READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

Bulletin before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

Maximum Lawful Rate of Interest for Residential Mortgages for the Month of December 2000

The Department of Banking of the Commonwealth of Pennsylvania, under the authority contained in Section 301 of the Act of January 30, 1974 (P. L. 13, No. 6) (41 P. S. § 301), hereby determines that the maximum lawful rate of interest for residential mortgages for the month of December, 2000, is 8 1/4%.

The interest rate limitations under the State's usury statute were preempted to a great extent by Federal law, the Depository Institutions Deregulation and Monetary Control Act of 1980 (Pub. L. 96-221). Further preemption was instituted with the signing of Pub. L. 96-399, which overrode State interest rate limitations on any individual who finances the sale or exchange of residential real property which such individual owns and which such individual occupies or has occupied as his principal residence.

Each month the Department of Banking is required by State law to compute and announce the ceiling rate on residential mortgages in Pennsylvania. This maximum rate is determined by adding 2.50 percentage points to the yield rate on long-term government bonds as published by the Federal Reserve Board and/or the United States Treasury. The latest yield rate on long-term government securities is 5.86 to which was added 2.50 percentage points for a total of 8.36 that by law is rounded off to the nearest quarter at 8 1/4%.

Amendments to Eligibility Grant Application; Public Comment Period

Written public comment is invited regarding the Pennsylvania Department of Education's proposed amendments to its Eligibility Grant application under the Individuals with Disabilities Education Act-Part B (IDEA-B), Section 611 Assistance for Education for All Children and Section 619 Preschool. The eligibility grant repre-

sents a contract between the Pennsylvania Department of Education and the United States Department of Education under IDEA-B. The grant application describes the comprehensive framework for the delivery of special education to students with disabilities in the Commonwealth under IDEA-B. Grant funds received by the State Education Agency will be used to administer and render services and programs to children with disabilities who are eligible for services under the IDEA-B.

Copies of the proposed amendments are available by calling Laura Davis at (717) 783-6137 or the TDD, Nancy Zeigler at (717) 787-7367. Alternate formats of the documents (for example, Braille, large print, cassette tape) can be made available to members of the public upon request. Moreover, public comment is welcomed in alternative formats such as Braille, taped comments, and telephone comments from the disabled. Individuals who are disabled and wish to submit comments by telephone, should call Nancy Zeigler at (717) 783-6134 or TDD (717) 787-7367.

Written comments will be received until January 31, 2001. The written comments should be directed to Laura Davis, Administrative Assistant, Department of Education, Bureau of Special Education, 333 Market Street, 7th Floor, Harrisburg, PA 17126-0333.

The Department of Education will consider all public comments and make necessary modifications to the application before submission, by March 3, 2001, to the Secretary of the United States Department of Education. Upon the grant's approval, access to the application will be available to the public.

Additionally, an opportunity to submit oral testimony is invited for those wishing to present comments on the proposed application amendments. One written copy of oral testimony at the time of presentation would be appreciated. Presentations should be limited to 15 minutes.

Dates, locations and times for oral testimony on the proposed application are as follows:

January 16, 2001—3 p.m. to 7 p.m., Pennsylvania Training and Technical Assistance Network of King of Prussia, 200 Anderson Road, King of Prussia, PA 19406; January 17, 2001—3 p.m. to 7 p.m., Pennsylvania Training and Technical Assistance Network of Harrisburg, Gateway Corporate Center, 6340 Flank Drive, Suite 600, Harrisburg, PA 17112;

January 18, 2001—3 p.m. to 7 p.m., Pennsylvania Training and Technical Assistance Network of Pittsburgh, 5347 William Flynn Highway, Gibsonia, PA 15044.

To schedule an opportunity to present oral testimony, call Laura Davis no later than January 12, 2001, (4 p.m.) at (717) 783-6137 or TDD at (717) 787-7367. Persons with a disability who wish to attend the public testimony scheduled above, and require an auxiliary aid service or

other accommodations to participate in the proceedings, should contact Nancy Zeigler at (717) 783-6134.

Applications, Actions and Special Notices

APPLICATIONS

APPLICATIONS RECEIVED UNDER THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

[National Pollution Discharge Elimination System Program (NPDES)]

DISCHARGE OF CONTROLLED INDUSTRIAL WASTE AND SEWERAGE WASTEWATER

(Part I Permits)

The following parties have applied for an NPDES permit to discharge controlled wastewaters into the surface waters of this Commonwealth. Unless otherwise indicated on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge subject to certain effluent limitations and special conditions. These proposed determinations are tentative.

Where indicated, the EPA, Region III, Regional Administrator has waived his right to review or object to this proposed permit action under the waiver provision 40 CFR 123.6E.

Persons wishing to comment on the proposed permit are invited to submit a statement to the Field Office indicated as the office responsible, within 30 days from the date of this public notice. Comments received within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Field Office the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the Field Office considers the public response significant.

Following the 30-day comment period, the Water Management Program Managers will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealed to the Environmental Hearing Board.

The application, and related documents, proposed effluent limitations and special conditions received and other information are on file and may be inspected and arrangements made for copying at the Field Office that has been indicated above the application.

Applications under the Pennsylvania Clean Streams Law

(Part II Permits)

The following permit applications and requests for plan approval have been received by the Department of Environmental Protection (Department). Persons objecting on the grounds of public or private interest to the approval of an application or submitted plan may file a written protest with the Department at the address indicated above each permit application or plan. Each written protest should contain the following name, address and telephone number; identification of the plan or application to which the protest is addressed and a concise statement in sufficient detail to inform the Department of the exact basis of the protest and the relevant facts upon which it is based. The Department may conduct a fact-finding hearing or an informal conference in response to any given protests. Each writer will be notified in writing of the time and place if a hearing or conference concerning the plan, action or application to which the protest relates is held. To insure consideration by the Department prior to final action on permit applications and proposed plans, initial protests and additions or amendments to protests already filed should be filed within 15 calendar days from the date of this issue of the *Pennsylvania Bulletin*. A copy of each permit application and proposed plan is on file in the office indicated and is open to public inspection.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Services at (800) 654-5984.

INDIVIDUAL PERMITS

(PAS)

NPDES INDIVIDUAL

The following parties have applied for an NPDES permit to discharge stormwater from a proposed construction activity into the surface waters of this Commonwealth. Unless otherwise indicated, on the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental Protection (Department) proposes to issue a permit to discharge, subject to certain limitations set forth in the permit and special conditions. The proposed determinations are tentative. Limitations are provided in the permit as erosion and sedimentation control measures and facilities which restrict the rate and quantity of sediment discharged.

Where indicated, the EPA, Region III, Regional Administrator has waived the right to review or object to this proposed permit action under the waiver provision of 40 CFR 123.24(d).

Persons wishing to comment on the proposed permit are invited to submit a statement to the Regional Office or County Conservation District Office indicated as the responsible office, within 30 days from the date of this public notice. A copy of the written comments should be sent to the County Conservation District Office. Comments reviewed within this 30-day period will be considered in the formulation of the final determinations regarding this application. Responses should include the name, address and telephone number of the writer and a concise statement to inform the Regional Office of the exact basis of a comment and the relevant facts upon which it is based. A public hearing may be held if the Regional Office considers the public response significant.

Following the 30-day comment period, the Water Program Manager will make a final determination regarding the proposed permit. Notice of this determination will be published in the *Pennsylvania Bulletin* at which time this determination may be appealable to the Environmental Hearing Board.

The application and related documents, including the erosion and sedimentation control plan for the construction activity, are on file and may be inspected at the County Conservation District Office or the Department Regional Office noted above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

MINING

APPLICATIONS TO CONDUCT COAL AND NONCOAL ACTIVITIES

Applications under the Surface Mining Conservation and Reclamation Act (52 P. S. §§ 1396.1—1396.19a); the Noncoal Surface Mining Conservation and Reclamation Act (52 P. S. §§ 3301—3326); The Clean Streams Law (35 P. S. §§ 691.1—691.1001); the Coal Refuse Disposal Control Act (52 P. S. §§ 30.51—30.66); The Bituminous Mine Subsidence and Land Conservation Act (52 P. S. §§ 1406.1—1406.21). Mining activity permits issued in response to such applications will also address the applicable permitting requirements of the following statutes: the Air Pollution Control Act (35 P. S. §§ 4001—4015); the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27); and the Solid Waste Management Act (35 P. S. §§ 6018.101—6018.1003).

The following permit applications to conduct mining activities have been received by the Department of Environmental Protection (Department). A copy of the application is available for inspection at the District mining office indicated above each application. Where a 401 water quality certification is needed for any aspect of a

particular proposed mining activity, the submittal of the permit application will serve as the request for the certification.

Written comments or objections, or requests for informal conferences on applications, may be submitted by any person or any officer or head of any Federal, State or local government agency or authority to the Department at the same address within 30 days of this publication, or within 30 days after the last publication of the applicant's newspaper advertisement, as provided by 25 Pa. Code §§ 77.121—77.123 and 86.31—86.34 (relating to public notices of filing of permit applications, opportunity for comment, and informal conferences).

Where any of the mining activities listed will have discharges of wastewater to streams, the Department will incorporate NPDES permits into the mining activity permits issued in response to these applications. The NPDES permits will contain, at a minimum, technology-based effluent limitations (as described in the Department's regulations—25 Pa. Code §§ 77.522, 87.102, 88.92, 88.187, 88.242, 89.52 and 90.102) for iron, manganese, suspended solids, settleable solids, alkalinity and pH. In addition, more restrictive effluent limitations, restrictions on discharge volume, or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit when necessary for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies which have requested review of the NPDES permit requirements for a particular mining activity within the above-mentioned public comment period will be provided with a 30-day period to review and submit comments on those requirements.

Written comments or objections should contain the name, address and telephone number of persons submitting comments or objections; application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor desires to have the conference conducted in the locality of the proposed mining activities.

APPLICATIONS RECEIVED UNDER SECTION 401: FEDERAL WATER POLLUTION CONTROL ACT

ENCROACHMENTS

The following permit applications and requests for Environmental Assessment approval and requests for water quality certification have been received by the Department of Environmental Protection (Department). Section 401 of the Federal Water Pollution Control Act (33 U.S.C.A. § 1341(a)), requires the State to certify that the involved projects will not violate the applicable provisions of 33 U.S.C.A. §§ 1311—1313, 1316 and 1317 as well as relevant State requirements. Initial requests for 401 certification will be published concurrently with the permit application. Persons objecting to approval of a request for certification under Section 401 or to the issuance of a Dam Safety or Encroachment Permit, or the approval of Environmental Assessments must submit any comments, suggestions or objections within 30 days of the date of this notice as well as any questions to the office noted above the application.

Persons with a disability who wish to attend the hearing and require an auxiliary aid, service or other accommodation to participate in the proceedings, should contact the specified program. TDD users may contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Applications received under the Dam Safety and Encroachments Act (32 P. S. §§ 693.1—693.27) and section 302 of the Flood Plain Management Act (32 P. S. § 679.302) and requests for certification under section 401 of the Federal Water Pollution Control Act.

Southeast Regional Office: Program Manager, Water Management Program, Lee Park, Suite 6010, 555 North Lane, Conshohocken, PA 19428.

A15-652. Encroachment. **Pennsylvania Department of Transportation**, Engineering District 6-0, 7000 Geerdes Boulevard, King of Prussia, PA 19406-1525. To perform the following activities associated with the bridge replacement and roadway improvements for Hopewell Road (S. R. 3016, Section 63 S) and its intersection with Roney Corner Road (Kirkwood, PA Quadrangle N: 5.3 inches; W: 1.8 inches) in East Nottingham Township, **Chester County**. To remove an existing 20-foot single span bridge over the East Branch of Tweed Creek and to construct and maintain in its place, a twin cell 12-foot by 6-foot pre-cast box culvert and associated wing walls. The left cell will be depressed 1.0 foot below the streambed and the right cell will have a 1.5-foot high weir at each end of the box culvert. Work also includes reconstruction of approximately 625 linear feet of Hopewell Road and associated stormwater facilities.

E46-879. Encroachment. **Montgomery County—Parks Department**, Court House—Airy Street, P. O. Box 311, Norristown, PA 19404-0311. To install and maintain a 77-foot long by 6-foot wide pre-fabricated pedestrian bridge across the Pennypack Creek (TSF). This bridge will replace an existing pedestrian bridge that was destroyed by Hurricane Floyd, previously located approximately 75 feet downstream from this existing location in Lorimer Park (Frankford, PA-NJ Quadrangle N: 17.8 inches; W: 10.2 inches) in Abington Township, **Montgomery County**. Work will also include the installation and maintenance of an 18-inch CPEP stormwater outfall in the vicinity of this bridge.

E23-405. Encroachment. **Philadelphia Suburban Water Company**, 762 West Lancaster Avenue, Bryn Mawr, PA 19010-3489. To install and maintain a 30-inch ductile iron water transmission main associated with the construction of Liberty Power Plant. The water main will cross portions of the 100-year floodplain of the Delaware River (WWF, MF), Darby Creek (WWF, MF), Crum Creek (WWF, MF), and 0.05 acre of adjacent wetlands (PEM/R10WV). The proposed pipe will contact the existing Philadelphia Water Department main, located near the Philadelphia Airport (Lansdowne, PA USGS Quadrangle N: 0.3 inch; W: 0.5 inch) in the City and County of Philadelphia, through Tinicum Township, Ridley Township, and terminating at the intersection of Industrial Highway (S. R. 0291) and Saville Avenue (Bridgeport, PA USGS Quadrangle N: 19.4 inches; W: 12.8 inches) in Eddystone Borough, **Delaware County**.

Northeast Regional Office: Soils and Waterways Section, 2 Public Square, Wilkes-Barre, PA 18711-0790, (570) 826-2511.

E52-168. Encroachment. **Penny James, Box 322, Twin Lakes Road**, Shohola, PA 18458. To maintain two

sections of fence, totaling 213 feet in length, constructed across wetlands within the drainage basin of Shohola Creek. The wooden fence is approximately 6 feet high and is supported by 4-inch by 4-inch cedar posts. The project is located at a private residence on the east side of S. R. 1005 (Twin Lakes Road), approximately 0.8 mile south of the intersection of S. R. 1005 and S. R. 1006 (Shohola, PA-NY Quadrangle N: 12.7 inches; W: 6.3 inches), Shohola Township, **Pike County** (Philadelphia District, United States Army Corps of Engineers).

1. Place and maintain fill within the regulated 50-foot floodway beginning at West 26th Street and extending downstream approximately 360 feet along the left (west) bank of the stream.

2. Rebuild and maintain an existing block wall along the left bank of the stream extending approximately 50 feet downstream from the outlet of the culvert under West 26th Street.

3. Install and maintain rock riprap along the left bank of the stream beginning at the end of the block wall and extending approximately 280 feet downstream.

4. Install and maintain a 36-inch diameter HDPE pipe stormwater outfall with rock riprap energy dissipater along the left bank of the stream approximately 330 feet downstream of West 26th Street.

ACTIONS

FINAL ACTIONS TAKEN UNDER THE PENNSYLVANIA CLEAN STREAMS LAW AND THE FEDERAL CLEAN WATER ACT

DISCHARGE OF CONTROLLED INDUSTRIAL WASTE AND SEWERAGE WASTEWATER

(Part I Permits)

The Department of Environmental Protection (Department) has taken the following actions on previously received permit applications and requests for plan approval and has issued the following significant orders.

Any person aggrieved by this action may appeal, under section 4 of the Environmental Hearing Board Act (35 P. S. § 7514) and 2 Pa.C.S. §§ 501—508 and 701—704 (relating to the Administrative Agency Law), to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P. O. Box 8457, Harrisburg, PA 17105-8457, (717) 787-3483. TDD users may contact the Board through the Pennsylvania Relay Service, (800) 654-5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in Braille or on audiotape from the Secretary to the Board at (717) 787-3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

SEWAGE FACILITIES ACT PLAN APPROVAL

Plan approval granted under the Pennsylvania Sewage Facilities Act (35 P. S. §§ 750.1—750.20).

*Northeast Regional Office: Water Management Program
Manager, 2 Public Square, Wilkes-Barre, PA 18711-0790,
(570) 826-2511.*

Stroud Township, **Monroe County**. The Department has completed its review of the Official Act 537 Sewage Facilities Plan Update Revision (Plan) for the Bartonsville Sewer Extension and Areas of Possible Sewer Extensions for Stroud Township, Monroe County, dated September 29, 2000. The Department has found that the Plan is acceptable and granted planning approval on November 3, 2000.

The Plan approves planning for the proposed State Route 611 Bartonsville Sewer Extension which includes a sewage collection and conveyance line, a sewage force main, and sewage pumping station. The proposed sewer extension will serve the facilities that are served by the Stroud Township WWTP (when it is removed from service) and other existing Commercial and Residential Properties.

The Department's review of the Plan has not identified any significant environmental impacts resulting from the proposals. In accordance with the provisions of the Pennsylvania Sewage Facilities Act (35 P. S. §§ 750.1—750.12(a)) (Act 537), and 25 Pa. Code Chapter 71, the Department will hold the Township responsible for the complete and timely implementation of the chosen alternative, as stated in the Plan's Schedule of Implementation, located in the Plan Summary.

HAZARDOUS SITES CLEAN-UP

Under the Act of October 18, 1988

Public Notice of Proposed Consent Order and Agreement

R. O. Murphy and Langner/Murphy Sites

Allegheny Township, Butler County and Pine Township, Mercer County

Under section 1113 of the Hazardous Sites Cleanup Act (35 P. S. § 6020.1113) (HSCA), notice is hereby provided that the Department of Environmental Protection (Department) has agreed to a Consent Order and Agreement (CO&A) with David B. Murphy and Langner Enterprises, Inc., (LEI) concerning the resolution of their liability for

the R. O. Murphy Site, and the Langner and Murphy Site (collectively, the "Sites"). The R. O. Murphy Site is located adjacent to, and north of, Route 58, approximately 2.75 miles east of the village of Six Points, in Allegheny Township, Butler County, Pennsylvania. The Langner and Murphy Site is located at the northeast corner of the intersection of Township Road 878 (Diamond Road) and Route 208, in Pine Township, Mercer County, Pennsylvania.

In the past, hazardous substances were disposed at the Sites and these substances contaminated the environment at the Sites. The Department has incurred more than \$223,000 in response costs at the R. O. Murphy Site. The Department estimates that it will expend additional funds to abate the release and threatened release of hazardous substances at the Langner and Murphy Site. As an owner and operator of the Sites during the time of the release and threatened release of hazardous substances at the Sites, David B. Murphy and LEI are each a "responsible person" as defined in section 103 of HSCA (35 P. S. § 6020.103).

Based upon Mr. Murphy and LEI's available assets and their certification concerning their financial condition, the Department has determined that Mr. Murphy and LEI cannot pay for all or any substantial portion of the response costs at the Sites. Accordingly, to resolve the foregoing matters without litigation, the Department and Mr. Murphy and LEI have agreed to enter into this inability to pay settlement. Under the terms of the CO&A, Mr. Murphy and LEI shall, among other things, pay a total of \$32,433 to the Hazardous Sites Cleanup Fund, and Mr. Murphy will also convey title to the Langner and Murphy Sites to a nonprofit entity designated by the Department.

A prompt interim response action was completed at the R. O. Murphy Site in 1999. The Department anticipates that the response action may be conducted at the Langner and Murphy Site during the 2001 construction season. This response will help mitigate the threat to human health and the environment posed by the hazardous substances there.

The specific terms of this settlement are set forth in the CO&A between the Department and Mr. Murphy and LEI. The Department will receive and consider comments relating to the CO&A for 60 days from the date of this Public Notice. The Department has the right to withdraw its consent to the CO&A if the comments concerning the CO&A disclose facts or considerations which indicate that the CO&A is inappropriate, improper, or not in the public interest. After the public comment period, the Department's settlement with Mr. Murphy and LEI shall be effective upon the date that the Department notifies Mr. Murphy and LEI, in writing, that this Consent Order and Agreement is final and effective in its present form, and that the Department has filed a response to significant written comments to the CO&A, or that no such comments were received.

The CO&A is available for inspection and copying at the Department's office at 230 Chestnut Street, Meadville, Pennsylvania. Comments may be submitted, in writing, to Hal Nye, Project Manager, Department of Environmental Protection, Hazardous Sites Cleanup, 230 Chestnut Street, Meadville, PA 16335. Further information may be obtained by contacting Mr. Nye at (814) 332-6648. TDD users may contact the Department through the Pennsylvania Relay Service at (800) 654-5984.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

Preamble 2

The following final reports were submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Provisions of Chapter 3 of the Land Recycling and Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of submission of final reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the act's remediation standards. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or non-residential exposure factors, a description of the remediation performed, and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected.

For further information concerning the final report, please contact the Environmental Cleanup Program Manager in the Department Regional Office under which the notice of receipt of a final report appears. If information concerning a final report is required in an alternative form, contact the community relations coordinator at the appropriate regional office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has received the following final report(s):

Northwest Regional Office: Craig Lobins, Environmental Cleanup Program Manager, 230 Chestnut Street, Meadville, PA 16335, (814) 332-6648.

Caparo Steel Company, 15 Roemer Boulevard, City of Farrell, **County of Mercer**, and **Paul Wojciak** of Environmental Management Associates, 10925 Perry Highway, Suite 23, Wexford, PA 15090, have submitted a Final Report concerning remediation of a site contaminated with Heavy Metals and Lead. The report is intended to document remediation of the site to the State-wide Health Standard.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION

Under Act 2, 1995

Preamble 3

The Department has taken action on the following plans and reports under the Land Recycling and Environmental Remediation Act (35 P. S. §§ 6026.101—6026.909) and Chapter 250 Administration of Land Recycling Program.

Provisions of 25 Pa. Code § 250.8 Administration of Land Recycling Program requires the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* a notice of its final actions on plans

and reports. A final report is submitted to document cleanup of a release of a regulated substance at a site to one of the remediation standards of the Land Recycling and Environmental Remediation Standards Act (act). Plans and reports required by provisions of the act for compliance with selection of remediation to a site-specific standard, in addition to a final report, include a remedial investigation report, risk assessment report, and cleanup plan. A remedial investigation report includes conclusions from the site investigation, concentration of regulated substances in environmental media, benefits of reuse of the property, and in some circumstances, a fate and transport analysis. If required, a risk assessment report describes potential adverse effects caused by the presence of regulated substances. A cleanup plan evaluates the abilities of potential remedies to achieve remedy requirements. A final report provides a description of the site investigation to characterize the nature and extent of contaminants in environmental media, the basis for selecting the environmental media of concern, documentation supporting the selection of residential or nonresidential exposure factors, a description of the remediation performed, and summaries of sampling methodology and analytical results which demonstrate that the remediation has attained the cleanup standard selected. The Department may approve or disapprove plans and reports submitted. This notice provides the Department's decision and, if relevant, the basis for disapproval.

For further information concerning the plans and reports, please contact the Environmental Cleanup Program Manager in the Department Regional Office under which the notice of the plan or report appears. If information concerning a plan or report is required in an alternative form, contact the community relations coordinator at the appropriate regional office listed. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

The Department has acted upon the following plans and reports:

Southcentral Regional Office: Environmental Cleanup Program Manager, 909 Elmerton Avenue, Harrisburg, PA 17110-8200, (717) 705-4705.

Pulsar Petroleum of Reading, Inc., Muhlenberg Township, **Berks County**. Storb Environmental, Inc., 410 North Easton Road, Willow Grove, PA 19090-2511 has submitted a remedial investigation report concerning the remediation of site soils and groundwater contaminated with BTEX and PHCs. The report was approved by the Department on November 7, 2000.

Southwest Field Office: John J. Matviya, Environmental Cleanup Program Manager, 400 Waterfront Drive, Pittsburgh, PA 15222-4745, (412) 442-5217.

Fuccillo Ford, Town of Hampton, **Allegheny County**. Fuccillo Ford, Route 11, Adams, NY, OP-TECH Environmental Services, 6392 Deere Road, Syracuse, NY 13220, and Paul Suozzi, 108 Sawyer Avenue, Tonawanda, NY 14150 has submitted a Final Report concerning remediation of site soil contaminated with PCBs, lead, heavy metals, solvents, BTEX, PHCs and PAHs. The Final Report demonstrated attainment of the Statewide Health Standard and was approved by the Department on September 18, 2000.

**DEPARTMENT OF
TRANSPORTATION****Finding****Lehigh County**

Pursuant to the provisions of 71 P. S. Section 2002(b), the Secretary of Transportation makes the following written finding:

The Department of Transportation plans to construct 1.1 miles of new roadway which will follow the proposed American Parkway alignment over an abandoned railroad right-of-way. Additional roadway improvements will include turning lanes and intersection improvements at Airport Road/Lloyd Street, Airport Road/US 22 interchange, and at Dauphin Street/Irving Street. The project will require the acquisition of 0.47 acre of right-of-way from the Catasauqua Lake Park. The use of property

from the Catasauqua Lake Park will be mitigated by landscaping the area of the park adjacent to the project with grasses and trees to provide a buffer zone between the roadway and the park. I have considered the environmental, economic, social, and other effects of the proposed project as enumerated in Section 2002 of the Administrative Code, and have concluded that there is no feasible and prudent alternative to the project as designed, and all reasonable steps have been taken to minimize such effect.

No adverse environmental effect is likely to result from the construction of this project.

Secretary

HOUSING FINANCE AGENCY

Request for Proposals

Conference Planning Consultant for Housing Services Conference

The Pennsylvania Housing Finance Agency (Agency) is currently planning a Statewide Housing Services conference for June 6-8, 2001. The conference will be held at the Penn Stater Conference Center Hotel. It is anticipated that approximately 300 persons will be in attendance over a 3 day period. The Agency is requesting interested conference and convention planners to respond to this Request for Proposal. The selected conference planner shall be responsible for the following types of services:

1. Assist with identifying conference speakers.
2. Assist with conference speaker logistics and contracts.
3. Create a speaker database to record all of the details specific to each speaker and each session using PHFA session forms.
4. Create conference brochure.
5. Establish appropriate print deadlines (including brochure and conference materials).
6. Establish mailing deadlines and coordinate brochure mailing.
7. Process conference registrations and send confirmation notices to participants.
8. Create a database to track all conference registrations. This includes contacting participants to clarify registrations or verify information if registration forms are incomplete. Provide a weekly count to PHFA of registered participants, speakers and PHFA staff.
9. Work with The Penn Stater Conference Center Hotel to handle the onsite logistics, which include: room setups, registration areas, food, beverages, special events, speaker and staff overnight rooms, and any other onsite requirements.
10. Create participant badges, speaker badges and name tents; prepare participant conference packets; ob-

tain tourist information to include in the packet, copy conference materials and deliver to conference site.

11. Create a conference schedule and individual conference signs that list session titles, rooms and times.
12. Obtain continuing education credit approvals for applicable sessions.
13. Provide staff for onsite conference registration and coordination.
14. Provide to PHFA a list of paid attendees, their titles and organizations sorted by session 5 days after the early bird deadline. This list will be mailed by PHFA to conference speakers prior to the conference.
15. Create, distribute and collect conference evaluations.
16. Provide a final conference report within 2 weeks of the conclusion of the conference. This report must include copies of all conference materials as well as:
 - final count of number of participants, speakers and PHFA staff.
 - a review of conference activities with recommendations of the consultant.
 - disk containing the speaker and participant databases.
17. Submit a formal written financial report within 1 month of the conclusion of the conference.

Proposals must be received by the Agency no later than 5 p.m. on Friday, December 15, 2000. Please identify cost and staff requirements associated with completion of each of the above itemized responsibilities in preparing responses to this Request for Proposals. The Agency will evaluate the reasonableness of costs, experience in conference planning and coordination, provision of services and ability to accommodate the Agency's conference needs in making its determination. Proposals and requests for additional information should be directed to Lisa Yaffe, Pennsylvania Housing Finance Agency, 2101 N. Front Street, P. O. Box 8029, Harrisburg, PA 17105-8029, (717) 780-3874, TDD for Hearing Impaired (717) 780-1869.

STATE CONTRACTS INFORMATION

DEPARTMENT OF GENERAL SERVICES

Notices of invitations for bids and requests for proposals on State contracts for services and commodities for which the bid amount is reasonably expected to be over \$10,000, are published in the State Contracts Information Section of the *Pennsylvania Bulletin* prior to bid opening date. Information in this publication is intended only as notification to its subscribers of available bidding and contracting opportunities, and is furnished through the Department of General Services, Vendor Information and Support Division. No action can be taken by any subscriber or any other person, and the Commonwealth of Pennsylvania is not liable to any subscriber or any other person, for any damages or any other costs incurred in connection with the utilization of, or any other reliance upon, any information in the State Contracts Information Section of the *Pennsylvania Bulletin*. Interested persons are encouraged to call the contact telephone number listed for the particular solicitation for current, more detailed information.

EFFECTIVE JULY 1, 1985, A VENDOR'S FEDERAL IDENTIFICATION NUMBER (NUMBER ASSIGNED WHEN FILING INCOME TAX DOCUMENTS) OR SOCIAL SECURITY NUMBER IF VENDOR IS AN INDIVIDUAL, MUST BE ON ALL CONTRACTS, DOCUMENTS AND INVOICES SUBMITTED TO THE COMMONWEALTH.

Act 266 of 1982 provides for the payment of interest penalties on certain invoices of "qualified small business concerns". The penalties apply to invoices for goods or services when payments are not made by the required payment date or within a 15 day grace period thereafter.

Act 1984-196 redefined a "qualified small business concern" as any independently owned and operated, for-profit business concern employing 100 or fewer employees. See 4 Pa. Code § 2.32. The business must include the following statement on every invoice submitted to the Commonwealth: "(name of business) is a qualified small business concern as defined in 4 Pa. Code 2.32."

A business is eligible for payments when the required payment is the latest of:

The payment date specified in the contract.

30 days after the later of the receipt of a proper invoice or receipt of goods or services.

The net payment date stated on the business' invoice.

A 15-day grace period after the required payment date is provided to the Commonwealth by the Act.

GET A STEP AHEAD IN COMPETING FOR A STATE CONTRACT!

The Treasury Department's Bureau of Contracts and Public Records can help you do business with state government agencies. Our efforts focus on guiding the business community through the maze of state government offices. The bureau is, by law, the central repository for all state contracts over \$5,000. Bureau personnel can supply descriptions of contracts, names of previous bidders, pricing breakdowns and other information to help you submit a successful bid on a contract. We will direct you to the appropriate person and agency looking for your product or service to get you "A Step Ahead." Services are free except the cost of photocopying contracts or dubbing a computer diskette with a list of current contracts on the database. A free brochure, "Frequently Asked Questions About State Contracts," explains how to take advantage of the bureau's services.

ME 2081405 The Commonwealth of Pennsylvania is seeking qualified contractors to provide off-site storage services for various types of magnetic and nonmagnetic media. The primary purpose of this acquisition process is to provide continuity with the Commonwealth's current off-site storage procedures and policies. These services will include, but will not be limited to: regularly-scheduled periodic conveyance of media from Commonwealth facilities to the contractor's facilities; regularly-scheduled periodic conveyance of media from the contractor's facilities to Commonwealth facilities; and on-demand retrieval of media from the contractor's facilities. A future phase of this RFQC may encompass electronic transfer and storage of data (e.g., electronic vaulting), concurrent with traditional off-site media transportation and storage. The contract resulting from this RFQC will apply to all Commonwealth Agencies under the Governor's jurisdiction. It also is anticipated that other state-affiliated agencies not under the direct purview of the Governor, such as Commonwealth boards, commissions, as well as legislative- or judicial-branch agencies will avail themselves of the services provided under this contract. The Request for Qualified Contractors will be issued Monday 04 December 2000. Off-site Storage Service vendors, and others, interested in receiving an announcement of its release should either email, fax, or mail their request (email preferred) to the Issuing Office: Commonwealth of Pennsylvania, Mary Lou Kehley, Sole Point of Contact Subcommittee/OSS Workgroup Governor's Office of Administration, Commonwealth Technology Center (CTC), 1 Technology Park, Harrisburg, PA 17110-2913, Phone (717) 772-8072 Fax: (717) 772-8188 mkehley@state.pa.us Please provide a complete organization name and the name of the individual within the organization who should receive the announcement, along with a complete mailing address, and if available, a telephone number, fax number and an Internet email address. The announcement will provide the date of availability, and information concerning the various methods for obtaining a complete document. When the RFQC is released, the text document will be available over the Internet, electronic (diskette), or by printed copy. The announcement of release will provide information on how to obtain copies of appropriate material.
