# READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

## ***Pennsylvania Bulletin***

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

## **Adoption, Amendment or Repeal of Regulations**

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

*Bulletin* before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

## **Citation to the *Pennsylvania Bulletin***

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

## ***Pennsylvania Code***

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

## **How to Find Documents**

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

**SUBSCRIPTION INFORMATION: (717) 766-0211  
GENERAL INFORMATION AND FINDING AIDS: (717) 783-1530**

### Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [ ] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

### Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

### Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

#### § 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

##### REPORT

*Proposed Amendment to Pa. R.C.P.D.J. No. 202*

*Amendment to Rule 202 to define the word "verified" as used in the rules*

The Committee undertook a review of Rule 202 when it discovered that the word "verified" was used in the rules but was not defined. Upon review of the three instances where the word currently is used in the rules, the Committee determined that it should be defined in Rule 202 (Definitions). The Committee proposes that the same definition for "verified" as is used in Pa.R.C.P. No. 76 be adopted in Pa. R.C.P.D.J. No. 202.

In conjunction with the proposed amendment to the rule described above, the Committee also recognized the need for two technical amendments to this rule. First, the Committee proposes that the introductory language in the rule be amended to more closely mirror that in Pa.R.C.P. No. 76 so as to more clearly state how terms in the rules are to be defined and construed. Also, the Committee proposes that the rule be restructured to remove the numbered list of definitions and to list the definitions in alphabetical order. The Committee believes that this technical change will present the list of defined terms in a more logical order and will better facilitate future additions to or deletions from the list.

Proposed Amendment to Rule 206 of the Rules of Conduct, Office Standards and Civil Procedure for District Justices

Introduction

The Minor Court Rules Committee is planning to recommend that the Supreme Court of Pennsylvania amend Pa. R.C.P.D.J. No. 206 to clarify that a party who has been allowed to proceed in forma pauperis pursuant to Rule 206 is not required to pay service costs, and to make other technical or "housekeeping" amendments to this rule.

The following explanatory Report highlights the Committee's considerations in formulating this proposal. The Committee's Report should not be confused with the official Committee Notes to the rules.

For special provisions governing [ proceedings in forma pauperis, see Section ] actions pursuant to the Protection From Abuse Act, see Sections 6106(b) and (c) of the Domestic Relations Code, 23 Pa.C.S. [ , Section ] §§ 6106(b) and (c).

### REPORT

*Proposed Amendment to Pa.R.C.P.D.J. No. 206*

*Amendment to Rule 206 to clarify that a party who has been allowed to proceed in forma pauperis pursuant to Title 206 is not required to pay service costs*

#### I. Background

The Committee undertook a review of Rule 206 in response to an inquiry from the Administrative Office in Pennsylvania Courts (AOPC). The AOPC asked the Committee to review the issue of whether a party who has been allowed to proceed in forma pauperis as provided by Rule 206 is required to pay constable (service) costs. The AOPC noted that Rule 206E provides that a party who is unable to pay the costs of litigation shall be entitled to proceed in formal pauperis and that the rule further provides that a party permitted to proceed in forma pauperis shall not be required to pay the filing fee imposed or authorized by Act of Assembly or general rule. The AOPC further noted that Rule 206 is silent as to whether payment of service costs is required by a party proceeding in forma pauperis. Upon review of the rule, the Committee notes that the Note to Rule 206 states that the rule "substantially follows Pa.R.C.P. No. 240," which appears to specifically exempt all costs and fees. Pa.R.C.P. No. 240(f)(1) provides that "a party permitted to proceed in forma pauperis shall not be required to pay any costs or fee imposed or authorized by Act of Assembly or general rule which is payable to any court or prothonotary or any public officer or employee."

After review and discussion, the Committee agreed that Rule 206 is inconsistent with Pa.R.C.P. No. 240 in that Rule 206 refers only to filing fees and is silent as to the payment of service costs by parties who are permitted to proceed in forma pauperis. Further, the Committee agreed that it is well settled that such parties should not be required to pay service costs. Accordingly, the Committee proposes that Rule 206 be amended to make this clarification and to more closely mirror Pa.R.C.P. No. 240.

In conjunction with the proposed amendment to the rule described above, the Committee also recognized the need for several technical or "housekeeping" amendments to this rule.

#### II. Discussion of Rule Changes

First, as noted above, the Committee proposes that rule 206E(iv) be amended to closely resemble Pa.R.C.P. No. 240(f)(1) thereby clarifying that a party permitted to proceed in forma pauperis shall not be required to pay "any cost or fee" including filing, service, witness, and execution costs or fees.

Also, the Committee proposes a revision to the Note to clarify that the rule does not provide for the assessment of filing fees against an unsuccessful plaintiff who has been permitted to proceed in forma pauperis and who

remains indigent. As authority for this, the Committee proposes to add a reference to *Brady v. Ford*, 679 A.2d 837 (Pa. Super. Ct. 1996).

Finally, in conjunction with the proposed amendments and revisions described above, the Committee also recognized the need for minor changes to the rule and its Note to make other minor clarifications, to address gender neutrality issues, to correct citation form, and to conform with modern drafting style.

#### Proposed Amendment to Rule 305 of the Rules of Conduct, Office Standards and Civil Procedure for District Justices

The Minor Court Rules Committee is planning to recommend that the Supreme Court of Pennsylvania amend Pa. R.C.P.D.J. No. 305 to remove from the rule the implication that parties can obtain legal advice from district justices or court staff, and to make other technical or "housekeeping" amendments to this rule. The Committee has not submitted this proposal for review by the Supreme Court of Pennsylvania.

The following explanatory Report highlights the Committee's considerations in formulating this proposal. The Committee's Report should not be confused with the official Committee Notes to the rules. The Supreme Court does not adopt the Committee's Notes or the contents of the explanatory Reports.

#### PART I. GENERAL

#### CHAPTER 300. CIVIL ACTION

#### Rule 305. Setting the Date for Hearing; Delivery for Service.

The district justice, at the time the complaint is filed, shall:

(1) Set a hearing date which shall be not less than [ **twelve (12)** ] 12 or more than [ **sixty (60)** ] 60 days from the date the complaint is filed.

(2) Insert the hearing time and date and the address of **[ his magisterial office ] the district justice court** in the complaint form.

(3) Deliver a copy of the complaint form with hearing time and date thereon to the plaintiff **[ or his agent ]**.

(4) Deliver a copy of the complaint form with hearing time and date thereon for service on the defendant as hereinafter set forth, which copy shall contain the following notice:

(b) If you have a claim against the plaintiff which is within district justice jurisdiction and which you intend to assert at the hearing, you must file it on a complaint form at this office at least five **[ (5) ]** days before the date set for the hearing. **[ If you have a claim against the plaintiff which is not within district justice jurisdiction, you may request information from this office as to the procedures you may follow. ]**

(c) **[ You must appear at the hearing and present your defense. ] YOU MUST APPEAR AT THE HEARING AND PRESENT YOUR DEFENSE. UNLESS YOU DO, JUDGMENT [ WILL ] MAY BE ENTERED AGAINST YOU BY DEFAULT.**

#### Official Note

The **[ sixty ] 60** day limitation in subdivision (1) of this rule was considered to provide sufficient time in which to effect service under the requirement of Rule 307 that service be made at least ten days before the hearing. See Rule 314E as to reinstatement of complaints **dismissed because of lack of service. [ It is contemplated that the ]** The copies required in subdivisions (3) and (4) **[ will be ]** are provided by the District Justice Automated System **[ or "snap out" forms ]**. Giving the notice mentioned in subdivision (4)(a) is necessary if the defendant is to obtain judgment under Rule 319A because of the plaintiff's failure to appear. Subdivision (4)(b) gives notice of the right to file a cross-claim within district justice jurisdiction. The procedure for filing such a claim is set forth in Rule 315, and the **[ note ] Note** to that rule indicates possible procedures as to counterclaims not within district justice jurisdiction. Subdivision (4)(c) provides for a warning concerning a default judgment, which may be rendered under Rule 319B.

Amended Oct. 17, 1975, effective in 90 days; June 30 1982, effective 30 days after July 17, 1982; March 27, 1992, effective June 25, 1992 **[ The March 27, 1992, Order provided in part: "In promulgating this Order, the Court recognizes that the District Justice Automation Project will be affected by said Rule changes and that, therefore, those Rules which affect the Project will become effective as the District Justice offices are brought on-line" ]**; amended \_\_\_\_\_, effective \_\_\_\_\_.

#### REPORT

*Proposed Amendment to Pa. R.C.P.D.J. No. 305*

*Amendment to Rule 305 To remove from the rule the implication that parties can obtain legal advice from district justices or court staff*

#### I. Background

The Committee undertook a review of Rule 305 in response to a request from the Administrative Office of

Pennsylvania Courts (AOPC). The AOPC reported that it had received an inquiry from a district justice regarding the language on the Civil Action Hearing Notice, AOPC form 308-B-94. The last sentence in the third paragraph of the Notice to Defendant section of the form provides that if the defendant has "a claim against the plaintiff which is not within district justice jurisdiction, you [the defendant] may request information from this [district justice court] office as to the procedures you may follow." The district justice was concerned that this language, the inclusion of which is required by Rule 305(4)(b), implies that a party can obtain legal advice from district justices or court staff. Upon review of the Rule, the Committee agreed that such an implication does exist. Accordingly, the Committee proposes that Rule 305 be amended to remove from the rule the language that creates the implication that parties can obtain legal advice from district justices or court staff.

In conjunction with the proposed amendment to the rule described above, the Committee also recognized the need for several technical or "housekeeping" amendments to this rule.

#### II. Discussion of Rule Changes

First, as noted above, the Committee proposes that the last sentence in Rule 305(4)(b) be deleted entirely as it creates the implication that parties can obtain legal advice from district justices or court staff. The Committee determined that the sentence may create more confusion and problems than it solves, and therefore should be deleted from the rule and the Civil Action Hearing Notice form.

Also, the Committee is proposing that both sentences in the section of the Notice to Defendant as required by Rule 305(4)(c) be capitalized to make this important section of the notice stand out more prominently.

Finally, in conjunction with the proposed amendments to Rule 305 described above, the Committee also recognized the need for minor changes to the rule and its Note to make other minor clarifications, to address gender neutrality issues, and to conform with modern drafting style.

# RULES AND REGULATIONS

## Title 7—AGRICULTURE

### DEPARTMENT OF AGRICULTURE

#### [7 PA. CODE CH. 128]

#### Fees

The Department of Agriculture (Department) amends § 128.3 (relating to fees) to read as set forth in Annex A. This final-omitted regulation is adopted under the general authority of the Secretary of the Department to promulgate appropriate regulations to carry out section 7(b) of the Pesticide Control Act of 1973 (act) (3 P. S. § 111.27(b)) and the specific authority in section 37.1 of the act (3 P. S. § 111.57a). This final-omitted regulation will adjust the fees the Department may assess for pesticide product registration, certification, registration and licensing of pesticide applicators, as well as pesticide application businesses.

#### *Contact with Affected Parties*

Public notice of intention to amend § 128.3 under the procedures specified in sections 201 and 202 of the act of July 31, 1968 (P. L. 769, No. 240) (45 P. S. §§ 1201 and 1202) (CDL), has been omitted as authorized under section 204(3) of the CDL (45 P. S. § 1204(3)), because the Department finds that these procedures under the circumstances, are unnecessary and impracticable. The Department first proposed the fee increase at the Pesticide Advisory Board (Board) public meeting in May 1999. In June 1999, over 6,000 copies of the private pesticide applicator newsletter, "*Pesticide Highlights*," were mailed to all pesticide application businesses and pesticide dealers licensed by the Department. The newsletter contained an article announcing the proposed fee increase and solicited comments. As a result, the Department received 22 comments from these groups of affected businesses. Over 21,700 copies of "*Pesticide Highlights*" were mailed November 1999 to all private certified pesticide applicators and to members of the General Assembly. The newsletter again contained an article announcing the proposed fee increase and solicited comments. As a result, the Department received 14 comments from private applicators. The Department mailed an informational notice of the proposed fee increase requesting comments in November 1999 to all pesticide registrants along with the year 2000 product-renewal application (1,100 copies). The Department received and responded to seven comments from product registrants.

The proposed fee increase regulation and the public comments were discussed at the September 1999, December 1999, March 2000, November 2000 and the most recent Board public meeting in March 2001. The Department also met with the three largest trade associations for the pesticide registrant groups on March 28, 2000, to discuss the proposed fee increase and to discuss any suggested comments or changes. *The Reading Times* newspaper published an article on August 2, 1999, regarding the Department's proposed fee increases. Representatives of the Department attended board meetings of the Pennsylvania Pest Control Association, Lawn Care Association of Pennsylvania and PennAg Industries Association to discuss the fiscal analysis regarding the proposed fee increase. These professional associations represent the majority of the regulated businesses and individuals affected by the regulation. The Department presently regulates 1,100 Pesticide Product Registrants

(Manufacturers & Distributors); 10,500 Commercial Applicators; 5,750 Pesticide Application Businesses; and 2,500 Registered Pesticide Technicians. As part of its out-reach program, eight different regulatory proposals were considered by the Department, the Board and the affected groups. The final-omitted regulation represents a compromise developed through consensus and years of cooperation with regulated individuals and businesses.

#### *Rationale for Fee Increase*

The pesticide program in this Commonwealth is required by the act to be a self-funding program. Specifically, section 37.1 of the act provides that if the revenues raised by fees, fines and civil penalties imposed under the act are not sufficient to meet expenditures for the administration and enforcement of the act over a 2-year period, the Secretary is authorized to increase fees by regulation so that the "projected revenues will meet or exceed projected expenditures." The Department is projecting a deficit from the year 2001 and beyond. The "fees" were set by regulation and with the exception of the pesticide product registration—which was modified in 1991—have not changed since 1986. During the past 15 years, the Department has been able to provide the citizens of this Commonwealth with protection and services as required by both Federal and State laws, without increasing the cost to the regulated community. It is the Department's opinion that to continue to carry out its legislative mandate to protect the health and welfare of the citizens of this Commonwealth and the environment, it is necessary to increase the fees charged to the regulated industries and individuals. As part of its discussions and agreement with the regulated community, the Department has determined that it will not increase the current fee structure for agronomic producers, public applicators and restricted-use pesticide dealers.

#### *Fiscal Impact*

##### *Commonwealth*

The Department has determined that the final-omitted regulation will have no adverse fiscal impact on the Commonwealth other than a one-time cost of approximately \$3,500 for postage and billing/ form conversion and data processing and programming.

##### *Political Subdivisions*

The final-omitted regulation will have direct fiscal impact on political subdivisions in that the approximate 400 local governments which hold a pesticide business license will incur a \$10 per year renewal fee increase.

##### *Private Sector*

The final-omitted regulation will have a direct fiscal impact on the private sector as set forth more fully in Annex A.

##### *General Public*

The final-omitted regulation will not have any fiscal impact on the general public.

#### *Regulatory Review*

Under section 5.1(c) of the Regulatory Review Act (71 P. S. § 745.5a(c)), on August 21, 2001, the Department submitted a copy of the regulation with proposed rule-making omitted to the Independent Regulatory Review Commission (IRRC) and to the Chairpersons of the Senate and House Agriculture and Rural Affairs Committees. On the same date, the final-omitted regulation was

submitted to the Office of Attorney General for review and approval as provided in the Commonwealth Attorneys Act (71 P.S. §§ 732-101—732-506). In addition to submitting the final-omitted regulation, the Department has provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the Department in compliance with Executive Order 1996-1.

Under section 5.1(d) of the Regulatory Review Act, the final-omitted regulation was deemed approved by the House and Senate Committees on September 10, 2001. IRRC met on September 20, 2001, and approved the final-omitted regulation.

*Contact Person*

Individuals interested in further information may contact Lyle Forer, Director, Bureau of Plant Industry, Department of Agriculture, 2301 N. Cameron Street, Harrisburg, PA 17110-9408, (717) 772-5200.

*Findings*

The Department finds that:

(1) Public notice of intention to amend § 128.3 by this order under the procedures specified by sections 201 and 202 of the CDL has been omitted under section 204(2) of the CDL because the Department has, for good cause, found that notice is unnecessary and impractical in that the regulated community participated in the drafting of the amended regulation and previously commented on the fee increases as more fully set forth in this Preamble.

(2) The persons subject to and affected by the final-omitted regulation as adopted by this order have received actual notice of the Department's intention to amend § 128.3 in advance of final-omitted rulemaking under section 204(2) of the CDL.

(3) The amendment of regulation of the Department relating to fee increases in the manner provided in this order is necessary and appropriate for the proper administration of its authorizing statute.

*Order*

The Department, acting under the authorizing statute, orders that:

(a) The regulations of the Department, 7 Pa. Code Chapter 128, are amended by amending § 128.3 to read as set forth in Annex A.

(b) The Secretary of the Department shall submit this order and Annex A to the Office of General Counsel and Office of Attorney General for approval as to form and legality as required by law.

(c) The Secretary of Department shall certify this order and Annex A and deposit them with the Legislative Reference Bureau as required by law.

(d) This order shall take effect upon publication in the *Pennsylvania Bulletin*.

## Title 37—LAW

### MUNICIPAL POLICE OFFICERS' EDUCATION AND TRAINING COMMISSION

[37 PA. CODE CH. 203]

#### Administration of the Training Program

The Municipal Police Officers' Education and Training Commission (Commission) by this order amends Chapter 203 (relating to administration of the program) to read as set forth in Annex A.

##### A. *Effective Date*

These final-form regulations will be effective upon publication in the *Pennsylvania Bulletin*.

##### B. *Statutory Authority*

These final-form regulations are adopted under the authority of 53 Pa.C.S. Chapter 21, Subchapter D (relating to municipal police education and training) (act).

##### C. *Background and Purpose*

These final-form regulations implement the act which establishes the training and education requirements for employment as a police officer. The purpose of final-form regulation is to clarify and correct various aspects of the existing regulations. The following is a summary of the changes.

The amendment of § 203.11 (relating to qualifications) allows previously certified police officers and enlisted members of the State Police who are not currently employed as police officers 2 years to obtain employment as a police officer with another police department without going through the certification process provided the employment takes place within 2 years of the termination of police employment and that the member has already had a psychological evaluation.

The amendment of § 203.11(9)(ii)(F)(I) requires retesting of a failed subject area upon the successful completion of course work in the failed subject. An applicant's failure to pass the retest results in the requirement that the applicant shall retake the entire basic police-training course.

The amendment of §§ 203.33(b)(1) and 203.36(5) (relating to minimum school standards and requirements; and revocation of school certification) will permit schools to conduct only one basic recruit training class every 3 years instead of every year to retain school certification.

The amendment of § 203.83(a)(2) (relating to grants for nonmandatory in-service training programs) will allow law enforcement officers presently not eligible for reimbursement to attend nonmandatory training classes after paying tuition to the Commission.

##### D. *Comments Received*

Notice of proposed rule making was published at 28 Pa.B. 2925 (June 27, 1998) with an invitation to submit comments within 30 days of publication. The Commission received comments from Chief Charles Snyder of the Lower Allen Township Police (Dept. 91993 Hummel Ave., Camp Hill, PA 17011), Chief Detective Paul Gourley of the Bucks County District Attorney's office (Bucks County Courthouse, Doylestown, PA 18901) and the Independent Regulatory Review Commission (IRRC). The following is a summary of the comments received:

1. Chief Snyder suggested several nonregulatory Commission administrative concerns related to providing cer-

tified training to civilian employees of municipal police departments. Whereas the comments received from the chief are more properly considered statements, the Commission does not see the need to amend the regulations.

2. Detective Gourley's comments concerned § 203.11 of the proposed rulemaking. Specifically Detective Gourley requested that the current qualification requirements be upheld and that a 2-year certification waiver should be granted to an officer leaving a police department so long as the officer meets the minimum requirements of the act. The Commission concurred with the detective's comment and the final-form regulation was amended in § 203.11 to provide a 2-year waiver to an officer who held a valid Commission certification 2 years prior to the date of his next employment as a police officer.

3. IRRC made three comments on the proposed rulemaking which were focused on § 203.11 in the following areas:

a. IRRC first commented that the 2-year waiver of certification exemption provided by this section to applicants who were members of the State Police or act certified police officers should not waive the requirements that the applicant must have a criminal history record check prior to being hired as a municipal police officer. Secondly, IRRC commented that the members of the State Police seeking to take advantage of this 2-year exemption waiver should not be exempt from the one of the certification minimum standards which requires all certification applicants to undergo a psychological evaluation prior to employment.

In response to IRRC's first comment, for a police officer to be recertified under the act each department shall continually check the criminal history record of each certified police officer. Accordingly, any further requirement that would mandate a criminal history check for individuals who meet the requirements of this section would be duplicative.

The Commission concurs with IRRC's second comment to this section and has changed the section to require a former member of the State Police who meets the exemption under this section to undergo a psychological evaluation prior to subsequent employment. This requirement is effective for all members who enlisted with the State Police prior to May 1998. This date was included because members of the State Police who enlisted after May 1998 were required to undergo a psychological evaluation prior to employment with the State Police.

b. IRRC's final comment recommended that the Commission not delete § 203.11(9)(ii)(F)(I) but instead redraft the section to specify conditions for an applicant who fails a section of an examination in the basic police training course. The Commission concurs with this recommendation and has redrafted the section in the final-form regulations.

##### E. *Compliance with Executive Order 1996-1*

In accordance with the requirements of Executive Order 1996-1, the Commission solicited input and suggestions from the regulated community and members of the Commission. These final-form regulations address a the compelling public interest as described in Section C of the Preamble and otherwise comply with Executive Order 1996-1.

##### F. *Benefits*

These final-form regulations will clearly benefit the citizens of this Commonwealth by further establishing and clarifying certification requirements for municipal police officers.

Specifically, amending § 203.11 will benefit those currently employed municipal police officers and State Police officers who cease their employment by waiving requirements for certification. Officers will have 2 years from the date they ceased their employment to be reemployed and have all requirements for certification waived. The 2-year waiver is valid so long as the officer was honorably discharged.

In addition, adding § 203.83(a)(2) benefits those law enforcement officers that are not permitted to attend nonmandatory in-service courses by allowing them to attend the training provided they pay tuition to the Commission. This also benefits the employer and the public due to the additional training provided.

G. *Effect*

The final-form regulations will effect certified police officers and members of the State Police.

The impact of the final-form regulations will effect both recruits and veteran police officers. Recruits will be required to be retrained at the school they presently attend. This will be a new policy. Also, veteran officers will be able to change departments within 2 years of leaving a police department without having to meet the certification standards.

Allowing schools to conduct one class every 3 years puts less of a burden on those schools that cannot get enough recruits to hold a class every year.

Amending the certification section allows those individuals that leave a police department or the State Police 2 years from the date of departure to obtain another police position without going through the certification process so long as the members of the State Police have previously undergone a psychological evaluation. This change will make the process used to change employment more consistent with other professions and will save the Commission an enormous amount of time as far as processing applications.

By allowing law enforcement officers who are not eligible for reimbursement to attend nonmandatory in-service training classes after paying a tuition to the Commission those agencies will have better trained officers and be able to be trained along with municipal police officers.

H. *Paperwork Requirements and Fiscal Impact*

The final-form regulations do not create additional paperwork requirements other than those already utilized by the Commission and the regulations will have no fiscal impact on the Commonwealth.

I. *Input*

These final-form regulations were drafted with input from the members of the Commission, the Pennsylvania State Police Chief Counsel's and Policy Office, members of the Pennsylvania Chiefs of Police Association, the Fraternal Order of Police and the Pennsylvania State Troopers Association.

J. *Review*

Due to the nature of these final-form regulations and the compelling public interest in having properly trained and certified municipal police officers, the Commission will continue to review its regulations and update them if necessary to ensure their overall effectiveness and monitor whether they continue to serve the interests of the citizenry of this Commonwealth.

K. *Regulatory Review*

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on July 19, 2000, the Commission, through the State Police, submitted a copy of these final-form regulations to IRRC and to the Chairpersons of the House Judiciary Committee and the Senate Law and Justice Committee. In addition to submitting the final-form regulations in accordance with section 5(b) of the Regulatory Review Act, the Department has also provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form in compliance with Executive Order 1982-2, "Improving Government Regulations." A copy of the material is also available to the public upon request.

In preparing these final-form regulations, the Commission considered the comments received from IRRC, other commentators, the Committees and the regulated community.

IRRC contacted the Commission on August 3, 2000, and expressed concerns regarding several provisions in the final-form regulations relating to qualifications. On August 4, 2000, the Commission requested that the final-form regulations be tolled to permit the Commission to address the concerns expressed by IRRC. On August 8, 2000, IRRC approved the tolling request. The Department submitted revised final-regulations on September 6, 2000, to IRRC, the House Judiciary Committee and the Senate Law and Justice Committee. These final-form regulations were deemed approved by the House Judiciary Committee and the Senate Law and Justice Committee on September 16, 2000. IRRC met on September 21, 2000, and approved these final-form regulations in accordance with section 5(c) of the Regulatory Review Act.

L. *Contact Person*

The contact person is Major Richard C. Mooney, Executive Director, Municipal Police Officers' Education and Training Commission, 75 East Derry Road, Hershey, PA 17033. (717) 533-5987 Ext. 205.

#### D. *Purpose and Background*

The proposed amendments are designed to update, modify and improve the Commission's regulations pertaining to boating. The specific purpose of the proposed amendments is described in more detail under the summary of proposal. The Commission's Boating Advisory Board (Board) has considered all of the proposals, with the exception of the change to § 111.13, and has recommended that the Commission publish a notice of proposed rulemaking containing the amendments. The Board will consider the proposed change to § 111.13 prior to the Commission's consideration of the change on final-form rulemaking and will make recommendations to the Commission.

#### E. *Summary of Proposal*

(1) *Sections 91.6 and 109.3.* Both of these sections refer to temporary Boating Safety Education Certificates. Section 91.6(d) refers to a 90-day temporary certificate. Section 109.3(h)(3) refers to a temporary certificate that is valid for at least 90 days and no more than 180 days from the date of purchasing a personal watercraft. The National Association for State Boating Law Administrators (NASBLA), in its Model Act for Mandatory Boating Safety Education adopted September 13, 2000, recom-

mends that temporary certificates (called temporary operators' permits in the NASBLA model) be issued for a duration not to exceed 60 days. To encourage uniformity and reciprocity between states, the Commonwealth's regulations should comply whenever possible with National reciprocity standards. Accordingly, the Commission proposes to amend these sections to read as set forth in Annex A.

(2) *Section 109.4.* To clarify its regulations, the Commission proposes to amend this section by adding a definition of "waterskiing" to read as set forth in Annex A.

(3) *Section 111.13.* The Commission received a petition from boaters who use Beltzville Lake in Carbon County to amend the waterskiing regulations. Beltzville Lake is a relatively small lake within the Beltzville State Park. Waterskiing type activities are currently restricted to 18% or 170 acres of the 950-acre lake. In the petition, the petitioners requested two changes: (1) to change the hours of skiing from 10 a.m. to sunset to sunrise to sunset; and (2) to open the entire lake to waterskiing.

The Commission accepted the petition for further review, and on June 4, 2001, the Commission held a public meeting at the park to obtain public input on the petition to change the regulations on Beltzville Lake. The meeting was well attended and gave Commission staff an opportunity to hear many views on how the lake should be regulated. Commission staff then prepared a report with input from the Bureau of State Parks.

Staff considered five possible options and recommended to the Commission that it consider a compromise solution that will allow waterskiing to begin at sunrise within the existing designated ski area only. This proposal would have little impact on other users and should not negatively affect boating safety. It allows skiers the opportunity to ski on calm water early in the day before wakes form and should have the additional benefit of reducing congestion in the ski zone, making that area safer. Accordingly, the Commission proposes to amend this section to read as set forth in Annex A.

(4) *Section 111.27.* Tionesta Lake was authorized by the Flood Control Act of 1936 and has been in full operation since December 1940. This reservoir project is part of the flood control system operated by the Corps of Engineers for the Allegheny and Upper Ohio Rivers. The pool elevation at Tionesta Lake is generally maintained between elevations 1,089-1,090, which creates a recreational pool of about 450 acres. The flood pool stretches 6 miles up Tionesta Creek from the dam. Much of the recreational pool is very narrow and is peppered with stumps from trees that were left standing when the impoundment was created.

Sometime in the early 1960s, project managers began to install and enforce a 10 mph zone on the portion of the lake from the confluence of Little Piney Run upstream, a distance of about 2 miles. This restriction was never adopted by the Commission as a regulation. In 1974, the Commission was asked by the project manager to make this area slow, no wake. At a series of meetings, the Board declined to recommend this change. The minutes of these meetings indicate that the Board felt that the area did not need those strict restrictions. The 10 mph zone was continued, but no regulations were passed to enable enforcement.

The Commission's Bureau of Law Enforcement, along with the Corps Project Manager, again requested that

this area of the lake be regulated at slow, no wake and that this restriction be adopted as a regulation so that it may be enforced. The request cited the numerous shoals and tree stumps in this area that preclude most high speed operation and a desire to create an area for boating anglers free from other types of operation. It should be noted that there are two boat launch facilities on the lake. The Commission operates the Nebraska Bridge access near the upper limits of the proposed slow, no wake zone. The Corps of Engineers operates a boat launch near the Dam that facilitates water skiers and other high-speed boats. The Commission proposes to amend § 111.27 to read as set forth in Annex A.

(5) *Section 111.43.* The Commission received a request from the Shenango Lake Water Safety Council to consider imposing restrictions on the towing of aquaplanes and similar devices in certain slow no wake areas on Shenango River Lake in Mercer County. Shenango River Lake is a Corps of Engineers impoundment that was constructed on the Shenango River in 1965 and became operational in 1967. The lake was created for the purpose of flood control, low flow augmentation and recreation. At the top of its recreational pool, the lake has a length of 11 miles and provides 3,500 acres of water surface.

The Water Safety Council, which is comprised of representatives of the Corps, the Commission and various users of the lake, makes recommendations concerning the operation of the recreational facilities on the lake. The Council has identified a potential safety problem with the operation of boats in two areas of the lake where boat traffic is directed through bridge piers. These areas have long been designated slow, no wake in recognition of the potential danger. Recently, project managers have observed an increasing number of people who are towing passengers through these areas on aquaplanes, tubes and similar devices. While the operators are maintaining a slow, no wake speed with their boats, the towing of devices behind the boats in the congested areas has resulted in several close calls for persons on the devices. Additionally, the presence of towlines in the water in the areas increases the potential for entanglement in propellers. Accordingly, the Commission proposes to amend § 111.43 to prohibit waterskiing in the slow, no wake zones.

F. *Paperwork*

The proposed amendments will not increase paperwork and will create no new paperwork requirements.

G. *Fiscal Impact*

The proposed amendments will have no adverse fiscal impact on the Commonwealth or its political subdivisions. The proposed amendments will impose no new costs on the private sector or the general public.

H. *Public Comments*

Interested persons are invited to submit written comments, objections or suggestions about the proposed amendments to the Executive Director, Fish and Boat Commission, P. O. Box 67000, Harrisburg, PA 17106-7000, within 30 days after publication of this notice in the *Pennsylvania Bulletin*. Comments submitted by facsimile will not be accepted.

Comments also may be submitted electronically at "ra-pfbcregs@state.pa.us." A subject heading of the proposal and a return name and address must be included in each transmission. In addition, all electronic comments must be contained in the text of the transmission, not in an attachment. If an acknowledgment of electronic com-

ments is not received by the sender within 2 working days, the comments should be retransmitted to ensure receipt.

### Maximum Lawful Rate of Interest for Residential Mortgages for the Month of November 2001

The Department of Banking of the Commonwealth of Pennsylvania, under the authority contained in section 301 of the Act of January 30, 1974 (P. L. 13, No. 6) (41 P. S. § 301), hereby determines that the maximum lawful rate of interest for residential mortgages for the month of November, 2001, is 7 3/4%.

The interest rate limitations under the State's usury statute were preempted to a great extent by Federal law, the Depository Institutions Deregulation and Monetary Control Act of 1980 (Pub. L. 96-221). Further preemption was instituted with the signing of Pub. L. 96-399, which overrode State interest rate limitations on an individual who finances the sale or exchange of residential real

property which the individual owns and which the individual occupies or has occupied as the principal residence.

Each month the Department of Banking is required by State law to compute and announce the ceiling rate on residential mortgages in Pennsylvania. This maximum rate is determined by adding 2.50 percentage points to the yield rate on long-term government bonds as published by the Federal Reserve Board and/or the U. S. Treasury. The latest yield rate on long-term government securities is 5.16 to which was added 2.50 percentage points for a total of 7.66 that by law is rounded off to the nearest quarter at 7 3/4%.

For renewal applications listed in Section I, the Department of Environmental Protection (Department) has made a tentative determination to reissue these permits for 5 years subject to effluent limitations and monitoring and reporting requirements in their current permits, with appropriate and necessary updated requirements to reflect new and changed regulations and other requirements. For all new permit applications, renewal application with major changes or applications for permits not waived by EPA, the Department, based upon preliminary reviews, also made a tentative determination of proposed effluent limitations and other terms and conditions for the permit applications listed in Section II. These determinations are published as proposed actions for comments prior to taking final actions.

Unless indicated otherwise, the EPA Region III Administrator has waived the right to review or object to this proposed permit action under the waiver provision 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the office noted before the application within 30 days from the date of this public notice. Comments received within this 30-day comment period will be considered in the formulation of the final determinations regarding this application. The comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the responsible office considers the public response significant. Following the comment period, the Department's Water Management Program Manager will make a final determination regarding these applications. Notice of this final determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The renewal application, including proposed effluent limitations and special conditions, is available on file. For new permit applications, information submitted with the applications is available on file. The information may be inspected and arrangements made for copying at the office indicated before the application.

Persons with a disability, who require an auxiliary aid service, including TDD users or other accommodations to seek additional information, should contact the Department through the Pennsylvania AT&T Relay service at (800) 654-5984.

**Application No. PA 0088854, Jeremiah and James Sensenig Farm**, 114 Widdowson Road, Quarryville, PA 17566.

Jeremiah and James Sensenig submitted an application for an individual NPDES permit for an existing concentrated animal feeding operation (CAFO) known as Jeremiah and James Sensenig Farm, Widdowson Road, Little Britain Township, **Lancaster County**. The CAFO is situated in the Little Conowingo Creek watershed, which is classified as High Quality-Cold Water Fishes (HQ-CWF). The CAFO is designed to maintain an animal population of 379 animal equivalent units (AEUs) consisting of 2,100 finishing swine, 60 dairy cows and 34 dairy heifers.

Manure generated at the existing swine barn is collected and stored underneath the confined structure and has a capacity of 674,000 gallons. The liquid dairy manure is stored in a concrete storage structure with a capacity of 184,000 gallons. A release or discharge to waters of this Commonwealth under normal operating conditions is not expected. Normal operating conditions are defined as conditions below a 25-year, 24-hour storm event.

The Department has conducted administrative and technical reviews of the application. Based on the preliminary review and application of lawful standards and regulations including the Final CAFO Strategy, the Department has made a tentative determination to issue an individual NPDES permit for the operation subject to the terms and conditions and monitoring and reporting requirements specified in the draft permit.

The permit application and proposed draft permit are on file at the Southcentral Regional Office of the Department. Individuals may make an appointment to review the files by calling the File Review Coordinator at (717) 705-4732.

The Environmental Protection Agency permit review waiver provision under 40 CFR 123.24(e) does not apply to this individual NPDES permit.

Persons wishing to comment on the proposed permit are invited to submit written comments to the previous address within 30 days from the date of this public notice.

Comments received within this 30-day period will be considered in formulating the Department's final determination regarding the application. All comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of the basis of the comment and the relevant facts upon which it is based. A public meeting/hearing may be held if the Department considers the public response or interest significant.

Following the 30-day comment period, the Water Management Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time the determination may be appealed to the Environmental Hearing Board.

## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

UNDER ACT 2, 1995

### PREAMBLE 1

#### Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (Act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of any Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the background standard, Statewide health standard, the site-specific standard or who intend to remediate a site as a special industrial area, must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one or a combination of the cleanup standards or who receives approval of a special industrial area remediation identified under the Act, will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department. Furthermore, the person shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the Act, there is a 30-day public and municipal comment period for sites proposed for remediation using a site-specific standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the sites identified, proposed for remediation to a site-specific standard or as a special industrial area, the municipality, within which the site is located, may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified. During this comment period the municipality may request that the person

identified, as the remediator of the site, develop and implement a public involvement plan. Requests to be involved and comments, should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the Environmental Cleanup Program Manager in the Department Regional Office after which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

## AIR QUALITY

### NOTICE OF PLAN APPROVAL AND OPERATING PERMIT APPLICATIONS

#### NEW SOURCES AND MODIFICATIONS

The Department of Environmental Protection (DEP) has developed an "integrated" plan approval, State Operating Permit and Title V Operating Permit program. This integrated approach is designed to make the permitting process more efficient for DEP, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

Notice is hereby given that DEP has received applications for plan approvals and/or operating permits from the following facilities.

Copies of these applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the Regional Office identified in this notice. Persons interested in reviewing the application files should contact the appropriate Regional Office to schedule an appointment.

Persons wishing to receive a copy of the proposed Plan Approval or Operating Permit must indicate their interest to the DEP Regional Office within 30 days of the date of this notice and must file protests or comments on a Proposed Plan Approval or Operating Permit within 30 days of the DEP providing a copy of the proposed document to that person or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that a hearing be held concerning the proposed plan approval and operating permit. Any comments or protests filed with DEP Regional Offices must include a concise statement of the objections to the issuance of the plan approval or operating permit and relevant facts, which serve as the basis for

the objections. If DEP schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the Regional Office identified. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121 through 143, the Federal Clean Air Act and regulations adopted under the Act.

Cypress Energy intends to use 439 tons per year of NOx ERCs as emission offsets for the proposed combined-cycle power plant in East Pikeland Township, **Chester County**.

The Department intends to grant approval, under 25 Pa. Code § 127.208(2) and (5), for transfer and use of 439 tpy of NOx ERCs generated from shutdown coke oven batteries at Bethlehem Steel Corporation's Sparrows Point facility in Baltimore, MD. Upon transfer of the NOx ERCs to Pennsylvania's ERC Registry, the credits will expire for use as emission offsets if they are not included in 15-0109A by December 6, 2001. The Twin Oaks facility is a major (Title V) facility. The enclosed vapor combustion system is replacing a control device that currently is operating at the Twin Oaks facility. The installation of the enclosed vapor combustion system will result in emissions of 70.1 tons per year of volatile organic compounds, 8 tons per year of nitrogen oxides and 20 tons per year of carbon monoxide. The Plan Approval and Operating Permit will contain additional recordkeeping and operating restrictions designed to keep the facility operating within all applicable air quality requirements.

**09-0124B: S.W.E.C., LLC** (5000 Dominion Boulevard, Glen Allen, VA 23060) To expand their plant in the USX Industrial Park in Falls Township, **Bucks County**. The plant will include two additional combined-cycle combustion turbines, two respective heat recovery steam generators and a single steam turbine. The emissions from the plant will be controlled by selective catalytic reduction and catalytic oxidizer. The sources and air pollution control devices are described in the applicant's application of January 4, 2001 AND subsequent submissions.

Based on the information provided by the applicant and DEP's own analysis, the operation of the completed facility will emit 488.7 tons per year of nitrogen oxides (NOx), 88.4 tons per year of volatile organic compounds (VOC), 360.5 tons per year of carbon monoxide (CO), 386.7 tons per year of particulate matter (PM/PM-10) and 96.3 tons per year of sulfur oxides (SO<sub>2</sub>). These emissions will consume the following the Prevention of Significant Deterioration air quality increments available in the area of the maximum impact of the facility:

<i>Pollutant</i>	<i>Averaging Time</i>	<i>Maximum Modeled Impact μg/m<sup>3</sup></i>

## MINING ACTIVITY APPLICATIONS

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to the applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of the application is available for inspection at the District Mining Office indicated before each application. Where a 401 Water Quality Certification is needed for any aspect of a particular proposed mining activity, the submittal of the permit application will serve as the request for certification.

Written comments or objections or requests for informal conferences on applications, may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34 (relating to public notices of filing of permit applications, opportunity for comment and informal conferences).

Where any of the mining activities listed will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. NPDES permits will contain, at a minimum, technology-based effluent limitations (as described in the Department's regulations—25 Pa. Code §§ 77.522, 87.102, 88.92, 88.187, 88.242, 89.52 and 90.102) for iron, manganese, suspended solids, settleable solids, alkalinity and pH. In addition to the previous, more restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit, when necessary, for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies which have requested review of the NPDES permit requirements for a particular mining activity within the previously-mentioned public comment period will be provided with a 30-day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

## LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

### UNDER ACT 2, 1995

#### PREAMBLE 3

**The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).**

Provisions of 25 Pa. Code § 250.8, Administration of the Land Recycling and Environmental Remediation Standards Act (Act) requires the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the Act. Plans and reports required by provisions of the Act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report and cleanup plan. A remedial investigation report includes conclusions from the site investigation, concentration of regulated substances in environmental media; benefits of refuse of the property; and, in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. A cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis of selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. The Department may approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, contact the Environmental Cleanup Program Man-

ager in the Department Regional Office under which the notice of the plan or report appears. If information concerning a final report is required in an alternative form, contact the Community Relations Coordinator at the appropriate Regional Office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

## INDEPENDENT REGULATORY REVIEW COMMISSION

### Notice of Comments Issued

Section 5(d) of the Regulatory Review Act (71 P. S. § 745.5(d)) provides that the designated standing committees may issue comments within 20 days of the close of the public comment period, and the Independent Regulatory Review Commission (Commission) may issue comments within 10 days of the close of the committee comment period. The Commission comments are based upon the criteria contained in section 5.1(h) and (i) of the Regulatory Review Act (71 P. S. § 745.5a(h) and (i)).

The Commission has issued comments on the following proposed regulations. The agency must consider these comments in preparing the final-form regulation. The final-form regulations must be submitted by the dates indicated.

<i>Reg No.</i>	<i>Agency/Title</i>	<i>Issued</i>	<i>Final-Form Submission Deadline</i>
50-116	Pennsylvania Securities Commission National Securities Markets Improvement Act of 1996 Amendment  (31 Pa.B. 4174 (August 4, 2001))	10/04/01	09/04/03
14-471	Department of Public Welfare Income  (31 Pa.B. 4172 (August 4, 2001))	10/04/01	09/04/03

**Pennsylvania Securities Commission  
Regulation No. 50-116  
National Securities Markets Improvement  
Act of 1996 Amendments  
October 4, 2001**

We submit for consideration the following objections and recommendations regarding this regulation. Each objection or recommendation includes a reference to the criteria in the Regulatory Review Act (71 P. S. § 745.5a(h) and (i)) which have not been met. The Pennsylvania Securities Commission (PSC) must respond to these Comments when it submits the final-form regulation. If the final-form regulation is not delivered by September 4, 2003, the regulation will be deemed withdrawn.

**Section 304.041. Examinations of broker-dealers and investment advisers.—Clarity.**

This is a new section added to existing regulations. It instructs broker-dealers and investment advisers to honor all requests of PSC staff “to have physical access to all areas of the office which is the subject of the examination and, upon request, shall permit them to review and examine files in the physical place where the files are routinely kept.” It is our understanding that the term “files” includes books, records, accounts and electronic files. In order to avoid any ambiguity, the term “files” should be defined. An alternative could be to use a descriptive phrase such as “files including books, records, accounts and electronic files.”

**Department of Public Welfare  
Regulation No. 14-471  
Income  
October 4, 2001**

We submit for consideration the following objections and recommendations regarding this regulation. Each objection or recommendation includes a reference to the criteria in the Regulatory Review Act (71 P. S. § 745.5a(h) and (i)) which have not been met. The Department of Public Welfare must respond to these Comments when it submits the final-form regulation. If the final-form regulation is not delivered by September 4, 2003, the regulation will be deemed withdrawn.

**1. Section 183.2. Definitions.—Clarity.**

*Lump sum income*

The term “lump sum income” is used in the regulation but is not defined. However, the regulation repeatedly uses the term “lump sum income.” We have two concerns.

First, since “lump sum income” is not defined, it is unclear what would specifically be considered “lump sum income.” For example, if a person receives an annuity 1 month of a year, is that considered a lump sum for the month of receipt or a resource? Also, does lump sum income occur at actual receipt of the income or the deemed receipt of income? Could multiple disbursements of a single amount be treated as lump sum income?

Second, it is not clear how the regulation will be applied to income. The Preamble states insurance payments are lump sum income. However, how is this distinguished from an insurance reimbursement? Also, how would an inheritance with limitations on spending affect a person’s eligibility?

**2. Section 183.105. Increases in income.—Clarity.**

*Subsection (i)*

The last sentence in this subsection states, “The lump sum income deductions are applied, as specified in §§ 183.91, 183.93, 183.94, 183.95, and 183.98(1)—(3). . . .” This provision is confusing for three reasons.

First, the reference to Section 183.98 is limited to Subsections (1)—(3). Why are Subsections (4)—(7) excluded, since they also apply to lump sum income?

Second, why wasn’t Section 183.92, which relates to a legally responsible relative residing elsewhere, included in the reference?

Third, this sentence states, “the lump sum income deductions are applied, as specified in §§ 183.91, 183.93, 183.94, 183.95. . . .” However, these sections do not use the specific term “lump sum income deductions.” How are “lump sum income deductions” applied in these sections?

**3. Implementation Procedures.**

Will family groups who were rendered ineligible under the existing regulation be notified that they may now be eligible under the new regulation? If so, how?

*Pennsylvania Public Utility Commission Law Bureau  
Prosecutory Staff (2001.0150, 2001.0148 and 1998.

C-20015988 and C-20015708; A-310726*

## Default Order

*By the Commission:*

On August 14, 2001, the Law Bureau Prosecutory Staff instituted a complaint against Ntegrity Telecontent Services (the Respondent), an interexchange (IXC) reseller certificated at A-310726. In the complaint, Prosecutory Staff alleged that the Commission sent by certified mail separate notices to the Respondent that its monthly Universal Service Fund assessments were overdue by three or more months and that its second semi-annual Telephone Consumer Education Fund assessment was overdue. The complaint charged that the Respondent's failure to pay these assessments violates 52 Pa. Code §§ 63.161—63.171, 66 Pa.C.S. § 3001—3009, and the Commission's Global Order entered on September 30, 1999, at L-00991648 and L-00991649.

In addition, the Law Bureau Prosecutory Staff instituted a separate complaint on June 12, 2001, against the Respondent for failure to file its 1999 Annual Report pursuant to 66 Pa.C.S. § 504.

The Prosecutory Staff complaints sought orders from the Commission canceling the Respondent's certificate of public convenience for failure to pay its assessments and to file its 1999 Annual Report, respectively. The complaints were mailed by the Secretary's Bureau on August 16, 2001, and June 25, 2001, respectively, and according to the postal return receipt, service was perfected on August 22, 2001, and June 27, 2001, respectively. To date, more than 20 days later, no answer has been filed to either complaint, the assessments have still not been paid, and the 1999 Annual Report has still not been filed; *Therefore,*

*It is Ordered:*

1. That the allegations in the Law Bureau Prosecutory Staff's complaints are deemed admitted and the complaints are thereby sustained.

2. That the Secretary serve a copy of this Default Order upon all jurisdictional telecommunication carriers, the Office of Consumer Advocate, the Office of Small Business Advocate, the Office of Trial Staff, and the Attorney General's Bureau of Consumer Protection, and also cause a copy of this Default Order to be published in the *Pennsylvania Bulletin* with a 20-day comment period.

3. That Ntegrity Telecontent Services immediately cease providing service to any new customers and, within 10 days of the entry of this Default Order, provide a written notice to each existing customer directing each to select an alternative IXC service provider within 30 days of the date of the notice. Such notice must include a statement of the Commission's intent to cancel the company's certificate of public convenience absent public comment within the 20-day time period established pursuant to Ordering Paragraph No. 2, above.

4. That absent the filing of adverse public comment, 30 days after publication in the *Pennsylvania Bulletin* and without further action by the Commission, the certificate of public convenience held by Ntegrity Telecontent Services at Docket No. A-310726 shall be canceled, and the company's name stricken from all active utility lists maintained by the Tariff and Annual Report Section of the Commission's Bureau of Fixed Utility Services and the Assessment Section of the Bureau of Audits.

5. That 60 days after publication in the *Pennsylvania Bulletin*, following cancellation of the certificate of public convenience pursuant to Ordering Paragraph No. 4, above, the Office of Executive Director refer the total outstanding assessment balances in the Universal Service Fund and Telephone Consumer Education Fund to the Attorney General's Office for appropriate civil collection action.

Prosecutory Staff v. Woodruff Energy, t/a Woodruff Oil  
Company (2000.0227); Doc. No. C-00014714; A-110046*

**Default Order**

*By the Commission:*

On January 16, 2001, the Law Bureau Prosecutory Staff instituted a complaint against Woodruff Energy, t/a Woodruff Oil Company (the Respondent), an electric generation supplier (EGS) licensed at A-110046. In the complaint, Prosecutory Staff alleged that Commission staff had notified Respondent by letter dated August 18, 1998 that its surety bond was due to expire on October 31, 1998 and that Respondent had 30 days to provide proof that it had obtained a bond or other approved security in order for its EGS license to remain in force. The Prosecutory Staff complaint also alleged that by Secretarial letter dated November 24, 1998, the Commission notified Respondent that it had to update its prior license application by December 7, 1998, in order to obtain a permanent license.

Furthermore, the complaint alleged that the Commission sent a second Secretarial letter dated May 6, 1999, informing Respondent that it had 10 days to provide a bond or other approved security in order for its EGS license to remain in force.

Pursuant to Section 2809(c)(1)(i) of the Public Utility Code, 66 Pa.C.S. § 2809(c)(1)(i), no energy supplier license shall be issued or remain in force unless the supplier furnishes a bond or other security approved by the Commission in form and amount to ensure financial responsibility of the EGS.

The complaint charged that Respondent violated 66 Pa.C.S. § 2809(c)(1)(i), (relating to EGS bonds or other security) and the Commission regulation at 52 Pa. Code § 54.40 by failing to renew its surety bond, and requested as a remedy that the Commission issue an order canceling the Respondent's EGS license and imposing a civil penalty of \$1,000.

According to the postal return receipt, service of the complaint was perfected on January 22, 2001. To date, more than 20 days after service of the complaint, no answer has been filed to the complaint and the surety bond has not been renewed; *Therefore,*

*It is Ordered:*

1. That the allegations in the Law Bureau Prosecutory Staff's complaint are deemed admitted and the complaint is hereby sustained.

2. That the EGS license held by Woodruff Energy, t/a Woodruff Oil Company at A-110046, is hereby cancelled.

3. That a civil penalty of \$1,000 is hereby imposed against Woodruff Energy, t/a Woodruff Oil payable to the Pennsylvania Public Utility Commission at P.O. Box 3265, Harrisburg, PA 17105-3265, and due within 20 days of the entry date of this Order.

4. That the Secretary strike the name of Woodruff Energy, t/a Woodruff Oil from all active-utility lists maintained by the Annual Report Section of the Secretary's Bureau and the Assessment Section of the Bureau of Administrative Services.

5. That if the civil penalty is not paid within the time given, pursuant to Ordering Paragraph No. 3, the Office of Executive Director is hereby directed to refer the \$1,000 civil penalty to the Office of Attorney General for collection as appropriate.

6. That notice of this Default Order shall be published in the *Pennsylvania Bulletin*.

7. That the Secretary serve a copy of this Default Order upon all jurisdictional electric distribution companies (EDC) as well as the Pennsylvania Department of Revenue.

Prosecutory Staff v. Ameritech Payphone Services, Inc.  
(2000.0333); Doc. No. C-00014691; A-310293*

**Rescission Order**

*By the Commission:*

On January 16, 2001, Law Bureau Prosecutory Staff instituted a complaint against Ameritech Payphone Service, Inc. (the Respondent), an IXC reseller certificated at A-310293, for failure to remit payment for its 2000-2001 Annual Assessment. Subsequently, on May 31, 2001, the Commission entered a Default Order which sustained the complaint and cancelled Respondent's certificate of public convenience. The Default Order was published on June 16, 2001 at 31 Pa.B. 3267.

Subsequent to the issuance of the Default Order, Respondent paid its outstanding assessment on August 31, 2001, representing that the reason for delinquency was administrative oversight. In recognition of the importance of promoting the availability of viable competitive service providers, we will rescind the Default Order and reinstate Respondent's certificate of public convenience. If Respondent again fails to timely pay its assessment, we may not be so favorably disposed, and may require Respondent file a new application along with the applicable \$350 application fee; *Therefore,*

*It is Ordered:*

1. That the Default Order entered May 31, 2001 at this docket is hereby rescinded.

2. That the certificate of public convenience held by Ameritech Payphone Services, Inc. at Docket No. A-310293 is hereby reinstated.

## STATE BOARD OF NURSING

Commonwealth of Pennsylvania v. Elaine Burns  
Godard, R.N.; Doc. No. 0287-51-01

*Notice to Elaine Burns Godard, R.N.:*

On March 15, 2001, the Probable Cause Screening Committee made a probable cause determination that Elaine Burns Godard (Respondent), License No. RN-344380-L, violated the terms and conditions of the Voluntary Recovery Program Consent Agreement.

Accordingly, the stay of the suspension of respondent's license is now vacated, the period of probation is now terminated, and respondent's license to practice nursing is now actively suspended for 3 years.

Respondent shall immediately cease practicing the profession. Within 10 days, respondent shall surrender the wall certificate, registration certificate, wallet card and other licensure documents by forwarding them to the prosecuting attorney at P. O. Box 2649, Harrisburg, PA 17105-2649.

Within 20 days of this preliminary order, respondent may answer the Commonwealth's petition and request that a formal hearing be convened concerning respondent's violation of probation, in which respondent may seek relief from this preliminary order activating the suspension. Respondent shall serve the prosecuting attorney for the Commonwealth with a copy of the answer and all subsequent filings in this matter.

If a request for a formal hearing is received from respondent, the State Board of Nursing (Board) or its duly authorized hearing examiner shall convene a formal hearing within 45 days from the date of the Board's receipt of respondent's request for a formal hearing.

If respondent files an answer and request for a hearing within the 20 day period, this preliminary order activating the suspension shall remain in effect unless and until the Board issues a determination favorable to respondent after holding the formal hearing. The facts and averments in the VRP agreement shall be deemed admitted and uncontested at this hearing.

If after hearing the Board makes a determination adverse to respondent, the Board will issue a final order activating the suspension of respondent's license and imposing any additional disciplinary measures it deems appropriate.

If a request for a formal hearing is not received from respondent within the prescribed 20 day period, the Board's preliminary order shall automatically become the final order in this matter 20 days after the date of its mailing.

If the stay is terminated, respondent shall still comply with all terms and conditions of probation in the VRP agreement during the active suspension, other than those terms and conditions pertaining to practicing the profession. Continued failure by respondent to comply with the unaffected terms and conditions of probation shall result in further disciplinary action against respondent. This order shall take effect immediately.

## GET A STEP AHEAD IN COMPETING FOR A STATE CONTRACT!

The Treasury Department's Bureau of Contracts and Public Records can help you do business with state government agencies. Our efforts focus on guiding the business community through the maze of state government offices. The bureau is, by law, the central repository for all state contracts over \$5,000. Bureau personnel can supply descriptions of contracts, names of previous bidders, pricing breakdowns and other information to help you submit a successful bid on a contract. We will direct you to the appropriate person and agency looking for your product or service to get you "A Step Ahead." Services are free except the cost of photocopying contracts or dubbing a computer diskette with a list of current contracts on the database. A free brochure, "Frequently Asked Questions About State Contracts," explains how to take advantage of the bureau's services.

# PROPOSED RULEMAKING

## DEPARTMENT OF PUBLIC WELFARE

[55 PA. CODE CHS. 105, 125, 133, 140, 141, 145, 151, 153, 165, 177, 178, 181, 183 AND 187]  
TANF Program

### *Statutory Authority*

The Department of Public Welfare (Department) proposes to amend the regulations set forth in Annex A under the authority of sections 201(2) and 403(b) of the Public Welfare Code (62 P. S. §§ 201(2) and 403(b)) (code); the Support Law (62 P. S. §§ 1971—1977); Title I of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. No. 104-193) (PRWORA) creating the Temporary Assistance for Needy Families (TANF) Program, and amending 42 U.S.C.A. §§ 601—619, 651—669(b) and 1396u-1; section 5543 of the Balanced Budget Act of 1997 (Pub. L. No. 105-33) (42 U.S.C.A. § 653(p); section 1902(a)(10)(A) and (C) of the Social Security Act, 42 U.S.C.A. § 1396a(a)(10)(A) and (C)); section 4372(b) of the Domestic Relations Code, 23 Pa. C.S. § 4372(b); and the Federal TANF regulations found in 45 CFR 260.10—265.10.

### *Purpose*

The purpose of this rulemaking is to codify rules that implement a welfare reform program focused on moving needy families and individuals from dependency to work and self-sufficiency. This proposed rulemaking implements the TANF Program and provisions of State welfare reform, which could not be implemented under the predecessor Aid to Families with Dependent Children (AFDC) Program, as more fully described in this Preamble.

### *Background*

Title I of the PRWORA, enacted on August 22, 1996, eliminated the AFDC Program under Part A of Title IV of the Social Security Act and replaced it with the TANF Program (42 U.S.C.A. §§ 601—619). Federal TANF regulations found in 45 CFR 260.10—265.10, which govern the TANF Program, became effective October 1, 1999.

The act of May 16, 1996 (P. L. 175, No. 35) (Act 35) amended certain sections of the code which govern eligibility for cash and Medical Assistance (MA) benefits. At the time Act 35 was enacted, some of the provisions could not be implemented in the AFDC Program without Federal approval because they were inconsistent with Federal statutes and regulations. Section 19 of Act 35 (62 P. S. § 403 note) directed the Department to seek these waivers of Federal law and regulations, or any other Federal approval, necessary to implement the provisions of Act 35. Section 20 of Act 35 (62 P. S. § 403 note) further directed the Department to implement changes upon receipt of Federal approval.

A request to waive certain Federal requirements was submitted to the appropriate Federal agencies, including the Department of Health and Human Services (DHHS). While the waiver request was pending, the PRWORA was enacted, eliminating the AFDC Program and replacing it with TANF.

With the enactment of the PRWORA, Federal waivers for Act 35 changes were no longer necessary. Having

already been given statutory authority to implement Act 35 changes by notice of rulemaking change (NORC), the Department proceeded to implement the provisions of both Act 35 and the PRWORA at the same time. In combination, they provided the framework for a complete and integrated Cash and MA Program for needy families. Consequently, these amendments were implemented by a NORC published at 27 Pa.B. 1092 (March 1, 1997), effective March 3, 1997, in accordance with the Joint Committee on Documents (JCD) Resolution 1996-1. In addition, these amendments reflect most of the Family Violence Option (FVO) provisions of the PRWORA as implemented by a NORC published at 30 Pa.B. 2957 (June 10, 2000), based on Federal TANF regulations found in 45 CFR 260.50—260.59.

Under the PRWORA, Federal approval to implement the provisions of State law applicable to TANF is obtained through acceptance of the Commonwealth's TANF State Plan and a determination by the Federal agency that the Commonwealth is eligible for block grant funding for its TANF Program. The Department submitted its initial TANF State Plan, published at 27 Pa.B. 342 (January 18, 1997) to the DHHS and was authorized to implement TANF effective March 3, 1997. An updated TANF State Plan, published at 29 Pa.B. 5658 (October 30, 1999), was submitted to the DHHS on November 1, 1999.

Section 22 of the act of December 16, 1997 (P. L. 549, No. 58) (Act 58) repealed sections 432.6, 432.7, 432.7A, 432.8, 432.9 and 432.11 of the code. Act 58 placed in 23 Pa.C.S. §§ 4371—4381 (relating to Title IV-D program and related matters) the substance of sections formerly found in the code and made amendments to these sections to conform to the PRWORA. The provisions requiring cooperation with the Child Support Enforcement Program established under Title IV-D of the Social Security Act (42 U.S.C.A. §§ 651—679a) as a condition of eligibility for the TANF Program and the General Assistance (GA) Program, are found in Act 58. Act 58 also amended 23 Pa.C.S. § 5103(c) (relating to the acknowledgment and claim of paternity) by removing the requirement that the signatures of the birth parents be notarized. Now, 23 Pa.C.S. § 5103(c) requires only that the signatures be witnessed and subject to the penalties for unsworn falsification to authorities. See 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities). For a more in-depth discussion of the changes in child support cooperation requirements from Act 35 to Act 58, refer to Section I, Item 48, of this Preamble which outlines amendments to Chapter 187 (relating to support from relatives not living with the client). Act 58 also provides for a new support pass-through program which the Department implemented on October 1, 1998. See 23 Pa.C.S. § 4374 (relating to State disbursement unit).

Section 402(a)(7) of the Social Security Act (42 U.S.C.A. § 602(a)(7)), gives states the option to include in their TANF State Plan provisions to screen and identify victims of domestic violence, refer these individuals to counseling and supportive services, and waive certain program requirements for these individuals as needed. This option in the Federal statute is known as the FVO. Federal regulations governing this option are found in 45 CFR 260.50—260.59. Since the Commonwealth elected to implement the FVO, the approved TANF State Plan contains an optional certification that the Department will establish and enforce standards to screen and identify victims of domestic violence; refer those individuals to

counseling and supportive services; and waive, under a determination of good cause, other program requirements when compliance with those requirements would make it more difficult for individuals receiving assistance to escape domestic violence or unfairly penalize those individuals who are or have been victimized or individuals who are at risk of further violence.

In April 1997, the Secretary of the Department convened the Domestic Violence/ TANF Task Force to develop policies, procedures and strategies needed to implement the FVO. This task force is comprised of staff from the Department, the Pennsylvania Coalition Against Domestic Violence (PCADV), the Women's Law Project and other advocate groups. As a result of the collaborative efforts of the task force, a NORC was published at 30 Pa.B. 2957 (June 10, 2000) which revised the standards and process for establishing good cause and waiving child/spousal support requirements when the good cause claim is based on domestic violence. Although the FVO permits states to waive additional program requirements that may affect persons who are or have been victims of domestic violence, the task force concentrated its efforts on revising child support requirements when Federal child support regulations found in 45 CFR Part 232 (relating to contract financing), which had been the basis for child support regulations in this Commonwealth, were rescinded in December 1997. These revised requirements were implemented July 3, 2000, and are included in this proposed rulemaking. The Department is continuing to collaborate with the task force on the service plan provision as published in the NORC of June 10, 2000. The plan must be developed by a person with domestic violence training and be designed to lead to work to the extent that work is consistent with helping the individual achieve safety. This provision will be incorporated into a proposed rulemaking package to follow this proposed rulemaking.

#### *Need for Proposed Rulemaking*

The Department is required to comply with Federal and State law. This proposed rulemaking is needed for consistency between Department regulations and legislative changes and to have a complete and integrated Cash and MA Program for families.

Other changes in this proposed rulemaking include editorial corrections and changes needed to make TANF a complete Cash Assistance Program. Because the changes, both Federal and State, were so comprehensive, it is necessary to also change other provisions to make cash assistance regulations integrated and cohesive.

This proposed rulemaking supports the Department's comprehensive welfare reform plan that changes the direction of the public assistance program from one that fosters dependence on the system to one that promotes self-sufficiency through work. The over-riding principle embodied in the regulations is that assistance is temporary and must be seen as a transition to self-sufficiency. Amendments supporting the efforts of persons to become self-sufficient through employment include disregarding 50% of gross earned income and disregarding the value of one motor vehicle when determining eligibility. Implementing requirements that focus on moving needy families from dependence to self-sufficiency has an increased importance given the imposition of the Federally-mandated 5-year limit on receipt of TANF cash assistance.

This proposed rulemaking incorporates stringent work requirements and the Federal 60-month time limit on

receipt of TANF cash assistance. The proposed rulemaking reflects substantial revisions evincing the fundamental change in Federal and State law governing eligibility for cash assistance. With the passage of TANF and Act 35, individuals are required to work toward becoming self-sufficient as a condition of eligibility for cash assistance. Essential to assisting applicants and recipients in becoming self-sufficient is the establishment of the Road to Economic Self-Sufficiency through Employment and Training (RESET) Program. Among other requirements, RESET establishes minimum work requirements as conditions of eligibility for and continued receipt of cash assistance.

After 24 months of receiving cash assistance, recipients are required to work at least 20 hours per week, and more if they are able to do so. This minimum 20-hour-per-week work requirement is a threshold requirement for nonexempt individuals unless they establish good cause. However, if an individual has an opportunity to work more than 20 hours per week, but willfully, without good cause, fails to do so, that individual is subject to sanction under section 432.3(a)(iii) of the code (62 P. S. § 432.3(a)(iii)), for failure to "accept referral to and work in and retain employment in which the applicant or recipient is able to engage." Act 35 requires an individual to work at least 20 hours per week, and more, if possible, up to full-time employment or self-sufficiency. The Department refers to this requirement as "maximizing employment." This requirement to maximize employment is consistent with the goal of TANF and Act 35 that a recipient transition from dependency through increased employment to self-sufficiency in 60 months.

Moreover, nonexempt recipients who willfully, and without good cause, fail to comply with these requirements are subject to sanction, as RESET requires. Consistent with TANF and Act 35, recipients subject to sanction can minimize the duration of their sanction by demonstrating that they are willing to comply with RESET as soon as the minimum period expires. However, equally consistent with TANF and Act 35 is the notion that once a nonexempt recipient has willfully failed, without good cause, to comply with work or work-related requirements, he cannot stop the sanction from ever occurring by agreeing to comply before the Department imposes it. The Department revised § 165.51 (renamed "Compliance Review") to ensure that only willfully noncompliant recipients (without good cause for noncompliance) are sanctioned. The caseworker will develop a new AMR with those recipients who are not subject to sanction.

Provisions establishing exemptions based on hardship or domestic violence whereby certain recipients may continue to receive TANF beyond the 60-month limit prescribed by Federal law will be incorporated into a separate proposed rulemaking package which will follow this rulemaking.

#### *Summary of Requirements*

I. The following are regulations that apply to the TANF and GA Cash Assistance Programs:

A. The following revisions relating to the use and disclosure of information about applicants and recipients are being made to Chapter 105 (relating to safeguarding information):

1. *Sections 105.1(c)(3) and 105.3(g) (relating to policy; and requirements).* Section 105.1(c)(3) is revised and § 105.3(g) is added to provide that information may be released to law enforcement officers in accordance with Federal and State law. This information is generally

limited to an address but may include other identifying information which enables the State Police and Board of Probation and Parole to have access to the records of the Assistance Recipient Identification Program under section 414 of the code (62 P. S. § 414) within the Department to fulfill the objectives of section 414 of the code, as specified in § 105.4(c)(2) (relating to procedures). See 62 P. S. §§ 414 and 432(9); 42 U.S.C.A. § 608(a)(9)(B).

2. *Section 105.4(c)(1)*. This subsection and paragraph are added to specify that the Department may provide information to a Federal, State or local law enforcement officer regarding the address of a fugitive felon, parole or probation violator and the address of a person who may have information that the officer needs to conduct his official duties if the location or apprehension of the recipient is within his official duties. See 42 U.S.C.A. § 608(a)(9)(B).

*Note:* The NORC published at 27 Pa.B. 1092 provided an incorrect citation (§ 105.4(d)) for this requirement. The citation is correct as specified previously.

3. *Section 105.4(c)(2)*. This paragraph is added to specify that the Department will have access to the central repository within the State Police for purposes of identifying persons who have been sentenced for a felony or misdemeanor and have not satisfied the penalty imposed by law. The State Police and the Board of Probation and Parole will have access to the records of the Department's Assistance Recipient Identification Program (finger-imaging file to fulfill the objectives of section 414 of the code). See 62 P. S. §§ 414 and 432(9); 42 U.S.C.A. § 608(a)(9)(A).

*Note:* The NORC published at 27 Pa.B. 1092 provided an incorrect citation (§ 105.4(d)) for this requirement. The citation is correct as specified previously.

4. *Subsections 105.4(c)—(e) have been relettered (d)—(f) respectively as a result of the change to subsection (c)*.

B. The following revisions relating to applying for benefits are being made to Chapter 125 (relating to application process):

1. *Section 125.1(f) (relating to policy)*. This subsection is revised to specify that each applicant or recipient of cash assistance and other persons who are required to sign an application for assistance shall be required, as a condition of eligibility, to sign an Agreement of Mutual Responsibility (AMR) that is approved by the Department. The AMR includes the individual responsibilities and obligations to be undertaken by the recipient to achieve self-sufficiency, the time frames within which each obligation is to be completed, the penalties for failure to comply and the actions to be taken by the Department to support the efforts of the applicant or recipient. See 62 P. S. § 405.3(a); 42 U.S.C.A. § 608(b).

2. *Sections 125.1(f)(1)—(4), and 133.23(a)(1)(vi)(A), (B)(I)—(VI), (C) and (D)(I) and (II) (relating to requirements)*. These sections are added to specify the obligations of applicants and recipients for the receipt of benefits. These individuals are obligated to remain free of illegal drugs and alcohol if substance abuse is determined to be a barrier to employment. Those persons must participate in, maintain compliance with and satisfactorily complete an approved drug and alcohol treatment program. Applicants and recipients are also obligated to provide timely and accurate information; cooperate in establishing paternity and obtaining support; seek and participate in an educational program leading to a high school diploma or its equivalent, approved job training or work-related activities; and seek, accept, maximize and

maintain employment, accept referral to, participate in and continue to participate in an available work or work-related activity, whichever is applicable, including those specified on the AMR, and not reduce earnings. See 62 P. S. §§ 405.1(a.2), 405.3 and 432.3.

A person who is required to sign an application for assistance and fails or refuses to complete and sign an AMR without good cause is ineligible for assistance until the person completes and signs the approved AMR. Failure to cooperate with child support requirements will result in penalties described in § 141.21(e). Failure to comply with work or work-related requirements, whichever are applicable, will result in the penalties described in § 165.61 (relating to sanctions).

3. *Section 125.1(g)*. This subsection contains the provision formerly found in § 125.1(f) relating to applicant notices regarding eligibility.

C. The following revision relating to the treatment of earned and unearned income is being made to Chapter 133 (relating to redetermining eligibility):

1. *Section 133.23(a)(1)(i)(A)*. Clause (A) is deleted. The income of a recipient will no longer be subject to the gross income eligibility limit (185% test). Application of this test to recipients was eliminated to provide an incentive for recipients to accept and retain employment. The gross income test applies to applicants only.

D. The following revisions relating to general eligibility requirements for the TANF and GA programs are being made to Chapter 141 (relating to general eligibility provisions):

1. *Section 141.1(b)(5) (relating to policy)*. This paragraph is deleted because the provision that permits a specified relative of the only dependent child in the budget group to continue to receive cash assistance when the child is under a sanction is no longer consistent with State law. State law requires that when a disqualification occurs after a person has received cash assistance for more than 24 months, the disqualification is imposed on the entire budget group. See 62 P. S. § 432.3(a)(1) and (2) and (b).

2. *Section 141.21(e) (relating to policy)*. This subsection is revised. No protective payment will be imposed. Act 58 removed this requirement. Failure to cooperate in establishing paternity or obtaining support without good cause will result in a reduction of the cash assistance allowance by 25%. See 23 Pa.C.S. § 4380(b)(2) (relating to enforcement of cooperation requirements).

*Note:* The NORC published at 27 Pa.B. 1092 provided an incorrect citation (§ 141.21) for this requirement. The citation is correct as specified previously.

3. *Section 141.21(s)*. This subsection is revised to delete the specific reference to GA applicants or recipients, as the provision applies to all categories of cash assistance. An applicant or recipient of GA or TANF who has been convicted of violating section 481(a) of the code (62 P. S. § 481(a)), a crime commonly referred to as welfare fraud, is ineligible for cash assistance for 6 months from the date of a first conviction, 12 months from the date of a second conviction and permanently from the date of a third conviction. See 62 P. S. § 481(f).

4. *Section 141.21(t)*. This subsection is amended because § 141.21(s) as amended (see No. 3 above) makes the provision of § 141.21(t), which applies to TANF applicants or recipients, redundant and unnecessary.

This subsection is amended to specify that a person is ineligible for assistance if the person is fleeing to avoid

prosecution, or custody or confinement following conviction for a felony, or as felonies are classified in the State of New Jersey, a high misdemeanor. See 62 P. S. § 403(b); 42 U.S.C.A. § 608(a)(9).

5. *Section 141.21(u)*. This subsection is added to specify that cash assistance payments will not be made to a person for 10 years from the date of conviction, in a Federal or State court, of fraudulent misrepresentation of residence to receive TANF, GA, MA, Food Stamps or SSI simultaneously in two or more states. See 62 P. S. § 403(b); 42 U.S.C.A. § 608(a)(8).

6. *Sections 141.41(e) and 141.61(a)(1)(xv) (relating to policy)*. These provisions are added to specify that cash assistance applicants and recipients must, among other requirements specified in these sections, agree to seek employment, accept any bona fide offer of employment, and maximize and maintain employment as a condition of eligibility unless they are exempt (such as, by reason of a verified disability). Refer to section 405.1(a.3) of the code (62 P. S. § 405.1(a.3)) for specific exemptions. For the first 24 months of receipt of cash assistance, whether continuous or interrupted, nonexempt applicants and recipients who are not employed for an average of 20 hours per week must participate in an available and approved work-related activity as a condition of eligibility for cash assistance. After the first 24 months of receipt of cash assistance, whether receipt is continuous or interrupted, nonexempt recipients must participate in unsubsidized employment, subsidized employment, work experience, on-the-job training, community service or workfare for at least 20 hours a week, averaged monthly. See 62 P. S. §§ 405.1(a.2), 405.3 and 432.3.

E. The following revisions relating to the deprivation of a TANF child due to the absence or unemployment of a parent are being made to Chapter 153 (relating to deprivation of support or care):

1. *Section 153.42 (relating to definitions)*. This section is revised to add the definition of "cash assistance allowance," a term which is used in Act 58 but not defined at 23 Pa.C.S. § 4380 (relating to enforcement of cooperation requirements).

2. *Section 153.44(a)(1) (relating to procedures)*. This paragraph is deleted since it addresses a now obsolete requirement under the AFDC Program.

3. *Section 153.44(a)(2)*. This paragraph is revised to delete a sentence that relates to the deleted material in § 153.44(a)(1).

4. *Section 153.44(a)(3)*. This paragraph is revised to delete an obsolete reference to a section within Chapter 187.

5. *Section 153.44(a)(11)*. This paragraph is revised to include a reference to a putative father as an individual from whom support must be sought in accordance with support requirements outlined in Chapter 187.

6. *Section 153.44(b)(2)(i)(A)*. This clause is amended to correct the cross reference to a section that has been revised within Chapter 187.

7. *Section 153.44(b)(2)(i)(C)*. Based upon Act 58, this clause is revised to specify that the penalty imposed for noncooperation is now a reduction in the cash assistance allowance by 25%. No protective payment will be imposed. Act 58 removed this requirement. See 23 Pa.C.S. § 4380.

8. *Section 153.44(d)(1)(vi)*. This subparagraph is deleted because the provision that provides for a penalty to

be imposed against both parents in a household is no longer applicable. State law now provides that, during the first 24 months that assistance is received, a penalty is imposed only on the person who commits the violation. After the receipt of 24 months of benefits, a penalty is imposed on the entire household if the county assistance office (CAO) determines that the violation is willful and without good cause. See 62 P. S. § 432.3(a)(1) and (2) and (b).

9. *Section 153.44(e)(1)(i)*. This subparagraph is revised to delete the obsolete form number. The Acknowledgment of Paternity Form is now Form PA/CS 611.

10. *Section 153.44(e)(1)(i)(A)*. This clause is revised to delete the requirement that the signatures of both the putative father and the mother that appear on the Acknowledgment of Paternity Form must be notarized. In accordance with Act 58, the provision that the signatures need only be witnessed by a third party is added. See 23 Pa.C.S. § 5103(c) (relating to acknowledgment and claim of paternity).

11. *Section 153.44(e)(1)(i)(B)*. Based upon Act 58, this clause is revised to delete the word "notarized" since the Acknowledgment of Paternity Form no longer must be notarized prior to sending it to the Bureau of Child Support Enforcement. See 23 Pa.C.S. § 5103(c).

F. The following revisions relating to work requirements, conditions of eligibility for cash assistance, compliance review, good cause, penalties and notifications are being made to Chapter 165 including a change in the chapter title from "Employment and Training Program" to "Road to Economic Self-Sufficiency Through Employment and Training (RESET) Program":

1. *Section 165.1(a) (relating to general)*. This subsection is revised to delete the reference to the Employment and Training Program (ETP) and replace it with a reference to the RESET Program as specified in State law. A provision is added that requires all nonexempt applicants to agree to comply with the requirements of RESET and all nonexempt recipients, among other requirements, to participate in RESET and to seek employment, accept any bona fide offer of employment and maximize and maintain employment. This subsection is also revised to remove the statement that gives priority for services to volunteers for the program. The setting of those priorities is no longer appropriate because all nonexempt recipients are required by State law to participate in activities that promote self-sufficiency. The Department wants to assure that there are sufficient resources to serve those individuals. See 62 P. S. §§ 405.1, 405.2, 405.3 and 432.3.

2. *Section 165.1(b)*. This subsection is revised to delete the reference to the ETP and replace it with the phrase, "The Department." This change broadens the Department's role to provide case management and identify resources.

3. *Section 165.2 (relating to definitions)*. This section is revised to delete the obsolete term "EDP—Employment Development Plan" and to replace it with the term "AMR—Agreement of Mutual Responsibility." The work and work-related activities of RESET are now included in the AMR. This section is also revised to add the definitions of "RESET—Road to economic self-sufficiency through employment and training," "bona fide offer of employment," "grant diversion" and "maximize employment" and to delete the definition of "ETP—Employment and Training Program." See 62 P. S. §§ 402, 405.1(a.4)(3)(c)(1)—(4), 405.3 and 432.3.

4. *Section 165.11 (relating to verification of exemption)*. This section is reserved. The information relating to verification of exemptions which was previously found in this section has been relocated to § 165.22 (relating to verification of exemption) and amended as described in the discussion of § 165.22.

5. *Section 165.21(c)(1) (relating to enrollment)*. This paragraph is revised to specify that a mental or physical disability does not provide for an automatic exemption from the RESET Program. State law requires that to be exempt from RESET due to a physical or mental disability, the disability must temporarily or permanently preclude any form of employment or work-related activity. See 62 P. S. § 405.1(a.3)(1).

6. *Section 165.21(c)(1)(i)*. This subparagraph is revised to remove the reference to licensed midwife as a source of verification of the period of recuperation after childbirth because State law permits disability to be verified only by a physician or psychologist. See 62 P. S. § 405.1(a.3)(1).

7. *Section 165.21(c)(1)(iii)*. This subparagraph is added to require an applicant or recipient with a verified mental or physical disability, including drug or alcohol dependency, to pursue appropriate treatment to restore or improve the individual's ability to work as a condition of receiving assistance if the individual is exempt from the RESET Program. See 62 P. S. § 405.1(a.3)(1).

8. *Section 165.21(c)(1)(iv)*. This subparagraph is added to reflect the Department's authority to require an applicant or recipient to submit to an independent examination as a condition of receiving assistance if the individual is exempt from the RESET Program. See 62 P. S. § 405.1(a.3)(1).

9. *Section 165.21(c)(2)–(4)*. The exemptions previously found in these paragraphs are deleted because their content contained exemption criteria which have been altered by State law. Therefore, persons 60 years of age or older, persons incapacitated due to drug or alcohol dependency and persons needed in the home because of the illness or incapacity of another household member are no longer automatically exempt from participation in RESET. However, those persons have the opportunity in accordance with § 165.52 (relating to good cause) to establish good cause for not meeting a work requirement. See 62 P. S. § 405.1(a.3)(1)–(3).

10. *Section 165.21(c)(5)*. This paragraph is renumbered (2) and revised to provide an exemption for a parent or other caretaker who is personally providing care for a child under 6 years of age for whom alternate child care arrangements are not available. See 62 P. S. § 405.1(a.3)(2).

11. *Sections 165.21(c)(6) and (7)*. The exemptions described in these paragraphs are deleted because State law has changed the exemption criteria for the RESET Program. Therefore, parents or other caretakers personally providing care for a child 3 years of age or older and 5 years of age or younger unless appropriate child care is guaranteed and persons working at least 30 hours per week are no longer exempt from participation in the RESET Program for these reasons. See 62 P. S. § 405.1(a.3).

12. *Section 165.21(c)(8)*. This paragraph is renumbered (3) and is revised to provide an exemption from participation in the RESET Program for a child under age 18. If the child is of school age, he must be pursuing education leading to a high school diploma or certificate of high school equivalency. See 62 P. S. § 405.1(a.3)(3).

13. *Section 165.21(c)(9)*. The exemption described in this paragraph is deleted because State law has changed the exemption criteria for the RESET Program. Therefore, a pregnant woman is no longer exempt from participation in RESET unless it can be appropriately documented that her pregnancy incapacitates her to the extent that she is precluded from any form of employment. This paragraph is also renumbered (4) and provides a new exemption for a custodial parent in a one-parent household who is caring for a child who has not attained 12 months of age. This exemption is limited to a maximum of 12 months in the parent's lifetime. See 62 P. S. § 405.1(a.3)(1); 42 U.S.C.A. § 607(b)(5).

14. *Sections 165.21(c)(10) and (11)*. The exemptions described in these paragraphs are deleted because State law has changed the exemption criteria for the RESET Program. Therefore, persons serving full-time in the Volunteers In Service To America (VISTA) Program and persons residing more than 2 hours round trip from a RESET site are no longer exempt from participation in RESET. See 62 P. S. § 405.1(a.3)(1).

15. *Section 165.21(d)*. This subsection is deleted because State law has changed the participation requirements for the RESET Program. Therefore, the provision requiring a custodial parent between 16 and 20 years of age to participate in the RESET Program is no longer applicable and is being removed. See 62 P. S. § 405.1(a.3)(1) and (2).

16. *Section 165.22(a) (relating to verification of exemption)*. This subsection is added to provide that cooperation requirements for providing information about and verification of exempt status apply to applicants as well as to recipients and that the CAO will help to obtain verification of an exemption when needed. See 62 P. S. § 405.1(a.3).

17. *Section 165.22(a)(1)*. This paragraph is added to specify that the Department may require an applicant or recipient claiming an exemption from work requirements based on a physical or mental disability to submit to an independent examination as a condition of receiving assistance if exempt under the RESET Program. See 62 P. S. § 405.1(a.3).

18. *Section 165.22(a)(2)*. This paragraph is added to require an applicant or recipient with a verified physical or mental disability which temporarily precludes any form of employment to pursue appropriate treatment to restore or improve the individual's ability to work as a condition of receiving assistance if exempt under the RESET Program. See 62 P. S. § 405.1(a.3)(1).

19. *Section 165.22(b)*. This subsection is added to clarify how an exemption from RESET can be verified and the consequences of failure to verify the basis for an exemption. See 62 P. S. § 405.1(a.3)(1).

20. *Section 165.25 (relating to enrollment after an exemption)*. This section is added to clarify how quickly a person who was formerly exempt from the RESET Program is required to participate in work or a work-related activity when the exemption ends. See 62 P. S. § 405.1(a.4).

21. *Section 165.25(1)(i) and (ii)*. This section added to provide that an individual who is exempt from participation in the RESET Program due to a physical or mental disability is required to participate immediately if the condition ceases within the first 22 months that the person receives cash assistance or within 8 weeks if the condition ceases after the person has received cash assist-

ance for 22 months or more, as required by State law. See 62 P. S. § 405.1(a.4)(1)(i) and (ii).

22. *Section 165.25(2)*. This paragraph is added to specify that a person who is exempt from participation in the RESET Program due to providing care for a child under age 6 is required to participate as soon as alternate child care arrangements become available or when the child reaches age 6, whichever occurs first, as required by State law. See 62 P. S. § 405.1(a.4)(2).

23. *Section 165.25(3)(i)–(iii)*. This paragraph and subparagraphs are added to specify that an individual who is under 18 years of age is required to participate in the RESET Program upon reaching 18 years of age, attaining a high school diploma or a certificate of high school equivalency or ceasing to pursue a high school diploma or a certificate of high school equivalency. Paragraph (3)(i) further defines that a client who reaches age 18 may continue to pursue a high school or equivalency program after age 18 as a work-related activity during the first 24 months of receipt of cash assistance. Additionally, if under age 22, the individual may have good cause for not meeting the 20-hour work requirement after 24 months while working to complete a high school or equivalency program for at least 20 hours per week. See 62 P. S. § 405.1(a.4)(3).

24. *Section 165.25(4)(i)–(iii)*. This paragraph and subparagraphs are added to specify that a custodial parent in a one-parent household who is exempt from participation in the RESET Program due to caring for a child under 12 months of age is required to participate when the child reaches 12 months of age, when the custodial parent has claimed the exemption for the maximum 12-month period in the parent's life-time, or if the custodial parent chooses not to claim this exemption. See 42 U.S.C.A. § 607(b)(5).

25. *Section 165.31(a) (relating to RESET participation requirements)*. The provisions previously found in this subsection relating to voluntary participation by persons who are exempt have been deleted, except the provision that exempt individuals may volunteer to participate in RESET is relocated to subsection (h). See 62 P. S. § 405.1(a.1).

26. *Section 165.31(b)*. The provisions previously found in this subsection relating to voluntary participation by persons who are nonexempt are revised and relocated to subsection (g).

27. *Section 165.31(c)*. The previous content of this subsection which concerned priority of educational activities for custodial parents is deleted. This subsection, now (b) contains RESET participation requirements that apply to all nonexempt individuals. Among other requirements, those individuals are required to seek and accept any bona fide offer of employment and maximize and maintain employment as a condition of eligibility or continuing eligibility for cash assistance. See 62 P. S. §§ 405.1 (a.2), 405.4 and 432.3.

28. *Section 165.31(d)*. The provisions previously found in this subsection relating to the EDP are revised and relocated to subsection (e). The requirements that apply in the first 24 months that a nonexempt individual is receiving cash assistance are added. These requirements are in addition to those in subsection (b). See 62 P. S. § 405.1(a.2)(2)

29. *Section 165.31(c)(1)*. This paragraph is added to specify that the initial work-related activity is an initial job search of up to 8 weeks, except for those 18 years of

age or older but under 22 years of age who are pursuing a high school diploma or its equivalent. See 62 P. S. § 405.1(a.2)(3).

30. *Section 165.31(c)(1)(i)*. This subparagraph is added to clarify that for applicants, the initial job search is required upon authorization of cash assistance. See 62 P. S. § 405.1(a.2)(3).

31. *Section 165.31(c)(1)(iii)*. This subparagraph is added to clarify that individuals must document job search efforts and present that documentation to the CAO upon request. Failure to comply with the requirements of this section, without good cause, shall result in sanctions under § 165.61 (relating to sanctions). See 62 P. S. §§ 405.1(a.2)(3) and 432.3.

32. *Section 165.31(c)(2)(i)–(xi)*. This paragraph and subparagraphs are added to list the activities which, after the initial job search, a recipient may participate in to fulfill the work-related activity requirement, if approved, during the first 24 months, whether consecutive or interrupted, that a recipient receives cash assistance. According to State law, the activities are subsidized employment, work experience, on-the-job training, community service, workfare, vocational education, general education, English-as-a-second-language, job skills training, job search and job readiness/ preparation activities subject to the limits found in subsection (c)(3) and (4). See 62 P. S. §§ 402, 405.1(a.2)(5) and 405.3.

33. *Section 165.31(c)(3)*. This paragraph is added to specify that participation in approved vocational education, general education, English-as-a-second-language and job skills meets the work-related activity requirement for a maximum of 12 months, whether consecutive or interrupted, during the first 24 months that an individual receives cash assistance. See 62 P. S. § 405.1(a.2)(5).

34. *Section 165.31(c)(4)*. This paragraph is added to permit recipients who are 18 years of age or older but under 22 years of age who do not have a high school diploma or its equivalent to fulfill the work-related activity requirement by pursuing a high school diploma or its equivalent. See 62 P. S. § 405.1(a.2)(5).

35. *Section 165.31(d)(1)–(6)*. These provisions are added to list the approvable work activities in which nonexempt recipients, after receiving cash assistance for 24 months, whether or not the months are consecutive or interrupted, must participate to fulfill the work requirement. Participating in an available work activity for an average of at least 20 hours per week in any one or a combination of the following activities is required by State law: unsubsidized employment, subsidized employment, work experience, community service, on-the-job training or workfare. Willful failure to comply with this section shall result in the imposition of sanctions under § 165.61 unless good cause for noncompliance is established. See 62 P. S. §§ 405.1 (a.2)(6), 405.3 and 432.3.

36. *Section 165.31(d)*. The provisions, previously found in this subsection, relating to the self-initiated education and training are relocated to subsection (f). The requirements that apply to nonexempt individuals who have received cash assistance benefits for more than 24 months are added. See 62 P. S. § 405.1(a.2)(6).

37. *Section 165.31(e)*. The provisions of this subsection are relocated from subsection (d) and revised to refer to the AMR which has replaced the EDP used in the AFDC Program. Final approval of the work, training and education activities listed on the AMR rests with the Department. The AMR is not considered a contract.

38. *Section 165.31(f)*. The provisions of this subsection are relocated from subsection (e) and revised to delete the reference to EDP and replace it with a reference to the AMR. See 62 P. S. § 405.3.

39. *Section 165.31(f)(4)*. This paragraph is added to specify that after 12 months of participation in any self-initiated education or training activity as specified in subsection (f), nonexempt individuals must also fulfill the work-related activity requirements as specified in subsections (a) and (b) during the first 24 months of receiving cash assistance. See 62 P. S. § 405.1(a.2)(5).

40. *Section 165.31(f)(5)*. This paragraph is added to specify that after receiving cash assistance for 24 months, individuals participating in self-initiated activities as specified in subsection (f) must also fulfill the work requirements as specified in subsection (d). See 62 P. S. § 405.1(a.2)(6).

41. *Section 165.31(g)*. This provision relating to voluntary participation has been relocated from subsection (a). This subsection also provides that exempt volunteers are not required to conduct an initial job search before enrolling in RESET. The rest of the provision is deleted. See 62 P. S. § 405.1(a.4)(3)(b).

42. *Sections 165.51(a)–(c)*. Subsections (a) and (b) are revised and subsection (c) is added. These subsections clarify that information indicating noncompliance will result in a partial review of eligibility that focuses on compliance with work requirements. This review is renamed “Compliance Review.” In a compliance review, a recipient who apparently is not complying with work or work-related requirements has an opportunity to establish that the recipient has been compliant, or if noncompliant, that the noncompliance was not willful and without good cause. Although this represents changes to the process formerly called “conciliation,” by defining its primary purpose and procedure as a determination of facts surrounding an recipient’s apparent noncompliance, this change is entirely consistent with TANF and Act 35. In fact, the former regulation is directly at odds with TANF and Act 35, which require imposition of a penalty for willful failure to comply with work/work-related requirements unless the recipient is exempt or establishes good cause for noncompliance.

As revised, the compliance review is designed to ensure that a sanction is not imposed unless the recipient has willfully, and without good cause, failed to comply with work/work-related requirements. The compliance review may be conducted in person or by telephone, according to the recipient’s preference. If a sanction is not imposed, the caseworker will develop a new AMR with the recipient, if necessary, and review program requirements. The Department implemented this change in policy in the March 1, 1997, NORC. Therefore, the revised section reflects the Department’s policy and practice since that time. These subsections are also revised to delete the reference to the EDP and replace it with reference to the AMR. See 62 P. S. §§ 405.1, 405.2, 405.3 and 432.3.

43. *Section 165.61(a) (relating to sanctions)*. This subsection is revised to add that the willful failure of a nonexempt recipient to cooperate, without good cause, in fulfilling the work or work-related activity requirements specified in the AMR or statutory work or work-related requirements even when those requirements are not specified in the AMR, will result in a sanction. This subsection incorporates the requirements found in 62 P. S. §§ 405.1, 405.3 and 432.3.

44. *Section 165.61(b)*. The requirements previously found in this subsection have been redesignated as

subsection (e), relating to the caretaker continuing to receive benefits when the only TANF child in the budget group is under sanction. This subsection now contains the periods of sanction for failure to cooperate with the requirements of the RESET Program, as required by State law. For the first occurrence, the sanction is 30 days or until the recipient is willing to comply, whichever is longer. For the second occurrence, the sanction is 60 days or until the recipient is willing to comply, whichever is longer. For the third occurrence, the sanction is permanent. See 62 P. S. § 432.3(a)(1) and (2); 42 U.S.C.A. § 607(e)(1).

45. *Section 165.61(c)(1) and (2)*. The provision that both parents would be sanctioned if one parent fails to enroll in or participate in the RESET Program is deleted because State law has changed the sanction requirements. Paragraphs are added to specify the applicability of sanctions as required by State law. During the first 24 months that assistance is received, the sanction is imposed only on the person who fails to comply. After 24 months, the sanction is imposed on the entire budget group. See 62 P. S. § 432.3(a)(1) and (2) and (b); 42 U.S.C.A. § 607(e)(1).

46. *Sections 165.61(d)*. The requirements previously found in this subsection have been redesignated as subsection (b), relating to sanction periods. This subsection now contains the provision that, in lieu of the durational sanctions listed in subsection (b) and subsection (c)(1) and (2), the grant of a budget group will be reduced if an employed member of the budget group voluntarily and without good cause reduces his earnings during the first 24 months that assistance is received by not working an average of at least 20-hours-per-week. The reduction will be the dollar value of the income that would have been earned if the recipient had not voluntarily reduced the hours of employment to less than an average of 20 hours per week. The reduction continues until the minimum 20-hour-per-week work requirement is met. See 62 P. S. § 432.3(a)(1) and (2) and (b).

47. *Section 165.61(e)*. The requirements previously found in this subsection have been redesignated as subsection (f), relating to protective payee payments. Regulations are added regarding the caretaker continuing to receive benefits when the only TANF child in the budget group is under sanction. See 62 P. S. § 432.3(a)(2).

48. *Section 165.61(f)*. The provisions of this subsection are relocated from subsection (e) and revised to clarify that if an individual under sanction during the first 24 months of cash assistance is a parent or other caretaker, protective payments for the remaining budget group members will be made to the caretaker under sanction.

49. *Section 165.71(b)*. This subsection is revised to delete the 3-month time frame for sending a reminder letter to an individual under sanction as the Department now provides that clients receive notification prior to the end of the minimum durational sanction period.

G. The following revisions relating to resources are being made to Chapter 177 (relating to resources):

1. *Section 177.21(a)(2) (relating to personal property)*. This paragraph is revised to specify that the full value of one automobile per TANF or GA budget group is excluded as a resource. The equity value of all other vehicles is counted and applied toward the resource limit applicable to the budget group. See 62 P. S. § 432.5(c)(4).

2. *Section 177.21(a)(11)*. A phrase is added to this paragraph to specify that funds withdrawn from education savings accounts shall be used to pay for education expenses.

*Note:* That the NORC, published at 27 Pa.B. 1092, announced that education savings accounts would be exempt as individual development accounts (IDAs) under TANF as long as contributions were from earned income only. In these regulations, education savings accounts are exempt if they meet the requirements of State law, see 62 P. S. § 408.2(a), which does not require that the contributions to the account come from earned income. After careful analysis of the option to exempt IDAs permitted under the PRWORA, the Department has decided not to implement this option. The requirements for implementation as specified in section 404(h) of the PRWORA are complex, restrictive and not beneficial to clients.

3. *Section 177.21(a)(11)(iii)*. This subparagraph is revised to clarify that only moneys withdrawn to pay for educational expenses are exempt. See 62 P. S. § 408.2.

4. *Section 177.21(a)(13)*. This paragraph is added to specify that student financial assistance in the form of loans, grants and scholarships is excluded as a resource.

5. *Section 177.21(a)(14)*. This paragraph is added to specify that the face and cash value of a life insurance policy is exempt from consideration as a resource.

6. *Section 177.21(a)(15)*. This paragraph is added to specify that Family Savings Accounts established under the Job Enhancement Act (73 P. S. §§ 400.2101—400.2103), are exempt from consideration as a resource. This exemption was not included in the NORC published at 27 Pa.B. 1092 and, consequently, will not be effective retroactively. It will be effective upon publication.

7. *Section 177.22(b)(3)(ii)*. This subparagraph is revised to specify that in cases where a budget group has been unable to sell nonresident property for reasons beyond their control, the 9-month time limit for disposing of property is extended for additional 9-month periods as long as the budget group is making a good-faith effort to sell the property.

8. *Section 177.22(b)(4)*. This paragraph is revised to clarify that the budget group is ineligible for cash assistance if it cannot substantiate for each 9-month exemption period that it has made or is making a good-faith effort to sell the nonresident real property.

9. *Section 177.24(1)(ii), (A) and (B)*. This subparagraph and clauses are deleted because they relate to life insurance which is now excluded as a resource.

H. The following revisions relating to the treatment of earned and unearned income are being made to Chapter 183 (relating to income):

1. *Section 183.23 (relating to income in-kind)*. This section is deleted and reserved. Income-in-kind for services rendered is now excluded when determining eligibility and payment amount. See 62 P. S. § 401(a).

2. *Section 183.38 (relating to educational assistance)*. This section is revised to clarify that Federally-funded student financial assistance, including college work-study income, is excluded as income. This section is also revised to clarify that all other student financial assistance provided for educational expenses in the form of loans, grants and scholarships is excluded as income unless the assistance is provided solely to meet basic living needs. See 62 P. S. § 401(a).

3. *Section 183.71 (relating to gross income test)*. This section is revised to specify that the income of a recipient will no longer be subject to the gross income eligibility limit (185% test). This test applies to applicants only.

4. *Section 183.81(3)(i)*. The provisions of this subparagraph are deleted and replaced by the provision that Federally-funded student financial assistance, including college work-study income, is excluded as income. All other student financial assistance provided for educational expenses in the form of loans, grants or scholarships is excluded as income unless the assistance is provided solely to meet basic living needs.

5. *Sections 183.81(3)(iii) and (iv)*. These subparagraphs are deleted as unnecessary and duplicative.

6. *Section 183.81(29)*. The support pass-through disregard as codified in § 183.81(29) is reinstated as amended by Act 58. Former section 432.7(g) of the code specified that the Department continue payment of support pass-through payments to cash assistance recipients as required by Federal law. There was no Departmental regulation that required payment of the support pass-through. Section 183.81(29) required the Department to disregard receipt of up to the first \$50 per budget month of current court-ordered or voluntary support. The PRWORA, enacted on August 22, 1996, eliminated the Federal requirement to pay the support pass-through. As a result, the Department announced its intention to discontinue payment of the support pass-through with publication of a NORC, which was effective March 3, 1997. See 27 Pa.B. 1092. At that time, the Department announced it would delete § 183.81(29) as well. On April 1, 1997, a lawsuit, *Success Against All Odds, et al. v. Department of Public Welfare*, 700 A.2d 1340 (Pa. Cmlth. 1997), was filed in Commonwealth Court challenging the Department's cessation of the support pass-through. Effective May 1, 1997, the Commonwealth Court ordered the Department to reinstate the support pass-through payment and income disregard pending a determination on the merits. On August 20, 1997, Commonwealth Court ruled that the Department was acting within its statutory mandate when it discontinued support pass-through payments. Plaintiffs appealed to the Pennsylvania Supreme Court. Pass-through payments were then discontinued effective November 1, 1997. On November 13, 1997, the Pennsylvania Supreme Court entered an order, staying the August 20, 1997, Commonwealth Court Order, requiring the Department to resume support pass-through payments and the income disregard pending further order of that Court. *Success Against All Odds et al. v. DPW*, No. 122 M.D. Appeal Dkt. 1997. Effective December 1, 1997, support pass-through payments were again issued to cash assistance recipients and the income was disregarded for eligibility purposes.

Act 58, enacted on December 16, 1997, added 23 Pa.C.S. § 4374(c)(1)(ii) (relating to State disbursement unit) to require the Department to first, pay to the Federal government the Federal share of current support collected, and then, from the amount remaining, pass through to the budget group the first \$50 per month of current support collected without decreasing the amount of cash assistance.

Effective January 1, 1998, Act 58 also repealed section 432.7(g) of the code (62 P. S. § 432.7(g)), the statutory provision upon which the litigation was founded. However, the pass-through requirement under Act 58 was temporarily suspended because of the stay entered by the Pennsylvania Supreme Court on November 13, 1997. On

May 20, 1998, the Pennsylvania Supreme Court affirmed Commonwealth Court's ruling of August 20, 1997, thereby ending the stay.

The Department implemented the new Support Pass-Through Program mandated by Act 58 on October 1, 1998.

I. The following revisions relating to Chapter 187 reflect the changes announced by the NORC and further amended by Act 58. Additionally, the chapter regulations, as appropriate, are reorganized into logical sequence and procedures are eliminated:

1. *Section 187.21 (relating to general policy)*. This section includes the text of the former subsection (a). This section is amended to set forth the policy that the Department grants assistance only to persons who apply for and meet all conditions of eligibility. This section is also amended to set forth the policy for the referral of persons who do not receive assistance but wish to receive child support enforcement services that had been provided in § 187.24(c) (relating procedures). A reference to 23 Pa.C.S. §§ 4301—5104 and 7101—8415 and 62 P.S. §§ 101—1503 and §§ 1971—1977 was added.

2. *Section 187.21(b)*. This subsection is deleted because the requirement concerning the automatic assignment of support rights to the Department is in § 187.23(e) (relating to requirements).

3. *Section 187.21(c)*. This subsection is deleted because it relates to procedures, and the Bureau of Claim Settlement Child Support Unit no longer exists. The Bureau of Child Support Enforcement is the State agency responsible for the administration of Pennsylvania's Support Enforcement Program under Title IV-D of the Social Security Act and State law. See 42 U.S.C.A. §§ 651—669b; 23 Pa.C.S. § 4372(a). The deleted procedural information is appropriately delineated in the Department's *Cash Assistance Handbook*, Chapter 131, Support.

4. *Section 187.21(d)*. This subsection is deleted because it relates to procedures. The procedures regarding the effect of automatic support assignment are appropriately delineated in the Department's *Cash Assistance Handbook*, Chapter 131, Support.

5. *Section 187.21(e)*. This subsection is deleted because it relates to procedures. The procedures regarding the treatment of support collections and CAO responsibilities are appropriately delineated in the Department's *Cash Assistance Handbook*, Chapter 131, Support and Chapter 150, Income.

6. *Section 187.21(f)*. This subsection is deleted because it relates to procedures. The procedures regarding the timing of the effect of the assignment of support and the interchange of information about support collections and the cash assistance eligibility determination are appropriately delineated in the Department's *Cash Assistance Handbook*, Chapter 131, Support and Chapter 150, Income.

7. *Section 187.21(g)*. This subsection is deleted because it relates to procedures. The procedures regarding the Child Support Action Notice and the interchange of cash assistance information from the CAO to the Child Support Unit, and the responsibilities of the Bureau of Child Support Enforcement are delineated in the Department's *Cash Assistance Handbook*, Chapter 131, Support.

8. *Section 187.22 (relating to definitions)*. This section is amended to delete the definitions of "alimony," "child born out-of-wedlock," "LRR—legally responsible relative" and "spouse" because the terms are either not used or are

clarified in the new definitions. The procedures regarding paternity establishment are deleted and delineated in the Department's *Cash Assistance Handbook*, Chapter 131, Support. The term "alimony" is not used in the chapter; instead, the term "support" is added based upon Act 58's definition of "order of support." The terms "child" and "child born out-of-wedlock" are not used in the chapter. The term "spouse" is included in the redefined term "LRR—legally responsible relatives." The definitions of "arrears," "budget group," "BDSE—Bureau of Child Support Enforcement," "cash assistance allowance" (Act 58 change), "CAO—County assistance office," "Department," "DRS—Domestic Relations Section," "establishing paternity," "LRR—legally responsible relative," "obtaining support" and "unemancipated minor child" are added.

Pennsylvania case law establishes that a parent is liable for the support of his child until the child reaches age 18 or graduates from high school, whichever occurs later. *Blue v. Blue*, 532 Pa. 521, 616 A.2d 628 (1992). A "minor" is defined as "an individual under the age of twenty-one (21) years." See 1 Pa.C.S. § 1991 (relating to definitions). Thus, the outside age limit for support of a minor child is age 21. However, the obligation to support a child may end sooner where a minor has become emancipated. See 23 Pa.C.S. § 4323(a) (relating to support of emancipated child).

9. *Section 187.23(a)*. This subsection is retitled, "Applicability" and deletes the current language of § 187.23(a). This section applies to applicants/recipients of cash assistance if there is the reported absence of a parent from the home of an unemancipated minor child, the presence of a putative father for an unemancipated minor child, and a spouse absent from the home. Absence of a parent from the home is determined according to the requirements under § 153.44(a). The specific cooperation criteria for child support are in § 187.23(b).

10. *Section 187.23(a)(1) and (2)*. These paragraphs, subparagraphs and clauses are deleted. The provisions regarding the referral of cash assistance applicants/recipients for child support services are in § 187.23(d), concerning cooperation. Every applicant/recipient must appear before the Domestic Relations Section (DRS) or other applicable division of the court of common pleas before cash assistance is authorized. The previous exemption regarding a mutual agreement existing between the DRS and the Department regarding local referral procedures is incorporated in § 187.23(d)(2). Previously exempt applicants/recipients who had filed a support complaint within 90 days or had a support order established in the last 12 months must now comply with the child support eligibility requirements. The personal appearance requirement affords the applicant/recipient the opportunity to report changes and circumstances and provide new information to the DRS as required by Federal law. The information provided to the DRS may result in the establishment of paternity or location of the noncustodial parent. See 23 Pa.C.S. § 4378(a) (relating to assistance recipients to seek support). The provisions regarding the exemptions from cooperation requirements are modified and specified in § 187.23(d)(3) and (4). The exemption provisions are limited to applicants/recipients applying on behalf of a newborn or filing a good cause claim. The provisions regarding the CAO responsibility to inform the applicant/recipient of the opportunity to claim good cause are deleted here and set forth in § 187.25(a). The child support cooperation requirements are set forth in § 187.23(b).

11. *Section 187.23(a)(3) and (4)*. These provisions are deleted. The provisions regarding waiver of child support

cooperation requirements for good cause are set forth in §§ 187.25(a)(4)—(7) and 187.27.

12. *Section 187.23(a)(5)(i) and (ii)*. These provisions are deleted. The responsibilities of the CAO in the support referral process are delineated as procedures in the Department's *Cash Assistance Handbook*. The provisions regarding notice to the applicant regarding cooperation requirements and noncooperation are in §§ 187.25(a)(2) and (3) and 187.26 (relating to notification to the applicant or recipient; and noncooperation)..

13. *Section 187.23(a)(6)(i)—(v)*. These provisions are deleted because the provisions relate to procedures. The responsibilities of the DRS in the support referral process are delineated as procedures in the Department's *Cash Assistance Handbook*, Chapter 131, Support.

14. *Section 187.23(b)*. This subsection is retitled, "Cooperation Criteria for Child Support," and is amended to incorporate the requirement that an applicant/recipient seeking assistance on behalf of an unemancipated minor child must cooperate in establishing paternity and obtaining support from a legally responsible relative unless the applicant/recipient has good cause for failing to do so. See 23 Pa.C.S. § 4379 (relating to cooperation required).

15. *Section 187.23(b)(1)*. This paragraph is amended to incorporate the requirement that an applicant/recipient must identify the parents of a child for whom assistance is sought and appear for and submit to genetic testing with the child. See 23 Pa.C.S. § 4379(2)(i)(A). The cooperation criteria for obtaining spousal support are set forth in § 187.23(c).

16. *Section 187.23(b)(1)(i)*. This subparagraph is amended to specify that a presumption of noncooperation which may be rebutted only by clear and convincing evidence arises if a mother fails to identify by name the father of an unemancipated minor child. See 23 Pa.C.S. § 4379(2)(ii).

17. *Section 187.23(b)(1)(ii)*. This subparagraph is amended to specify that a presumption of noncooperation which may be rebutted only by clear and convincing evidence arises with the second exclusion if the applicant/recipient provides the names of two putative fathers subsequently excluded from paternity by genetic testing. See 23 Pa.C.S. § 4379(2)(iii).

18. *Sections 187.23(b)(1)(ii)(A) and (B)*. These clauses are deleted. The cooperation criteria for obtaining spousal support are in § 187.23(c).

19. *Section 187.23(b)(2)*. This paragraph is amended to incorporate the requirement that the applicant/recipient who is required to cooperate with the child support enforcement provisions must keep all scheduled appointments with the Department or DRS. See 23 Pa.C.S. § 4379(2)(i)(B).

20. *Section 187.23(b)(2)(i)—(iii)*. These subparagraphs are deleted. The cooperation criteria for obtaining spousal support are in § 187.23(c).

21. *Section 187.23(b)(3)*. This paragraph is amended to incorporate the requirement that an applicant/recipient must provide truthful and accurate information and documents requested by the Department or the DRS. See 23 Pa.C.S. § 4379(2)(i)(C). The cooperation criteria for obtaining spousal support are in § 187.23(c).

22. *Section 187.23(b)(3)(i)*. This subparagraph is amended to delineate requirements for providing information about the location of a parent or putative father. The

requirements for providing information about the location of a spouse are in § 187.23(c)(3).

23. *Section 187.23(b)(3)(ii)*. This subparagraph is amended to delete reference to specific governmental agencies. The cooperation criteria for obtaining spousal support are in § 187.23 (c).

24. *Section 187.23(b)(3)(iii)*. This subparagraph is amended to delineate the plan to locate a missing parent or putative father. The requirements for providing information about the location of a spouse are in § 187.23(c)(3)(i).

25. *Section 187.23(b)(4)*. This paragraph is added to incorporate the requirement that an applicant/recipient must sign and return any forms requested by the Department or the DRS. See 23 Pa.C.S. § 4379(2)(i)(D).

26. *Section 187.23(b)(5)*. This paragraph is added to incorporate the requirement that an applicant/recipient must appear as a witness and provide testimony at judicial and other hearings as requested by the DRS. See 23 Pa.C.S. § 4379 (2)(i)(E).

27. *Section 187.23(b)(6)*. This paragraph is added to incorporate the requirement that an applicant/recipient must pay to the Department any support received directly from an absent parent after an assignment of support rights has been made. See 23 Pa.C.S. § 4379(2)(i)(F).

28. *Sections 187.23(c)(1)—(6)*. This subsection and paragraphs are added to set forth the cooperation requirements that apply to an applicant/recipient for whom there is a spouse who is absent from the home. The applicant/recipient, unless there is good cause for failing to do so, must cooperate by naming the absent spouse, keeping scheduled appointments with the Department or the DRS, providing truthful and accurate information and documents requested by the Department or the DRS, establishing and completing a plan with the CAO to locate the spouse, signing and returning any forms requested by the Department or the DRS, appearing as a witness and providing testimony at judicial and other hearings as requested by the DRS, and paying to the Department any support received directly from an absent spouse after an assignment of support rights has been made. See 62 P. S. § 403(b); 23 Pa.C.S. §§ 4378 and 4379.

29. *Section 187.23(d)*. This subsection is added to specify that, as a condition of eligibility for assistance, an applicant/recipient must cooperate in establishing paternity and obtaining support. See 23 Pa.C.S. §§ 4371 and 4378(a).

30. *Section 187.23(d)(1)*. This paragraph is added to specify that, prior to authorization of assistance, an applicant/recipient must appear before the DRS or applicable division of the court of common pleas and provide the CAO with certification of cooperation from the DRS. See 23 Pa.C.S. § 4378(a).

31. *Section 187.23(d)(2)*. This paragraph is added to specify that the Secretary of the Department may, upon request of a family court or DRS, waive the personal appearance requirement and, in that event, that an applicant/recipient must cooperate with the procedures established for the county. See 23 Pa.C.S. § 4378(a).

32. *Section 187.23(d)(3)*. This paragraph is added to specify that in the case of a newborn, assistance may be authorized as long as support action is taken before the end of the grace period.

33. *Section 187.23(d)(4)*. This paragraph is added to specify that an applicant is exempt from the cooperation

requirements if a good cause claim is filed with the CAO, court of common pleas, or DRS and until the CAO, court or DRS makes a determination on the good cause claim. Additionally, cooperation requirements are waived if the CAO, Court or DRS determines that good cause exists. See 23 Pa.C.S. § 4379(1)(iii) and (iv).

34. *Section 187.23(e)*. This subsection is added to incorporate the requirement that acceptance of assistance operates as an assignment to the Department, by operation of law, of the recipient's right to support. See 23 Pa.C.S. § 4378(b).

35. *Section 187.24(a) (relating to procedures)*. This subsection is deleted because the spousal support requirements are in § 187.23(c). The DRS determines the amount of support obligation and establishes how a support obligation is to be paid by a spouse or a parent pursuant to the Pennsylvania Rules of Civil Procedure and the Domestic Relations Code. See Pa.R.C.P. 1910.1—1910.50; 23 Pa.C.S. §§ 4301—5104.

36. *Section 187.24(b)*. This subsection is deleted because the cooperation criteria for child support are in § 187.23(b), the requirement for cooperation prior to authorization is in § 187.23(d), the requirement for the CAO to notify the applicant or recipient of the cooperation requirements and the right to claim good cause are in § 187.25(a), and the cash assistance allowance reduction for failure to cooperate without good cause are in § 187.25(a). The procedures for the preparation and processing of the Application for Child Support Services and the exchange of information between the CAO and the DRS are deleted and delineated in the Department's *Cash Assistance Handbook* Chapter 131, Support.

37. *Section 187.24(c)*. This subsection is deleted. Referral of persons who do not receive assistance, but who wish to receive child support enforcement services, is found in § 187.21.

38. *Section 187.24(d)*. This subsection is deleted because the cooperation criteria for spousal support are set forth in § 187.23(c).

39. *Section 187.24(e)*. This subsection is deleted because it is obsolete. The cooperation criteria for spousal support are set forth in § 187.23(c).

40. *Section 187.24(f)*. This subsection is deleted as obsolete. Waiver of an expected contribution determined by the CAO for the support of a spouse is no longer valid. Instead, the DRS determines the amount of support obligation and establishes how a support obligation is to be paid by a spouse or a parent under the Pennsylvania Rules of Civil Procedure and the Domestic Relations Code. See Pa.R.C.P. 1910.1—1910.50; 23 Pa.C.S. §§ 4301—5104.

41. *Section 187.24(g)*. This subsection is deleted as obsolete. The domestic relations section determines the amount of support obligation and establishes how a support obligation is to be paid by a spouse or a parent under the Pennsylvania Rules of Civil Procedure governing support actions. See Pa.R.C.P. 1910.1—1910.50. The cooperation criteria for child support are in § 187.23(b) and the cooperation criteria for spousal support are in § 187.23(c).

42. *Section 187.24(h)*. This subsection is deleted as obsolete because the rules governing support actions are set forth under the Pennsylvania Rules of Civil Procedure. See Pa.R.C.P. 1910.1—1910.50. The cooperation criteria for spousal support are in § 187.23(c).

43. *Section 187.24(i)*. This subsection is deleted because the redetermination of the ability of a spouse to pay a support obligation is a responsibility of the DRS in accordance with the Domestic Relations Code, 23 Pa.C.S. §§ 4301—4396, and the Pennsylvania Rules of Civil Procedure governing support actions. See Pa.R.C.P. 1910.1—1910.50.

44. *Section 187.24(j)*. This subsection is deleted because the information is related to military allotments for dependents. The distribution of allotments is handled through the DRS under the Pennsylvania Rules of Civil Procedure governing support actions. See Pa.R.C.P. 1910.1—1910.50.

45. *Sections 187.25(a)(1)—(6) and (b) (relating to notification to the applicant or recipient)*. These provisions are added to specify that, prior to requiring cooperation § 187.23, the CAO will notify the applicant/recipient orally and in writing of the cooperation requirements, of the consequences for failure to cooperate, of the right to claim good cause, that the burden of proving good cause rests with the applicant/recipient, and that a finding of noncooperation does not affect the legally responsible relative's (LRR) duty to pay support. See 23 Pa.C.S. § 4380(b) (relating to enforcement of cooperation requirements).

46. *Section 187.26(a) (relating to noncooperation)*. This subsection is added to specify that either the CAO, court of common pleas or the DRS may make the determination whether the applicant/recipient failed to cooperate without good cause. This section outlines the procedures to be followed depending upon which entity makes that determination. This subsection provides that the court of common pleas of each county shall have the option of hearing appeals from any determination of its DRS that an applicant/recipient has not cooperated in accordance with § 187.23. See 23 Pa.C.S. § 4380(b).

47. *Section 187.26(b)*. This subsection is added to specify that if the court of common pleas or the DRS determine that the applicant/recipient has failed to cooperate without good cause with the support requirements in § 187.23, the court of common pleas or DRS will provide notice of any noncooperation determination to the CAO and that it has opted not to conduct a hearing on the noncooperation determination. Additionally, this subsection provides that appropriate court personnel shall be available to provide telephone testimony at the time and location set by the Department for any Department appeal hearing regarding noncooperation. As a result of Act 58, court personnel is only required to appear by means of telephone for a noncooperation hearing. See 23 Pa.C.S. § 4380(b).

48. *Section 187.26(c)(1)(i)—(iv)*. These provisions are added to specify that, if the CAO, Court, or the DRS determines that the applicant for cash assistance failed to cooperate, the CAO will notify the applicant of the noncooperation determination, of the reduction of the cash assistance allowance by 25%, and of the right to appeal. Additionally, the CAO will authorize the cash assistance allowance reduced by 25% effective upon authorization and authorize the full cash assistance allowance if so ordered as a result of a fair hearing, as a result of good cause being established, or as a result of the applicant cooperating with support requirements. See 23 Pa.C.S. § 4380(b).

*Note:* The sanction for noncooperation as outlined previously differs from the sanction for noncooperation published in the TANF NORC of March 1, 1997. The NORC

of March 1, 1997, provided that if the applicant/recipient failed to cooperate in establishing paternity and obtaining support without good cause, the sanction would be removal of the applicant/recipient from the grant and establishment of a protective payment for any child on whose behalf the applicant/recipient sought assistance. If removal of the applicant/recipient did not result in a grant reduction of at least 25%, there would have to be an additional reduction so that the grant was reduced in an amount not less than 25%. See 27 Pa.B. 1105. The requirement as to the imposition of the protective payment was based upon Act 35 and the PRWORA, as to the mandatory imposition of the not less than 25% reduction in the grant. See 62 P.S. § 432.7A; 42 U.S.C.A. § 608(a)(2). With the enactment of Act 58, the sanction for noncooperation without good cause is now a reduction of the cash assistance allowance by 25%, and if provided by Departmental regulation, imposition of a protective payment. See §§ 141.21(e) and 187.26; 23 Pa.C.S. § 4380(b). Act 58 provides that imposition of protective payment is at the option of the Department if provided for by Departmental regulation. The Department is not providing for imposition of protective payments in this rulemaking. See 23 Pa.C.S. § 4380(b).

49. *Section 187.26(c)(2)(i)–(iv)*. These provisions are added to specify that the CAO will notify the cash assistance recipient of the noncooperation determination, the reduction of the cash assistance allowance, and the right to appeal if the CAO, court or the DRS determines that the recipient failed to cooperate. Additionally, unless a timely appeal is filed by the recipient, the CAO will authorize reduction of the cash assistance allowance by 25% 10 days after the date of the notice. If the Department action is sustained on appeal, the Department will initiate recovery of the cash assistance allowance granted pending a fair hearing. See 23 Pa.C.S. § 4380(b)(2)

50. *Section 187.26(d)*. This subsection is added to specify that any hearing or appeal with respect to an order of noncooperation directed by the court or the DRS shall be conducted by the court in accordance with the Pennsylvania Rules of Civil Procedure. See 23 Pa.C.S. § 4380(b)(3).

51. *Section 187.26(d)(1)(i)–(iii) and (2)*. These provisions are added to specify that if the court determines that the applicant/recipient failed to cooperate without good cause, the court shall order the Department to impose sanctions. This section also describes the actions the CAO will take upon receipt of an order. The Department must implement the order within 10 days. The CAO will provide notice of the order and the cash assistance allowance reduction to the applicant/ recipient as well as notice that the right of appeal to the Department's Bureau of Hearings and Appeals is limited to the calculation of the assistance amount. In addition, when the court has determined noncooperation, the CAO will authorize the cash assistance allowance reduced by 25% effective with the date of authorization for applicants, or will reduce the cash assistance allowance by 25%, effective 10 days after the court order. See 23 Pa.C.S. § 4380(b)(3).

52. *Section 187.27(a)(1)–(3)*. These provisions are added to specify the circumstances under which child support cooperation requirements may be waived for good cause, such as, the child was conceived as a result of a rape or incest or legal proceedings for the adoption of the child are pending before a court. See 23 Pa.C.S. § 4379(1)(iii) and (iv).

53. *Section 187.27(a)(4)(i)–(ix)*. These provisions are added to specify the circumstances that constitute good cause based on domestic violence. Good cause due to domestic violence may be established if action to establish paternity or obtain child or spousal support would make it more difficult for the individual or family member to escape domestic violence, or unfairly penalize those individual who has been victimized by such violence, or who is at risk of further violence. Domestic violence is defined as: physical acts that resulted in, or threatened to result in, physical injury to the individual; sexual abuse; sexual activity involving a dependent child; being forced as the caretaker relative of a dependent child to engage in nonconsensual sexual acts or activities; threats of, or attempts at, physical or sexual abuse; mental abuse; neglect or deprivation of medical care. This amendment removes the term "serious" as it describes physical or mental abuse. This amendment also removes the requirement that the abuse must be so that it interferes with the individual's capacity to care for the child. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

54. *Section 187.27(b)*. This subsection is added to specify that an applicant/recipient shall provide relevant corroborative evidence of the good cause claim. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

55. *Section 187.27(b)(1)(i)–(iii)*. These provisions are added to specify the types of evidence that may be used to corroborate a good cause claim when the child was conceived as a result of rape or incest or legal proceedings for the adoption of the child are pending before a court. See 23 Pa.C.S. § 4379(1)(iii) and (iv).

56. *Section 187.27(b)(1)(iv)–(vii)*. These provisions are added to specify the types of evidence that may be used to corroborate a good cause claim when the claim is based on domestic violence. This amendment deletes the term "sworn" as it relates to statements from individuals who have knowledge of the good cause circumstances. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

57. *Section 187.27(b)(1)(vii)*. This section is being added to specify that the "Verification of Good Cause Based on Domestic Violence" form shall be completed for all good cause claims based on domestic violence. This form is used to accompany acceptable verification as specified in § 187.27(b)(1)(iv), (v) or (vi) that an applicant or recipient has provided, to authorize by written consent of the applicant or recipient that a third party may provide verification/corroboration of the good cause claim, or to grant good cause for up to 6 months when an applicant or recipient affirms she is unable to safely obtain evidence to verify the claim of domestic violence within the established time frames for providing verification. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

58. *Section 187.27(b)(2)*. This paragraph is added to specify that the CAO, court or the DRS may provide assistance with obtaining corroborative evidence and may obtain specific documents that the applicant/recipient is not able to obtain. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

59. *Section 187.27(b)(3)*. This paragraph is added to specify that an applicant/recipient shall provide corroborative evidence of a good cause claim within 30 days of the date of the initial claim except when the applicant or recipient cannot provide verification of the good cause

claim as specified in (b)(1)(vii)(C). See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

60. *Section 187.27(b)(3)(i)*. This subparagraph is added to clarify that in the case of an applicant, assistance will be authorized no later than 30 days following application when good cause is claimed and verification is not readily available or pending from a third party. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

61. *Section 187.27(b)(3)(ii)*. This subparagraph is added to clarify that in the case of a recipient, the CAO will continue assistance if verification of the good cause claim is not provided within 30 days and the delay is due to a third party. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

62. *Section 187.27(c)*. This subsection is added to specify that the CAO, court or DRS shall make a determination on a good cause claim within 45 days of the date the applicant/recipient initiates the claim. The CAO, court or DRS may extend the 45-day period. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

63. *Section 187.27(c)(1)*. This paragraph is added to specify that if the CAO makes the good cause determination, the CAO will notify the applicant/recipient in writing of the final determination and the basis for the determination and the right to appeal under Chapter 275 (relating to appeal and fair hearing and administrative disqualification hearings). If the good cause claim is denied, neither the Department nor the Bureau of Child Support Enforcement will attempt to establish paternity or collect support for at least 30 days after the client has been informed orally and in writing of the denial. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

64. *Section 187.27(c)(2)*. This paragraph is added to specify that if the court or DRS makes the good cause determination, the DRS will notify the applicant/recipient and the CAO of the final determination and the basis for the determination and the right to appeal under Chapter 275. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

65. *Section 187.27(c)(3)*. This paragraph is added to specify that in all cases when the CAO, court or the DRS approves a waiver based on a good cause claim, they will also establish the expiration of the waiver and the DRS will not attempt to establish paternity or obtain support. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

66. *Section 187.27(c)(4)*. This paragraph is added to specify that a good cause determination shall be reviewed at least every 6 months. The review may be earlier if the circumstances of the good cause waiver change or the waiver has been granted for a lesser period. In addition, if good cause was granted based on corroborative evidence, the good cause claimant does not have to provide additional corroborative evidence at the time of the review if circumstances have not changed since the initial good cause waiver was approved. If the good cause claim was granted based on the recipient's written affirmation and she is still unable to provide documentation other than her initial affirmation, the CAO will make a determination of good cause based on a current assessment of the recipient's circumstances. This assessment will be made by a person with domestic violence training and substantiated by completion of the Form PA/CS 1747,

Verification of Good Cause Based on Domestic Violence. See 23 Pa.C.S. § 4379(1)(iii) and (iv); 42 U.S.C.A. §§ 602(a)(7) and 608(a)(7)(C)(iii).

II. The following are regulations that apply to the TANF Program:

A. The following revisions relating to general eligibility requirements for the TANF Program are being made to Chapter 141 (relating to general eligibility provisions):

1. *Section 141.41(f)(1)–(3) (relating to policy)*. These provisions are added to specify that a family is ineligible for TANF cash assistance if it includes an adult who has received 60 months of TANF cash assistance. Assistance received as a minor child does not count toward the 60-month limit except when the minor child is the head of household or is married to the head of household. There is no time limit on benefits in child-only cases, that is, when the adults in the budget group are not themselves receiving TANF cash assistance. However, parents living with the child are required to be included in the TANF budget group application. Receipt of TANF need not be consecutive to count toward the 60-month limit. See 42 U.S.C.A. § 608(a)(1)(B).

2. *Section 141.42 (relating to definitions)*. This section is revised to add the definitions of "cash assistance allowance" (which is used but not defined in 23 Pa.C.S. § 4380), "family" (which is used but not defined in 42 U.S.C.A. § 608(a)(1)) and "minor child" (which is defined in 42 U.S.C.A. § 619). Cash assistance under the TANF Program is available only to households that include a minor child and the child's custodial parent or other adult caretaker/relative. The term "minor child" replaces the term "dependent child" which was used in the AFDC program.

B. The following revision relating to the age of a TANF child is being made to Chapter 145 (relating to age):

1. *Section 145.43(a)(1)(ii) (relating to requirements)*. This subparagraph is revised to delete the limitation that a school student who is 18 years of age is considered a minor child only if he is expected to graduate from a secondary school or its equivalent before reaching age 19. See 42 U.S.C.A. §§ 608(a)(1) and 619.

C. The following are comments regarding residency requirements found in Chapter 147 (relating to residency):

1. Section 432(5)(ii) of the code specifies that TANF applicants who have resided in this Commonwealth for fewer than 12 months cannot receive cash assistance benefits in excess of the amount they could have received in their prior state of residence. This requirement was implemented effective March 3, 1997.

However, on October 6, 1997, the United States District Court for the Eastern District of Pennsylvania preliminarily enjoined the Department from enforcing this multiterrier durational residency provision, *Maldonado et al. v. Houstoun et al.* 177 F.R.D. 311 (1997). On September 9, 1998, that preliminary injunction was upheld by the United States Court of Appeals for the Third Circuit, 157 F.3d 179 (1998). On May 24, 1999, following its decision in *Saenz v. Roe*, 119 S.Ct. 1518 (1999), striking California's two-tier durational residency requirement, the United States Supreme Court denied the Commonwealth's Petition for Certiorari seeking review of the 3d Circuit's decision in *Maldonado*. In light of those decisions, no regulation will be promulgated to implement section 432(5)(ii) of the code.

D. The following revisions relating to the care and control of a minor child are being made to Chapter 151 (relating to specified relatives):

1. *Section 151.42 (relating to definitions)*. This section is revised to:

\* Add the definition of "adult." See 42 U.S.C.A. § 619.

\* Explain that in addition to the relationship requirements that already exist, a specified relative shall also be an adult or a minor parent who is not required to live in the home of an adult specified relative or adult-supervised supportive living arrangement. See 42 U.S.C.A. § 608(a)(5).

2. *Section 151.43(d)(1) (relating to requirements)*. This paragraph is revised to specify that the eligibility of a TANF child is not automatically affected by a temporary absence from the home if the absence does not exceed 180 days. This provision does not apply in cases when custody of the child has been relinquished to a third party or the child is staying with a parent under the terms of a custody order. See 42 U.S.C.A. § 608(a)(10).

3. *Section 151.43(d)(3)*. This paragraph is added to provide that a specified relative is ineligible for assistance for 30 days if he fails to report the absence of a child within 5 days of the date it becomes clear that the child's absence will exceed the 180-day period. See 42 U.S.C.A. § 608(a)(10).

4. *Section 151.43(f)*. This subsection is revised to delete the requirement that eligibility for TANF is limited to a pregnant woman who verifies that she is in her third trimester of pregnancy. Under the PRWORA, a pregnant woman with no other children living with her may qualify for TANF from the date she provides medical verification of her pregnancy. See 42 U.S.C.A. § 608(a)(1)(A)(ii).

E. The following revisions relating to deductions from the earned income of a TANF applicant or recipient are being made to Chapter 183 (relating to income):

1. *Section 183.94(1) (relating to eligibility for TANF earned income deductions)*. This paragraph is revised to specify that an applicant for TANF who has been a TANF recipient in 1 of the 4 calendar months prior to application is eligible for the continuous 50% disregard from earned income. The \$90 standard deduction from gross earned income is no longer applicable and is deleted.

2. *Section 183.94(2)(i)–(iii)*. This section is revised to specify that an applicant for TANF who has not been a recipient in 1 of the 4 calendar months prior to application is eligible for the continuous 50% disregard if his income, after applicable deductions, is less than the standard of need for the household size.

3. *Sections 183.94(2)(iv) and (v)*. These subparagraphs are deleted since they relate to the now obsolete time-limited 30 plus 1/3 earned income incentive deduction that is replaced by the continuous 50% disregard.

4. *Sections 183.96(a)–(e) and 183.97(4) (relating to interruption in the 4 consecutive months of the earned income incentive deduction for AFDC and GA; and ineligibility for disregards from earned income for TANF and GA)*. The provisions of these sections are deleted. The requirements relating to interruptions in the 4-consecutive months of the earned income incentive deduction no longer apply. The time-limited earned income incentive deduction is replaced by the continuous 50% disregard under § 183.94(1) and (2). See 62 P. S. § 432.12.

III. The following are provisions that apply to the MA program:

A. The following revisions to Chapter 140 (relating to special MA eligibility provisions), clarify when student financial assistance is excluded as income, and change the income methodology in determining eligibility for Healthy Beginnings:

1. *Section 140.41(1)–(4) (relating to educational loans and grants)*. These paragraphs are deleted. This section no longer itemizes the types of educational loans and grants that are not counted as income but is revised to specify that Federally-funded student financial assistance, including college work-study income, is excluded as income. In addition, all other student financial assistance provided to pay for educational expenses is excluded as income unless the assistance is provided solely for payment of basic living needs.

2. *Section 140.53 (relating to income-in-kind)*. This section is deleted and reserved since income-in-kind is no longer considered in determining eligibility.

3. *Section 140.65 (relating to educational assistance)*. This section is revised to delete references to specific types of educational assistance that are excluded as income when determining eligibility. This section is also revised to specify that Federally-funded student financial assistance, including college work-study income, is excluded as income. All other educational assistance is excluded unless it is specifically provided to pay for basic living needs. See 62 P. S. § 401(a).

4. *Sections 140.81(1) and (2) (relating to deductions from earned income)*. These paragraphs are revised to reflect the change in earned income deductions for employed applicants/recipients of the Healthy Beginnings Program. Each employed person whose income is used to determine eligibility and who qualifies for the earned income disregard is entitled to a continuous 50% disregard from gross earned income. Persons determined ineligible using the 50% disregard will be evaluated under the income methodology that existed prior to TANF to determine if they are eligible for MA.

B. The following revisions to Chapter 141 clarify that persons who are ineligible for TANF as a result of new eligibility requirements may have their MA eligibility established by use of the AFDC requirements previously in place. The two areas of significant difference between the new method and old relate to the work incentive deduction and the disregard of the first \$50 of support:

1. *Section 141.71(a)(10) (relating to policy)*. This paragraph is added to cross reference the revised definition in § 151.42 (relating to definitions). The cross reference is necessary to ensure consistency with TANF eligibility requirements.

2. *Section 141.71(b)(6)*. This paragraph is added to specify that an applicant/recipient determined ineligible for TANF due to the elimination of the \$30 plus 1/3 work incentive deduction or the elimination, or both, of the \$90 work expense deduction may qualify for TANF-related NMP, if otherwise eligible.

*Note:* The provision in the NORC published at 27 Pa.B. 1092 (at p. 1105), provided for MA eligibility for a family that lost TANF benefits solely due to the elimination of the disregard of the first \$50 of support received. The subsequent resumption of the disregard of the first \$50 of support nullifies the need for this provision. See Section I.H.6 of this Preamble.

3. *Section 141.71(b)(6)*. This paragraph is renumbered § 141.71(b)(7) as a result of the addition of a new paragraph (6).

C. The following revisions relating to resources are being made to Chapter 178 (relating to resource provisions for categorically needy NMP-MA and MNO-MA).

1. *Sections 178.11(4)(ii) and 178.12(5)(ii) (relating to categories of NMP-MA; and categories of MNO-MA)*. These subparagraphs are revised to delete the limitation that a school student who is 18 years of age is considered a minor child only if he is expected to graduate before reaching age 19. See 42 U.S.C.A. § 608(a)(1).

2. *Section 178.151(c) (relating to additional resource requirements)*. This subsection is revised to reflect the requirement that an applicant/recipient of GA-related NMP and MNO-MA has an initial 9-month period to dispose of nonexcluded real property and additional 9-month periods to dispose of nonexcluded real property as long as good cause exists for not selling the property. See 62 P. S. § 401(a).

3. *Section 178.161(12) (relating to personal property exclusions)*. The reference to term insurance is deleted since all life insurance is exempt from consideration as a resource when determining eligibility for GA-related NMP and MNO-MA. Section 178.161(13)—(16) is renumbered (12)—(15) respectively, as a result of this deletion. See 62 P. S. §§ 403(b) and 441.1.

4. *Section 178.161(13)*. This paragraph, formerly § 178.161(14), is revised to clarify that all life insurance is excluded in determining eligibility for GA-related NMP and MNO-MA. See 62 P. S. §§ 403(b) and 441.1.

5. *Section 178.161(16)*. This paragraph is added to specify that student financial assistance in the form of loans, grants and scholarships is excluded as a resource in determining eligibility for GA-related NMP and MNO-MA. See 62 P. S. § 401(a).

6. *Section 178.161(17)*. This paragraph is added to specify that Family Savings Accounts established under the Job Enhancement Act, are exempt as a resource in determining eligibility for GA-related NMP and MNO-MA. This exemption was not included in the NORC published at 27 Pa.B. 1092 and, consequently, will not be effective retroactively. It will be effective upon publication as final.

7. *Section 178.165(a) (relating to educational savings account)*. This subsection is revised to specify that funds withdrawn from education savings accounts shall be used to pay for educational expenses. See 62 P. S. § 408.2.

8. *Section 178.165(a)(4)*. This paragraph is revised to clarify that only monies withdrawn to pay for educational expenses are exempt. See 62 P. S. § 408.2.

D. The following revisions related to additional income exclusions, reinstatement of the \$50 child support disregard in § 181.264(16) (relating to income and benefits not counted by Federal and State statutes for the AFDC and GA categories), and a change in the earned income deductions are being made to Chapter 181:

1. *Section 181.41(4)(ii) and 181.42(5)(ii) (relating to categories; and categories of MNO-MA)*. These subparagraphs are revised to delete the limitation that a school student who is 18 years of age is considered a minor child only if he is expected to graduate from secondary school or its equivalent before reaching age 19. See 42 U.S.C.A. § 608(a)(1).

2. *Section 181.251 (relating to NMP-MA gross income test for TANF categories)*. This section is revised to specify that the income of a recipient will no longer be subject to the gross income eligibility limit.

3. *Section 181.251(c)(3)*. The reference to § 181.273 (relating to income-in-kind) is deleted because income-in-kind is excluded as income in determining eligibility for TANF and GA-related NMP and MNO-MA. As a result of this deletion, § 181.251(c)(4)—(11) is renumbered (3)—(10) respectively. See 62 P. S. §§ 403(b) and 441.1.

4. *Sections 181.262(1)—(4) (relating to educational loans and grants)*. These paragraphs are deleted. Section 181.262 now provides that all Federally-funded student financial assistance, including college work-study income, is excluded as income. In addition, all other student financial assistance provided for educational expenses is excluded as income, unless the assistance is provided solely to meet basic living needs. See 62 P. S. § 401(a).

5. *Section 181.264(16)*. The support pass-through disregard as codified in § 181.264(16) is reinstated. The provisions of Act 58 clarify that the first \$50 of current support received by the applicant/recipient group will be disregarded for TANF-related and GA-related MA eligibility purposes. See Section I.H.6 of this Preamble. See 23 Pa.C.S. § 4374(c)(1)(ii).

6. *Section 181.273*. This section is deleted and reserved since income-in-kind is no longer counted in determining eligibility for TANF and GA-related NMP and MNO-MA. See 62 P. S. §§ 403(b) and 441.1.

7. *Section 181.287 (relating to educational assistance)*. This section is revised to clarify that for TANF and GA-related NMP and MNO-MA, Federally-funded student financial assistance, including college work-study income, is excluded as income. In addition, all other student financial assistance in the form of loans, grants and scholarships is excluded as income, unless the assistance is provided solely to meet basic living needs. See 62 P. S. § 401(a).

8. *Section 181.311(1)—(3) (relating to deductions from earned income for the TANF categories of NMP-MA)*. These paragraphs are revised to reflect the change in earned income deductions for employed applicants/recipients of TANF-related NMP-MA. Each employed person whose income is used to determine eligibility and who qualifies for the earned income incentive is entitled to a continuous 50% disregard from gross earned income. Persons determined ineligible using the 50% disregard will be evaluated under the income methodology that existed prior to TANF.

9. *Section 181.311(4) and (4)(i)—(iv)*. These provisions are deleted because the contents were incorporated into the revisions in § 181.311(2)(iii)(B)(I)—(IV).

IV. The following technical changes have also been made:

\* Sections 141.41, 145.43, 151.43(d), 153.44(a)(2), (3) and (7), (b)(2)(i)(A), (c)(1), (d)(1)(i) and (v) and (2)(ii)(B) and (C) and (d)(3)(i), 165.61(b), 178.11(4)(ii), 178.12(5)(ii), 181.263 and 183.97. The acronym "AFDC" is replaced by the acronym "TANF" in these sections.

\* Sections 153.44(d)(1)(i)(E), (ii), (2)(ii)(C), 165.1(a), 165.2, 165.21(a)—(c), 165.52(a)(9)—(12), (15) and (17), 165.61(a)(1) and 165.71(a). The acronym "ETP" is replaced by the acronym "RESET" in these sections.

\* Sections 177.21(a)(12) and 178.165(b). The reference to P. L. 28, No. 11 is deleted and replaced with the appropriate citation for the Tuition Account Program and College Savings Bond Act.

*Affected Individuals and Organizations*

This proposed rulemaking will affect applicants and recipients of TANF, GA and MA.

*Accomplishments/Benefits*

Implementation of the Act 35 and TANF provisions promotes self-sufficiency and personal responsibility. New requirements have simplified the income and resource eligibility rules and have shifted the focus of welfare to obtaining employment and securing child support. The new income requirements have provided a greater incentive for recipients to work while allowing cash assistance to serve as a support in the transition from welfare to self-sufficiency. Revised work requirements have reinforced the focus of welfare reform to move individuals into work or work-related activities. Revised child/spousal support requirements related to temporarily waiving co-operation in establishing paternity or obtaining support, or both, based on a claim of domestic violence afford individuals an opportunity to access counseling services, safety planning and other needed services. Overall, these changes have resulted in an integrated program that meets the requirements of State and Federal law.

*Fiscal Impact*

*Commonwealth:* The estimated savings to the Commonwealth for Federal Fiscal Year (FFY) 2000 and thereafter is \$204.363 million. The estimated costs to the Commonwealth for FFY 2000 are \$86.778 million and thereafter, \$83.740 million.

*Public Sector:* There will be no costs or savings incurred by the public sector.

*Private Sector:* There will be no costs or savings incurred by the private sector.

*Paperwork Requirements*

Form PA 1661, Agreement of Mutual Responsibility (AMR), was developed to serve as the written agreement between the Department and the recipient that outlines the responsibilities and obligations of both parties in relation to the recipient's plan for self-sufficiency. This form is completed at application and redetermination for each person required to sign the application for benefits. The AMR is updated as often as circumstances of the client change or when the client requests a change.

Form PA/CS 1747, Verification of Good Cause Based on Domestic Violence, was developed to serve any of three purposes: 1) as an accompaniment to acceptable verification provided by the client; 2) as authorization by written consent that a third party may provide verification/corroboration of the good cause claim; or 3) to grant good cause for up to 6 months when an applicant or recipient affirms in writing that the applicant or recipient is unable to safely obtain evidence to verify the claim of domestic violence within the established time frames. Approval or denial of the good cause claim is also recorded on the PA/CS 1747.

*Effective Date*

The effective date of §§ 105.1, 105.3, 105.4, 125.1, 133.23, 140.41, 140.53, 140.65, 140.81, 141.1, 141.21, 141.41, 141.42, 141.61, 141.71, 145.43, 151.42, 151.43, 153.42, 153.44, 165.1, 165.2, 165.11, 165.21, 165.22, 165.25, 165.31, 165.51, 165.52, 165.61, 165.71, 178.11, 178.12, 178.151, 178.161, 178.165, 181.41, 181.42, 181.251, 181.262, 181.263, 181.273, 181.287, 181.311, 183.23, 183.38, 183.71, 183.81, 183.94, 183.96 and 183.97, as amended by Act 35 and PRWORA, when published as

final-form rulemaking in the *Pennsylvania Bulletin*, will be retroactive to March 3, 1997.

The effective date of the reinstatement of the support pass-through disregard found in § 183.81(29), as amended by Act 58, will be retroactive to October 1, 1998.

The effective date of § 187.27 as amended by PRWORA, will be retroactive to July 3, 2000.

The effective date of the Family Savings Account exemption found in §§ 177.21, 177.22, 177.24 and 187.21—187.27 as amended by Act 58, is the date of publication as final rulemaking in the *Pennsylvania Bulletin*.

In addition to submitting the proposed rulemaking, the Department has provided IRRC and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the Department in compliance with Executive Order 1996-1, "Regulatory Review and Promulgation." A copy of this material is available to the public upon request.

If IRRC has any objections to any portion of the proposed amendments, it will notify the Department within 10 days of the close of the Committees comment period. The notification shall specify the regulatory review criteria which have not been met by that portion. The Regulatory Review Act specifies detailed procedures for review, prior to publication of the rulemaking, of objections raised by the Department, the General Assembly and the Governor.

\* \* \* \* \*

CHAPTER 151. SPECIFIED RELATIVES

SPECIFIED RELATIVES PROVISIONS FOR [ AFDC ] TANF

§ 151.42. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

**Adult**—An individual who is 19 years of age or older or who is 18 years of age and not a full-time

student in a secondary school or in the equivalent level of vocational or technical training.

Specified relative—[ One ] An adult or a minor parent who is exempt, under § 141.21(r) (relating to policy), from the requirements to live with an adult and who conforms with the following:

\* \* \* \* \*

§ 151.43. Requirements.

\* \* \* \* \*

(d) Temporary absence of the child or relative. The temporary absence of either the child or the relative from his home will not affect the eligibility of the child for [ AFDC ] TANF under the following circumstances:

(1) The absence of the child is not more than or expected to be more than 180 consecutive days. A specified relative who fails to report within 5 days of the time it becomes clear that a minor child will be absent beyond the consecutive 180-day period will be ineligible for assistance for 30 days.

(2) The absence does not basically affect the responsibility of the relative for the care and control of the child. However, if the child is living in a school to which the relative has had to turn over control of the child, he will not be eligible for [ AFDC ] TANF.

[ (2) ] (3) \* \* \*

(f) Pregnant women. A pregnant woman with no children or with children who are not receiving [ AFDC ] TANF may qualify for [ AFDC ] TANF for herself only as a specified relative if all of the following apply:

\* \* \* \* \*

(2) [ Delivery is expected no later than 3 months after the month of payment.

(3) [ The fetus, if born, would be eligible for [ AFDC ] TANF based on the criteria [ set forth ] in § 153.43(a) (relating to [ AFDC ] TANF deprivation of support or care requirements).

CHAPTER 153. DEPRIVATION OF SUPPORT OR CARE

DEPRIVATION OF SUPPORT OR CARE PROVISIONS FOR [ AFDC ] TANF

§ 153.42. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

Cash assistance allowance—It is the monthly family size allowance, reduced by the net income of the budget group. The family size allowance is described under § 175.23(a) (relating to requirements).

\* \* \* \* \*

§ 153.43. [ AFDC ] TANF deprivation of support or care requirements.

(a) General. If a child is living with both of his natural parents, the incapacity of either parent is the eligibility factor for [ AFDC ] TANF. If a child has been legally adopted, it is his lack of the support or care of the adoptive parent, and not of the natural parent, that is the eligibility factor for [ AFDC ] TANF. If a child is living with a parent and a stepparent, lack of support or care by

the natural parent is the eligibility factor for [ AFDC ] TANF. Deprivation of support is not considered to exist in situations where the mother and the putative father of a child born out-of-wedlock are living together with the child and paternity has been established. For Public Assistance purposes this is an intact family. The CAO documents a putative father's claim of paternity for a child born out-of-wedlock who was born within this Commonwealth on an Acknowledgement of Paternity form (H105.181) under § 153.44(e)(1) (relating to procedures). In instances where the putative father claims paternity of a child who was born out-of-State, the CAO refers the putative father to the DRS to file a DRS Voluntary Statement of Paternity form in accord with § 153.44(e)(2). In situations where the putative father living with the child denies paternity, [ AFDC ] TANF may be established based on the absence of the child's legal parent if all other eligibility requirements are met. A child is considered deprived of parental support or care if at least one parent is one of the following:

\* \* \* \* \*

(d) Unemployment of the parent. The lack of parental support or care for the child because of unemployment refers to the employment status of the parent who is the principal wage earner. The unemployment of the principal wage earner parent, as defined in § 153.44(d) will establish the [ AFDC-CU ] TANF category for the needy child regardless of the extent to which the other parent is employed.

§ 153.44. Procedures.

(a) Absence from the home. The following procedures relate to absence from the home:

(1) [ The Federal Social Security Act (42 U.S.C.A. § 602(a)(8)(D)(ii)) requires "prompt notice to the State Support Collection Agency of the furnishing of AFDC in respect to a child who has been deserted or abandoned by a parent, including a child born out-of-wedlock without regard to whether paternity of such child has been established."

(2) A child who has been "deserted or abandoned by a parent" means any child whose eligibility for AFDC is based on continued absence of the parent from the home. ] "Continued absence" will be considered to exist whenever the parent is a convicted offender permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the workday.

[ (3) ] (2) When the eligibility of a child for [ AFDC ] TANF is based on deprivation due to "continued absence" the Application for Support Services form will be completed at the time assistance is authorized for the child and forwarded to the Bureau of Claim Settlement Child Support Liaison Agent assigned to the CAO for processing as set forth in paragraph (1). [ See § 187.24(b)(2) (relating to procedures) for instructions on completion and distribution of the Application for Support Services form.

(4) ] (3) \* \* \*

[ (5) ] (4) \* \* \*

[ (6) ] (5) \* \* \*

\* \* \* \* \*

[ (7) ] (6) Whenever it is found that a parent is absent from the home, and not for one of the specific reasons

listed in paragraph (6), there must be evidence, for purposes of eligibility for [AFDC] TANF, that temporarily or permanently he is not taking responsibility for the support, care or guidance of the child.

[ (11) ] (10) For requirements relating to establishing paternity and securing support [ expected ] from a putative father or from parents who are absent from the home [ and for appropriate use of the court ], see Chapter 187 (relating to support from relatives not living with the client).

(b) Locating absent parents. Procedures are as follows:  
\* \* \* \* \*

(2) When a parent is absent from the home, the first step in exploring the resource that such parent represents to the [AFDC] TANF child or children will be to locate the parent. The purposes of location are to reunite the family where feasible, and to obtain support so far as possible.

(i) Referral to County Domestic Relations Section for support services. Referral to the Domestic Relations Section (DRS) will occur under the following circumstances:

(A) If the eligibility of a child for [AFDC] TANF is based on deprivation due to absence of a parent from the home, each applicant or recipient caretaker/relative with whom the child is living will be referred, prior to [the application interview] authorization, to the DRS as set forth in § [187.23(a)(1)(i)] 187.23(d) (relating to requirements).

At the expiration of the 10-day period, [assistance will then be continued for the AFDC child or children in the form of a protective payment as provided in Chapter 291 (relating to protective and vendor payments)] the CAO shall impose the cash assistance allowance reduction unless a timely appeal is filed in the case of a recipient.  
\* \* \* \* \*

(c) Procedures relating to determining incapacity or impairment. The following procedures relate to the determination of incapacity or impairment:

(1) Incapacity. The incapacity must be proved. If the necessary data is not already available in the case record or from the parent, the County Office will help him, if he wants help, to get the necessary verification. If the services of a competent authority are not available without cost, the County Office will authorize a medical examination. If capacity of either parent cannot be determined from the available information, the County Office will make a preliminary decision regarding the incapacity.

If the decision is that a parent appears to be incapacitated, and if the grant group meets the other [AFDC] TANF eligibility requirements, the County Office will authorize [AFDC] TANF presumptively as provided in Chapter 227 (relating to central office disbursement). When there is a question of incapacity, the client must cooperate with the County Office in providing verification of incapacity as a condition of eligibility for the family. To prove incapacity, there must be an impairment which is expected to last at least 30 days and is verified by competent medical information such as the following:

\* \* \* \* \*

\* \* \* \* \*

(ii) Unemployment is defined as: having no work, having part-time work or having "on-the-job" training in a project that is approved or recommended by the JS or the [ETP] RESET.  
\* \* \* \* \*

(v) The family will be ineligible for [AFDC-CU] TANF with respect to any week for which the principal wage earner parent qualifies for unemployment compensation under an unemployment compensation law of a state or of the United States but refuses to apply for or accept the unemployment compensation.

[ (vi) Both parents in the budget group will be ineligible for AFDC-U whenever a parent willfully fails to comply with ETP requirements. If the other parent agrees to participate in the ETP, the sanctions will only be imposed on the noncooperating parent. ]

(2) Work record requirement. Eligibility for [AFDC-CU] TANF depends on the unemployed principal wage earner parent having had a work record. A work record shall be proved. To prove a work record, there shall be evidence that the principal wage earner parent meets one of the following conditions:

\* \* \* \* \*

\* \* \* \* \*

(i) CU grant groups will be transferred to C if deprivation occurs for reasons other than the unemployment of the principal wage earner parent. Similarly, C grant groups will be transferred to CU if deprivation no longer exists except for the unemployment of the principal wage earner parent as set forth in § 153.43(d) (relating to [ AFDC ] TANF deprivation of support or care requirements).

(1) For children born in this Commonwealth, the following procedures apply:

(i) The Acknowledgment of Paternity form [ (H105.181) ] is used to establish paternity of a child born out-of-wedlock in cases where assistance is requested/received on behalf of a child born out-of-wedlock and the putative father voluntarily consents to establishing a claim of paternity by signing the form. The following procedures apply:

(A) When the putative father establishes a claim of paternity by signing the form, the worker also obtains the mother's signature on the form [ and both signatures on the completed Acknowledgement of Paternity form are notarized by the CAO. Conciliatory efforts will be documented in the case record. The recipient shall be counseled as to the purpose of the Program and the consequences of a refusal to participate ] Information indicating non-compliance with work or work-related requirements shall result in a review of compliance with these requirements. The purpose of a compliance review is to determine whether a recipient is willfully, and without good cause, not complying with work or work-related requirements. The case-

worker will inform the recipient of the need for a compliance review and the consequences of failing to participate in the compliance review. The [ conciliation session shall ] compliance review may be conducted in person [ , at an agreed upon time, unless the recipient would prefer to have it ] or by telephone according to the recipient's preference. If the recipient is willing to participate but has difficulty participating, every opportunity shall be made to reach a reasonable resolution. This shall include rescheduling appointments to mutually agreed upon times, transportation assistance and exploration of alternative components or revision of the EDP. Unless a recipient shows a clear pattern of missing appointments without good cause, these appointments shall be rescheduled ] At the compliance review, the recipient has an opportunity to present information concerning the recipient's compliance with work or work-related requirements. After reviewing the facts, the caseworker will determine if the recipient is complying with work or work-related requirements. If the caseworker determines that the recipient is noncompliant, the caseworker will also determine if noncompliance was willful and without good cause.

(c) A recipient who willfully fails, without good cause, to comply with work or work-related requirements is subject to sanction under § 165.61 (relating to sanctions). For a noncompliant recipient not subject to sanction, the caseworker will review program requirements, help identify obstacles to compliance, and with the recipient's participation, develop a new AMR to help achieve and maintain compliance.

(11) The person ends a sporadic work relationship that does not hold a reasonable possibility for permanent, full-time work to participate in an approved [ ETP ] RESET activity or to accept full-time employment.

(12) A job offer is rejected because it will result in a net loss of cash income to the budget group of the [ ETP ]

**RESET** participant. Net loss of cash income results if the budget group's gross income less actual work-related expenses plus a **[ Cash Assistance ] cash assistance** payment for which the budget group remains eligible is less than the **[ Cash Assistance ] cash assistance** previously received. The actual work-related expenses include mandatory payroll deductions as well as the actual cost of the child care, cost of care of an incapacitated person living in the same home and transportation.

\* \* \* \* \*

(15) The location of **[ an ETP ] a RESET** site or job is more than 2 hours round-trip by reasonably available public or private transportation from the client's residence.

(17) The person is claiming to be exempt from **[ ETP ] RESET** enrollment under §**[ 165.21(c)(1) ] 165.21** (relating to enrollment) and is cooperating in an attempt to provide verification.

\* \* \* \* \*

**SANCTIONS**

**§ 165.61. Sanctions.**

INCOME DEDUCTIONS

§ 183.94. Eligibility for TANF earned income deductions.

[ For expenses related to employment of each individual in the TANF budget group, subject ] Subject to the limitations in § 183.97 (relating to ineligibility for disregards from earned income for [ AFDC ] TANF and GA), [ disregard in the following order ] the earned income of each employed individual in the TANF budget group is treated as follows:

(1) [ *Work expenses.* The first \$90 per month from the earned income of each client who is employed. ] An applicant who has been a recipient of TANF in 1 of the 4 calendar months prior to this application is eligible to receive a continuous 50% disregard from gross earned income.

(2) [ *Earned income incentive deduction.* As an incentive to eligible AFDC clients to obtain and retain employment, earned income incentive deductions, subject to the limitations in § 183.96 (relating to interruptions in the 4 consecutive months of the earned income incentive deduction for AFDC and GA) and § 183.97, are made as follows: ] The applicant who has not been a recipient of TANF in one of the 4 calendar months prior to this application is

eligible to receive a continuous 50% disregard if the applicant's income after application of the following deductions is less than the standard of need for the budget group as specified in Appendix B, Table 1 (relating to standard of need).

(i) [ After the deduction allowed in paragraph (1) has been made, each employed client is eligible for a deduction of \$30 plus 1/3 of the remaining net earned income during 4 consecutive calendar months of employment. ] The first \$90 per month from gross earned income.

(ii) [ After the deduction allowed in paragraph (1) has been made, each employed client is eligible for a deduction of \$30 during the next 8 consecutive months of employment. An applicant or recipient is entitled to the \$30 income incentive deduction during any calendar month of this 8-month period for which the income of the applicant or recipient is sufficient to qualify. The 8 months of eligibility are counted consecutively, beginning with the calendar month following the end of the 4 consecutive calendar months in which the \$30 and 1/3 income incentive deduction was allowed, whether or not assistance is interrupted or income is sufficient to qualify for it. ] Personal expenses subject to the limitations of paragraph (3).

(v) An applicant or recipient who has received the \$30 and 1/3 income incentive deduction for 4 consecutive calendar months is not eligible to receive the deduction again until 12 consecutive calendar months have elapsed in which he has not been a recipient of an AFDC cash grant. When assistance is terminated during the 8 consecutive calendar month period of the \$30 income incentive deduction, the 12 consecutive months begin in the first month following the month of termination. ]

§ 183.96 [ Interruptions in the 4-consecutive months of the earned income incentive deduction for AFDC and GA ] (Reserved).

[ (a) An individual who has not received the earned income incentive disregard for 4 consecutive payment months because of application of § 183.97 (relating to ineligibility for disregards from earned income for AFDC and GA) is deemed to have received the disregard in the month of dis-

qualification, and a month of disqualification counts for purposes of the 4 consecutive month period.

(b) An individual who does not receive a cash payment in a month because of the \$10 minimum check requirements has that month counted for the purpose of the 4 consecutive months.

(c) For AFDC, if there is no earned income to be adjusted against the grant after the application of § 183.94(1) and (3) (relating to AFDC earned income deductions), that month does not count as one of the 4 consecutive months for an individual. The individual is eligible for a new 4 consecutive month period.

(d) An individual who has had a grant suspension or termination due to receipt of a regularly recurring extra paycheck within a 5-week month is not considered to have had an interruption in the accumulation of consecutive months, and does not have that month count as one of the 4 consecutive months. The individual is eligible to receive the incentive for the balance remaining in the 4-month period.

(e) An individual whose receipt of 4 consecutive months of work incentive is interrupted by loss of income with good cause, as defined in Chapter 165 (relating to Employment and Training Program) is eligible for a new 4 consecutive month period. ]

§ 183.97. Ineligibility for disregards from earned income for [ AFDC ] TANF and GA.

The deductions in §§ 183.94 and 183.95 (relating to [ AFDC ] eligibility for TANF earned income deductions; and GA earned income deductions) do not apply to the budget month income considered for the corresponding payment month for an applicant or recipient to whom one of the following conditions applies:

\* \* \* \* \*

[ (4) He voluntarily requested that assistance be terminated for the primary purpose of avoiding receipt of the earned income incentive for 4 consecutive months. ]

CHAPTER 187. SUPPORT FROM RELATIVES NOT LIVING WITH THE CLIENT

SUPPORT PROVISIONS FOR [ AFDC/GA ] CASH ASSISTANCE

§ 187.21. [ Policy ] General policy.

[ (a) ] *Legal bases for support requirements.* The Support Law (62 P. S. §§ 1971—1977) provides authority to the courts to order or direct support to needy persons from legally responsible relatives (LRR) upon petition from the needy person or the Department. The Public Welfare Code (62 P. S. §§ 101—1503) requires the Department to grant assistance only to those persons who [ are without sufficient resources to maintain themselves ] apply for and meet all conditions of eligibility. By law, then, [ LRR's ] LRRs will be a potential resource to persons applying for or receiving assistance. The Support Law (62 P. S. §§ 1971—1977), 23 Pa.C.S. §§ 4301—5104 and 7101—8415 and the Public Welfare Code (62 P. S. §§ 101—1503) mesh to make it mandatory to explore and develop the resource that an LRR may provide to a client. Under the child support program, support collection and paternity determination ser-

vices will also be made available upon request to persons who are not applying for or receiving assistance. The domestic relations section in each county has been designated to process requests for support services.

[ (b) *Automatic assignment of support rights to the Department.* Acceptance of public assistance operates as an assignment to the Department, by operation of law, of the assistance recipient's rights to receive support on his own behalf and on behalf of any family member with respect to whom the recipient is receiving public assistance. The assignment is effective at the time the recipient is determined to be eligible for public assistance and remains in effect until the termination of public assistance payments. The assignment shall be effective only up to the amount of AFDC/GA received.

(c) *Responsibilities of Claim Settlement Child Support Unit.* The Bureau of Claim Settlement Child Support Unit will have the responsibility for securing support in cases involving desertion or abandonment. The Support Unit responsibilities will include, but will not be limited to the following:

- (1) Assisting, when necessary, in locating absent parents.
- (2) Establishing and enforcing support orders.
- (3) Initiating legal action for establishing paternity for a child born out-of-wedlock.
- (4) Collecting support payments.

(d) *Effect of automatic support order assignment on the grant.* When the applicant is determined eligible for assistance, the assistance unit is entitled to receive the appropriate family size allowance. Payments received from a support order will not be adjusted as income.

(e) *Treatment of support collections.* For those cases where support payments have been made payable to the Department, the Bureau of Claim Settlement Child Support Unit will transmit to the County Assistance Office a monthly printout of the amount of collection received which represents a current payment on the required support obligation for that month. This information will be used by the County Assistance Office to determine if the money collected through support order, when treated as income, will be sufficient to make the family ineligible for an assistance payment. If the case is determined ineligible on this basis, the support collection will be considered as income and the County Assistance Office will be responsible for the following:

- (1) Notifying the family of closing action and reason via the Form 162-A process.
- (2) Promptly transmitting this closing action, via Form PA 293, to Claim Settlement Support Liaison Agent assigned to the CAO for processing so that the support payments can be mailed directly to the family. The worker will prepare the Form PA 293 for transmittal at the same time the worker prepares the Form PA 764, Authorization for Case Closing.

(f) *Timing the effect.* Timing the effect of support collections will conform with the following:

(1) An essential component in the treatment of support collections is the rapid and complete interchange of information between the County Assistance Office and the Claim Settlement Child Support Unit. This is necessary to insure the families continued receipt of income.

(2) The Claim Settlement Child Support Unit will transmit the notification, or printout, of support collections received to the County Assistance Office at the beginning of the month following the month of collection.

(3) Upon receipt of this information, the County Assistance Office will determine the eligibility of the family for an assistance payment as soon as feasible, but no later than the second month after the month in which the notification is received by the CAO.

(g) *Form PA 293 (Child Support Action Notice).* Use of Form PA 293 will be as follows:

(1) The County Assistance Office will use the Form PA 293, Child Support Action Notice, to transmit information to the Child Support Unit regarding case dispositions for spouse and parent of unemancipated minor children.

(2) Whenever a child support case is discontinued, transferred to another county, or reopened within a period of ninety days following closure, the County Office will complete the Form PA 293 in duplicate, identifying the appropriate action taken. This form will be forwarded to the Child Support Unit at the same time the appropriate budget action is taken in the case. A copy of the Form PA 293 is retained in the case record.

(3) From the information transmitted on the Form PA 293, the Child Support Unit will determine the appropriate action to be taken by the Agency with regard to support services currently received by the client, such as reassignment of an existing court order to the beneficiary, and the like. ]

#### § 187.22. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

[ *Alimony*—An order for support granted by the court to a spouse or former spouse in conjunction with a decree grant, a divorce, or annulment. ]

*Arrears*—Past due and unpaid support.

*BCSE—Bureau of Child Support Enforcement*—The organizational unit in this Commonwealth responsible for supervising the State Plan for Child Support Enforcement under Title IV-D of the Social Security Act (42 U.S.C.A. §§ 651—669b).

*Budget group*—One or more related or unrelated individuals who occupy a common residence or would occupy a common residence if they were not homeless individuals and whose needs and eligibility are considered together in determining eligibility for cash assistance under one category of assistance.

*CAO—County assistance office*—The local office of the Department responsible for the determination of eligibility for cash, food stamps and MA Programs.

**Cash assistance allowance**—The amount of money that is based on the monthly family size allowance, reduced by the net income of the budget group. The family size allowance is described under § 175.23(a)(relating to requirements).

[ **Child**—Natural or adopted under 21 years of age.

**Child born out-of-wedlock**—A child will be considered to be born out-of-wedlock in the following instances:

(i) When the mother of the child is unmarried when the child is born, except when marriage was terminated by death or divorce between conception and birth, or declared legally void.

(ii) The mother of a child born during marriage names a person other than her husband as the father of the child.

(iii) There is evidence that the husband of the mother of the child has been separated from the mother during the 12 months immediately prior to the birth of the child. When the natural parents of a child born out-of-wedlock marry at a later date, the child will become legitimated just as if he had been born during lawful marriage. In such a case, the father will become an LRR and the applicable LRR regulations will apply. Accordingly, pending paternity action will be terminated. ]

**DRS—Domestic relations section**—The division of a court of common pleas responsible for establishing and enforcing support orders.

**Establishing paternity**—The process that determines the legal father of a child.

[ **LRR—Legally Responsible Relative**—Husband, wife or parents of an unemancipated minor child. A putative father is not an LRR unless one of the following conditions applies:

(i) Paternity is legally established by court action.

(ii) The child born out-of-wedlock is legitimated by the legal marriage of the mother of the child to the putative father.

(iii) The putative father signs an Acknowledgement of Paternity form, H105.181, under § 153.44(e)(1) (relating to procedures) for a child born within this Commonwealth, which is filed with the Department of Health, and one of the following conditions exists:

(A) The mother also signs the Acknowledgement of Paternity form.

(B) The putative father lives with the child for whom paternity is being claimed and the mother is the absent parent. ]

**LRR—Legally responsible relative**—The spouse, including common-law, of the applicant/recipient of cash assistance, and the biological or adoptive parent of an unemancipated minor child for whom cash assistance is sought or received.

**Obtaining support**—Establishing, modifying or enforcing a support order.

[ **Spouse**—The legally married person, including common-law. ]

**Support**—A judgment, decree or order whether temporary, final or subject to modification, imposed or imposed by a court or an administrative agency of competent jurisdiction for the support and maintenance of either a child or spouse, or both, which provides for monetary support, health care, arrears or reimbursement, and which may include other relief.

**Unemancipated minor child**—An individual who is under 18 years of age, or an individual 18 years of age or older but under 21 years of age, who has not graduated from high school, is not married and is in the care and control of a parent or caretaker.

#### § 187.23. Requirements.

(a) [ **Unemancipated minor children**. Because the responsibility of a parent for an unemancipated minor child is seen as greater than that for the spouse, separate requirements have been established for securing support from absent parents for their children. The requirements will be applicable to recipients or applicants for AFDC when the child's eligibility is based on absence of a parent from the home and, when the child is born out-of-wedlock, without regard to whether paternity has been established. ] **Applicability**. This chapter applies to applicants for and recipients of cash assistance if there is: The reported absence of a parent from the home of an unemancipated minor child; a putative father for an unemancipated minor child; or a spouse absent from the home. The absence of a parent from the home is determined according to the requirements under § 153.44(a) (relating to procedures).

[ (1) **Referral to Domestic Relations Section**. Referral to DRS will conform with the following:

(i) When the eligibility of a child for AFDC is based on continued absence of a parent from the home, prior to the application interview, the applicant parent or other caretaker with whom the child is living will be referred to the DRS, with the Application for Support Services form. The applicant shall return the form to the CAO worker, completed by a DRS official, as verification of DRS action taken.

(ii) DRS referral will not be required in the following circumstances:

(A) The applicant parent/caretaker provides verification of a support complaint having been filed within the last 90 days.

(B) The applicant parent/caretaker provides verification of an existing Order of Support having been established within the last 12 months.

(C) The applicant parent/caretaker initiates a good cause claim as set forth in subparagraph (iii).

(D) A mutual agreement exists between the DRS and the Department regarding local referral procedures.

(iii) The CAO worker will provide an AFDC applicant parent/caretaker with the opportunity to claim good cause as an exception to cooperation requirements, prior to the application interview. If the applicant initiates a claim for good cause as set forth in paragraph (3), the Application for Support

Services form will be completed, but no support activity initiated pending final disposition of the good cause claim.

(2) *Cooperation.* As a condition of continued eligibility for AFDC under § 141.21(a) (relating to policy), a caretaker/relative with whom the child is living will be required to cooperate with the Department in identifying and locating the absent parent, establishing the paternity of a child born out-of-wedlock and obtaining support payments, unless a claim for good cause is pending or determined to exist, as provided in paragraph (3). The term Cooperate includes the following:

(i) Appearing at the offices of the local CAO or DRS as necessary to perform the following:

(A) Provide verbal or written information or documentary evidence known to, possessed by or reasonably obtainable by the applicant or recipient caretaker/relative that is relevant to achieving support from the absent parent.

(B) Sign the necessary legal forms required to file petitions for support.

(ii) Appearing as a witness at court or other hearings or proceedings necessary to achieve support from the absent parent.

(iii) Paying to the Claim Settlement Support Agency child support payments received from the absent parent after an assignment of support rights has been made to the Department and the client is receiving a full allowance. Payments will be turned over to the Child Support Agency only because the client will be receiving a full assistance check.

(3) *Good cause as an exception to cooperation requirements.* Cooperation requirements will be waived if the caretaker/relative establishes that he has good cause for refusing to take support or paternity action or both against the absent parent or putative father, because to do so would not be in the best interest of the child. Prior to requiring cooperation, the CAO will notify an applicant or recipient of the right to claim good cause and the requirements applicable to a good cause determination. Form PA 173-WP will be used as the good cause notice to the applicant or recipient. The Form PA 173-WP sets forth the circumstances under which the caretaker/relative may claim good cause and lists the types of evidence the client may present to corroborate his claim as provided in subparagraphs (i) and (ii).

(i) Circumstances under which cooperation may be against the best interest of the child are as follows:

(A) The client's pursuit of paternity or support action is reasonably expected to result in either of the following:

(I) Serious physical or emotional harm to the child.

(II) Serious physical or emotional harm to the mother or other caretaker/relative with whom the child is living to the degree that it reduces his capacity to care for the child adequately.

(B) The child was conceived as a result of incest or rape.

(C) Legal proceedings for the adoption of the child are pending before a court.

(D) The relinquishing of the child for adoption is currently under resolution with a public or private social agency and discussions have not gone on for more than 3 months.

(ii) A good cause claim may be corroborated with the following types of evidence:

(A) Court, medical, criminal, child protective services, social services, psychological or law enforcement records which indicate that the putative father or absent parent might inflict physical or emotional harm on the child or other caretaker/relative.

(B) Medical records which indicate the emotional health history and present emotional health status of the child or caretaker/relative; or written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the child or caretaker/relative.

(C) Birth certificates or medical or law enforcement records which indicate that the child was conceived as the result of incest or rape.

(D) Court documents or other records which indicate that legal proceedings for adoption are pending.

(E) A written statement from a public or private Social Agency that the caretaker/relative is currently being assisted by the Agency to resolve the issue of whether to keep the child or relinquish him for adoption.

(F) Sworn statements from individuals other than the applicant or recipient with knowledge of the circumstances which provide the basis for the good cause claim.

(iii) The applicant or recipient caretaker/relative has the burden of proving the existence of his good cause claim and must provide the corroborative evidence required to support the claim within 20 days from the day the claim was made. In exceptional cases, when it has been determined, with supervisory approval, that additional time will be needed by the client because of difficulty in obtaining the evidence, a reasonable additional period of time will be granted.

(iv) If requested by the caretaker/relative, the county staff will provide assistance in securing the needed evidence by advising how to obtain specific documents that may be available to him and by undertaking to obtain any specific documents the client is not able to obtain on his own.

(v) In exceptional cases where the applicant or recipient's claim is based on the anticipation of physical harm and he is unable to provide corroborative evidence to support the claim because none is available, the caretaker/relative must assume the burden for establishing the credibility of the claim without the required evidence, as well as explaining why no evidence is available. In these situations, the county staff will conduct an investigation of the claim, the results of which should verify the credibility of the client. If the caretaker/relative's statement and the investigation which is conducted satisfies the county staff that the client does have good cause for refusing to cooperate, the claim will be considered as valid without corroborative evidence. The basis for this decision which is subject

to supervisory review and approval, will be recorded in the case record.

(vi) In cases where the caretaker/relative's statement of the circumstances, together with the corroborative evidence supplied do not provide sufficient basis for making a determination, the county staff may find it necessary to conduct an investigation of the claim in order to determine whether good cause does, or does not exist. If an investigation is deemed necessary, the caretaker/relative will be required to provide the county staff with sufficient information, such as, name and address of the putative father or absent parent, if known, to permit the investigation. However, the absent parent or putative father will not be contacted unless determined to be necessary to establish the good cause claim of the caretaker/relative. The county staff will notify the caretaker/relative prior to making contact with the absent parent or putative father to enable him to present additional corroborative evidence or information so that the contact becomes unnecessary, withdraw the application for assistance, have the case closed, or have the good cause claim denied with the right to appeal and a fair hearing as provided under Chapter 275 (relating to appeal and fair hearing and administrative disqualification hearings).

(A) *Determining good cause for refusing to cooperate.* In cases where the applicant or recipient caretaker/relative initiates a claim of good cause as an exception to cooperation requirements, the County staff will make a finding as to whether good cause exists. This finding will be based on the corroborative evidence supplied by the client and the investigation if deemed necessary. The good cause determination will be made on a case-by-case basis and the final decision requires a subjective judgment on the part of the County staff. The decision will be based on the weight, sufficiency, and quality of the gathered evidence.

(i) The County staff will make a determination as to whether or not good cause exists within a time frame of 45 days from the day the good cause claim was initiated by the caretaker/relative. If additional time is needed to verify the client's claim because the information required cannot be obtained within the 45-day time frame, or the client did not provide corroborative evidence within the period required as set forth in paragraph (3)(iii), the worker will record this information in the case record.

(ii) In situations where investigation of a good cause claim is necessary, the determination will be based on any verifying information secured that will corroborate the statements of the applicant/caretaker/relative regarding the circumstances. The good cause circumstance must be confirmed by the investigation and supported, to the extent possible, by written statements.

(iii) In determining good cause based on physical or emotional harm to the parent, the circumstances must be of a serious nature that they would reduce the capacity of the applicant/caretaker/relative to care for the child or children adequately. In situations where the good cause claim is based solely on anticipation of emotional harm to the child or caretaker/relative, the corroborative or documentary evidence provided by the client to support this claim should indicate the emotional health history

of the caretaker/relative or the child, the present emotional health status, the intensity and probable duration of the emotional impairment. Supportive evidence submitted from a mental health professional shall be defined as statements written by persons who have obtained licensure or certification, if applicable, or have received a degree in defined areas of mental health including, but not limited to, psychiatry, social work, psychology, nursing, occupational therapy, or recreational therapy. In making the good cause determination, the County staff will evaluate the evidence in relation to the degree of cooperation that will be required of the caretaker/relative as well as the extent to which the client will be involved in the support activity.

(iv) In the process of making a final determination of whether good cause does or does not exist, county staff will give the Child Support Unit the opportunity to review and comment on its findings and the basis for the decision proposed. Recommendations subsequently received from the Child Support Unit will be considered when making the final determination. The Child Support Unit will be subsequently notified of the final decision made on each case. Form PA 173-GC will be used for the interchange of information between County staff and the Child Support Unit.

(v) In a case where a claim of good cause has been initiated by the caretaker/relative, prior to making a final determination within the allotted 45-day time frame, the county staff will complete, in duplicate, the Form PA 173-GC good cause determination notice, indicating the proposed decision and basis for the decision. The Form PA 173-GC will be signed and dated by the worker and the original transmitted to the Child Support Unit for their review and recommendations. The Child Support Unit will subsequently be notified via the Form PA 173-GC, of the final decision made in a case as to whether or not the caretaker/relative has good cause for refusing to cooperate. If the caretaker/relative feels that the decision made is unfair, discriminatory or incorrect, he has the right to appeal and a fair hearing, as provided under Chapter 275. The Child Support Unit will be given the opportunity to participate in a hearing resulting from the appeal of the caretaker/relative.

(vi) In those cases where a finding of good cause has been made, the Child Support Unit will not attempt to establish paternity nor collect support. The caretaker/relative will be notified in writing of the final determination as to whether good cause does or does not exist, including basis for the determination, and the worker will record the decision and supporting evidence.

(vii) In cases where a claim for good cause is initiated by the caretaker/relative after the initial support referral has been made, the County Assistance Office will promptly notify the Child Support Unit, via memorandum, that a determination is pending to ensure that all support and paternity activities are suspended until notification of a final determination.

(viii) In cases where a finding of good cause was based on a circumstance that is subject to change, the decision will be reviewed by county staff at the time of a redetermination of eligibility. If it is

determined that the circumstances have changed and good cause no longer exists, cooperation requirements as set forth under paragraph (2) become applicable.

(ix) A statistical reporting form, SSA-4681, Case Report on Claims of Good Cause for Refusing to Cooperate in Establishing Paternity and Securing Support, will be used by the counties for reporting specific data required by the Department, relating to good cause claims. For a good cause claim, the county staff will complete a SSA-4681, in triplicate, and transmit the original and first copy of each form to the Department's Research and Statistical Unit at the end of each month. The second copy of the SSA-4681 will be retained in the case record or clerical control file.

(5) *Responsibilities of the County Assistance Office.* Except in those cases where a claim for good cause is pending or has been established, if the caretaker/relative fails to cooperate with the Domestic Relations Section or the Child Support Unit with regard to any one of the support activities specified in paragraph (2), the Child Support Unit will notify the County Assistance Office via memorandum.

(i) Upon receipt of the notification, the County Assistance Office will send a Form PA 162-A to the caretaker/relative proposing action to remove the caretaker/relative from the grant and establishing protective payment for the child or children by reason of failure to comply with cooperation requirements. The caretaker/relative subsequently will have the opportunity to take whatever action is required to establish continuing eligibility or appeal the decision, as set forth in § 133.4 (relating to procedures).

(ii) The CAO worker will be responsible for informing the caretaker/relative that the keeping of scheduled appointments with the DRS for interview with a Support Official is a condition of eligibility and that failure to comply will necessitate adverse action under subparagraph (i) in the case.

(6) *Responsibilities of the Domestic Relations Section.* The Domestic Relations Section of the court in a county has been designated as the Child Support Unit Intake Office to process requests for support. Responsibilities of the DRS in this regard will include the following:

- (i) Conducting initial support interviews.
- (ii) Filing petitions for support.
- (iii) Conducting prehearing conferences to determine special needs that may exist, such as health problems, doctor bills and the like.
- (iv) Initiating location activity on a local level.
- (v) Conducting prehearing conferences with client and defendant for possible reconciliation or settlement out of court. ]

(b) [ *Requirements for seeking support from a spouse.* Requirements for seeking support from a spouse will be as follows: ] *Cooperation criteria for child support.* As a condition of eligibility for cash assistance, every applicant or recipient seeking or receiving cash assistance on behalf of an unemancipated minor child shall cooperate in es-

tablishing paternity of an unemancipated minor child with respect to whom assistance is sought and cooperate in obtaining support from an LRR for the unemancipated minor child, unless the applicant or recipient has good cause for failing to do so. Cooperation includes taking the following actions:

(1) [ *General.* The following will constitute the general requirements for securing support from a spouse and the method used for determining the financial ability of the spouse to support: ] Identifying the parents of an unemancipated minor child for whom assistance is sought or received, including appearing for scheduled genetic testing with the child and submitting to the testing.

(i) [ The client will be required, as a condition of eligibility for assistance, to provide sufficient information about the location of the spouse. The client will be expected to assist in locating a missing LRR to permit a determination of the ability of the spouse to provide support or court action as provided in § 187.24(h) (relating to procedures). ] Failure of the mother to identify by name the father of an unemancipated minor child shall create a presumption of noncooperation which may be rebutted only by clear and convincing evidence.

(ii) [ Further steps to seek support will not be required whenever the information provided indicates that the spouse is either of the following: ] If the applicant or recipient provides the names of two putative fathers subsequently excluded from paternity by genetic testing, the second exclusion shall create a presumption of noncooperation, which may be rebutted only by clear and convincing evidence.

[ (A) Receiving assistance, including SSI or SBP.

(B) Mentally or emotionally unstable and the evidence clearly indicates that further efforts to obtain support would expose the client to danger or injury. The Executive Director or his delegate must approve this decision. ]

(2) [ *Providing information about the spouse's financial circumstances.* Information about the financial circumstances of the spouse will conform with the following: ] Keeping scheduled appointments with the Department or the DRS.

[ (i) The client may be able to provide the information himself or obtain it directly from the spouse. The County Assistance Office will help the client secure the information when necessary.

(ii) If the spouse refuses to provide the information and it cannot be obtained in any other way, court action is required, as set forth in § 187.24(h).

(iii) If the client refuses to provide the information or to take specific steps that appear warranted by the circumstances, including giving his consent for the County Assistance Office to contact the spouse directly, he will be advised that the Department will initiate court action in accordance with § 187.24(h), unless the client withdraws his request for assistance. ]

(3) [ *Providing information about the location of the spouse.* Information about the location of the

spouse shall be provided in accordance with the following: ] Providing truthful and accurate information and documents requested by the Department or the DRS.

(i) When the whereabouts of a [ spouse ] parent or putative father are unknown, the [ client ] applicant or recipient will be required to take whatever steps are appropriate to the individual circumstances to locate the missing [ spouse ] parent or putative father. This may include contacting relatives and friends for information about the whereabouts of the [ spouse ] parent or putative father or giving consent to the [ County Assistance Office ] CAO to contact other agencies, relatives and other individuals, or possible employers and similar resources.

(ii) [ County staff ] The CAO will provide whatever help is appropriate to the individual circumstances of the [ client needs ] applicant/ recipient to assist in locating the missing [ spouse ] parent or putative father and supplement the efforts of the [ client ] applicant/recipient by checking appropriate governmental records [ , such as OASDI, Bureau of Employment Security, Bureau of Motor Vehicles and the like ] .

(5) Appearing as a witness and providing testimony at judicial and other hearings as requested by the DRS.

(6) Paying to the Department any support payment received directly from an absent parent after an assignment of support has been made.

(c) *Cooperation criteria for spousal support.* As a condition of eligibility for cash assistance, every applicant or recipient seeking or receiving cash assistance on behalf of himself and for whom there is an absent spouse shall cooperate in obtaining support unless there is good cause for failing to do so. Cooperation includes the following:

(1) Naming the absent spouse.

(2) Keeping scheduled appointments with the Department or the DRS.

(3) Providing truthful and accurate information and documents requested by the Department or the DRS.

(i) When the whereabouts of a spouse are unknown, the applicant or recipient will be required to take whatever steps are appropriate to the individual circumstances to locate the missing

(ii) The CAO will provide whatever help is appropriate to the individual circumstances of the applicant/recipient to assist in locating the missing spouse and supplement the efforts of the applicant/recipient by checking appropriate governmental records.

(iii) Together, the CAO staff and the applicant/recipient will plan and agree on the specific steps to be taken to locate the missing spouse. Assistance will be authorized or continued on the agreement of the applicant/recipient to take the specific steps within the time set for doing so.

(2) Cooperate with the procedures established for the county when a waiver of the personal appearance requirement is in place. The Secretary is authorized to waive the personal appearance requirement under paragraph (1) if another procedure would be as effective and efficient and a family court or DRS requests a waiver.

(3) In the case of a newborn, cooperate with the requirements under § 133.23(b)(4)(v) (relating to requirements).

(4) File a good cause claim. The cooperation requirements are waived from the time a good cause claim is filed until the CAO, court of common pleas or DRS makes a determination on the claim. If the CAO, court of common pleas or DRS determines that good cause exists, the cooperation requirements are waived until the good cause waiver expires.

(e) *Assignment of support rights.* Acceptance of cash assistance shall operate as an assignment to the Department, by operation of law, of the assistance recipient's rights to receive support, on the recipient's own behalf and on behalf of any family member with respect to whom the recipient is receiving cash assistance. The assignment shall only be effective up to the amount of assistance received. The assignment shall take effect at the time that the recipient is determined to be eligible for assistance. Upon termination of assistance payments, the assignment of support rights shall termi-

nate, provided that any amount of unpaid support obligations shall continue as an obligation to and collectible by the Department to the extent of any unreimbursed assistance consistent with Federal law.

§ 187.24. [ Procedures ] (Reserved).

[ (a) *General.* For GA cases, the findings of the Department on the ability of the spouse to support will be exclusively for the purpose of determining need for assistance. When, under the standards of the Department, the spouse appears able to support, the result is termed an expected contribution. However, the court alone will have the authority to order an LRR to support his dependents and it will always be the right of the client to ask the court to decide how much support the spouse must give.

(b) *AFDC referral to Domestic Relations Section.* For AFDC applicants, when the eligibility of a child is based on continued absence of a parent from the home, referral to the DRS will be made in accordance with the following:

(1) *General.* General procedures for referral to DRS will be as follows:

(i) Prior to the application interview, the caretaker/relative will be referred, with the Application for Support Services form, to the local County Domestic Relations Section. See § 187.23(a)(1)(ii) (relating to requirements) for exceptions to this requirement.

(ii) The CAO worker preparing the Application for Support Services form will be responsible for informing the caretaker/relative of the referral requirements prior to the application interview. The client will be informed that cooperation is a condition of eligibility and failure to comply will result in the caretaker/relative being ineligible for assistance with protective payments authorized for the child or children. The Application for Support Services form shall be completed by a DRS official and returned to the CAO as verification of DRS action taken.

(iii) At the time of the support interview, the caretaker/relative will be required to cooperate by providing all known information necessary for identification and location of the absent parent as well as by providing all known information regarding the circumstances of the absent parent, as set forth in § 187.23(a)(2)(i)(A).

(iv) If the caretaker/relative is unable to provide any part of the information requested regarding the absent parent, but does cooperate to the extent that he is able, the caretaker/relative will continue to be eligible for assistance.

(v) If the client later secures new or additional information regarding the absent parent, he will be referred to the DRS Support Official for updating or correcting the original information provided. The Support Liaison Agent will be responsible for updating the information contained in the Claim Settlement Central Registry files as set forth in § 153.44(b)(2)(ii) (relating to procedures).

(2) *Application for Support Services form.* The Application for Support Services form will be in accordance with the following:

(i) The Application for Support Services form will be used to perform the following:

(A) Notify the Bureau of Claim Settlement Child Support Unit of the furnishing of AFDC in all cases where the eligibility of a child is based on continued absence of a parent from the home. The Application for Support Services form will be forwarded to the Claim Settlement Support Liaison Agent assigned to the CAO for processing within 2 working days of authorization or at the time such absence occurs while the child is receiving AFDC, as set forth in § 153.44(a)(1).

(B) Refer the caretaker/relative to the County DRS prior to the application interview.

(C) Notify the court of all eligible AFDC/GA cases authorized on the basis of continued absence of a parent or spouse to effect automatic assignment of support payments to the Department.

(D) Provide DRS validation of specific support action initiated by the applicant parent/caretaker for CAO eligibility determination purposes.

(ii) The Application for Support Services form will be prepared in quadruplicate by the CAO worker prior to the application interview and will be processed as provided by instructions noted on the form.

(A) The CAO worker will explain to the applicant the procedure used by the local DRS and the CAO in completing the form.

(B) (Reserved).

(C) (Reserved).

(D) (Reserved).

(iii) In cases where the caretaker/relative initiates a claim for good cause under § 141.21(d)(2)(i) (relating to policy) and a determination is pending, a referral will not be made to the DRS. Following the application interview, the form will be processed as applicable to the case situation.

(c) *Referral of nonassistance persons.* Under provisions of the Child Support Program, support collection and paternity determination services will also be made available to nonassistance persons upon request. Since the Domestic Relations Office in each County has been designated as the Child Support Unit Intake Office to process requests for support services, all nonapplicant persons requesting such services through the CAO will be referred directly to the local Domestic Relations Office.

(d) *Spouse or former spouse under a court-ordered support.* Court-ordered support, as used in this section, will include alimony payments. For GA cases, a spouse or former spouse under a court order shall comply with the following:

(1) *Automatic assignment and effect of court orders on the grant.* Automatic assignment and effect of court orders on the grant will be in accordance with the following:

(i) Upon acceptance of assistance, the client's rights to spousal support on his behalf are assigned to the Department by operation of law. Therefore, when the client is determined eligible for assistance and is receiving or expects to receive court-ordered support from a spouse or former spouse, he is entitled to the full assistance allowance.

(ii) (Reserved).

(iii) (Reserved).

(iv) The Bureau of Claims Settlement will have the responsibility for enforcement of court orders when the Department is the payee.

(2) *Payment of an existing court order to the Department.* The payment of an existing court order to the Department will be in accordance with the following:

(i) In case situations where there is an existing court order payable to the Department under the automatic assignment provision, the client must agree to pay to the Claim Settlement Support Agency any support or alimony payments received from the absent spouse or former spouse after an assignment has been made to the Department and the client is receiving a full allowance. Payments will be turned over to the Support Collection Agency only because the client will be receiving a full assistance check.

(ii) The Application for Support Services form will be used to effect payment or support under an existing court order to the Department. Upon authorization of assistance, the completed form will be forwarded to the Support Liaison Agent assigned to the CAO for transmittal to the DRS.

(3) (Reserved).

(e) *Spouse not under a court order.* In GA cases, for the spouse not under a court order, the following method will be used to determine financial ability to support:

(1) The contribution expected from a spouse not excluded by § 187.23(b) will be determined as follows:

(i) The dependents living with the spouse will be determined. Minor children under 18 years of age will always be included. Other persons will be included if:

(A) They are without income of their own.

(B) The spouse requests their income be added to his income.

(ii) Total net income of the spouse including that of his dependents whose income, by his request, must be taken into account, will be determined. Net income from self-employment or business is profit before tax deductions. Net income from other employment is gross less \$20 per month for work expenses, as determined by subsection (e) and § 183.22 (relating to profit from self-employment).

(iii) The amount the spouse is paying for the support of his minor child or children outside his home will be deducted from the total arrived at in subparagraph (ii).

(iv) The appropriate figure from the following income scale will be selected and subtracted from the total net income:

No. of Persons Depen- dent Upon LRR's Income	1	2	3	4	5	6	Each Addi- tional Person
	Net Monthly Income	\$173	\$260	\$317	\$373	\$423	

(v) 1/2 will be applied to the remainder.

(vi) The expected contribution will be the resulting figure or the total allowance for the client, whichever is the lesser.

(2) The total allowance for the client will be the difference between the family size allowance with the client in the assistance unit, excluding special needs allowances, and what the allowance would be if the client were not included in the assistance unit.

(f) *Waiver of an expected contribution.* An expected contribution will be waived as follows:

(1) When a spouse has been determined able to contribute according to subsection (e)(1), the expected contribution may be waived by the Executive Director or his delegate when it appears unsound, unreasonable, or impracticable to expect the spouse to make the determined contribution.

(2) In evaluating whether it is unsound, unreasonable or impracticable to expect the spouse to make the determined contribution, the Executive Director or his delegate will take into consideration circumstances such as but not limited to the following:

(i) The spouse has a medically diagnosed physical or psychological condition that warrants waiver.

(ii) The spouse is already providing support by order of the court to another person that is in an amount as to cause hardship for the spouse if also required to support the client.

(iii) The spouse has legitimate financial obligations, such as high medical bills or heavy loss because of major disaster, that would prohibit him from meeting the expected contribution.

(iv) The spouse is mentally or emotionally unstable to such a degree that further efforts to secure the expected contribution would expose the client to danger or injury.

(3) A waiver will be made for a special period related to the circumstances of the spouse. The period will usually be no longer than 6 months and never more than 1 year without reconsideration.

(g) *GA Spouse or GA Parent Found able to contribute under § 183.91 and 183.92.* The following apply:

(1) When it has been determined under subsections (e) and (f) that a spouse or parent is financially able to provide support, the client is expected to either contact the spouse or parent directly to arrange for the amount of the expected contribution or to give consent for the CAO to contact the spouse or parent. If the expected contribution from the spouse or parent is secured, it shall become

available to the client. Court action is required in accordance with the procedures in subsection (h) in the following cases:

(i) The total amount of the expected contribution is not secured.

(ii) The client is unwilling to contact the spouse or parent directly and objects to the Department contacting the spouse or parent.

(2) Assistance shall be continued until the court makes a decision. An amount that the spouse or parent is actually contributing is considered income available to the client.

(h) *Court action.* Court action procedures will conform with the following:

(1) *General.*

(i) Court action for support by either Claim Settlement or client will be required whenever one of the following circumstances exists:

(A) Information about the financial circumstances of the spouse cannot be obtained as set forth in § 187.23(b)(2).

(B) A contribution is expected from the spouse but the spouse does not provide the amount expected, as set forth in subsection (g).

(C) (Reserved).

(D) (Reserved).

(ii) The client will be expected to take court action within 30 days from the date of the decision that the spouse is expected to contribute. If at the end of the 30 days, the client has not initiated court action, the County Assistance Office will send a written notice to the client advising him that the Department will initiate the legal action to obtain support. This notice will advise the client that the legal proceedings will begin ten calendar days from the date of the notice unless the client either:

(A) Initiates the action himself within the 10-day period.

(B) Requests assistance be discontinued.

(iii) If, within the specified 10 calendar-day period, the client does not indicate he will take court action or request closure, the County Assistance Office will prepare and submit a Form PA 173-B, Referral for Support Action, according to paragraph (2).

(iv) Whenever court action for support is indicated and the spouse lives in another state, reference should be made to for support duties imposed by the laws of the other state. If the information shows that support duties are not imposed on the spouse in that state, court action will not be required.

(2) *Referral to claim settlement.* For GA spousal support cases, the Referral for Support Action will be used to initiate Departmental court action for support. The form will be prepared in duplicate. The original of the completed form will be sent to the Claim Settlement Office. The copy will be retained in the case record. The form will be submitted as soon as the information has been received and the decision made as to the need for support action. A Referral for Support Action must always be made in the following situations:

(i) Court action is required as specified in subsection (f).

(ii) A client wants an existing court order paid to the Department, as set forth in subsection (d)(2).

(iii) Assistance is discontinued for a person for whom a court order is being paid to the Department, as set forth in this subsection.

(iv) A client requests release of a court order being paid to the Department, as set forth in subsection (d)(2).

(v) Client or county has received notice of a petition by the spouse or a scheduled hearing to reduce the amount of an existing court order or to adjust or cancel arrearages due under the order.

(3) *Responsibilities of claim settlement.* The responsibilities of the Bureau of Claim Settlement regarding support will be as follows:

(i) To represent the Department in all court actions on support.

(ii) To promptly initiate the court action indicated on the referral when such action in its judgment is warranted and advisable, taking into consideration the laws which apply and the possibility of collecting support from the named spouse in an amount sufficient to justify the cost of the proceedings.

(iii) To receive and credit court-ordered support payments when the Department is the payee or assignee.

(iv) To take prompt legal steps for the enforcement of a court order in which the Department is the payee or assignee.

(v) To promptly notify the County Assistance Office of the decision of the court on each referral.

(vi) To keep the records and reports of support received as are prescribed by the Department, the Federal agencies, and the courts.

(vii) To advise the County Assistance Office on questions of law and legal procedure regarding the enforcement of support and support reimbursement.

(4) *Interchange of information.* Interchange of information between the County Assistance Office and the Claim Settlement Office will be as follows:

(i) An essential component of support action referrals is the rapid and complete interchange of information between the County Assistance Office and the Claim Settlement Office.

(ii) The Claim Settlement Office will report to the County Assistance Office by memorandum the results of the decision of a court. This will include date referred to court, date of hearing, decision, amount of order, effective date of order and reason if petition is not granted plus any other information pertinent to the action.

(iii) The County Assistance Office will send a dummy copy of the Authorization for Assistance to the Claim Settlement Office whenever a case is opened, discontinued or address changed, indicated by an entry on the face sheet.

(iv) When the Claim Settlement Office decides a court action is not warranted or advisable as set forth in paragraph (3), a memorandum giving the

reasons will be sent to the County Assistance Office with a copy to the Director, Bureau of Policy.

(i) *Redetermination of ability to support (spouse for spouse).* Redetermination of ability to support will be in accordance with the following:

(1) The financial circumstances of the spouse will be redetermined periodically, except in those situations where the following has been determined:

(i) The whereabouts of the spouse is unknown.

(ii) The earning capacity of the spouse is so limited that there is little or no likelihood of his ever having sufficient income to provide support. Work history, mental or physical handicaps, lack of skills, age related to capacity and skill, or addiction to alcohol or drugs are examples of the factors that might be taken into account in making this decision.

(iii) The spouse is a housewife without income whose homemaking responsibilities make employment unlikely.

(iv) The spouse is mentally or emotionally disturbed to the extent that his reactions would threaten or be injurious to the person for whom he is legally responsible.

(2) In the instances described in paragraph (1)(i)–(iii), further determinations of the financial ability of the spouse or further efforts to locate a missing spouse will be made only if new information about the circumstances of the spouse or whereabouts comes to the attention of the County Office.

(j) *Allotments.* Allotments will conform with the following:

(1) *Service Departments administering allotments.*

These allotments will be optional with the service person and may be discontinued whenever he wishes. The amounts will depend on the arrangements made by the service person.

(3) *Information on allowances and allotments other than Class Q.* If a client has been unable to

obtain satisfactory adjustment of a problem through correspondence with the proper service department, the home service worker in the local Red Cross chapter may be able to assist the client by getting in touch, through proper channels, with the Red Cross Field Director at the duty station of the serviceman. American Red Cross Field Directors will be located in most military installations. Requests of this nature should be made by the client, not by the County Office. ]

§ 187.25. Notification to the applicant or recipient.

(a) *Cash assistance sought or received for an unemancipated minor child.* Before requiring cooperation under § 187.23(b) (relating to requirements), the CAO will provide oral and written notice of the cooperation requirements to the applicant or recipient. The written notice shall advise the applicant or recipient of the following:

(1) The potential benefits that the unemancipated minor child may derive from the cooperation of the applicant or recipient in establishing paternity and obtaining support.

(2) Cooperation is a condition of eligibility.

(3) Failure to cooperate without good cause will result in the reduction of the cash assistance allowance by 25%.

(4) The right to claim good cause, good cause circumstances, proving the good cause claim, and the good cause determination under § 187.27 (relating to waiver of cooperation for good cause).

(5) The CAO will waive the cooperation requirements when the CAO, the court of common pleas or the DRS determine that good cause exists.

(6) A finding of noncooperation of an applicant or recipient does not affect the LRR's duty to pay support.

(b) *Cash assistance sought or received for a spouse.* Before requiring cooperation under § 187.23(c), the CAO will provide oral and written notice to the applicant/recipient of the cooperation requirements and the right to claim good cause. The written notice shall advise the applicant/recipient of all the information set forth under subsection (a).

§ 187.26. Noncooperation.

(a) *Determination of noncooperation by the CAO, court of common pleas or DRS.* The CAO, court or DRS may make the determination of whether an applicant/recipient refused to cooperate without good cause. The court of common pleas of each county shall have the option of hearing appeals from any determination of its DRS that an applicant/recipient has not cooperated in accordance with § 187.23 (relating to requirements). If the court declines to exercise the option to hold hearings on the appeals, the procedures in subsection (b) apply. If the CAO determines noncooperation without good cause, the procedures in subsection (c) apply. Subsection (c)(1) applies to applicants. Subsection (c)(2) applies to recipients. The procedures in subsection (c)(1) or (2) also apply when the court declines to hold the noncooperation hearing. If the court, after notice and an opportunity to be heard, determines that the applicant/recipient re-

fused to cooperate without good cause, the Department will implement the court's order as set forth in subsection (d).

(b) If the court or the DRS determines that the applicant/recipient has failed to cooperate without good cause with § 187.23, the court or the DRS will provide notice of any noncooperation determination to the CAO along with notice of its decision to opt not to hold a hearing on noncooperation. Appropriate court personnel shall be made available to provide testimonial evidence by telephone testimony at the time and location set by the Department for the Departmental appeal hearing. Upon receipt of the notice from the court or the DRS, the CAO shall proceed in accordance with subsection (c)(1) or (2) depending upon whether the individual is an applicant for or recipient of assistance.

(c) If the CAO determines that the applicant/recipient has failed to cooperate, without good cause, with § 187.23, or upon receipt of a notice of a noncooperation determination by the court or DRS under subsection (b), the CAO will:

(1) In the case of an applicant:

(i) Provide notice to the applicant of the noncooperation determination, the basis for the noncooperation determination and the reduction of the cash assistance allowance by 25% effective upon authorization of assistance.

(ii) Provide notice to the applicant of the right to appeal to the Department's office of hearings and appeals under Chapter 275 (relating to appeal and fair hearing and administrative disqualification hearings).

(iii) Authorize the cash assistance allowance reduced by 25% effective upon authorization of assistance.

(iv) Authorize the full cash assistance allowance if so ordered as a result of a decision rendered by the Bureau of Hearings and Appeals, as a result of a good cause claim initiated by the applicant, or as a result of the applicant cooperating with the support requirements.

(2) In the case of a recipient:

(i) Provide notice to the recipient of the noncooperation determination, the basis for the noncooperation determination, and the reduction of the cash assistance allowance by 25% 10 days after the date of the notice.

(ii) Provide notice to the applicant of the right to appeal to the Department's Bureau of Hearings and Appeals under Chapter 275.

(iii) Authorize the reduction of the cash assistance allowance by 25% effective 10 days after the date of the notice, unless the recipient has invoked his right to a hearing and has filed an appeal within the 10-day period. If the recipient has invoked his right to a fair hearing, cash assistance will not be reduced pending a decision in the hearing.

(iv) Initiate recovery of the assistance granted pending the fair hearing if the Department action is sustained.

(d) *Determination of noncooperation by the court.* A hearing or appeal with respect to the recommendation order of noncooperation directed by the

court or DRS will be conducted by the court in accordance with the Pennsylvania Rules of Civil Procedure.

(1) Upon receipt of a court order issued by a court of common pleas, the CAO will implement the order within 10 days of receipt. The CAO will:

(i) Provide notice to the applicant or recipient of the court order and the cash assistance allowance reduction by 25%.

(ii) Provide notice to the applicant or recipient of the right to appeal to the Department's Bureau of Hearings and Appeals under Chapter 275 and that the right of appeal to the Department's Bureau of Hearings and Appeals does not include appeal of a court order in which noncooperation has been determined by the court. The right to appeal in this instance to the Department's Bureau of Hearings and Appeals under Chapter 275 is restricted to the calculation of the assistance allowance.

(iii) For an applicant, authorize the cash assistance allowance reduced by 25% effective upon authorization of assistance. For a recipient, the CAO will reduce the cash assistance allowance by 25% effective 10 days after the date of the notice, unless the recipient has invoked his right to a hearing and has filed an appeal within the 10-day period. If the recipient has invoked his right to a fair hearing, the cash assistance allowance will not be reduced pending a decision in the hearing.

(2) If the court order directs the Department to rescind the sanction for noncooperation, the Department will implement the order immediately upon receipt.

§ 187.27. Waiver of cooperation for good cause.

(a) *Good cause circumstances.* Cooperation requirements may be waived for good cause. Good cause circumstances include the following:

(4) Action to establish paternity or obtain child or spousal support would make it more difficult for the individual or family member to escape domestic violence, or unfairly penalize the individual who has been victimized by the violence, or who is at risk of further violence. Domestic violence is defined as one or more of the following:

(i) Physical acts that resulted in, or threatened to result in, physical injury to the individual.

(ii) Sexual abuse.

(v) Threats of, or attempts at, physical or sexual abuse.

(vi) Mental abuse.

(ii) Court documents or other records which indicate that legal proceedings for adoption are pending.

(iii) A written statement from a public or licensed private social agency that the applicant or recipient is being assisted by the agency to resolve the issue of whether to relinquish the child for adoption.

(iv) Medical records which indicate emotional health history and present emotional health status of the applicant or recipient or the child for whom support would be sought; or, written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the applicant or recipient or the child for whom support would be sought. Supportive evidence submitted from a mental health professional will be defined as statements written by persons who have obtained licensure or certification, if applicable, or have received a degree in defined areas of mental health including psychiatry, social work, psychology, nursing, occupational therapy or recreational therapy.

(v) Court, medical, criminal, child protective services, social services, psychological or law enforcement records which indicate that the putative father, noncustodial parent or absent spouse might inflict harm on the individual or family member as specified under subsection (a)(4).

(vi) Statements from individuals other than the applicant or recipient with knowledge of the good cause circumstances, including a domestic violence service provider, a medical, psychological or social service provider, a law enforcement professional, a legal representative, an acquaintance, friend, relative or neighbor of the claimant or other person. The CAO may not contact the putative father or noncustodial parent to verify good cause in a domestic violence situation.

(vii) *“Verification of Good Cause Based on Domestic Violence.”* The person with domestic violence training and applicant or recipient will complete this form for all good cause claims based on domestic violence in accordance with one of the following circumstances:

(A) To accompany acceptable verification as specified in subparagraph (iv), (v) or (vi) that an applicant or recipient has provided.

(B) To authorize by written consent of the applicant or recipient that a third party may provide verification/corroborative of the good cause claim.

(C) To grant good cause for up to 6 months when an applicant or recipient affirms he is unable to

safely obtain evidence to verify the claim of domestic violence within the established time frames for providing verification.

(2) When the applicant or recipient of cash assistance initiates a claim of good cause, the CAO, court or the DRS may provide assistance with obtaining corroborative evidence. If requested by the applicant or recipient, the CAO, court or DRS will provide assistance in securing the needed evidence by advising how to obtain specific documents that may be available and by undertaking to obtain specific documents the applicant or recipient is not able to obtain.

(3) An applicant or recipient shall provide verification of the good cause claim within 30 days from the date the claim is made except when the applicant or recipient cannot otherwise provide verification of the good cause claim as specified in paragraph (1)(vii)(C).

(i) In the case of an applicant, assistance will be authorized no later than 30 days following application when the applicant is claiming good cause and verification is not readily available or pending from a third party.

(ii) In the case of a recipient, the CAO will continue assistance if verification is not provided within 30 days and the delay is due to a third party.

(c) *Good cause determination.* The CAO, court or the DRS will make a determination within 45 days from the day the claim was initiated by the applicant or recipient of cash assistance. The CAO, court, or the DRS may approve additional days for the determination to be completed.

(1) If the CAO makes a determination on a good cause claim, the CAO will notify the applicant or recipient of cash assistance in writing of the final determination regarding the claim of good cause and the basis therefor and of the right to appeal under Chapter 275. If the good cause claim is denied, neither the Department nor the Bureau of Child Support Enforcement will attempt to establish paternity or obtain support for at least 30 days after the client has been informed orally and in writing of the denial of the good cause claim.

(2) If the court of common pleas or DRS makes a determination on a good cause claim, the DRS will notify the applicant or recipient of cash assistance and the CAO of the final determination and the basis therefor and of the right to appeal under Chapter 275.

(3) When the CAO, court of common pleas or the DRS approve a waiver of the cooperation requirement based on a claim of good cause, the CAO, court of common pleas or the DRS will establish the expiration of the waiver and the DRS will not attempt to establish paternity or obtain support.

(i) If the good cause claim was granted based on corroborative evidence, no additional corroborative evidence is required if circumstances have not changed since approval of the initial waiver. The

(ii) If the good cause claim was granted based on the recipient's affirmation, and she is unable to provide verification as specified in subsection (b)(1)(iv)—(vi), the CAO will make a determination of good cause based on a current assessment of the recipient's circumstances. This assessment will be completed by a person with domestic violence training and substantiated by completion of the verification of good cause based on the domestic violence form under subsection (b)(1)(vii).
