 31, 1989, effective immediately; the Board of Judges voted on February 17, 2005 to amend the preceding rule, pending final approval in May of 2005; amended July 14, 2005.

[ **Rule 406-14 ] Rule \*122-8. Performance Standards; Processing Complaints.**

A. *General:* The Screening Committee may refuse to approve applicants as provided in Rule [ **406-12.B** ] \*122-7 B., or may impose remedial measures, if the applicant fails to meet the performance standards set forth in this Rule.

B. *Processing Complaints:*

1. Any complaint about the performance of any court-appointed counsel shall first be transmitted to an official in the Court Administrator's office designated for the receipt of such complaints. The official shall forward the complaint to the Chair of the Screening Committee.

2. All such complaints, as well as the identity of the complainant, shall remain absolutely confidential, except as set forth herein.

3. When the Chair of the Screening Committee receives such a complaint, he or she should appoint three members of the Committee as a Panel, and submit the complaint to that Panel. The Panel should review the complaint to determine whether it requires action. If the Panel finds that the complaint requires further action it should notify the subject and afford the subject an opportunity to reply or produce evidence in response to the complaint. The identity of the complainant should not be disclosed, unless the complainant waives confidentiality, provided that the non disclosure of the identity of the complainant does not preclude the subject from being able to address the substance of the complaint. Anonymity of the complainant shall go to the weight, but is not a bar to processing of a complaint. If it so determines, the Panel should notify the complainant that his or her identity will be disclosed, unless the complainant decides to withdraw the complaint.

4. Once the subject has submitted a reply to the complaint and any evidence deemed appropriate, the Panel should promptly review the matter. The Panel may recommend that the subject voluntarily undergo remedial measures. The Panel may in its discretion refer the

matter to a Hearing Committee, as set out hereinafter. If the Panel decides that the matter does not require an immediate disposition, then the subject shall be notified that no remedial action will be taken at this time, but the matter shall be deferred for up to two years. If the subject does not receive two more complaints within that two year period, then the matter will be closed and the complaint dismissed. If complaints of 2 additional incidents arising from separate proceedings arise during a two year period following the first complaint, all open complaints may be referred to a Hearing Committee as set out herein.

5. A Hearing Committee shall consist of three members of the Criminal Justice Section appointed by the Executive Committee of the Criminal Justice Section. The Executive Committee shall name one of the three as Chair. None should be members of the Screening Committee. Those members should be respected and prominent members of the Section, with outstanding reputations for ethical conduct and knowledge of criminal law.

6. When a matter is referred to the Hearing Committee, the Committee will schedule hearing dates as soon as possible. One member of the Panel shall present the evidence of the deficient performance or skills. The Committee may invite the Complainant to appear. The subject must be invited to appear and may present evidence, and may be represented by counsel. The subject may have a court reporter present at the subject's own expense; however, a copy of the transcribed notes must be provided to the Committee without cost to the Committee.

7. If a majority of the Hearing Committee finds that the charges have not been sustained by clear and convincing evidence, then the complaint should be dismissed with notice to the subject. If the Hearing Committee can impose any of the remedies set out in Rule [ 406-15 ] Rule \*122-9 infra.

#### C. Appeals:

If the subject objects to any action of the Hearing Committee, then he or she may within 30 days appeal to the Court of Common Pleas. During the pendency of that appeal to the Court of Common Pleas, any remedies ordered shall be stayed. The President Judge of the Court of Common Pleas shall appoint three judges to hear such appeals. The scope of the hearing shall be de novo. One member of the Panel shall present the evidence concerning violation of the performance standard. The subject may also present any relevant evidence. The Court shall make any finding and impose any remedial measure authorized under [ 406-15 ] Rule \*122-9 infra.

D. [ Rule 427 excluded: ] None of the actions of the Panel, the Hearing Committee, nor of the Court of Common Pleas shall relieve any attorney or judge from the right or obligation to make a proper report to the Disciplinary Board in accordance with local Rule of Criminal Procedure [ 427 ] 122-13.

*Editor's note:* The Board of Judges voted on February 17, 2005 to adopt the preceding rule, pending final approval in May of 2005; adopted July 14, 2005.

[ Rule 406-15 ] Rule \*122-9. Remedial Measures.

A. *General:* Once the Hearing Committee has determined that violation of these standards has been established, the Hearing Committee or reviewing court may impose any one or more of the following remedial measures. The purpose of these measures is not punitive, but

remedial. Accordingly, the least onerous measure or measures should be imposed which is designed to remedy the type of violation adjudged.

#### B. Types of remedies:

1. *Warning:* The subject should be warned of the nature of the deficiency, and that future complaints could be grounds for more serious sanctions.

2. *Continuing legal education:* The subject could be urged, or required, to attend an appropriate legal education course.

3. *Mentoring:* The subject could be urged, or required, to utilize the services of a mentor provided by the Screening Committee, for one or more court-appointed cases.

4. *Second chair:* The subject could be urged, or required, to sit as second chair to an experienced attorney, selected by the Screening Committee, for a specified number of cases.

5. *Probation:* The Subject could be placed on probation for a specified period of time or number of cases, during which the subject's rights to receive appointments could be conditioned upon such remedial measures as the Hearing Committee believes necessary. One member of the Prima Facie Panel should be named to monitor the subject during the probationary period.

6. *Suspension:* The subject can be suspended from receiving any appointments for a specified period of time or a number of cases, and can be required to undergo remedial measures during the period of suspension.

7. *Decertification:* If the deficiencies are considered very serious, and/or other remedial measures have not resulted in improvement, then the subject can be decertified from receiving appointments in a specific category or from all appointments. Any attorney decertified under this Rule may not reapply for appointments until at least one year has elapsed from the date of decertification and proof of satisfactory remediation is shown.

*Comment:* The above are subject to the requirements of Pa.R.Crim.P. 801.

*Editor's note:* The Board of Judges voted on February 17, 2005 to adopt the preceding rule, pending final approval in May of 2005; adopted July 14, 2005.

(3) In all cases where an order has been made by the Court for reimbursement to the City and County of Philadelphia for compensation and expenses paid to Court-assigned counsel and the said order has not been complied with, the Court, or any Judge thereof, upon affidavit or petition filed setting forth that the person on whom the said order has been made has not complied with the said order, shall issue an attachment directed to the Sheriff, directing and commanding that the person named as having failed to comply with said order be brought before the Court at such time as the Court may

direct. If it shall appear to the Court, after hearing, that the person on whom the said order was made has willfully neglected or refused to comply with said order, the Court may adjudge said person in contempt of Court and, in its discretion, may commit said person to the county jail for a period not exceeding six months.

*Note:* This Rule shall be effective as to all appointments made on or after July 1, 1986. Appointments made prior to July 1, 1986, shall be governed by Act 438 of January 19, 1968 (non-homicide criminal cases) and Act 180 of July 22, 1970 (homicide cases).

*Editor's note:* Adopted by the Board of Judges February 27, 1986, General Court Regulation 86-1, effective July 1, 1986; further amended by the Board of Judges, General Court Regulation 89-4, May 18, 1989, effective immediately.

[ **Rule 425** ] **Rule \*122-12.** Guidelines for Court-Appointed Counsel Who Request Compensation and Reimbursement in Criminal Cases.

#### A. *Statutes:*

All petitions for compensation and reimbursement in cases where the defendant is charged with murder shall be treated under the provisions of Act 180 of July 22, 1970. This Act shall apply even where counsel is appointed for only a portion of the entire case and shall include appellate proceedings. All other charges fall within the requirements of Act 438 of January 19, 1968.

B. *Appointments.* Appointments in criminal cases continue from the time of the appointment through and including appeals to the highest state Appellate Court, including new trials and violations of probation, if any. The Court shall not permit appointed counsel to withdraw unless upon good cause shown. In any case where there is a change of appointed counsel, the statutory limitation amount shall apply to limit the aggregate amount of appointment fees to be paid in the case.

C. *Payments.* In order to receive payment for services rendered and costs incurred, each Court-appointed counsel must file an original and three (3) legible copies of a request for compensation and reimbursement in the form of a petition and order with the Deputy Court Administrator for Fiscal Affairs.

(1) Petitions requesting compensation for pretrial work, trial work, or work done in connection with post-trial motions may be filed only after judgment of sentence or verdict of acquittal has been rendered.

(2) Petitions requesting compensation for work done in connection with an appeal may be filed only after oral argument has been held unless the appeal is to be decided on briefs only in which cases petitions may be filed only after all briefs have been submitted.

(3) Petitions requesting compensation for [ **PCHA** ] **PCRA** work may be filed only after a hearing has been held and all required briefs have been submitted.

The above limitations do not apply where Court-appointed counsel has withdrawn his/her appearance prior to the time a filing is permitted. In such cases, petitions may be filed immediately after counsel's petition to withdraw has been granted. In all other cases, however, petitions for compensation may not be filed at a time other than specified except in the event of extraordinary circumstances which must be set forth in the body of the petition.

*D. Content of Requests for Compensation:*

(1) The petition must include the following: the Trial Judge's name, the Court, term and number of the case, the defendant's name, the appointed counsel's name, the charge(s), the current status or final disposition of the case as of the time of the petition, an averment that neither compensation nor reimbursement was received from any other source, an averment that defense counsel personally performed the services set forth, a wherefore clause stating the total amount of compensation and reimbursement requested, any appropriate exhibits and an affidavit of counsel. In addition, the following exhibits shall be attached as a part of the petition: a chronologically itemized list of the time expended, services rendered and expenses incurred as well as a copy of the appointment letter and other relevant orders, such as an authorization order for experts and investigative fees.

(2) The order must include the Trial Judge's name, the Court, term and number of the case, the defendant's name, the appointed counsel's name, the charge(s), and the appropriate blank spaces for the total amount of compensation and expenses to be paid.

*E. Review by Deputy Court Administrator for Fiscal Affairs.* The Deputy Court Administrator for Fiscal Affairs shall initially review the petition, and comment on the correctness of the mathematical calculations, the prior payments disbursed, the appropriate statute to be considered by the Judge, and any unusual aspects concerning the petition which should be brought to the attention of the reviewing Judge.

*F. Substance of Review.* Petitions for compensation and reimbursement shall be reviewed as follows:

(1) In those cases in which counsel has not requested a sum beyond the statutory limit, the Trial Judge shall review the petition and the calculation sheet of the Deputy Court Administrator for Fiscal Affairs and enter an order for payment in an appropriate amount which constitutes final approval.

(2) For Act 180 (murder) cases in which the sum requested exceeds the statutory limit, only the President Judge has the authority to approve payment beyond the statutory limit. Where such a sum is requested in counsel's petition, the Trial Judge shall forward the petition to the Deputy Court Administrator for Fiscal Affairs for submission to the President Judge. The Trial Judge shall attach his recommendation to the petition and a brief statement in support thereof. The order for payment by the President Judge will constitute final authority.

(3) In Act 438 (non-murder) cases in which counsel has requested a sum which is in excess of the statutory limit, the authorization of the appropriate Administrative Judge is required. Where such a sum is requested in counsel's petition, the Trial Judge shall forward the petition to the Deputy Court Administrator for Fiscal Affairs for submission to the appropriate Administrative Judge and attach a statement of his recommendation and a brief supporting statement thereof. The order for payment by the appropriate Administrative Judge will constitute final authority.

*G. Standards.* The following standards shall apply to determine the appropriate compensation and reimbursement:

(1) In-Court time is that time which counsel is actually engaged in Court representing the defendant in the assigned case in a judicial proceeding. Out-of-Court time

is all other time reasonably expended in the representation of the defendant in the assigned case including time spent waiting in Court for the case to be reached. It is within the Judge's discretion to determine whether time is reasonably spent. The Court in determining reasonableness may consider whether the time spent was necessary or whether less time consuming alternatives existed.

(2) Counsel may be reimbursed for reasonable extraordinary duly authorized expenditures necessary for the proper representation of the defendant including, but not limited to, unusual out-of-town travel, reproducing documents, filing fees, if an actual expense, witness fees including expert fees and fees for consulting with potential expert witness and investigatory fees.

(3) Expenditures which are not considered extraordinary and are not therefore reimbursable include, but are not limited to, normal travel, secretarial services, preparation of the petition and order for reimbursement and compensation or general legal research.

(4) Counsel should obtain an authorization order for the expenditure of sums for expert investigation fees and other extraordinary expenses. The petition, rule and order for authorization may be filed before the appropriate Calendar Judge, the motions Judge or to the assigned Trial Judge, depending on the status of the case. In extraordinary situations, the President Judge or the Administrative Judge of the appropriate division shall review the request. Any authorization petition filed should indicate whether any other similar requests have been filed or granted. In those cases where the actual expenditure exceeds the authorization order, the appropriate Judge shall decide whether the sum requested will be allowed. Where the Court orders reimbursement of expenses prior to a final disposition, the Court may also order payment forthwith where delay in reimbursement may cause difficulty in obtaining the services for which expenses are being awarded.

(5) Where an appeal is taken, counsel must file an affidavit of indigency with the appropriate Appellate Court to eliminate the payment of filing fees and therefore negating the necessity for counsel's subsequent request for reimbursement by the Court.

(6) Counsel should consider that appointment by the Court is a public trust and should keep requests for compensation and reimbursement to a fair and reasonable sum consistent with any other request for payment out of public funds. If counsel does not feel that such a request can remain within this standard, he should decline the appointment.

Administrative Regulation No. 76-9, effective May 13, 1976; superseded by Administrative Regulation no. 79-6, November 7, 1980; paragraphs E and F amended June 1, 1981 by Administrative Regulation 81-2; paragraph B amended by General Court Regulation 85-5, effective May 7, 1985.

#### **PART E. MISCELLANEOUS WARRANTS**

**Rule [ 427 ] \*122-13.** Procedure in Cases Involving Ineffective Assistance of Counsel.

In all cases where an allegation of ineffective assistance of counsel has been finally sustained, whether by the Trial Court or an Appellate Court, and in all cases where relief is sought based on trial counsel's self-declared ineffectiveness (whether or not a finding of ineffectiveness is finally made by a Court) the following procedures shall be followed.

A copy of the Court's Opinion and Order will be forwarded by the Trial Judge (or the supervisor of the Appeals Unit in appellate remands) to the Deputy Court Administrator for Criminal Listings together with relevant portions of the Notes of Testimony when available. It will be the responsibility of the Deputy Court Administrator to maintain a record of all such cases. After recording receipt of the case, three copies of the documents ordered will be forwarded to each member of a panel which shall consist of the Administrative Judge of the Trial Division, the Court Administrator and the Trial Judge. If after reviewing the record and consultation, a majority of the panel concludes there is probable cause for disciplinary action the case shall be referred to the Disciplinary Board of the Supreme Court.

Judges shall be notified through the Office of Court Administration of all cases wherein an allegation of ineffective assistance of counsel has been sustained or wherein relief was sought based on the self-declared ineffectiveness of trial counsel. Said notice shall serve as a guide to Judges when consideration is given to candidates for appointments to represent indigent defendants.

Nothing in this procedure shall prohibit a Judge, action sua sponte, from referring a case for investigation to the Disciplinary Board. However, in all such cases, the Judge shall notify the Deputy Court Administrator that such action has been taken, so that a record may be maintained and the proceeding followed.

*Editor's note:* General Court Regulation 86-3, March 7, 1986, effective immediately; further amended May 9, 1986, General Court Regulation 86-4, effective immediately.

Rule [ 430 ] \*122-14. Attorneys with Twenty (20) or More Cases.

Counsel representing defendants in twenty (20) or more criminal cases which have not been brought to trial within six months of the initiation of prosecution (such category will hereinafter be referred to as "inventory") shall be precluded from entering an appearance for or in any other manner representing any additional defendant or defendants in any other criminal case in any Court in this county until such time as said inventory is reduced to less than twenty (20) cases.

(A) It shall be the duty of the Director for Data Processing and Technology, at the end of every month, to prepare a list of attorneys who, at such time, represent such an inventory. Said list shall include the attorney's name, the number of cases in such inventory, the name of each defendant in each such case, the charges and the Court term and number. A copy of this list shall be furnished to the [ Chief ] Deputy Court Administrator for Operations Criminal, to each counsel named and the Office of the District Attorney, with notice to counsel that this Rule will become operative, unless, within ten (10) days, a petition is filed in accordance with (B) hereof.

(B) Counsel affected by the application of this Rule shall have the right to petition the President Judge of Common Pleas Court to assign a Judge thereof to promptly fix a hearing for the purpose of determining:

(1) The accuracy of the list prepared by the Court Administrator,

(2) The responsibility for the delay in any of the listed cases,

(3) The existence of extraordinary circumstances or compelling reasons justifying exemption from the Rule. The filing of such a petition shall operate as a super-seedeas.

(C) Notices of this hearing shall be given to petitioner and the District Attorney, both of whom shall have the right to be heard and to present documentary and other pertinent evidence. The Court, at the conclusion of the hearing, shall promptly make findings of fact.

(D) Upon finding that a petitioner's inventory has not been occasioned by his inability to appear for cases which are otherwise ready for disposition, the Court shall enter an Order relieving him from the application of this Rule, accompanied by such other Order as may be appropriate.

(E) Where subject counsel has one or more partners or associates in the practice of law, entries of appearance by said partners or associates shall not be considered in determining the defendants represented by counsel whose cases have not been brought to trial within the prescribed time. In no event shall substitution of appearances be permitted by counsel where such substitution is to avoid compliance with this Rule. Defendants who are fugitives or whose cases are in deferred status by reason of incompetency or other good and sufficient reason, shall not be included in determining the number of cases outstanding for a period in excess of six months.

*Editor's note:* General Court Regulation 73-3, July 5, 1973.

##### PART C. BAIL

[ **Rule 500** ] **Rule 520.** Regulations Pertaining to Bail, Court of Common Pleas and Municipal Court.

**(Current rule retained in its entirety)**

##### PART C(1). RELEASE PROCEDURES

##### **Rule 528. Ten Percent (10%) Deposit of Bail.**

(A) Any defendant who has been properly granted bail may obtain his release from custody as provided herein by depositing with the issuing authority or clerk of Court a sum of money equal to ten percent (10%) of the full amount of the bail, but in no event less than twenty-five dollars (\$25), and by executing a bail undertaking. A private individual who is not a surety or fidelity company or professional bail bondsman or agent thereof may act as a third-party surety and execute the aforementioned bail undertaking on behalf of the defendant. Except as provided in this section, no other individual or business entity may act as a third-party surety.

(B) With respect to deposited bail pursuant to subsection A, the Court is empowered by General Court Regulation to designate a minimum sum of money which shall

be retained by the Court. This sum shall be considered earned at the time the bail undertaking is executed.

(C) Upon compliance with all the provisions of this Rule, the defendant shall be released from custody imposed in the criminal charge on which he has made bail.

(D) Upon the full and final deposition of the criminal case in which defendant has deposited bail in accordance with this Rule, the bail deposit, less the retention amounts provided in subsection B, shall be refunded to the individual who originally paid the deposit. To effect this return, the issuing authority or clerk of Court shall promptly notify the aforementioned individual of the full and final disposition of the case and include instructions for obtaining the return of the deposit. Said notice may be in writing, sent to the last recorded address of the party who deposited bail. Any deposited funds not claimed within 180 days from the aforementioned notice shall be deemed forfeited to the Court.

(E) A defendant, or a third party surety as defined in this Rule, may post realty as security for bail. In this event, an encumbrance shall be created immediately on such realty before the defendant may be admitted to bail. The said encumbrance shall remain in force until the case is disposed as provided in Subsection (D).

Realty posted as security for bail shall be valued in an amount equal to the assessed value of the realty used for determining tax liability on the realty. Only realty with an unencumbered assessed value equal to, or in excess of, the full amount of bail shall be accepted as security for the bail.

*Comment:* The minimum retention figures designated pursuant to subsection (B) are a fee equal to 30% (thirty percent) of the amount of the deposit or 3% (three percent) of the total amount of the bail. However, the maximum amount retained shall not exceed \$1,500 regardless of the total amount of the bail or the amount of the cash deposit. In no event shall the amount retained by the Court be less than \$10 (ten dollars).

In all cases where the defendant is released on bail, whether the bail be nominal or substantial, and including cases where the defendant is released on his own recognizance, the Pretrial Services Division may be designated as surety for the defendant. Such designation shall not relieve the defendant or any third-party surety of any obligation imposed by these rules or other provisions of law.

Where the Pretrial Services Division is designated as a surety, the defendant shall be subject to all reasonable supervisory rules and regulations imposed by the Pretrial Services Division. Where the defendant fails or refuses to comply with these rules, he may be brought before the Court to determine whether additional bail shall be set in the case.

At preliminary arraignment each defendant shall be given written notice of his next Court appearance. This notice shall state the date, time and place of the required appearance. It shall be the responsibility of the defendant to appear for any scheduled Court action. The defendant shall be served with written notice of any subsequent Court action, but failure to receive notice will not relieve the defendant of the responsibility of appearing.

THE SURETY IS UNDER OBLIGATION TO PRODUCE THE DEFENDANT FOR ALL REQUIRED COURT APPEARANCES UNDER PENALTY OF FORFEITURE OF HIS BAIL BOND. NO OTHER NOTICE TO THE SURETY SHALL BE REQUIRED.

(B) Any bench warrant issued may be withdrawn by the presiding Judge or Administrative Judge, for proper cause. A bail order sue-out may be withdrawn by the presiding Judge or Administrative Judge at any time before judgment is entered thereon.

(2) A hearing will be scheduled before a designated Court officer at which the surety will have the opportunity to demonstrate facts in support of his petition, and to make oral argument. The hearing officer will make findings of fact and submit them to the President Judge or his designee for review.

# RULES AND REGULATIONS

## Title 52—PUBLIC UTILITIES

### PHILADELPHIA PARKING AUTHORITY

#### [ 52 PA. CODE CHS. 1017 AND 1055 ]

#### Impoundment of Vehicles and Equipment

The Philadelphia Parking Authority (Authority), on January 28, 2013, adopted a proposed rulemaking order which modifies regulations related to the impoundment of taxicab, limousines and related property in Philadelphia, in furtherance of the Authority's regulatory functions. The regulation identified impoundable offenses and provides for prompt post-impoundment due process.

#### *Philadelphia Taxicab and Limousine Regulations Impoundment Procedures; Doc. No. 126-3*

#### Final Rulemaking Order

*By the Authority:*

The Authority is required to carry out the provisions of the act of July 16, 2004, (P. L. 758, No. 94), 53 Pa.C.S. §§ 5701 et seq., as amended, (the "act") relating to the regulation of taxicab and limousine service providers in the City of Philadelphia.<sup>1</sup> Pursuant to this obligation, the Authority issued a proposed regulation at this docket number on January 28, 2013. The initial public comment period for this rulemaking proceeding concluded on April 29, 2013, the Independent Regulatory Review Commission ("IRRC") submitted its comments on May 29, 2013. The Authority has completed its review of the comments and now issues the final-form regulation.

#### *Purpose of the Final-Form Regulation*

The Authority is authorized by statute to impound, store and dispose of taxicabs and limousines and equipment used in furtherance of those public conveniences, such as meters and medallions (collectively "impoundments") for violations of the act and the Authority's regulations.<sup>2</sup> As with many powers authorized by the Legislature, the actual function of conducting these impoundments requires well tailored regulations to realize appropriate implementation. The changes to our regulations at 52 Pa. Code §§ 1017.51, 1017.52, 1055.31 and 1055.32 are intended to provide guidance to the regulated community as to how impoundments may occur and what actions must be taken to reclaim impounded property. The regulations also place specific subject matter limitations and timing requirements upon the Authority's Taxicab and Limousine Division to limit impoundments to the most serious of circumstances and provide the rapid due process necessary in these circumstances.

#### *Discussion*

The Authority has reviewed the comments filed at each stage of this proceeding. Responses to those comments, explanations of the purpose and alterations of each amended subsection of the final-form regulation are set forth below.

#### *Statutory Authority.*

The Authority is the only entity authorized to certify carriers to provide taxicab service within Philadelphia ("intra-Philadelphia").<sup>3</sup> There are only two types of

taxicab services that may provide intra-Philadelphia service: medallion taxicabs and partial-rights taxicabs.

#### A) *Medallion Taxicabs.*

Only a medallion taxicab may provide city-wide intra-Philadelphia taxicab service. 53 Pa.C.S. § 5714(a). One medallion authorizes one taxicab. 53 Pa.C.S. § 5712(b). In order to provide medallion taxicab service the owner must first purchase a taxicab medallion.

The number of medallions is currently statutorily capped at 1,630. See 53 Pa.C.S. § 5711(c). Medallions are property rights. 53 Pa.C.S. § 5713(a). Medallions may be sold by their owners to third parties on the open market, pursuant to Authority oversight. 53 Pa.C.S. § 5718. The current value of a medallion is approximately \$525,000.

#### B) *Partial-rights Taxicabs.*

The Authority fully reviewed the history of "partial-rights"<sup>4</sup> taxicabs in its final rulemaking order entering its regulation 126-1. Most of the comments submitted by Germantown Cab Company to this rulemaking were also submitted in regard to the Authority's rulemaking in 2011. See 41 Pa.B. 6499, 6523—6525 (December 11, 2011). We incorporate our responses here.

Partial-rights taxicab service originated under the PUC's jurisdiction and was transferred to the Authority's sole jurisdiction through the act.<sup>5</sup> See *Germantown Cab Co. v. Phila. Parking Auth.*, Commonwealth Court of Pennsylvania Docket No. 461 CD 2012. ("*Germantown Cab*"). The Pennsylvania Supreme Court recently denied Germantown's petition for appeal of the *Germantown Cab* decision. *Germantown Cab Co. v. Phila. Parking Auth.*, 79 A.3d 1100 (Pa. 2013) ("*Germantown Cab*").<sup>6</sup>

#### C) *Impoundments of Partial-rights Taxicabs.*

IRRC questioned the power of the Authority to impound vehicles of partial-rights carriers in consideration of recent changes to the act and the Commonwealth Court of Pennsylvania's decision in *Sawink, Inc. et al., v. Philadelphia Parking Authority*, 34 A.3d 926 (Pa. Cmwlth. 2012), affirmed, 57 A.3d 644 (Pa. 2012). IRRC requested specific reference to the statutory authority for this rulemaking. The only public comments to this regulation were submitted by Germantown Cab Company ("*Germantown*")<sup>7</sup> and its attorney, both averred that the Authority lacks jurisdiction over partial-rights taxicab companies.

Germantown operates approximately 175 partial-rights taxicabs in Philadelphia, by far the largest fleet of any type of taxicab in Philadelphia. The other 5 partial-rights taxicab companies operate less than 10 taxicabs in Philadelphia combined.

The question of the Authority's jurisdiction over partial-rights taxicabs has been resolved, repeatedly. This issue has now been reviewed by the Authority, the Pennsylvania Public Utility Commission ("PUC"),<sup>8</sup> the Pennsylvania

<sup>4</sup> This term is defined at 52 Pa. Code § 1011.2.

<sup>5</sup> *Id.*

<sup>6</sup> We believe that the Act of July 5, 2012, P. L. 1022, No. 119 ("Act 119") has resolved any question that may have existed as to the Authority's jurisdiction over partial-rights taxicabs in Philadelphia. Act 119 modifies the definition of "taxicab" in section 5701 to specifically apply to both medallion taxicabs and partial-rights taxicabs. Also section 5711(c)(2.1) and 5714(d)(2) were amended to provide that the Authority has sole jurisdiction over partial-rights taxicabs in Philadelphia.

<sup>7</sup> Germantown's comments to this proposed rulemaking were mixed with comments to another of the Authority's proposed rulemakings and were further interspersed with comments that did not appear linked to any proposed rulemaking and were not provided in order. We have made our best efforts to differentiate the various writings and respond to comments made to this proposed rulemaking.

<sup>8</sup> See Jurisdictional Agreement (between the Authority and the PUC) Pursuant to the act, 35 Pa.B. 1649 (March 25, 2005); *Rosemont Taxi Co. v. Philadelphia Parking*

<sup>1</sup> See Sections 13 and 17 of the Act.

<sup>2</sup> See 53 Pa.C.S. §§ 5714(g) and 5741(f).

<sup>3</sup> See 53 Pa.C.S. §§ 5711(c)(2.1), 5714(a) and 5714(d)(2).

Commonwealth Court,<sup>9</sup> the Pennsylvania Supreme Court,<sup>10</sup> the General Assembly<sup>11</sup> and IRRC.<sup>12</sup> Every time Germantown raises this issue, in every forum, it is rejected. We must move on.

The comments of Germantown and its attorney seem to aver two things as to jurisdiction. First, that the Authority is without jurisdiction to regulate partial-rights taxicab service provided entirely within the City of Philadelphia; second, that the Authority may not impound a non-medallion taxicab in Philadelphia when it provides service reserved only to medallion taxicabs. Germantown has accrued a significant number of citations and experienced impoundments and out of service designations for these exact violations. The Authority's regulatory jurisdiction over partial-rights taxicabs in Philadelphia, including Germantown, is a settled issue.

Germantown and its attorney cite the *Sawink* decision to support its assertion that the Authority may not impound its vehicles for violations in Philadelphia. IRRC requested the Authority to provide specific sections of the revised act that provide the Authority with the power to conduct impoundments of partial-rights taxicabs in light of *Sawink*. The *Sawink* decision focused entirely on the power of the Authority to impound a PUC certificated taxicab for a territorial violation. The final-form regulation identifies impoundable offenses, "territorial violations" is not specifically among them.<sup>13</sup>

We believe that some background on the *Sawink* decision will be helpful,

1. *The Sawink decision.*

In *Sawink*, Germantown and 2 other companies owned by Germantown's principal, Sawink, Inc. and Rosemont Taxicab, Co., Inc., (collectively the "Germantown Group") challenged the impoundment of their vehicles by the Authority. All of the vehicles at issue were non-medallion taxicabs that provided illegal medallion taxicab service in Philadelphia.

The *Sawink* decision involved a detailed analysis of section 5714 of the act as it existed prior to the Act 119<sup>14</sup>. Section 5714 was comprised of 6 subsections; the first 3 sections establish operational requirements for taxicabs and the last three sections provide for certain penalties related to violations of the act and the Authority's regulations.

The court in *Sawink* determined that the first sentence of subsection (a) of section 5714 created the standard that the Germantown Group was alleged to have violated. The Court cited that sentence as follows:

A vehicle may not be operated as a taxicab with citywide call or demand rights in cities of the first class unless a certificate [\*12] of public convenience is issued by an authority authorizing the operation of the taxicab and a medallion is attached to the hood of the vehicle. (Emphasis in the Court's opinion.)

34 A.2d at 930. The Authority argued that this sentence restricted city-wide taxicab service to medallion taxicabs. Only the Authority may certificate a medallion taxicab and attach a medallion "to the hood" of a taxicab.<sup>15</sup>

Therefore, when a vehicle provides city-wide taxicab service it does so in violation of the restriction in subsection (a).

The act defines "authority" as "a parking authority in a city of the first class." The City of Philadelphia is the only city of the first class in the commonwealth and the Authority is the only parking authority in Philadelphia. See *Philadelphia Ent. & Dev. v. City of Philadelphia*, 595 Pa. 538, 939 A.2d 290, 292 (Pa. 2007); see also *City of Philadelphia v. Rendell*, 888 A.2d 922 (Pa. Cmwlth 2005). Because there is no other medallion system in the commonwealth, the Authority argued that this sentence could only apply to taxicabs certificated by the Authority.

However, the Commonwealth Court seemed to have determined that there is a general certification of taxicabs by "an authority" and then a separate requirement that a medallion be attached to medallion taxicabs. The court determined that because the Germantown Group was certificated by the PUC, which fell into the category of "an authority", it was "certificated" within the meaning of section 5714. Therefore, the Germantown Group's territorial violations could only be penalized as provided for in subsection (e) of section 5714 of the act. Subsection (e) provides as follows:

*Penalties involving certificated taxicabs.*—Operating a certificated taxicab in violation of subsections (a) and (b) or authorizing or permitting such operation is a nontraffic summary offense. Offenders of subsections (a) and (b) may also be subject to civil penalties pursuant to section 5725 (relating to civil penalties).

The Authority argued that because none of the members of the Germantown Group had received a certificate of public convenience and a medallion from the Authority, the Germantown Group could not be "certificated" within the meaning of subsection (a). The Authority continued that the proper penalty to apply to the Germantown Group for providing service reserved to medallion taxicabs was found in subsection (f), which provides as follows:

*Unauthorized vehicles.*—Operating an unauthorized vehicle as a taxicab, or giving the appearance of offering call or demand service with an unauthorized vehicle, without first having received a certificate of public convenience and a medallion is a nontraffic summary offense in the first instance and a misdemeanor of the third degree for each offense thereafter. The owner and the driver of a vehicle being operated as or appearing as a taxicab without a certificate of public convenience and a medallion are also subject to civil penalties pursuant to section 5725. Civil penalties which have been assessed and collected shall be deposited in the fund. (Emphasis added.)

This was an important point because the Authority's impoundment power is found in subsection (g), which prior to Act 119 provided, in part:

*Confiscation and impoundment of vehicles.* (1) In addition to penalties provided for in subsection (f), the authority is empowered to confiscate and impound vehicles, medallions and equipment which are utilized to provide call or demand service without a proper certificate of public convenience in cities of the first class or which are in violation of regulations of the authority. Upon satisfaction of all penalties imposed and all outstanding fines assessed against the owner or operator of the confiscated vehicle and payment of the costs of the authority associated with

Authority, 68 A.3d 29, 33 (Cmwlth. 2013) (finding that the Authority had jurisdiction to approve a partial-rights taxicab certificate of public convenience transfer).

<sup>12</sup> Approval Order, 41 Pa.B. 5724 (October 22, 2011).

<sup>13</sup> Although the Authority believes that the Act 119 amendments have made clear that the Authority can make impoundments for territorial violations.

<sup>14</sup> The act was also recently amended by Act 64, without change to the Authority's impoundment power.

<sup>15</sup> See 52 Pa. Code § 1013.2.

confiscation and impoundment, the vehicle, medallion and equipment shall be returned to its registered owner or registered lienholder. (Emphasis added.)

The court in *Sawink* determined that the Authority's impoundment power originates in subsection (g) and that that subsection was linked to the penalties of subsection (f) and that the penalties of subsection (f) only applied to "a vehicle that does not have a valid certificate of public convenience from any source." 34 A.2d at 931. The court determined that the phrase "without a proper certificate of public convenience" in subsection (g) excluded impoundments of the Germantown Group because they had certificates to provide taxicab service from the PUC, even though those certificates did not authorize medallion taxicab service. The court noted that "[i]f the legislature had wanted to make *any* vehicle that violates any part of Section 5714 subject to impoundment, it easily could have said so, but it did not." (Emphasis in original.) Id.

## 2. Act 119 changed key provisions of Section 5714.

Through Act 119 the Legislature made specific amendments to section 5714 that render the *Sawink* decision untenable. Preliminarily, the first sentence of subsection (a) was amended to delete the phrase "an authority" and replace it with "the authority". As noted above, the act defines "authority" as the Philadelphia Parking Authority.

This was a tremendously specific amendment, which can only be read as an expression of a legislative intent inapposite to that suggested in *Sawink*. This amendment eliminates any confusion about who "certificates" a taxicab to provide service pursuant to subsection (a). Only the Authority can provide that certification. The definition of "taxicab" in Section 5701 was also amended by Act 119 to specify that the term when used in the act specifically includes partial-rights taxicabs (taxicabs certificated to provide "non-citywide" taxicab service).<sup>16</sup>

Therefore, when subsection (e) of the amended section 5714 references a "certificated taxicab" it can only mean an Authority certificated taxicab. PUC certificated taxicabs are not mentioned anywhere in subsections (a) or (b) and the penalties of subsection (e) only apply to violations of those discrete subsections. Therefore, vehicles that provide medallion taxicab service without certification from the Authority to do so are "unauthorized" vehicles subject to the penalties of subsection (f). Germantown's attorney suggests that this amendment is irrelevant and was not intended to alter the opinion expressed in *Sawink*, but there is no reasonable way to interpret these amendments. Carriers certificated by the PUC, but not the Authority, are not authorized to provide service within Philadelphia. If such a PUC certificated carrier were to provide such intra-Philadelphia service it would do so "without a proper certificate of public convenience issued by the authority" and be subject to impoundment as provided in amended subsection (g).

Act 119 amended subsection (g) of section 5714 by deleting the opening sentence "In addition to penalties provided for in subsection (f). . ." Subsection (g) was also amended to clarify that vehicles providing medallion taxicab service without a proper certificate of public convenience "issued by the authority" were subject to impoundment.<sup>17</sup> The court in *Sawink* relied almost exclusively on provisions of the act that have been deleted by Act 119. Those provisions have been replaced with language clarifying the Authority's power to impound any

vehicle that commits "a territorial violation proscribed by subsection (a)." 34 A.2d at 931. Therefore, taxicabs owned by the Germantown Group, or anyone else, that provide medallion taxicab service without a certificate and medallion authorizing that service do so illegally and are subject to regulatory impoundment. Id.<sup>18</sup>

Germantown and its attorney comment that the changes to subsection (g) were not intended to alter the determination of the court in *Sawink* and that any problems that the Authority may have with PUC carriers should only be brought before the PUC. However, as provided above, there is no reasonable way to view the very specific changes made to section 5714 by Act 119 other than the Legislature's intent to reverse the impact of the *Sawink* decision. There is no reason that the Legislature would have amended subsection (g) at all if it agreed with the determination in *Sawink* and the reasoning of Germantown and its attorney. The Authority is the entity charged with regulating taxicab service in Philadelphia. There is no reason to yield administrative discretion in this venue to another administrative agency.

Germantown specifically comments that the Authority is powerless to stop PUC carriers from providing illegal taxicab service in Philadelphia, except to request help from the PUC. There is no legal or logical foundation for this comment. Why would the Legislature place the Authority in charge of a regulatory system in Philadelphia without the power to protect those within the system from illegal service providers?

## § 1017.51. General.

Two additional definitions were added in the proposed regulation to this existing subsection. The definition of "impoundable offense" has been amended in the final-form regulation to address comments raised by IRRC. The title of the subsection remains unchanged from the proposed regulation.

IRRC noted that both this section and section 1055.31 included substantive language that was inappropriate in a definition. We agree. We have amended each of these sections to eliminate the substantive language which seems to authorize the act of an impoundment. The amended sections now merely identify the offenses that may lead to impoundment. The statutory references previously found in these definition sections have been moved to sections 1017.52(a) and 1055.32(a) respectively.

Germantown submitted comments to this section which seem to contest the validity of the Authority's jurisdiction over partial-rights taxicabs. We believe that we have addressed that issue above. Germantown also seems to suggest that it is unreasonable to require a partial-rights taxicab company to comply with the regulations of the Authority and the PUC. This issue has also been fully addressed, repeatedly. See 41 Pa.B. 6499, 6523—6525 (December 3, 2011).

The act created a dual regulatory system for all taxicab and limousine companies in the Commonwealth that seek to provide service both within the City of Philadelphia ("City" or "Philadelphia") and within other parts of the Commonwealth. Every classification of taxicab and limousine certificate holder regulated by the Authority is also subject to PUC regulations, inspections, fees and assessments while providing service within the PUC's jurisdiction. The act continued the rights held by each taxicab and limousine company in Philadelphia, but changed the

<sup>16</sup> Subsections 5711(c) and 5714(d)(2) were also amended by Act 119 to clarify that partial-rights taxicabs are "subject to the exclusive jurisdiction of the [A]uthority."

<sup>17</sup> A certificate to provide partial-rights taxicab service is not "proper" for use as in medallion taxicab service.

<sup>18</sup> Apart from this "certificated" v. "unauthorized" analysis, subsection (g) also permits the Authority to impound vehicles "which are in violation of regulations of the authority." The court in *Sawink* did not consider this issue.

regulator from the PUC to the Authority alone. The provision of all taxicab and limousine service in the City falls under the exclusive jurisdiction of the Authority pursuant to Chapter 55 of Title 53, 53 Pa.C.S. §§ 5505(d)(23) and (24), Chapter 57 of Title 53, 53 Pa.C.S. §§ 5701 to 5745 (relating to taxicabs and limousines in Philadelphia) and the uncodified portions of the act.<sup>19</sup>

Germantown also disputed the Authority's explanation of paragraph (i) in the definition of "unauthorized taxicab." Germantown avers that the presentation on each taxicab of a valid TLD inspection sticker<sup>20</sup> is not a bright line in terms of determining a type of vehicle that is unauthorized to provide intra-Philadelphia taxicab service. Germantown seeks to further support its position by noting that none of its partial-rights taxicabs display a TLD inspection sticker. Germantown ignores the fact that it once did display those stickers, when it was in compliance with the law and the Authority's regulations. Litigation between Germantown and the Authority had temporarily provided Germantown with a method to continue in this course of violation, but that was an ephemeral disposition. Every taxicab owned by Germantown and operated as a partial-rights taxicab must have a TLD inspection sticker.

Germantown asks why it is necessary to impound a vehicle found operating with a meter that has been manipulated to charge an illegal fair constitutes an impoundable offense under the proposed and final-form regulation. Germantown seems to question the need for the impoundment in lieu of simply issuing a citation and placing an out of service sticker on the taxicabs. We believe that meter rigging is one of the most serious offenses that a taxicab driver and owner can commit. Also, not all meters used in taxicabs can be remotely inactivated by the Authority, contrary to Germantown's comment, particularly those that have been illegally manipulated in the first place.

The public anticipates that a fair and uniform rate will be charged for taxicab service. Meter rigging directly and seriously undermines public confidence in the overall taxicab industry. Unlike the reasonably anticipated harm derived from the presence of bald tires, illegally manipulated meters actually immediately and unquestionably harm each passenger. We believe these illegally operated vehicles must be immediately removed from potential circulation to protect the public good. The owner or driver, or both, have already evidenced intent to defraud the public and can not be reasonably trusted to simply go on their way with a promise to stop the illegal conduct.

Germantown questions the need to impound a vehicle acting as a taxicab when its condition creates an immediate threat to public safety. Germantown also questions the need to impound a vehicle acting as a taxicab when its driver presents a condition that creates an immediate threat to public safety and the certificate holder is unable to appear and secure the vehicle themselves. We can think of few more compelling reasons to conduct impoundments. The TLD's Inspectors will need to make the determination upon review of the vehicle and driver and rely on their training and common sense when making this determination, as any law enforcement officer is required to do in the course of patrol.

<sup>19</sup> The PUC has recognized that it does not have jurisdiction over the provision of taxicab service in Philadelphia. See Application of Rosemont Taxicab Co., Inc., PUC Docket No. A-2008-2053668, Order entered November 10, 2008.

<sup>20</sup> 52 Pa. Code § 1017.1.

§ 1017.52. *Impoundment of vehicles and equipment.*

Consistent with the proposed regulation, section 1017.52 will delete the language previously provided in this section and replace that language with the revised impoundment, notice and due process procedures applicable to regulatory impoundments conducted pursuant to section 5714(g) of the act.

(b)(4). IRRC questioned the need for subsection (b)(4) of the proposed regulation in light of the fact that the statute did not require additional information to be included in the notice of impoundment and that this catchall provision was unnecessary. We agree and have deleted this section from the final-form regulation, as well as section 1005.32(b)(4) for the same reason.

(c)(1) and (2). Subsection (c) provides the process through which an impoundment hearing may be requested. IRRC questioned the fiscal impact associated with an impoundment that may span a period greater than the two days referenced in the regulation solely based on the fact that the Authority's offices are closed for the weekend or a holiday.<sup>21</sup>

It is common practice for impoundments by the Authority of this nature to have hearings scheduled on the same day as the impoundment, if the owner seeks a hearing. Unfortunately, many taxicabs that have been impounded by the Authority over the past 8 years were in such poor condition that the owners never sought their return. The vehicles were in such poor condition and of such little value that the owners simply permitted them to be auctioned.

However, we agree that the owner of a taxicab that is impounded on a Friday evening is not guaranteed an impoundment hearing until the following Wednesday under the regulation, although one is likely to be scheduled on the following Monday upon request. This is also true of all impoundments of this nature. For example, a vehicle is subject to immediate impoundment in this commonwealth if operated on a highway without registration or by an unlicensed driver. 75 Pa.C.S. § 6309.2 (relating to immobilization, towing and storage of vehicle for driving without operating privileges or registration). While rapid hearings are made available under that statute as well, some impoundments are extended simply by the fact that they occur on a weekend.

There is no reasonable way to adjust for the fact that the TLD does not operate an administrative courtroom 24-hours, 7-days-a-week. We believe that the rapid timelines for hearings required by the final-form regulation are consistent with the requirements of the law and are tailored to protect the due process rights and fiscal interests of the regulated community.

It is worth noting that the courts consider "the government's interest in efficiency and reducing costs" when reviewing post-deprivation impoundment hearing procedures. *Fuentes v. Shevin*, 407 U.S. 67, 80, (1972). The Authority's hours of operation are limited by our budget and staffing requirements. We simply must close on certain days and hours of the week. We are already placing maximum stress upon our adjudication and enforcement departments by requiring hearings within 48 hours of a request. Any further acceleration of this timeline will inevitably result in missed deadlines, which would be a technical violation of the regulation by the

<sup>21</sup> IRRC also applied its comment to this subsection to section 1005.32(c)(2), which deals with limousine impoundments. Our response here applies equally to limousines.

Authority. That hyper-sensitive technicality may then result in the termination of an impoundment that is in the public interest.

In similar circumstances, the courts have upheld the constitutional propriety of post-deprivation impoundment hearings 30 days after the date of the impoundment. See *Niemeyer v. Williams*, 910 F.Supp.2d. 1116, 1121 (C.D. Ill. 2012).<sup>22</sup> The impoundment procedures reviewed in *Niemeyer* were nearly identical to those employed in the final-form regulation, although this final-form regulation provides for a much more rapid post-deprivation hearing. Therefore, we believe we have provided the most responsible and fiscally efficient impoundment review process possible in the final-form regulation. Finally, we note that the violations upon which an impoundment may occur have been intentionally constricted to the most serious of offenses in order to make this remedy one of both infrequent and vital use.

(c)(3). Paragraph (3) directs the immediate return of impounded property in the event that the hearing officer determines that the impoundment was improper. IRRC noted that the prior regulation specified that impoundment and storage fees would be returned to the vehicle's owner. IRRC suggested that language of that nature be included in the final-form regulation to address potential fiscal impact issues.

We agree with IRRC's comments generally, although we believe that they do not apply to this paragraph. Paragraph (3) addresses situations where the hearing officer determines that the impoundment was not proper, as a preliminary matter. In these cases the impounded property must be returned to the respondent without payment of any fee or costs. In this scenario, the respondent has not yet paid anything, so there is no money to return.

The scenario referenced by IRRC would apply following a final determination as provided for in subsection (g)(1). That section already provides that if the respondent is found not liable for the underlying citations, the impounded property may be reclaimed without the need to pay any fee or cost. However, the proposed regulation did not expressly contemplate the scenario in which the impounded property had already been reclaimed by the respondent as provided in subsection (c)(4). Therefore, we have amended subsections (g)(1) in this section and in section 1055.32 to provide for the return of towing and storage fees and costs in these situations.

(c)(4). There will be cases in which properly impounded property can be safely released due to the abatement of the regulatory problem or public safety concern. Paragraph (4) provides for the release of impounded property in these circumstances and permits the presiding officer to attach terms for the release of the vehicle. IRRC asked if the terms for release were founded in existing regulations or statutes and requested that be identified. Otherwise, IRRC requested that the final-form regulation provide direction to the presiding officer as to the terms for release.

The proposed regulation was drafted to provide the presiding officer with the latitude to permit the impounded property to be returned to the industry member, despite the legitimacy of the impoundment. There are myriad of facts that may impact a presiding officer's

decision in these cases. For example, a taxicab that is impounded because it has failing breaks may be reclaimed and towed from an impoundment lot, repaired and then returned to safe service. In such cases, a pre-service inspection by the Authority to assure that the repair has been made is a reasonable term of release to protect public safety. Likewise, a regulated party with a history of non-compliance may be able to safely reclaim its vehicle conditioned upon the posting of some collateral to secure their attendance at subsequent hearings.

In order to address IRRC's concerns, we have substantially revised paragraph (4) of this section and section 1055.32(c)(4). The revised regulations identify the terms that a presiding officer may impose as part of an order to release the impounded property. In addition to payment of towing and storage costs, the respondent may be required to have the impounded vehicle inspected to assure that it is safe for public use, if the presiding officer determines that an inspection is necessary. We believe that this is a reasonable condition specifically designed to protect the reoccurrence of the violation that caused the impoundment in the first place and that the Authority's power to conduct scheduled or unscheduled inspections is clear in the act. See 53 Pa.C.S. § 5714(a).

Also, the presiding officer may require some collateral to be posted with the Authority to secure the return of the respondent for the subsequent hearing on the merits of the underlying violations. However, the payment of collateral may represent a middle ground that permits the impounded property to be returned and placed back into service, while addressing concerns related to the respondent's likelihood of appearing at the subsequent hearing. Therefore, we have identified this option as a term that a presiding officer may employ.

(e). Subsection (e) provides that the scheduled auction of impounded property will be stayed if the respondent requests a hearing within 15 days of issuance of a citation complaint. Two typographical errors were corrected in paragraph (2) by adding the word "by" before the word "filing" and the letter "f" to convert the word "or" to "for." The word "by" was similarly added to subsection 1055.32(e)(2).

(g). Subsection (g) provides for the handling of impounded property once the underlying administrative complaints are adjudicated by the presiding officer. Paragraph (1) addresses the scenario in which the respondent is found not liable for the violation(s). We have amended this section to address the return of towing and storage fees, in the event they have been paid prior to the date of the presiding officer's determination of the underlying complaints. As to this section and section 1055.32(g), IRRC questioned the rights of respondent to appeal such adjudications and suggested that appeal rights, if they exist, be specific to all parties. There is no right to appeal a contested complaint of this nature within the Authority. See 53 Pa.C.S. § 5705(a). However, the Adjudication department provides notice with every order issued by a presiding officer in these situations which includes reference to the fact that the adjudication is subject to discretionary review by the Authority's Board and specifically references 52 Pa. Code § 1005.213, which addresses this issue.

Paragraph (2) provides for the scenario in which the Authority remains in possession of the impounded property through the date of the adjudication of the underlying formal complaint if the presiding officer finds the respondent to be liable. In this case, the vehicle will be scheduled for auction and notice of the auction will be

<sup>22</sup> The Court in *Niemeyer* also provides a more updated analysis of the dated cases cited by Germantown's attorney in his comments regarding the constitutionality of the post-deprivation due process. The Court in *Niemeyer* noted the continuously uninterrupted standards for proper post post-deprivation due process, finding that prompt notice and access to due process satisfy constitutional requirements. We have drafted these regulations to comply with those requirements and each of the standards referenced in the cases cited by Germantown's attorney.

provided to the respondent. The vehicle may be reclaimed as provided for in subsection (h). IRRC questioned the need for language related to a respondent found not liable in this section, including refund options. However, this paragraph was not drafted to address that situation, paragraph (1) addresses that situation as referenced above. We provide the same response as to IRRC's question about § 1055.32(g).

(h). Section (h) provides for the manner in which a respondent may reclaim its impounded property, through full payment of penalties, fees and costs. This would include scenarios in which the respondent pleads liable to an enforcement complaint by simply paying the penalty. IRRC commented that some provision should be made to ensure that a vehicle impounded for safety reasons is not released while in a condition that presents a continuing threat to public safety. We agree.

This section has been amended in the final-form regulation to include three paragraphs. Paragraph (1) provides that if a respondent is found liable for any of the underlying violations as provided in subsection (d)(2), the release of the impounded property is subject to the payment of all penalties, fees and costs noted in the presiding officer's order, but also the potential for inspection to assure public safety. The inspection may not be needed in all cases and will be a condition that the presiding officer may impose sua sponte or upon request of the TLD.

Paragraph (2) provides for situations in which the registered owner pleads liable to the enforcement complaint and seeks to recover the impounded property. In this case, because a hearing on the merits of the underlying violation will have been averted by the plea (along with the opportunity for the TLD to request the inspection referenced by IRRC) an inspection will be mandatory to ensure public safety. Paragraph (3) provides that impounded property may not be reclaimed pursuant to paragraph (2) while a pending challenge as to ownership or a question as to the proper party to reclaim the impounded property remains unresolved through a motion to intervene as provided in subsection (f).

§§ 1055.31 and 1055.32.

The changes to sections 1055.31 and 1055.32 in the final-form regulation, relating to limousines, mirror those applicable to taxicabs in sections 1017.51 and 1017.52, except where specifically noted.

*Affected Parties.*

The regulation is not targeted at a specific class of regulated parties; therefore, the number of individuals or entities impacted is impossible to predict. However, an unlimited number of individuals will directly benefit from the increased safety inherent in the removal of vehicles for impoundable offenses. Also, the owners and lienholders of impounded property will benefit from the clear and rapid post-deprivation due process procedures.

*Fiscal Impact.*

The final-form regulation does not create the power to conduct impoundments, it merely defines the process. Indeed, the final-form regulation places clear limits on impoundable offenses and brightline procedures related to post-deprivation due process. We discern no direct fiscal impact imposed by the final-form regulation.

*Commonwealth.*

The Authority does not anticipate any increase in regulatory demands associated with this regulation.

*Political subdivisions.*

This final-form rulemaking will not have a direct fiscal impact on political subdivisions of this Commonwealth.

*Private sector.*

This final-form rulemaking will not have a fiscal impact on certificate holders or other regulated parties.

*General Public.*

This final-form rulemaking will not have a fiscal impact on the general public.

*Paperwork Requirements.*

This final-form rulemaking will not affect the paperwork generated by the Authority or the regulated communities.

*Effective Date.*

The final-form rulemaking will become effective upon publication in the *Pennsylvania Bulletin*.

*Regulatory Review*

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on March 15, 2013, the Authority submitted a copy of the notice of proposed rulemaking, published at 43 Pa.B. 1720 (March 30, 2013), to IRRC and the Chairpersons of the House Urban Affairs Committee and the Senate Consumer Protection and Professional Licensure Committee for review and comment.

Under section 5(c) of the Regulatory Review Act, IRRC and the House and Senate Committees were provided with copies of the comments received during the public comment period, as well as other documents when requested. In preparing the final-form rulemaking, the Department has considered all comments from IRRC, the House and Senate Committees and the public.

Under section 5.1(j.2) of the Regulatory Review Act (71 P. S. § 745.5a(j.2)), on April 30, 2014, the final-form rulemaking was deemed approved by the House and Senate Committees. Under section 5.1(e) of the Regulatory Review Act, IRRC met on May 1, 2014, and approved the final-form rulemaking.

*Conclusion*

§§ 6026.101—6026.907)**

Sections 302—305 of the Land Recycling and Environ-  
mental Remediation Standards Act (act) (35 P. S.  
§§ 6026.302—6026.305) require the Department to pub-

lish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. A person intending to use the background standard, Statewide health standard, the site-specific standard or intend to remediate a site as a special industrial area shall file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of cleanup standards or receives approval of a special industrial area remediation identified under the act will be relieved of further liability for the remediation of the site for contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the following site, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified as follows. During this comment period, the municipality may request that the person identified as the remediator of the site develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the environmental cleanup program manager in the Department regional office listed before the notice. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

### PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS NEW SOURCES AND MODIFICATIONS

The Department has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department received applications for Plan Approvals or Operating Permits from the following facilities.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the regional office listed before the applications. Persons interested in reviewing the application files should contact the appropriate regional office to schedule appointments.

Persons wishing to receive a copy of a proposed Plan Approval or Operating Permit shall indicate interests to the Department regional office within 30 days of the date of this notice and shall file protests or comments on a proposed Plan Approval or Operating Permit within 30 days of the Department providing a copy of the proposed

documents to persons or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that hearings be held concerning a proposed Plan Approval or Operating Permit. A comment or protest filed with the Department regional office shall include a concise statement of the objections to the issuance of the Plan Approval or Operating Permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior to the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the regional office listed before the application. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final Plan Approvals and Operating Permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121–143, the Federal Clean Air Act (42 U.S.C.A. §§ 740–7671q) and regulations adopted under the Federal Clean Air Act.

### MINING ACTIVITY NPDES DRAFT PERMITS

This notice provides information about applications for a new, amended or renewed NPDES permits associated with mining activity (coal or noncoal) permits. The applications concern industrial waste (mining) discharges to surface water and discharges of stormwater associated with mining activities. This notice is provided in accordance with 25 Pa. Code Chapters 91 and 92a and 40 CFR Part 122, implementing provisions of The Clean Streams Law (35 P. S. §§ 691.1—691.1001) and the Federal Clean Water Act (33 U.S.C.A. §§ 1251—1376).

The Department of Environmental Protection (Department) has prepared a draft NPDES permit and made a tentative determination to issue the NPDES permit in conjunction with the associated mining activity permit.

*Effluent Limits for Coal Mining Activities*

For coal mining activities, NPDES permits, when issued, will contain effluent limits that are the more stringent of technology-based (BAT) effluent limitations or Water Quality Based Effluent Limits (WQBEL).

The BAT limits for coal mining activities, as provided in 40 CFR Part 434 and 25 Pa. Code Chapters 87—90 are as follows:

<i>Parameter</i>	<i>30-Day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Iron (Total)	3.0 mg/l	6.0 mg/l	7.0 mg/l
Manganese (Total)	2.0 mg/l	4.0 mg/l	5.0 mg/l
Suspended solids	35 mg/l	70 mg/l	90 mg/l
pH*		greater than 6.0; less than 9.0	
Alkalinity greater than acidity*			

\*The parameter is applicable at all times.

In addition, the Department imposes a technology-based aluminum limit of 2.0 mg/l (30 day average) to protect stream uses.

A settleable solids instantaneous maximum limit of 0.5 ml/l applies to: surface runoff (resulting from a precipitation event of less than or equal to a 10-year 24-hour event) from active mining areas; active areas disturbed by coal refuse

disposal activities; mined areas backfilled and revegetated; and all other discharges and drainage (resulting from a precipitation event of greater than 1-year 24-hour to less than or equal to a 10-year 24-hour event) from coal refuse disposal piles. Similarly, modified BAT limits apply to iron, manganese and suspended solids in surface runoff, discharges and drainage resulting from these precipitation events and those of greater magnitude in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

Exceptions to BAT effluent limits may be applicable in accordance with 25 Pa. Code §§ 87.102, 88.92, 88.187, 88.292, 89.52 and 90.102.

*Effluent Limits for Noncoal Mining Activities*

The BAT limits for noncoal mining activities as provided in 40 CFR Part 436 and 25 Pa. Code Chapter 77 are as follows:

<i>Parameter</i>	<i>30-day Average</i>	<i>Daily Maximum</i>	<i>Instantaneous Maximum</i>
Suspended solids	35 mg/l	70 mg/l	90 mg/l
Alkalinity exceeding acidity* pH*		greater than 6.0; less than 9.0	

\* The parameter is applicable at all times.

Discharges from noncoal mines located in some geologic settings (for example, in the coal fields) may require additional water quality based effluent limits. If additional effluent limits are needed for an NPDES permit associated with a noncoal mining permit, then the permit description specifies the parameters.

In addition to BAT or WQBEL limits, coal and noncoal NPDES permits establish effluent limitations in the form of implemented Best Management Practices (BMPs) identified in the associated Erosion and Sedimentation Plan, the Reclamation Plan and the NPDES permit application. These BMPs restrict the rates and quantities of associated pollutants from being discharged into surface waters in this Commonwealth.

More restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining that may occur are incorporated into an NPDES permit when necessary for compliance with water quality standards and antidegradation requirements (in accordance with 25 Pa. Code Chapters 91—96).

The procedures for determining the final effluent limits, using a mass-balance equation or model, are found in Technical Guidance Document 362-0600-001, NPDES Program Implementation—Memorandum of Understanding (MOU) Concerning Water Quality Management, NPDES Program Implementation, and Related Matters. Other specific factors to be considered include public comments and Total Maximum Daily Load(s). Additional discharge limitations may apply in the event that unexpected discharges occur.

Discharge rates for surface mining activities are precipitation driven. Discharge rates for proposed discharges associated with underground mining are noted in the permit description.

Persons wishing to comment on an NPDES draft permit should submit a written statement to the Department at the address of the district mining office indicated before each draft permit within 30 days of this public notice. Comments received within the comment period will be considered in the final determinations regarding the NPDES permit applications. Comments must include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests or petitions for a public hearing on NPDES permit applications, as provided in 25 Pa. Code § 92a.82(d). The request or petition for a public hearing shall be filed within 30 days of this public notice and contain the name, address, telephone number and the interest of the party filing the request, and state the reasons why a hearing is warranted. A public hearing may be held if the Department considers the public interest significant. If a hearing is scheduled, a notice of the hearing on the NPDES permit application will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. When a public hearing is held, the Department will consider comments from the public hearing in the final determination on the NPDES permit application.

## PUBLIC WATER SUPPLY PERMITS

The Department has taken the following actions on applications received under the Pennsylvania Safe Drinking Water Act (35 P. S. §§ 721.1—721.17) for the construction, substantial modification or operation of a public water system.

Persons aggrieved by an action may appeal that action to the Environmental Hearing Board (Board) under section 4 of the Environmental Hearing Board Act and 2 Pa.C.S. §§ 501—508 and 701—704. The appeal should be sent to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, PO Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Board within 30 days of publication of this notice in the *Pennsylvania Bulletin* unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create a right of appeal beyond that permitted by applicable statutes and decisional law.

For individuals who wish to challenge an action, the appeal must reach the Board within 30 days. A lawyer is not needed to file an appeal with the Board.

Important legal rights are at stake, however, so individuals should show this document to a lawyer at once. Persons who cannot afford a lawyer may qualify for free pro bono representation. Call the Secretary to the Board at (717) 787-3483 for more information.

## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

### UNDER ACT 2, 1995 PREAMBLE 2

**The following plans and reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.907).**

Provisions of Sections 301—308 of the Land Recycling and Environmental Remediation Standards Act (act) (35 P. S. §§ 6026.301—6026.308) require the Department to publish in the *Pennsylvania Bulletin* a notice of submission of plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling analytical results which demonstrate that remediation has attained the cleanup standard selected. Submission of plans and reports, other than the final report, will also be published in the *Pennsylvania Bulletin*. These include the remedial investigation report, risk assessment report and cleanup plan for a site-specific standard remediation. A remedial investigation report includes conclusions from the site investigation; concentration of regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements.

For further information concerning plans or reports, contact the environmental cleanup program manager in the Department regional office under which the notice of receipt of plans or reports appears. If information concerning plans or reports is required in an alternative form, contact the community relations coordinator at the appropriate regional office. ## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

### UNDER ACT 2, 1995 PREAMBLE 3

**The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.907).**

Section 250.8 of 25 Pa. Code and administration of the Land Recycling and Environmental Remediation Standards Act (act) require the Department to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the act. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. Plans and reports required by the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation; concentration of

regulated substances in environmental media; benefits of reuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. If required, a cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A work plan for conducting a baseline remedial investigation is required by the act for compliance with selection of a special industrial area remediation. The baseline remedial investigation, based on the work plan, is compiled into the baseline environmental report to establish a reference point to show existing contamination, describe proposed remediation to be done and include a description of existing or potential public benefits of the use or reuse of the property. The Department may approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, contact the environmental cleanup program manager in the Department regional office under which the notice of the plan or report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

### Payments to Nonpublic and County Nursing Facilities; Proposed Rates for State Fiscal Year 2014-2015

This notice announces the Department of Public Welfare's (Department) proposed annual case-mix per diem payment rates for State Fiscal Year (FY) 2014-2015 for nonpublic and county nursing facilities that participate in the Medical Assistance (MA) Program.

#### *Nonpublic Nursing Facility Per Diem Rates*

As required by the case-mix payment methodology in 55 Pa. Code Chapter 1187, Subchapter G (relating to rate setting), the Department intends to set an annual MA per diem rate for each nonpublic nursing facility provider. Each facility's annual per diem rate will have four components: resident care; other resident related; administrative; and capital. For each quarter of FY 2014-2015, the Department will adjust the resident care component of each facility's rate by multiplying the resident care component by the facility's MA case-mix index (CMI) for the appropriate picture date.

In calculating the proposed rates, the Department assumed that peer group prices for FY 2014-2015 will be set as specified in 55 Pa. Code § 1187.94 (relating to peer grouping for price setting) except that for facilities classified as special rehabilitation facilities on or before July 1, 2000, peer group medians and prices will be determined in accordance with the methodology described in the final-form rulemaking, Payment for Nursing Facility Services Provided by Special Rehabilitation Nursing Facilities, published at 44 Pa.B. 3322 (June 7, 2014).

In addition, as required by section 443.1(7)(iv) of the Public Welfare Code (62 P. S. § 443.1(7)(iv)), regarding MA payments for institutional care, the Department intends to adjust each facility's CMI-adjusted quarterly rate by multiplying the rate by a budget adjustment factor (BAF). The Federal Centers for Medicare and Medicaid Services (CMS) approved State Plan Amendment (SPA) 13-022 on November 7, 2013, which includes the BAF formula the Department will use for nonpublic nursing facilities in FY 2014-2015. A detailed description of this formula is as follows:

#### *Nonpublic Nursing Facilities' BAF Determination*

**Base BAF Formula**—Prior to establishing the July rate for the rate year, the Department will use the following formula to determine the base BAF:

Target rate divided by the acuity-adjusted weighted average rate equals the base BAF.

If the base BAF as calculated is greater than 1.0, the base BAF will equal 1.0.

**April BAF Formula**—Prior to establishing the April rate for the rate year, the Department will use the following formula to determine the April BAF:

The weighted average April rate will be compared to the April target rate. If the difference between the weighted average April rate and the April target rate is \$0.25 or more, the formula for the April BAF will be the April target rate divided by the weighted average April rate at 100% equals the April BAF. Otherwise, the April BAF is equal to the base BAF.

#### *Terms Related to the BAF Determination*

The following words and terms, when used in the BAF determination, have the following meanings, unless the context clearly indicates otherwise:

**Acuity-adjusted weighted average rate**—The weighted average July rate at 100% adjusted by the acuity factor.

**Acuity factor**—The percentage of change from the July rate to the October, January and April rates representing the estimated quarterly change in payments for the nonpublic nursing facilities. (See 55 Pa. Code § 1187.95(b) (relating to general principles for rate and price setting).)

**April BAF**—The BAF applied to each nonpublic nursing facility's April rate.

**April target rate**—The rate year's Statewide day-weighted average April rate needed to meet the rate year target rate.

**Base BAF**—The BAF applied to each nonpublic nursing facility's July, October and January rates.

**Base days**—The source of days for the day-weighted calculation used in determining the base rate, the weighted average April rate at 100% and the weighted average July rate at 100%. For FY 2014-2015, the base days are the sum of each nonpublic nursing facility's paid facility days, therapeutic leave days and 1/3 of the paid hospital bed reserve days from the PROMISE data file used to determine the June 30, 2013, disproportionate share payments.

**Base rate**—The base rate is the prior year's annual target rate.

**Target rate**—The base rate multiplied by one plus the percentage rate of change permitted by the funds appropriated by the General Appropriations Act for the applicable rate year.

**Weighted average April rate**—The Statewide day-weighted average of the nonpublic nursing facilities' April rates for the applicable rate year determined in accordance with 55 Pa. Code Chapter 1187 (relating to nursing facility services), calculated using base days and the base BAF.

**Weighted average April rate at 100%**—The Statewide day-weighted average of the nonpublic nursing facilities' April rates for the applicable rate year determined in accordance with 55 Pa. Code Chapter 1187 calculated using base days, prior to application of a BAF.

**Weighted average July rate at 100%**—The Statewide day-weighted average of the nonpublic nursing facilities' July rates for the applicable rate year determined in accordance with 55 Pa. Code Chapter 1187 calculated using base days prior to application of the base BAF.

The BAF will limit the estimated Statewide day-weighted average payment rate for MA nursing facility services for county and nonpublic nursing facilities so that the average payment rate in effect for the fiscal year is limited to the amount permitted by the funds appropriated by the General Appropriations Act for the fiscal year.<sup>1</sup>

Finally, in calculating the proposed rates, the Department assumed that the General Appropriations Act of 2014 will include the level of funding in the Governor's Executive Budget.

#### *County Nursing Facility Per Diem Rates*

As required by the rate methodology in 55 Pa. Code Chapter 1189, Subchapter D (relating to rate setting), the Department intends to set an annual MA per diem rate for each county nursing facility provider. As specified in 55 Pa. Code § 1189.91(b) (relating to per diem rates for county nursing facilities), for each rate year beginning on or after July 1, 2007, the per diem rate paid to a county nursing facility for a rate year will be the facility's prior rate year per diem multiplied by a BAF determined in accordance with the formula in the Commonwealth's approved State Plan. CMS approved SPA 13-021 on November 7, 2013 which includes the BAF formula the Department will use for county nursing facilities in FY 2014-2015. The formula is as follows:  $BAF = 1.00 +$  the percentage rate of change permitted by the funds appropriated by the General Appropriations Act for the applicable rate year. In calculating the proposed rates, the Department assumed that the General Appropriation Act of 2014 will include the level of funding in the Governor's Executive Budget.<sup>2</sup>

The proposed annual per diem rates for FY 2014-2015, the base BAF that will be applied to nonpublic nursing facility rates and the annual BAF that will be applied to county nursing facilities are available on the Department's web site at [www.dpw.state.pa.us/provider/doing-business-with-dpw/long-term-care-case-mix-information/index.htm](http://www.dpw.state.pa.us/provider/doing-business-with-dpw/long-term-care-case-mix-information/index.htm) and at local county assistance offices throughout this Commonwealth or by contacting Marilyn Yocum, Department of Public Welfare, Office of Long-Term Living at (717) 772-2549.

#### *Fiscal Impact*

If the proposed payment rates are adopted as final, the rates will result in an estimated cost of \$43.772 million

<sup>1</sup> The Department will finalize the BAF once the General Assembly has enacted a General Appropriations Act for FY 2014-2015 and will include the BAF in its notice announcing final MA nursing facility payment rates for the rate-setting year.

<sup>2</sup> The Department will finalize the BAF once the General Assembly has enacted a General Appropriations Act for FY 2014-2015 and will include the BAF in its notice announcing final MA nursing facility payment rates for the rate-setting year.

(\$20.903 million in State funds) for per diem rate payments to nonpublic nursing facilities and an estimated cost of \$8.579 million (\$4.097 million in State funds) for per diem rate payments for county nursing facilities' FY 2014-2015 rates compared to the facilities' FY 2013-2014 per diem rates. The amount of funding available for this program is dependent upon the funds appropriated by the General Assembly in the forthcoming fiscal year. The Department assumed that funding for these changes will be included in the MA Long-Term Care appropriation.

**Social Security Number Exemption**

The Department of Public Welfare (Department) is announcing that it has been granted an extension of the exemption from the Title IV-D Child Support Enforcement law requiring the collection of Social Security Numbers (SSN) for the Commonwealth's recreational license applications.

Under the Social Security Number Privacy Act (act) (71 P. S. §§ 2601—2608), the Department is required to apply

to the United States Department of Health and Human Services (DHHS) for an exemption from the Federal law that requires an individual applying for or renewing a recreational license for hunting and fishing to include the individual's SSN on the application. See section 466(a)(13)(A) of the Social Security Act (42 U.S.C.A. § 666(a)(13)(A)). The act further provides that if the exemption is granted, an applicant shall be permitted to provide a driver's license number or a Department of Transportation (DOT)-issued nondriver identification card number as an alternative to disclosing the applicant's SSN. The Department's previous exemption requests were granted by DHHS. See 39 Pa.B. 2058 (April 18, 2009) and 41 Pa.B. 4917 (September 10, 2011).

DHHS granted the Department's request to extend the exemption and continue the collection of a driver's license number or a DOT-issued nondriver identification card number instead of an SSN for any applicant applying for a recreational license. The Department's request was granted because of privacy concerns with the current collection process of SSNs on recreational license applications and because compliance with section 466(a)(13)(A) of the Social Security Act will not increase the efficiency and effectiveness of the Commonwealth's Title IV-D Child Support Enforcement Program. However, any recreational license applicant who does not possess a DOT-issued driver's license number or nondriver identification card number is required to supply an SSN on the recreational license application.

*Fiscal Impact*

There is no fiscal impact.
