FOUR ARTICLES PREPARED IN CONNECTION WITH
AN ORAL SYMPOSIUM

PREFACE

THE BOARD OF EDITORS of the *Villanova Law Review* is pleased to publish four articles reflecting several of the views developed during an oral symposium held on March 19, 1977 at Villanova University School of Law under the joint sponsorship of the Student Bar Association and the Law Review.

The papers written by Mr. Beaser and Professor Caine are essentially transcriptions of their presentations to the Symposium supplemented by documentation and altered where necessary to accommodate the written form. The paper written by Professor Weinstein was developed from his remarks to the Symposium. The paper by Mr. Madden and Ms. Lessin of the Law Enforcement Assistance Administration, written after the oral symposium, is the product of a request by the Law Review and represents the individual opinions from a law enforcement perspective.
